

Deseret Peak High School Boundary

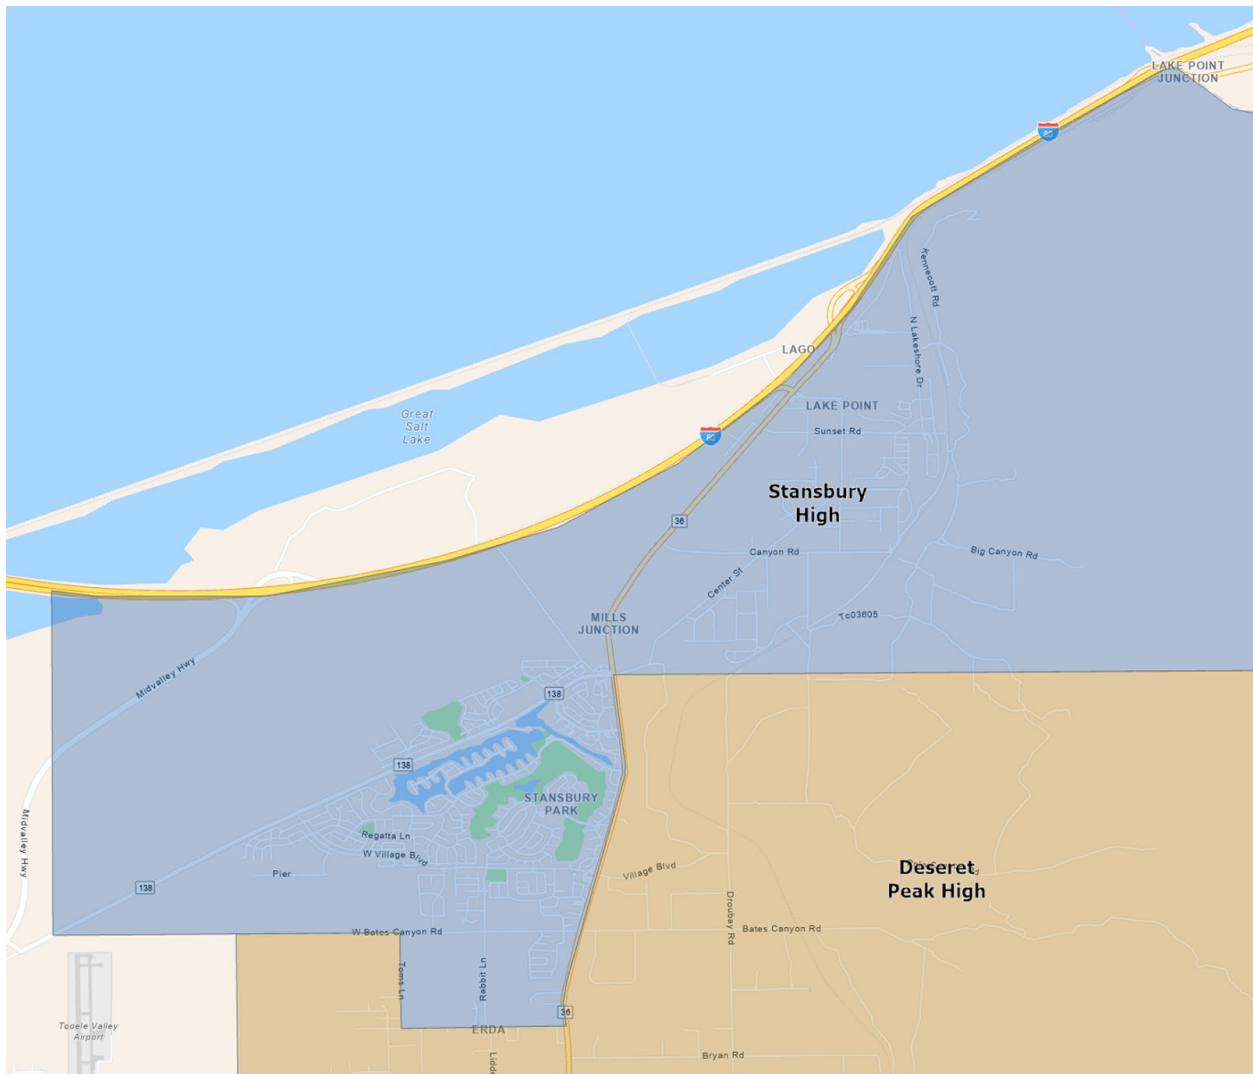

Option #2

High Schools/Junior Highs

- Stansbury High
- Tooele High
- Deseret Peak High

Stansbury High School

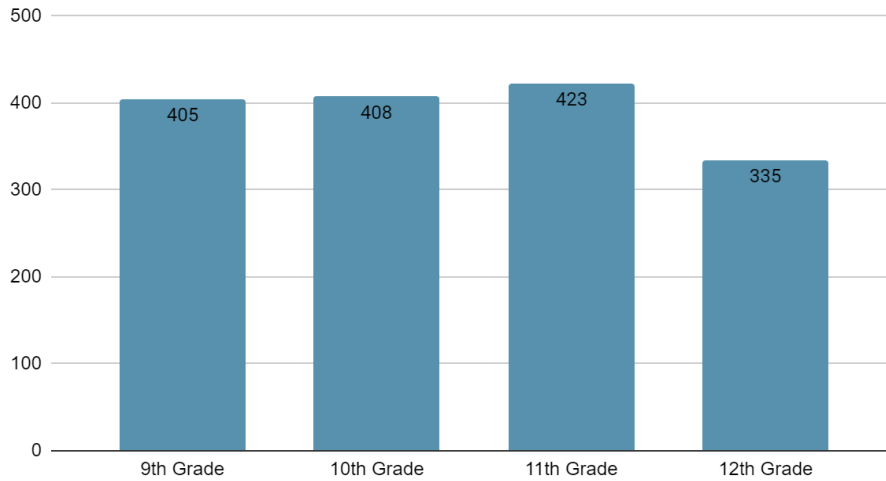

Boundary Proposals

- Elementary feeder schools are now Old Mill Elementary, Rose Springs Elementary, and Stansbury Park Elementary.
