Dear Parent/Guardian and Student:

The Counseling Department, along with the administration, is in the process of scheduling for the 2023-2024 school year. Since scheduling will be done in PowerSchool, please use the PowerSchool Instructions and the Getting Started guides for middle school on Tahanto's website.

In grade 6, we offer 7 cycles per day for classes. Each student in the sixth grade is required to be enrolled in four core subjects: English, Mathematics, Science and Social Studies. A core subject is one that meets daily. These courses will be pre-filled for the students.

Grade 6 Students will also be required to take Quest for a full year, as well as a semester each of Reading, Computer Science Discoveries, Music, and Physical Education. These classes run every other day and are pre-filled for the student as well.

Students/parents will input the elective courses in Power-School. Each student/parent is assigned a username and password. You can locate the Power-School link on our school website at www.bbrsd.org. Select our school Tahanto. Under the tab "For Students" you will prefill your child's login and password. Each student's login is their year of graduation, their first initial and last name. The Password is stags123. The student will be prompted to reset their password. This information should be stored in a safe place as the student will be using this information throughout their time at Tahanto. For Parents, you will follow the same steps as your student, however, your link is listed under "For Parents". Your username will be your first initial and last name. Your password is tahanto1. You as well will be prompted to reset your password. Please keep this information in a safe place as this information will be used to see your child's grades in school throughout your student's time at Tahanto. Below is an example of a username and password for both a student and a parent. Any questions or concerns logging in, please email Mrs. Ojeda @ kojeda@bbrsd.org.

Student: Username: 2030bday
Password: stags123 (passwords MUST BE 8 Characters ONLY)

Parent: Username kday
Password: tahanto1 (passwords MUST BE 8 Characters ONLY)

Students on Individual Education Plans should review the Special Services link to approve required academic services.

Please review the elective choices from the list below. Alternatives must also be selected should your top choices be unavailable. All elective requests must be entered in PowerSchool no later than **March 24, 2023**.

There will be a scheduling information night on Tuesday, March 21, 2023 from 5-6pm at Tahanto.

Please choose 2 primary and 2 alternative electives:

Art 6
Band 6
Chorus 6
Intro to Spanish 6
Jazz Band 6
Lego/Mindstorm Robotics 6

Best,

Greg Picariello
School Counselor
