SUN BEHAVIORAL EXPECTATIONS:

MFS SUN welcomes all students! Students of all ability levels are encouraged to participate in SUN. We partner with parents and school day staff to support student safety and success. SUN participants are expected to follow the same codes of conduct that apply during the school day. If a student's behavior is unsafe to themselves or others, parents/guardians will be contacted to discuss the behavior. The conversation may include re-evaluating your student's enrollment in SUN. By participating in SUN classes, you and your child agree to these expectations.

The safety and well-being of all participants and staff is of utmost importance. To ensure safety in SUN Community Schools, we require that all participants be able to follow all three of the following criteria:

- 1) Be age-appropriate for the activity/program.
- 2) Be able to maintain safe behavior during the activity. This means that they can participate without harming themselves or others. Specific required behaviors include:
 - Treating adults and other students with respect.
 - Following directions of adult instructors and coordinators.
 - Remaining in the assigned room until dismissal.
 - Engaging in safe, non-violent behavior.
- 3) Participate meaningfully in the activity and not disrupt or distract others.

** Failure to meet these expectations may result in school disciplinary action and/or withdrawal from the SUN Program.*
