## Kindergarten Registration for the 2024-2025 School Year

Resident children of the Half Hollow Hills Central School District who will turn five years old by December 31, 2024 are eligible for kindergarten in September 2024. If your child is currently attending the HHH Universal Pre-K program, you do not need to register as we already have all your information.

Online registration for incoming **kindergarten students** will begin Tuesday, January 2, 2024. The application and requirements are available on the Half Hollow Hills website: Click "District", then "Student Registration" from the menu on the top of the website or visit <https://www.hhh.k12.ny.us/district/student-registration>. Once you have completed the entire application and uploaded the required documents, you will be prompted to schedule a Zoom meeting to review and finalize your child's registration. Only one Zoom meeting is required per family, regardless of how many students you are registering. Your child's registration is not complete until you meet with the District's Registration Department during this final step in the process.

If you have any questions about kindergarten registration, please call your elementary school main office (press "0"):
