MESSAGE FROM THE PRESIDENT

*Bobby Wilkins
Principal
Hendersonville H.S.*

I must say I am excited to get the 2021-22 school year started. This past year and a half have really been difficult for all. Hopefully, we will be back to normal- if there is such a thing! High school athletics is so important to so many people, I hope that we can get things back in order this year. We have had many challenges and I believe COVID has multiplied our problems. This year will be better, and our student athletes can get back to a normal year as they compete against each other in all sports.

As I enter my 43rd year as an educator, I must admit the challenges over the past year for our student athletics have been unbelievable. The worst I have ever seen. Many problems have hit the NCHSAA over the years, but nothing like this past year. I look forward to seeing everyone get back to the real reason we have high school athletics- for the students. They deserve to have as normal a year as we can give them.

We will continue to listen to our representative schools as we move forward. We also will continue to solidify our partnerships with the North Carolina Coaches Association, the North Carolina Athletic Directors Association, the North Carolina School Boards Association, the State Board of Education/Department of Public Instruction, the various Officials' Associations, NC Colleges and Universities, and our corporate sponsors. We could not offer such a good plan for our student athletes without these folks helping us as we strive to be the best we can be.

I look forward to seeing this year have a positive effect on everyone involved in high school athletics in North Carolina. Hopefully, we will have fewer obstacles to take on and will be able to make sure our student athletes are being well taken care of throughout the year. On behalf of the NCHSAA Board of Directors, I hope everyone has a very successful 2021-22 school year. Let's work together to make it the best year we can have for our student athletes.

Thanks,

A handwritten signature in black ink that reads "Bobby Wilkins". The signature is written in a cursive, slightly slanted style.

NCHSAA President

MESSAGE FROM THE COMMISSIONER

Que Tucker
Commissioner
NCHSAA

Greetings! As we prepare to start a new year, I am compelled to reflect on the past, if only for a little bit. The 2020-2021 school year presented tough times: COVID 19, social injustice, political bickering, and racial tensions stole the headlines. Yet, schools managed to reopen—virtually as well as in person—with coaches and athletic directors finding ways to offer skill development, for students, hopeful that sport seasons could begin. And begin they did!

Face Coverings were required, spectator limits were imposed, and hand sanitizers were everywhere. Quarantines persisted, contests were postponed or canceled; but contests were played, and champions crowned! How? Together, we chose to turn the challenges into opportunities, while doing everything possible to push through the tough times and WIN!

Now, as I pen these thoughts, I believe great things are awaiting us. It begins by recognizing the continued value of education-based athletics and the many lessons taught and learned each day. Even though there is still much work to do before the headlines change, I am optimistic and encouraged that we can make a difference in helping rewrite the headlines. It can be accomplished if each of us subscribes to the Four D's of Success: Desire, Dedication, Determination and Discipline:

- **Desire** — that which drives you the most, leading to achieving your dreams
- **Dedication** — awakening each day with a purpose and intent
- **Determination** — that which gets you to put in the effort even when you do not feel like doing so; doing what you need to do whether you feel like it or not
- **Discipline** — “choosing between what you want now and what you want most” (Abraham Lincoln)

As always, the information in this handbook is designed to help guide you throughout the year, providing leadership and guidance which is our NCHSAA Mission.

Let us endeavor to work together and make 2021-2022 a memorable and successful school year!

A handwritten signature in cursive script that reads "Marilyn Que Tucker".

NCHSAA Handbook - Introduction

This official Handbook of the North Carolina High School Athletic Association, Inc. contains the Articles of Incorporation, Bylaws, rules and regulations and general information of the Association.

The regulations and rules in this book are the result of many hours of thought and many years of experience of past and present members of the Board of Directors, and the rules have been established for one purpose only: to assure that high school athletics is and remains an integral part of the total education program.

