Re: Tax Levy for 2023

EXECUTIVE SUMMARY

Each year, the school district holds a public hearing on the estimated tax levy. The estimated levy for 2023 represents an increase of 5% for the operating funds, while also capturing additional resources from new property growth, which will provide the financial resources necessary to support the school district's educational programs for approximately 5,200 students. The Cook County Clerk will apply calculations required by the Property Tax Extension Limitation Law (PTELL) prior to determining the amount of funds permissible to be collected through the tax extension.

BACKGROUND

Estimated Tax Levy

The Business Services department prepared an estimated tax levy which was presented and discussed with the Finance Committee and the Board of Education. At the November 13, 2023 meeting, the Board approved a resolution regarding the estimated tax levy for 2023. Additionally, the Board directed the administration to publish the estimated levy amounts and schedule a public hearing on the estimated tax levy as part of the December 11, 2023, regular meeting. The estimated levy amounts were published in the Glenview Announcements and Northbrook Star on Thursday, November 30, 2023, and the public hearing was scheduled and announced.

Truth in Taxation Hearing on the 2023 Estimated Levy

The Truth in Taxation Act (35 ILCS 200/18-55) requires a taxing district to schedule and announce a public hearing whenever an estimated tax levy, exclusive of bond and interest costs exceeds 105% of the previous year's extension. Because the estimated tax levy for 2023 represents a 6% increase over the previous year's extension, a hearing is required. The public hearing will provide an opportunity for any members of the public to present their thoughts to the Board regarding the estimated tax levy.

Resolution Regarding Application of Loss and Cost Factor to 2023 Tax Levies

The County Clerk has the authority when determining tax rates for the extension of tax levies to impose an additional rate factor to account for the loss and cost of uncollected taxes. The rate applied depends on the historical trend of uncollected taxes for the county. As a result, Cook County adds a 3% loss and cost factor to the District's operating fund levies, and 5% to debt service levies to account for anticipated shortfalls. This factor further ensures that the District will collect sufficient property taxes necessary to fund operations and make all required debt payments. It is important to emphasize that the County Clerk is still limited by the guidelines of the PTELL with regard to the operating fund's tax extensions. As a result, even with the addition of the loss and cost factor, the District will not receive any more tax revenue than what is permitted under the Tax Cap.

The Resolution Regarding Application of Loss and Cost Factor to 2023 Tax Levies instructs the County Clerk to apply a loss and cost factor of 3% to the District's operating levies, and 5% to the debt service levies.

Resolution to Instruct County Clerk How to Apportion 2023 Tax Levy Extension Reduction

While we typically discuss the estimated tax levy as a total amount of revenue, with an associated percentage-based increase from the previous year, the Certificate of Levy requires a specific dollar value to be identified for each fund. After the County Clerk calculates the maximum levy amount permitted under the Tax Cap, the amounts originally requested might need to be decreased. It has been the District's practice to direct the County Clerk to apply any reduction in the tax levy to the Educational Fund, to ensure that the minimal amounts requested in the other funds are collected.

Resolution Authorizing a Supplemental Property Tax Levy to Pay the Principal and Interest on Outstanding Limited Bonds

As part of the school district's efforts to fund necessary life safety projects, the Board of Education approved the issuance of General Obligation Limited School Bonds (Series 2017) in February 2017. The repayment of these bonds is to be facilitated through the use of the debt service extension base (DSEB) of the District. The DSEB was originally set at the amount extended for payment of principal of and interest on bonds issued by the District without a referendum in 1994. In accordance with the PTELL, the DSEB shall be increased each year by the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year (CPI-U). This resolution identifies the property taxes required to pay for the Series 2017 bonds through the DSEB, within the limitations of the PTELL. This particular resolution has been prepared by the District's Bond Counsel, Chapman and Cutler, LLP.

Public Act 102-0895 Compliance

In accordance with Public Act 102-0895, school districts are required to disclose "the cash reserve balance of all funds held by the district related to its operational levy, and, if applicable, any obligations secured by those funds" (105 ILCS 5/17-1.3). This information has been made available to the public in the following formats:

- 2024 Fiscal Year Budget; and
- 2023 Fiscal Year Annual Financial Report.

Both of these documents are available on the school district's website via:

Our District > Departments > Business Services > Financial Information

As is required by statute, a reminder that these materials are accessible online will be announced during the public hearing.

RECOMMENDATION

It is recommended that the Board of Education approve the:

- Resolution to Levy 2023 Taxes;
- Resolution Regarding Application of Loss and Cost Factor to 2023 Tax Levies;
- Resolution to Instruct County Clerk How to Apportion 2023 Tax Levy Extension Required;
- Resolution Authorizing a Supplemental Property Tax Levy to Pay the Principal and Interest on Outstanding Limited Bonds.
