Non-Preferred Brand	10% after deductible	\$100.00	\$100.00

The benefit plan design above remains the same for Medical Mutual/ESI. However, the list of Preferred Brand Name drugs is different.

#### How different?

We looked at Year 2021 Claims with Caremark and compared them to ESI's formulary:

POSITIVE TIER MOVEMENT	NEGATIVE TIER MOVEMENT
Caremark listed as Non-Preferred Brand while ESI listed as Preferred Brand	Caremark listed as Preferred Brand while ESI listed as Non-Preferred Brand
Approximately <b>11%</b> of scripts affected <i>Meaning...you may pay less for the drug</i>	Approximately <b>1%</b> of scripts affected <i>Meaning...you may pay more for the drug</i>
	<b>NOTE: Show the new Formulary List to your doctor to see if you can change to a Formulary Drug.</b>

If you get your script filled on or after January 1, 2023, the ESI Formulary List will apply, and you will pay according to the benefit description above.