The Board of Directors has adopted policies which seem to fit the needs of the majority of schools and of the students of North Carolina, and is constantly striving to keep regulations up-to-date and has no hesitation in making changes when the membership indicates changes are necessary.

It is vital that every school administrator becomes very familiar with the contents of this book. It is more important than ever that every coach involved with high school athletics utilizes the Handbook as well. Much of the information necessary for coaches to run their programs effectively and efficiently is contained in the Handbook, so it is vital that each coach have a copy of this publication, and also access the NCHSAA web site for certain updates.

A complete knowledge, understanding and conformity to minimum NCHSAA policies will assure every member school that the interscholastic program is being conducted in a fair and equitable manner, and insures that the athletic program is of educational and lasting value.

Each NCHSAA member institution has a responsibility to educate student-athletes, coaches, and other appropriate persons on state association legislation that could affect them. Furthermore, the member school should monitor its compliance with state association rules and regulations. All member schools, administrators, coaches, student-athletes and other representatives of member schools are deemed to know and understand all NCHSAA rules and regulations. Ignorance of any rule or regulation is not considered to be sufficient cause for setting aside the effect of any rule or regulation.

NCHSAA Office Hours

The NCHSAA office is usually open from 7:30 am to 4:30 pm when our member schools are in session. Staff members will usually stagger their schedules to attempt to cover the office at all times, with lunch hours scheduled for office personnel between noon and 2 pm.

NCHSAA Publications

The **HANDBOOK** includes the Articles of Incorporation, bylaws and all rules and regulations of the Association, including the officiating program, as well as a calendar of events for the academic year. The **HANDBOOK** is published annually and copies are provided to superintendents, principals and athletic directors of member schools. Additional copies are available at a cost of \$10.00 per copy.

The NCHSAA no longer publishes a **DIRECTORY OF MEMBER SCHOOLS**. Directory information for each member school is available through the NCHSAA Website under the Schools menu.

The **NORTH CAROLINA HIGH SCHOOL RECORD BOOK** is available online at <http://www.nchsaa.org/record-book> and are updated regularly.

Check the NCHSAA Website at www.nchsaa.org for forms and a variety of other important information.

In compliance with federal law, including the provisions of Title IX of the Education Amendments of 1972, N.C. Public Schools administers all state-operated educational programs, employment activities and admissions without discrimination because of race, religion, national or ethnic origin, color, age, military service, disability or gender, except where exemption is appropriate and allowed by law. Regional Meetings

NCHSAA Regional Meetings are designed to provide a better understanding of the interscholastic athletic program on the senior high school level.

These meetings can serve as an invaluable aid in directing, planning and administering the school's athletic program. Superintendents, principals, and one school staff member responsible for the athletic program are urged to attend the meeting in their region.

Regional meetings include sessions on key issues and possible changes in Association regulations, an opportunity to voice opinions and take straw votes on items, and chances to honor outstanding people on the regional level by voting for awards in a number of categories. In addition, regional award winners are honored at these meetings.

