Dear Parent/Guardian and Student:

The Counseling Department, along with the administration, is in the process of scheduling for the 2023-2024 school year. Since scheduling will be done in PowerSchool, please use the PowerSchool Instructions and the Getting Started guides for middle school on Tahanto's website.

As most of you are aware, we offer 7 cycles per day for classes. Each student in the eighth grade is required to be enrolled in four core subjects: English, Mathematics, Science and Social Studies. A core subject is one that meets daily. These courses will be pre-filled for the students.

Grade 8 Students will also be required to take Physical Education for a full year, as well as a semester each of Health and Technology/Engineering. These classes run every other day for the full year and are pre-filled for the student as well.

Computer Science Discoveries, Civics and Action, Forensic Science, and Horticulture are required classes to be taken each semester and are pre-filled in the schedule as well. To complete the remaining schedule, every eighth grader must take an elective from the list below, depending on the space available in their schedule. Please select 2 Primary elective choices and 2 alternate choices.

Students on Individual Education Plans should review the Special Services link to approve required academic services.

Please review the elective choices below. In Power-School please select 2 primary elective choices and 2 alternate elective choices should your top choices be unavailable. All elective requests must be entered in PowerSchool by **March 17, 2023**

Exploratory Electives

Art 8

Band 8

Chorus 8

Jazz Band 8

Exploratory French/Spanish 8

Fun with Math 8

Best,

Greg Picariello
School Counselor
