o
3. Nominations for SC Chair and Vice Chair - Nominations will be sent to Tim Collins and he will ask those nominated individuals if they are interested to serve in that capacity.
4. SC Retreat 8/22

II. New Business (7:40)

1. Yearbook party - end of the year party
There are some finals that will be taking place during that last period when the yearbook will be handed out and this may hinder some of the students from attending. There also appears to be a conflict with the field-trip schedule. There were a number of positive comments related to this idea. There was consensus around having the 8th period teacher hand out tickets to the students who wish to receive their yearbook. The teacher has the opportunity to withhold a pass from a student at their discretion. Students with early dismissal will need to pick up their passes from the main office. The Council took a vote and this was passed unanimously.
2. Finish SIP Initiative Review
3. 2012/2013 SIP Focus Discussion - We talked about the direction that we should take this next year for our school improvement plan. We talked about proficiency learning,

supportive learning environments, and data teams. The Council did not come to any consensus about which directions to pursue.

This is the last meeting of the year. Thank you for all of your hard work!