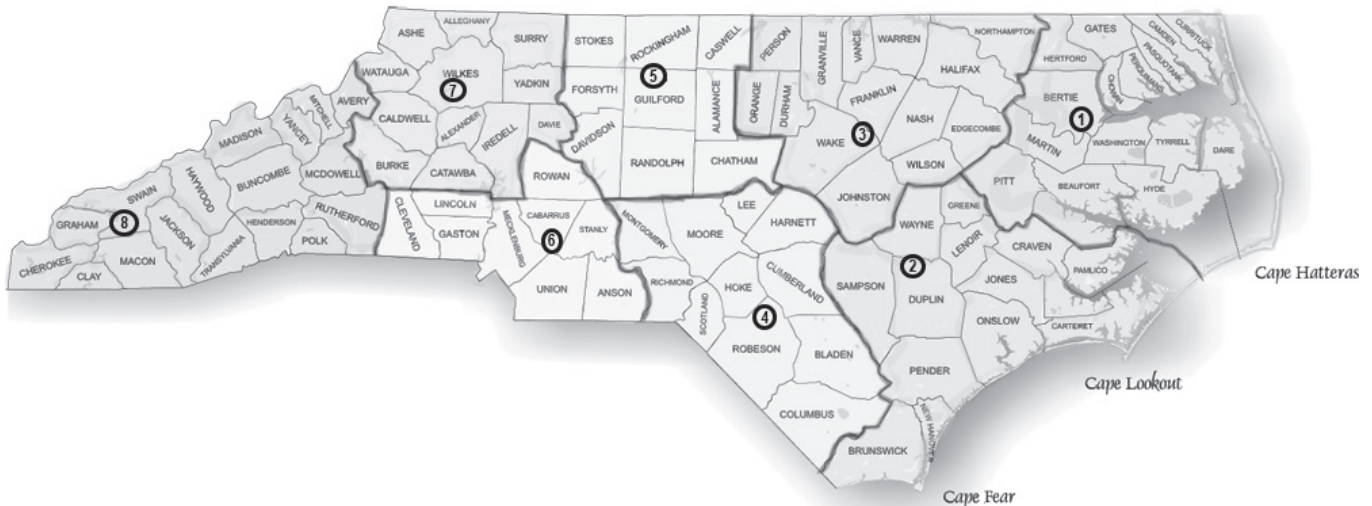

A social time is customarily held from 8:30 to 9:00 a.m., immediately followed by the meeting. The meeting concludes with lunch at approximately 12:00 noon.

3. *Vice-President.* The Vice-President shall preside and perform all the duties of the President in the absence of the President, and shall undertake such other duties as the President or Board of Directors may prescribe. 4. *Commissioner.* The Commissioner shall be a full-time employee of the Association, and shall serve as the managing business agent of the Association. The ruling of the Commissioner shall be subject to review by the Executive Committee and thereafter the Board of Directors. Any member requesting the review of a decision by the Commissioner shall pay the sum of the actual cost for an appeal to the Executive Committee or to the Board of Directors, provided the sum paid by the appealing member may be refunded by the appropriate reviewing body if the appealing member's position is sustained on appeal.

The Commissioner shall call conferences for the preparation of various contest schedules, and he or she shall preside over these conferences. The Commissioner shall keep the official records of all meetings of the Association and the Board of Directors and he or she shall have charge of all funds of the Association for which he or she shall render an annual accounting to the Association at its annual meeting.

The Commissioner shall be bonded in a sum not less than \$10,000.

IV. ANNUAL MEETING

The annual meeting of the Association shall be held at a time designated by the Board of Directors. The annual meeting shall receive the reports of the Commissioner, hold elections for members of the Board of Directors and for officers, and transact such other business as may come before the meeting.

The principal shall be regarded as the constituted authority of each member school. The principal may appoint any member of the school's faculty to represent him or her at the annual meeting of the Association. The principal's authority in this respect shall be subject only to the authority of the superintendent of the principal's administrative unit.

Each member school represented at the annual meeting shall have one vote on Association business. Those present at the annual meeting shall constitute a quorum.

V. FINANCE

The Board of Directors shall have the power to determine membership fees and other charges for Association members.

The net receipts of all state championship contests shall be paid over to the Association for its support. The Board of Directors may determine what percentage, if any, of the net receipts of such district contests shall be paid to the Association for its support.

The Board of Directors may direct that as much as forty (40) percent of the net receipts of the final state championship contests, or finals in state championship tournaments, be paid to schools represented by competing teams.

Should the Association disband, its remaining funds and assets shall first be used to satisfy outstanding obligations including employment and purchase contracts, and any remaining funds shall be disbursed to member schools on an equitable basis as determined by the Board of Directors, provided that no distribution inconsistent with the Articles of Incorporation may be made. If insufficient funds exist for the satisfaction of Association obligations, members of the Association may be assessed by the Board of Directors in a total amount sufficient to satisfy the said obligations.

