

INDIGO PROGRAM @ FROST ELEMENTARY (K-8)

The Indigo Program is a safe and caring K-8th grade school designed to educate the whole child. We provide multi-age interactions and constructivist learning activities through a positive discipline approach. This approach is supported by strong parent involvement. Indigo values the unique learning styles, skills and abilities of each child so they will be prepared to make a positive impact on the world.

STEAM @ STIPE ELEMENTARY (TK-6)

STEAM @ Stipe is a TK-6th grade school that provides the earliest access to Science, Technology, Engineering, Arts and Mathematics (STEAM) within project based learning and SEAL educational designs. We inspire and engage all students with a transformational approach where students learn by doing. Through our partnership with Silicon Valley organizations, our purpose is to develop our diverse population into engineers, innovators, and entrepreneurs of the future.

PROGRAM OPTIONS

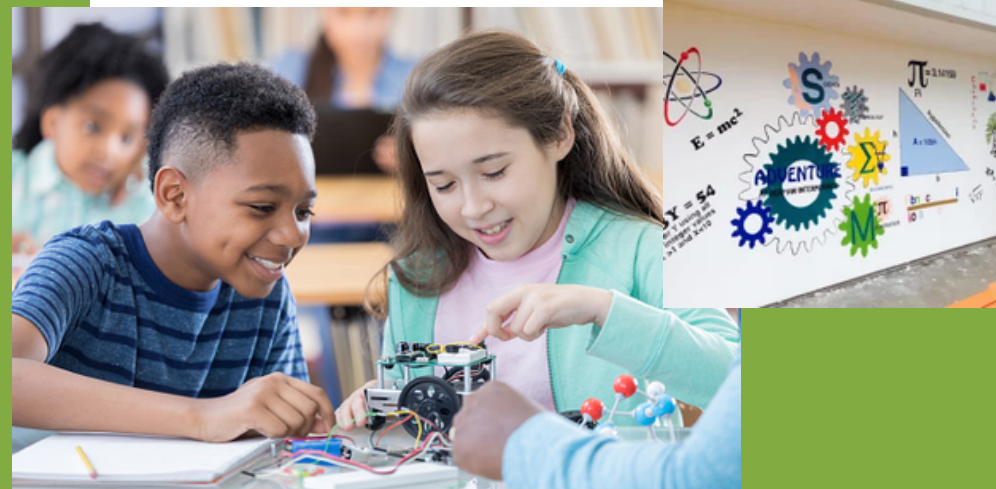

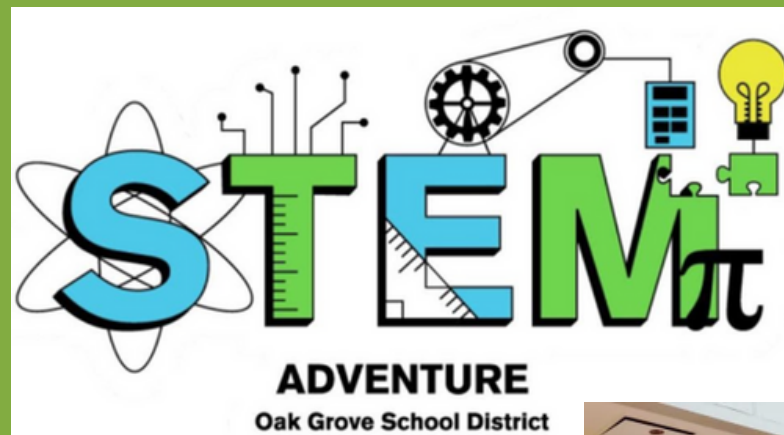

2024-2025 school year

SPANISH DUAL LANGUAGE PROGRAMS (TK-8)

Our Two-Way Bilingual programs are a unique opportunity to learning to read, write, and speak naturally and fluently in two languages: Spanish is the target language for the program. Our TK-8th grade pathway sets the foundation for students to earn the CA State Seal of Biliteracy on a high school diploma. Two-Way Bilingual Immersion (TWBI) programs are offered at Christopher (TK-6th), Del Roble (TK-6th) and Edenvale (K-6th).

For all three schools, the bilingual pathway continues for all students at Davis Intermediate for grades 7 and 8. For more information, please visit:

ADVENTURE STEM @ HERMAN INTERMEDIATE (5-8)

Our mission is to engage all students in Science, Technology, Engineering and Mathematics through relevant, rigorous curriculum so they will be responsible, active, global citizens in the digital age. The program is open to 5th-8th grade students of all ability levels who enjoy hands-on instruction and project based learning with a focus towards life and work in the 21st century. For more information, please visit:
<http://www.adventurestemprogram.com/>

VIRTUAL LEARNING ACADEMY (K-8)

Our Virtual Learning Academy (VLA) is an established, online instructional program for students in grades K-8th who are looking to learn in a virtual environment. This fully virtual option allows students to learn online with the support of a credentialed teacher and an at-home learning guide (parent/guardian). This offering is an excellent option for students who travel due to sports, music, drama, etc. or those who are looking for an at-home learning option due to health or medical reasons.
