The 'H' stands for  
HELP. During each  
activity you can ask  
for help in different  
ways

Ask the teacher by raising your hand

Ask a shoulder partner during group work or centers

Show a quiet signal to ask to leave your seat

Remember, don't interrupt the teacher when she is talking

A

# Activity

The 'A' stands for  
ACTIVITY. What are  
you supposed to be  
doing?

When the teacher is talking I am listening

During small group I am working together with my partners

During independent work I am working quietly by myself

**MM**

# Movement

The 'M' stands for MOVEMENT. Are you allowed to get up out of your seat and move around?

When the teacher is talking  
I am staying in my seat

When walking in the hallway  
I must stay in a straight line  
(ABC order)

During independent work I  
am staying in my seat

During centers I may get up only to get supplies

If I have an emergency I may show a silent signal to my teacher to:

- use the bathroom
- get water
- sharpen a pencil

Outside at recess and P.E. I may  
PPPPLLLLAAAAYYYY!!

But when I'm inside and there is music  
on I need to stay safe in my own space

P

# Participation

The 'P' stands for  
**PARTICIPATION**. How  
will you learn the  
most?

During class time the teacher will know I am learning when:

- I am following directions quickly
- I am focusing on the speaker
- I am using gestures
- I am speaking to my shoulder partners
- I am working as a team
- I am completing my work

In line I have my eyes forward and am in the right spot.

During a test I will finish my work on my own in a timely manner.

I will always play nicely and be respectful.