VI. CLASSIFICATIONS

For purposes of athletic competition, four classifications are identified—AAAA, AAA, AA and A. When at least 25 percent of the total number of member schools, or at least half the schools in a classification participate in a sport sanctioned by the NCHSAA that sport shall culminate in a state championship for that classification. When less than half participate, those schools shall be grouped with schools from all other classifications not having fifty percent participation in unclassified state playoffs. If only one classification has less than fifty percent participation, the schools of that classification shall be placed in the state playoffs of the next highest classification.

Classification is to be guided but not bound by the ADM figures averaging the daily membership in grades 9, 10, 11 and 12 for the first month as submitted to the State Department of Public Instruction. ADM figures used as a general guide in determining the four classifications may be established by the Board and may be subsequently changed by a two-thirds vote of the membership at the Annual Meeting.

The initial classification and alignment plan will be effective with the 1985-86 school year for a minimum four-year period. In the second year of the alignment period, schools having special hardship conditions with regard to classification may appeal to the Board of Directors for relief. Final action on appeals would take place at the winter meeting of the Board of Directors following completion of the normal two-year football contract period.

Using ADM and other factors which may apply, the Board of Directors is given the authority to transfer schools to another classification. If by a two-thirds vote the annual meeting shall instruct the Board of Directors to reverse any transfer decision, that vote of the annual meeting shall at once supersede the former decision of the Board of Directors.

VII. AMENDMENTS

Proposed amendments to the Articles of Incorporation or these Bylaws shall be submitted to the Commissioner's office no later than the November 1 prior to the annual meeting. In order to be considered, the proposed change must have been submitted and endorsed by the superintendents or principals of at least six member schools or systems with member schools.

If the proposed change is properly submitted to the Commissioner, the Commissioner shall distribute a copy of the proposed change with explanations as appropriate and a ballot to each member school, and the Commissioner shall set a reasonable deadline for the return of the ballots prior to the annual meeting.

An affirmative vote of not less than three-fourths of the total ballot distributed shall be necessary for a change in the Articles of Incorporation or Bylaws. The Commissioner shall report the results of the vote at the annual meeting, and shall cause such additional documents to be prepared as to formally notice the amendment or amendments.

1. The Board of Directors may update the Registered Agent in the Articles of Incorporation and Bylaws should the Registered Agent or managing business agent's position, often the Commissioner, become incapacitated or leave office. (Approved December 2017, 335-2)

VIII. PENALTIES

The Board of Directors, upon the relation of the Commissioner or any of the members of the Association, shall have the duty and final authority to authorize the investigation of and to punish member schools or their representatives for any violations of the rules and regulations of the Association. The Board shall take care that due notice of alleged violations and an opportunity to appear and respond to the allegations is afforded each member or representative of a member accused of violations of Association rules or regulations prior to its determination upon the allegations.

1. *Process.* Any inquiry about, or report concerning a suspected violation of, the Articles of Incorporation, the Bylaws or Rules and Regulations of the Association shall be first directed to the Commissioner or in his or her absence, his or her designee (which could include the Deputy Commissioner, Associate Commissioner or Assistant Commissioner). The Commissioner, or his or her designee, shall first provide his or her ruling on any issue raised orally and, as soon as is reasonably possible thereafter, this ruling, and the basis for the decision, shall be reduced to writing and immediately provided to the interested parties. Any member of the Association who is adversely affected by this decision may first appeal to the Executive Committee, in writing (which may be faxed or emailed) within 2 working days of notification of the decision, and thereafter, to the Board of Directors of the Association by written notice (which may be faxed or emailed) within 24 hours of the Executive Committee's announced decision. Decisions of the Board of Directors shall be final and binding.

