

Site council minutes April 9, 2013

Operational Buisness (7:35)

I. Approve old minutes

A. Motion to approve minutes was made and seconded. Minutes were approved without discussion.

II. New Business (7:36)

A. Current information about SIP areas of concern.- John Koch

- John Koch shared information about current statistical information about site council SIP areas of focus: 9th grade attendance, 9th grade credits earned, reading essential skills performance for 11th grade, writing essential skills performance for 11th grade.
 - John's explanation of the statistics were that some of the current stats show that students are on target in some areas and not close to target on others.
 - Of particular concern is the 11th grade reading and writing essential skills passing %. Current statistics showed a drop in passing scores. This concern has been addressed with a plan to have students who are close to meeting literacy for reading, to retake the reading essential skills OAKS test.

B. Self assessment of district initiatives

John Koch shared rubrics for evaluating our building's success for evaluating our work on the Gresham Barlow School District's six initiatives.

site council members then broke into groups of four and used the rubrics to assess our progress on meeting the initiatives. This conversation lasted approximately 25 minutes.

C. Adjournment: Motion to adjourn the site council meeting was made and seconded. Site council adjourned at 8:23

Next site council meeting is April 23 at 7:30 am

Next site council filter group meeting is 5.2 at 2:50 in John's office
