Memorandum

To: Participating Districts – Assistant Superintendents - Curriculum and Instruction, Chief Information Officers, District Data Coordinators, Building Administrators

From: Vanessa Biagioli-Dittrich

Date: November 2023

Re: Update – BARS Regents Score Projection Reports for 2023-24

The following 2023-24 Regents Score Projection Reports have been released in the BOCES Assessment Reporting System (BARS). Go to BARS on the Web: <https://bars.esboces.org>.

- Projected Performance Report
- Projected Targets by Subject

Changes to New York State Test Design impacts the Eastern Suffolk BOCES Regional Data Analysis for 2023-24. The results of which require districts to plan alternative measures to support student goal-setting and the APPR process. Below is a description of the changes in the analysis.

Next Generation (NG) Algebra I Regents Exam

- 2023-24 is the first administration of the NG Algebra I Regents exam.
- Projections are not available for NG Algebra I Regents, as projected targets are based upon prior scores, and to date the NG Algebra I Regents has not be administered.
- In 2024-25, projections for the NG Algebra I Regents Exam will be available.

Project Targets available for June 2024 Regents Exam Administration

English (ELA-8 or Global History)	Earth Science (from Science-8 or Living Environment)
Algebra II (from Geometry)	Living Environment (from Science-8 or Earth Science)
Geometry (from Algebra I)	Chemistry (from Earth Science or Living Environment)
Global History (from ELA-8)	Physics (from Chemistry)
US History (from Global)	

[Implementation Schedule for New Regents Examinations](#) These new exams will affect the availability of the BARS Regents Projected Targets through the 2025-26 school year.

2023-24 1. Algebra I	2024-25 1. Geometry 2. Earth & Space Science 3. Life Science Biology	2025-26 1. Algebra II 3. Chemistry 2. Physics 4. English