2. *Ineligible Players.* Any school using an ineligible player in any contest sanctioned by the Association may be barred from taking part in the contests involving the same sport of the Association for up to one year. The Board of Directors shall prescribe the manner for protesting ineligible players and its decision in

all eligibility questions shall be final. If in the Board of Directors' opinion, (1) the use of an ineligible player was inadvertent and (2) the school makes a showing of good cause under all of the circumstances to warrant a lesser penalty by the Board, a penalty of less than suspension of the school from taking part in the same sport for up to one year may be enforced.

3. *Failure to Comply.* If any member school shall willfully fail to comply with the decisions of the Board of Directors of the Association, all contests scheduled or already played in the particular sport wherein the controversy arose shall be forfeited and canceled for that season, and the school shall be eliminated in determining the winner of the district affected.

And, the school shall not be allowed to take part in contests sponsored by the Association for a period of one year unless the school makes a showing of good cause under all the circumstances to warrant a lesser penalty by the Board. Any penalty imposed by the Board under this section must include the school being prohibited from taking part in any contests sponsored by the Association until it pays to the Association a cost fine of \$1000 if it is a Class AAAA school, \$800 if it is a Class AAA school, \$600 if it is a Class AA school and \$400 if it is a Class A school.

IX. EFFECTIVE DATE

These Bylaws shall become effective upon their ratification by at least three-fourths of the members present at the annual meeting of the Association.

Or, these Bylaws shall become effective upon ratification by affirmative vote of three-fourths of those responding to a special ballot to be prepared and mailed by the Commissioner of the North Carolina High School Athletic Association, Inc.

By a special ballot vote of all members in December 2017 (332-5), the date and voting method for amendments to the Articles and Bylaws will be noted next to the amended provision.

APPROVED

by vote of 258-1 in special balloting all members of the Association on October 11, 1976.

National Federation of State High School Associations

The National Federation of State High School Associations (NFHS), of which the NCHSAA is a member, had its beginnings in 1920 and now consists of the 50 individual state high school athletic and/or activities associations and the association of the District of Columbia. Also affiliated are eight interscholastic organizations from Canadian provinces.

The activities of the Federation are based on the belief that strong state and national high school athletic organizations are necessary to protect the activity and athletic interests of the high schools, to promote an ever increasing growth of a type of interscholastic athletics which is educational in both objective and method and which can be justified as an integral part of the high school curriculum, and to protect high school students from exploitation for purposes having no educational implications.

The National Federation is both a service and regulatory organization and offers a number of services. The Federation is involved in rules-writing activity, developing playing rules in various high school sports to the point that the circulation of Federation rules publications now exceeds three million. In addition, the Federation provides aids for rules-training programs for officials, maintains national interscholastic records and publishes a record book, supervises the National High School Sports Hall of Fame, and has initiated a chemical health program, among its many services.

Federation offices are located in Indianapolis, Indiana, with a mailing address of PO Box 690, Indianapolis, IN 46206, and the phone number is (317) 972-6900.

SECTION 1: STUDENT REQUIREMENTS FOR INTERSCHOLASTIC ATHLETIC PARTICIPATION

1.1 COMBINED RULES AND REGULATIONS

Included in these rules and regulations for the North Carolina High School Athletic Association, Inc. (NCHSAA), are the Regulations Governing Athletes in the Public Schools of North Carolina adopted by the State Board of Education. The rules and regulations listed herein are the minimum state standards for eligibility to participate in a number of areas, including but not limited to scholastic requirements, medical examinations, the felony policy, etc.

1.1.1 A local education agency (LEA), non-boarding parochial or charter school may have policies in any of these areas or others that are more restrictive than the state requirement, but the LEA may not have a policy for eligibility that is less restrictive.

1.1.2 It is mandatory that all member schools which participate in athletics conform to the regulations contained herein. Authority is delegated to the State Superintendent of Public Instruction to see that all schools, if they participate in any interscholastic sports program, conform to the regulations adopted by the State Board of Education as a minimum of requirements.

