In the holiday season, on a bright starry night. Ernie the elf wasn't feeling just right. He knew folks at Safe Harbor were feeling the pain of not having much during snow, wind, and rain. He thought of a plan to get them some help. But it was still too much work for the capable elf. He knew that his friends at Delta PRIDE and Robotics would help him to gather much needed hygiene products. Gather up donations of lotion, soap, and shampoo. Bring toothpaste, toothbrushes, Feminine hygiene items too. We need deodorants, body sprays house cleaning wipes and the likes. Don't forget diapers and wipes for the dear little tykes. PRIDE and Robotics told Ernie, "We'll do it! So cool!" "But we're gonna ask more to help!" "From all our whole school!" So if you give to Safe Harbor, to spread love and cheer you will put a big bow on the end of year. When you help other for whatever reason, you will bring joy to them during this holiday season. Happy Holidays from Delta PRIDE Club and Robotics! Please support our hygiene drive to support Safe Harbor.
