ICAP

Individualized Career & Academic Plan

What is an ICAP?

24–25 selections can be changed at any point between now and February 9th.

Each year the ICAP will be open from November through February for you to update.

Course selections for the ICAP are able to be changed yearly.

Considerations

- Community Service and Cadet Teaching
- College Requirements
- Prerequisites Met
- Get Teacher Input
- Full Year Courses vs. Semester Courses
- Alternate Courses
- A+ Requirements
- ICAP

Considerations

- Choose proper courses for your 4-Year Plan
- Look at the [Course Description Guide](#)
- Are you on track for Graduation?
- Consider Plans for After High School
 - College
 - Career Pathway
- Have you met the pre-req's for the course?
- Are you on track for the A+ Program
- Have you considered the criteria for Honor Cords?

Reminders

- Make sure parents check box on ICAP
- Course requests will be from ICAP. Make sure you have it completed correctly.
- Your counselor will meet *individually* with you at some point during the month of February.