(a) The North Carolina High School Athletic Association, Inc. (NCHSAA) is not an agent of the State Board of Education. However, there is a close working relationship, as the organization serves in a supervisory capacity in the realm of athletics. Member schools are required to comply with all NCHSAA rules and regulations, as well as those established by the State Board of Education. Any question regarding an NCHSAA member school shall be reviewed and acted upon by the conference or Association before the matter shall be referred to the North Carolina State Department of Public Instruction (NCDPI).

1.1.3 Schools may sponsor teams in other sports not listed in the Handbook (e.g., gymnastics, weightlifting, women's field hockey, men's volleyball, etc.); however, all students, regardless of the sport, must be certified as eligible prior to dressing or participating in any interscholastic contest.

(a) Even though such sports are not sanctioned by the NCHSAA, member schools should work, wherever possible, to adhere to the ideals and guidelines established by the NCHSAA for their member schools in sports, which they sanction. The need to promote sportsmanship, to protect instructional time, or the physiological needs of maturing teens should not disappear simply because it is not a sport sanctioned by the NCHSAA.

1.1.4 For reclassification to additional championships, the number of schools offering teams in a sport must meet the constitutional requirement (Bylaw VI.) for two years before a championship will be implemented.

1.2 ELIGIBILITY

1.2.1 **Initial Entry:** A student may participate in athletics at any member school upon initial entry into ninth grade provided they meet applicable NCHSAA and eligibility requirements. Initial entry is defined as the first day of classes that a student is in attendance and counted present or, if sooner, the first day a student practices or otherwise takes part as a member or potential member of a member school's athletic team prior to the start of the academic year (e.g., if a student participates in preseason football workouts prior to the beginning of the ninth grade academic year, this will be deemed the student's initial entry at this member school).

(a) Upon initial entry into ninth grade, transfer and boundary criteria shall apply as follows:

(1) The student must live within the member school's boundary as established by the local board of education (LEA); or

(2) If the student's member school does not have a boundary established by an LEA (e.g., charter school, non-boarding parochial school, etc.), after initial entry, the boundary for the member school shall be considered to be:

(i) The entire county in which the member school is located; and

(ii) Any addresses within a 25-mile radius of the member school as measured by an NCHSAA designated computer program; or

(3) There will be no boundary limitation if the student is a member of a parochial church affiliated with a non-boarding parochial member school and submits an authorized pastor verification form.

(b) Home school students

(1) Documentation from the Division of Non-Public Education must be presented upon initial dual enrollment-attendance, immunization, transcript, school number, etc.

(2) Home school students must communicate athletic intent at a member school in which they are domiciled and follow the enrollment and assignment procedures/policies established by the local board of education.

(i) Notice to principal must take place at least ten (10) days prior to the first practice date of each sports season.

1.2.2 **Master Eligibility Sheets:** All students must be eligible prior to dressing or participating in any interscholastic contest, whether or not the NCHSAA sponsors a championship in that sport.

