

PAN AMERICAN SCHOOL 2023-2024 HIGH SCHOOL PROFILE

LEADING THE WAY

OUR SCHOOL

Pan American School - the International School of Porto Alegre was founded in 1966. We are an independent non-profit, PreK-12 institution, represented by 17 nations from all over the world.

OUR STUDENTS

Pan American School provides students with a dual-diploma program where they follow Middle-Years Program (MYP) framework up to Grade 10. In G11 and G12, they have the opportunity to choose from a variety of challenging AP courses along with the already mandatory Brazilian National Curriculum courses in all subjects. All classes are taught in English, with the exception of Portuguese and Brazilian Social Studies.

Our students strive not only to reach their full potential academically but also in the social-emotional part of their lives. We established reflection as an important and necessary part of the learning process. Students are able to analyze and develop their communication, research, critical thinking, self-management, interpersonal and problem-solving skills.
