RE: No. 10 – Interdistrict Student Transfers for 2016-2017

EXPLANATION: In response to HB 4007 relative to interdistrict transfers, this board approved 84 slots for students to transfer into the Gresham-Barlow School District, and 40 slots for students wishing to transfer to another district.

The 40 slots to transfer out of our district were available from May 1-31, 2016, during which time all 40 slots were requested and given. Since that time there have been additional requests submitted by parents with the end result being 20 students on a wait list who wish to attend school outside of Gresham-Barlow School District.

Administration is requesting that the board approve 20 additional transfer slots for those on the wait list.

Relative to the transfers coming in to our district, at this date we have 48 students enrolling in our district, six of which are returning students who moved outside our boundaries after school ended in June.

PRESENTER: James Hiu

SUPPLEMENTARY  
MATERIALS: None

RECOMMENDATION: The administration recommends the board authorize 20 additional slots for resident district releases.

REQUESTED ACTION: Move to approve the addition of 20 slots for resident district releases for the 2016-17 school year.
