

# Supplemental Special Education Services (SSES) Program

Your student may be eligible for \$1,500!

## What is SSES?

The SSES gives \$1,500 to families of students with disabilities like autism who receive special education.

Families can use this money to purchase educational goods and services for their student.

## Who Qualifies?

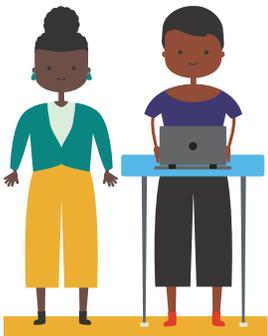

To be eligible for the SSES grant, students must currently be:

- » enrolled in a Texas public school,
- » enrolled in PreK - 12th grade, and
- » a student with a disability served through Special Education.

## What can I buy?

With SSES accounts, families are able to purchase goods and services from the SSES marketplace. These are items that have been purchased through the SSES marketplace...