- (a) Only those students listed on the Master Eligibility Sheet(s) are covered by catastrophic insurance.
- (b) No student shall be listed on the sheet unless and until documents substantiating eligibility are on file with the school. Such documents shall be available for inspection until the student's eligibility has ended.
- (c) The Master Eligibility Sheet should be used for each sport and shall list all players, varsity and junior varsity, participating in that sport. A copy should be on file at the school prior to the first regular season contest.
- (d) Eligibility sheets are not required to be filed with the NCHSAA but must be made available upon request. It is required that eligibility sheets be shared among conference schools in each sport.
- (e) Ineligible players are NOT allowed to participate in practice, but this does not apply to summer workouts or skill development.
- (f) When completing Master Eligibility Sheets, if a student's parent(s) or legal custodian(s) does not live within the LEA, please make all required entries and enter one of the following eligibility criteria on the second page:
 - (1) Any student proposed for a contest is eligible at the school to which the local board of education assigns them within the unit of residence of a parent or legal custodian within this state, subject to the Transfer Policy. (see 1.2.11).
 - (2) When two boards of education within North Carolina by mutual agreement assign a student to a different school, and if applicable, the NCHSAA has authorized eligibility pursuant to the Transfer Policy. (see 1.2.11)
 - (3) Absent a transfer referenced above, a student is eligible at his or her assigned school if he or she has attended school within that administrative unit the previous two semesters, provided it meets LEA policy.
 - (4) Legal documents signed by a judge (ward of court) or social service (orphanage/foster home) are required to be submitted along with eligibility forms pertaining to students in these circumstances.
 - (5) Foreign exchange students (see 1.2.10.i).
 - (6) The NCHSAA has approved a Transfer Waiver Request and/or a Hardship Request to waive the residency requirement on the student's behalf.
- (g) It shall be the responsibility of the principal, and/or his or her designee, to see that no ineligible player participates. Schools should use the eligibility checklist developed by the NCHSAA and it is recommended that the eligibility power point presentation be made available for athletes, guidance counselors, other administrators and parents, especially at the preseason meeting.

1.2.3 **Age of Player:** A student will not be approved for any athletic contest if his or her 19th birthday comes on or before August 31, 2021; (i.e., the student's date of birth was on or before August 31, 2002).

- (a) The principal shall have on file evidence of the legal birth date of each athlete.
- (b) Evidence of legal birth date must be established by a copy of the birth certificate or from one of the following: a record from the State Bureau of Vital Statistics, Raleigh; a record from the county register of deeds office; an infant baptismal record; a recording from the attending doctor's registry or cash book if specific; a news item at the time of birth from the local newspaper; or an official register sheet from the first grade.
- (c) A birth date as shown on a passport is acceptable verification of a foreign student's age.
- (d) An eighth grade student who is overage for middle school competition shall be eligible for high school participation.

1.2.4 **Gender of Player:** The NCHSAA allows participation in interscholastic athletics for all students, regardless of gender or gender identification. It is the intent that all students are able to compete on a level playing field in a safe, competitive and friendly environment, free of discrimination. The following rules and regulations are intended to provide every student athlete with equal opportunities to participate in athletics.

- a) A student may participate based on the gender noted on the student's certificate of birth.
 - (1) Women shall not participate on a men's interscholastic athletic team where the school has a women's team in the same sport or where a school sends an entry to the women's state playoffs in the same sport.
 - a) In cases where women are permitted on a men's team, the school forfeits all participation in the women's playoffs in the same sport.
 - b) Men's rules will be used where women play on men's teams.
 - c) Men shall not participate on a women's interscholastic athletic team in any sport.
- b) When a student's gender identity differs from the gender listed on the student's certificate of birth, the Gender Identity Request Form must be submitted by the member school to the NCHSAA prior to any participation by the student under circumstances that would constitute ineligibility. The Request should be based on the gender identification of that student in current school records and daily life activities in the school and community.

- (1) The following information should be submitted with the Request:
 - a) Documentation from individuals such as, but not limited to, parents/legal guardians appointed by a court of competent jurisdiction, friends, and/or teachers, which affirm that the actions, attitudes, and manner demonstrate the student's consistent gender identification. School personnel documentation is required.
 - b) A complete list of all the student's prescribed, non-prescribed, or over the counter treatments or medications relative to gender identity.
 - c) A complete list of interventions that have happened related to the gender identity of the student.
 - d) Written verification from an appropriate healthcare professional (e.g. physician, psychiatrist, psychologist, school nurse, etc.) of the student's consistent gender identification. Include any other social/emotional information from health-care professionals that would help the Committee make a decision about the student. This information must be submitted on office letterhead of the healthcare professional who provides verification with contact information and professional title of the individual.
 - e) Any other pertinent documentation or information which the student or parent(s)/legal guardian(s) appointed by a court of competent jurisdiction believe relevant and appropriate.

c) The NCHSAA will refer the Gender Identity Request to the NCHSAA Gender Identity Committee for consideration. The Committee will approve the Request if it finds that the student genuinely identifies as the gender indicated in the Request.