- The southern boundary west of SR-36 and east of Toms Ln has been extended to Church RD.

Stansbury High Student Summary

Student Population

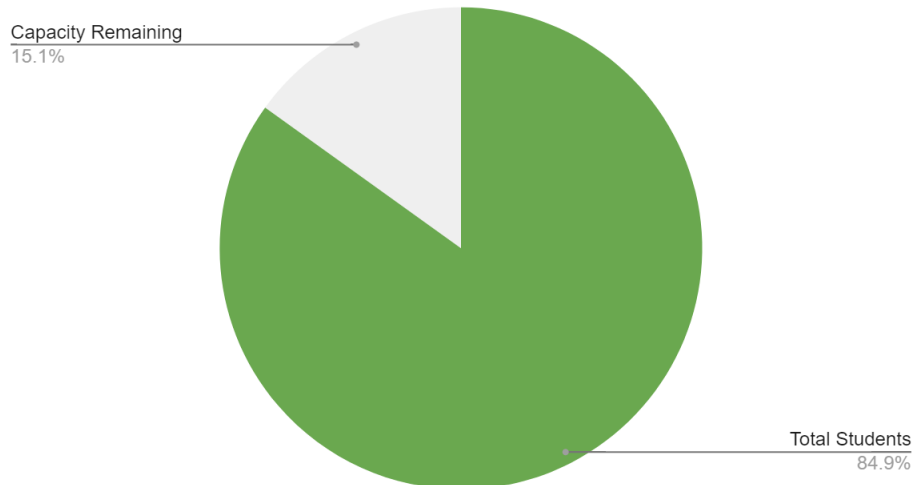

With the proposed changes the student population at Stansbury would be approximately:

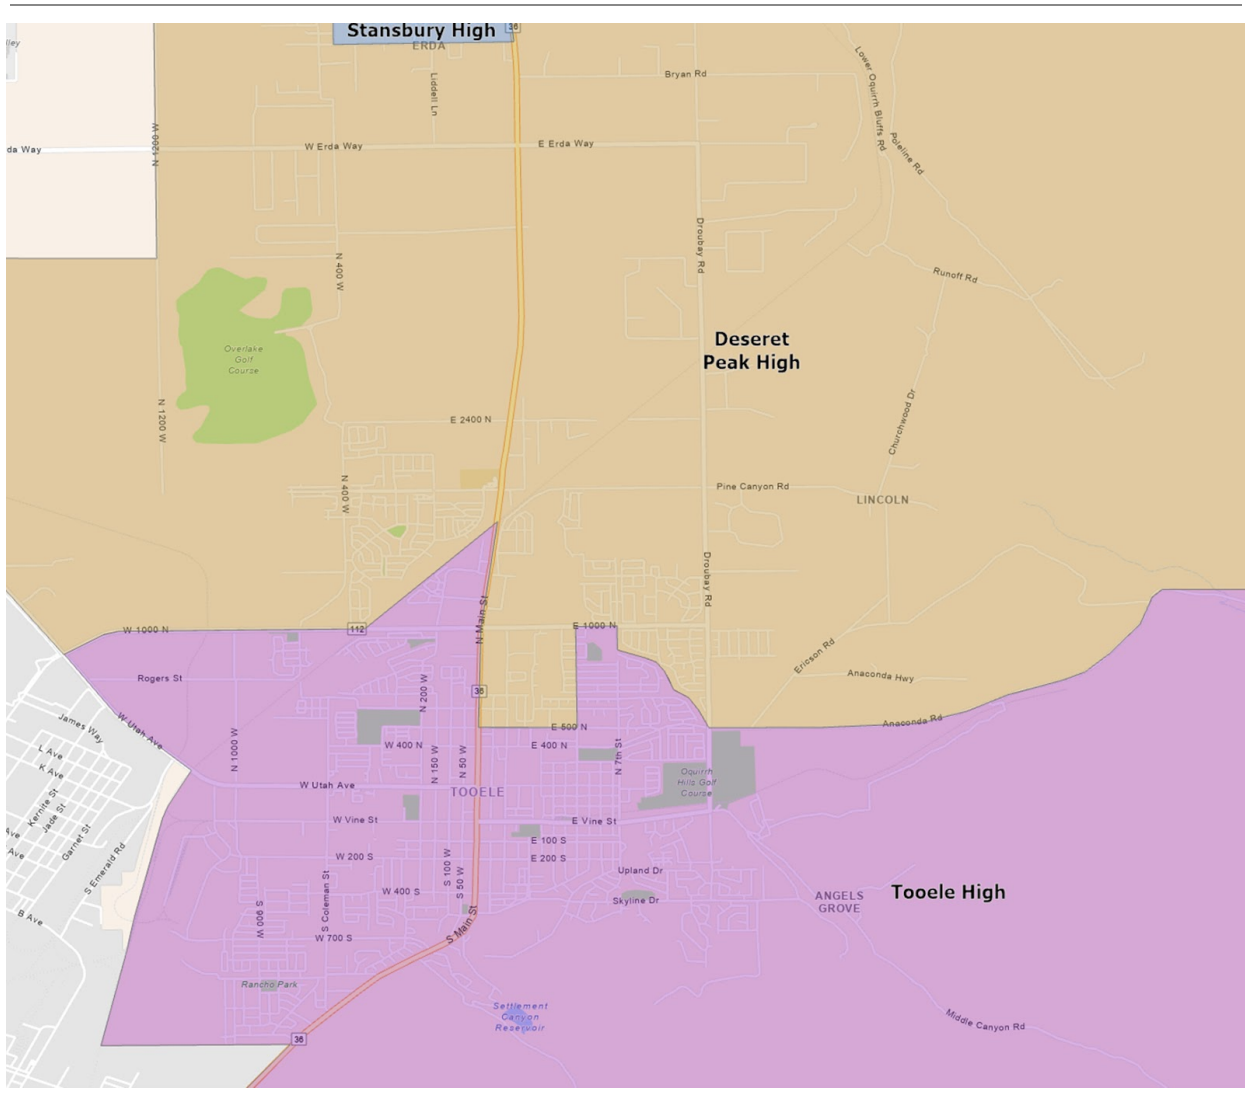

- 405 students in 9th grade.
- 408 students in 10th grade.
- 423 students in 11th grade.
- 335 students in 12th grade.

The total student population would be 1,571 students, a decrease of 765 students from this year's current enrollment. Stansbury High's Maximum Student Capacity is 1,850.

Capacity

Tooele High School

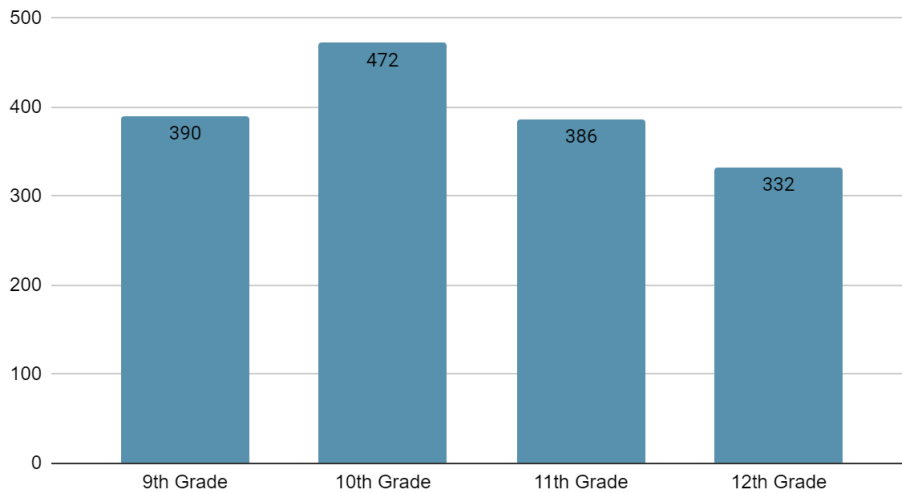

Boundary Proposals

- Elementary feeder schools are now Northlake Elementary, Settlement Canyon Elementary, and Sterling Elementary.
- The Maples and Gateway Apartments neighborhoods have moved to the Tooele High boundary.
- The area in between SR-36 and Broadway, and 1000 N and 500 N has been moved to the Deseret Peak High boundary.

Tooele High Student Summary

Student Population

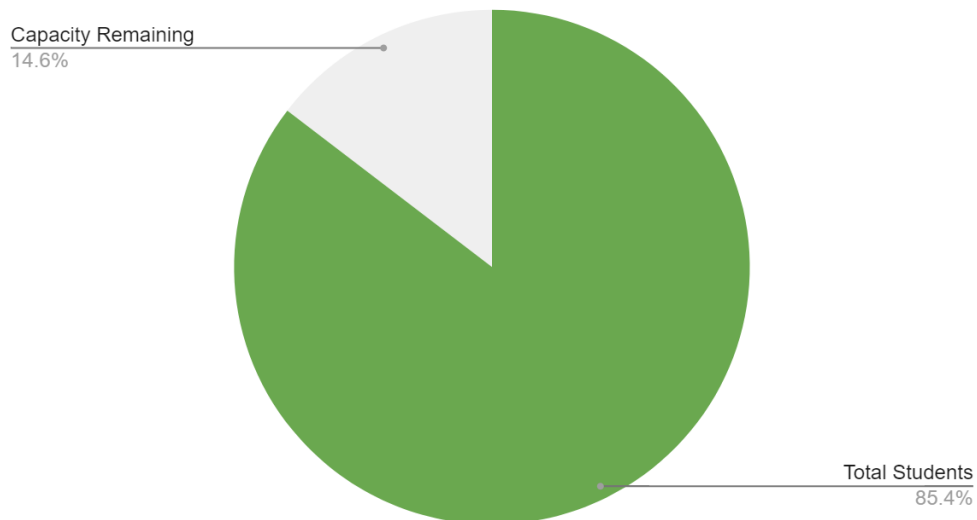

With the proposed changes the student population at Tooele would be approximately:

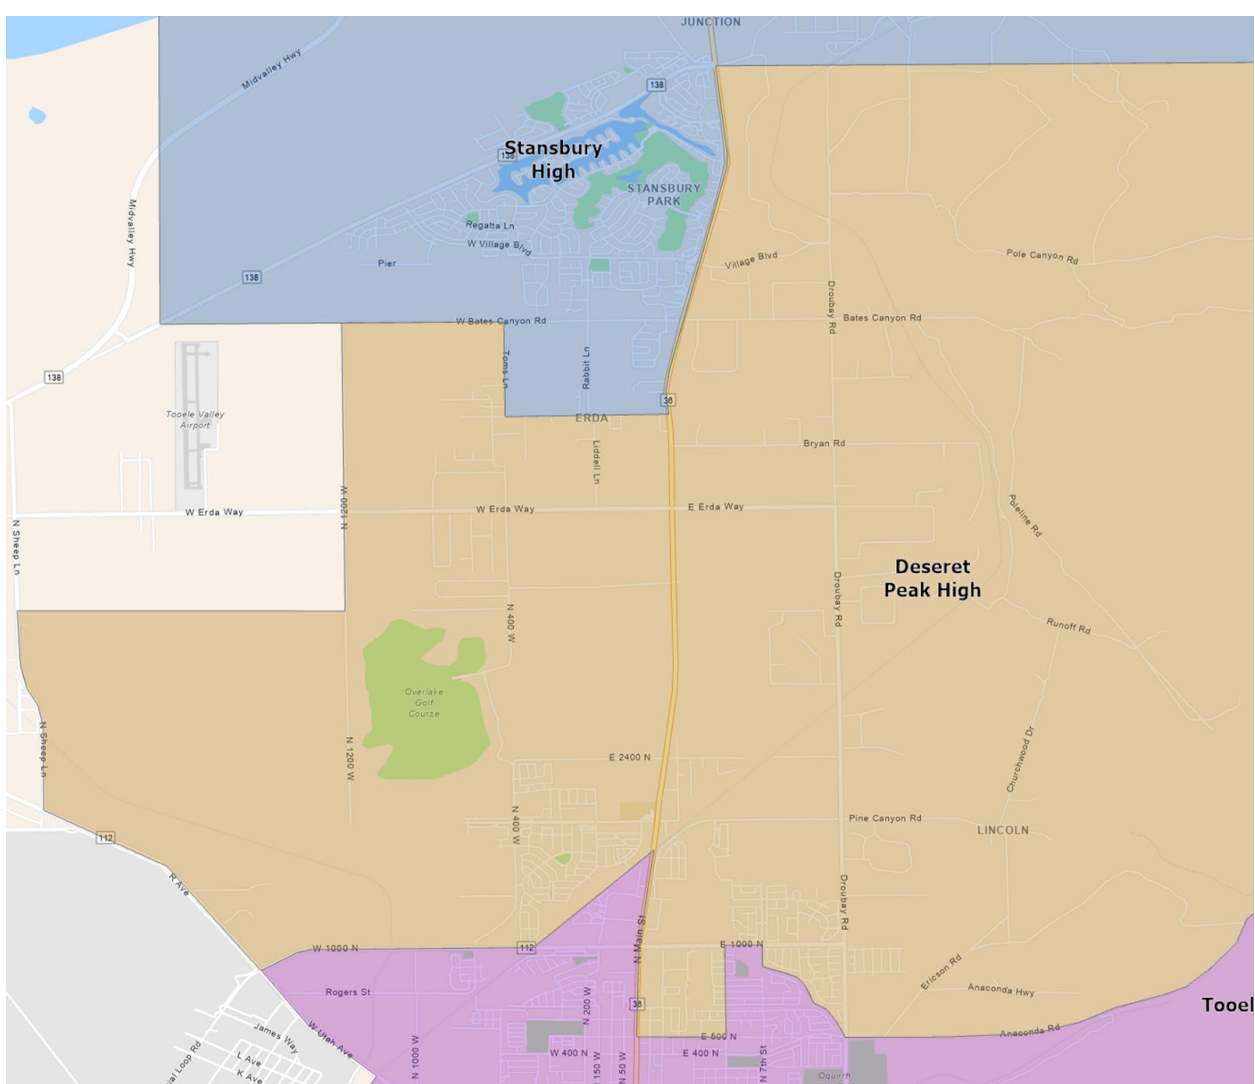

- 390 students in 9th grade.
- 472 students in 10th grade.
- 386 students in 11th grade.
- 332 students in 12th grade.

The total student population would be 1,580 students, a decrease of 367 students from this year's current enrollment. Tooele High's Maximum Student Capacity is 1,850.

Capacity

Deseret Peak High School

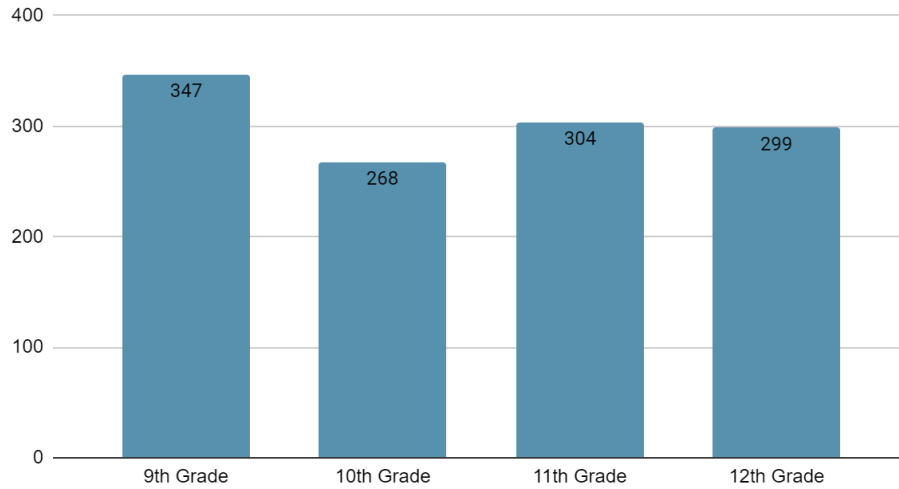

Boundary Proposals

- Elementary feeder schools are now Copper Canyon Elementary, Middle Canyon Elementary, and Overlake Elementary.

Deseret Peak High Student Summary

Student Population

With the proposed changes the student population at Deseret Peak would be approximately:

- 347 students in 9th grade.
- 268 students in 10th grade.
- 304 students in 11th grade.
- 299 students in 12th grade.

The total student population would be 1,218 students. Deseret Peak High's maximum student capacity is 2,000.

Capacity