(1) The NCHSAA Gender Identity Committee will consist of the following:

- a) Current member of the Board of Directors;
- b) LEA or school administrator;
- c) Physician with experience in gender identity health care and/or World Professional Association of Transgender Health (WPATH) Standards of Care;
- d) Psychiatrist, psychologist, or licensed mental health professional familiar with the WPATH.

(2) The Committee will require that the member school has verified that the student is eligible in all other aspects.

(3) The Committee will respect and promote the student's privacy and confidentiality rights under HIPPA and FERPA in the process of considering a Gender Identity Request. Information provided to the Committee will be shared only to the extent necessary to decide the Gender Identity Request; provided that, if a Gender Identity Request is approved, the student's school may share the student's gender identity with other schools as necessary to ensure appropriate accommodations when competing at another school.

d) In cases where a Gender Identity Request has been approved:

(1) The student will be declared eligible to participate based on the student's gender identity.

a) 1.2.4.a is not in effect.

(2) It shall be the responsibility of the school to comply with all state and federal mandates/laws.

1.2.5 **Attendance:** A student-athlete must meet the LEA attendance policy during the previous semester at an approved high school.

(a) A student must, at the time of any practice and/or game in which he or she participates, be a regularly enrolled member of the school's student body, according to local policy. If there is no local policy, "regularly enrolled" is defined as enrolled for at least one half of the "minimum load."

(b) It is recommended that the student be in school the day of the contest.

(c) At the end of each semester, any participant who has failed to meet the LEA attendance policy of that semester is immediately ineligible.

(d) Home school students:

(1) Must have been enrolled in a registered home school for 365 days prior to being eligible in a member school.

(2) Once deemed eligible at a member school, the student must maintain continuous dual enrollment.

(a) Unenrollment would render the student ineligible for 365 days.

(3) Must participate in a class schedule that is at least one-half of the school's instructional day.

(a) At least one class must be on campus each semester or meet LEA requirements.

1.2.6 **Scholastic Requirements:** A student must have passed a minimum load of work during the preceding semester to be eligible at any time during the present semester. The semester is normally considered half of the academic year. All students must also meet local promotion standards, set by the LEA and/or the local school. Home school students must be on grade level according to a nationally standardized achievement test(s) indicating grade level.

- (a) A minimum load is defined as five courses in the traditional school schedule and three courses for schools on the “block” format. If the school is on an A/B form of block scheduling, a student must pass six of eight courses during what would traditionally be defined as a semester. Any student, including seniors, must pass that minimum load, even if they need fewer for graduation. Home school students must pass all courses in which he/she is enrolled in the member school.
- (1) Traditional: pass five (minimum load)
 - (2) Block: pass three (minimum load, 90-minute classes)
 - (3) A/B: pass six
 - (4) Hybrid Formats:
 - (i) 3 block, 2 traditional – (“skinnies” is the parlance many systems use), most common hybrids use four block as the basis (two skinnies equal a block); must pass equivalent of three blocks. Could fail both “skinnies” but passing three blocks would meet minimum requirements.
 - (ii) 2 block, 3 traditional – use seven traditional as the basis (block equals two); must pass equivalent of five traditional classes. Could fail one block only and be eligible (minimum requirement) but not more.
 - (iii) 2 blocks and 4 traditional (“skinnies”) – Use eight as the basis like an A/B format; (block equals two); must pass equivalent of six A/B classes. Could fail one block only and be eligible (minimum requirement) but not more.
 - (iv) 1 block, 5 traditional – use seven as the basis (block equals two); must pass equivalent of five traditional classes. Could fail one block only and be eligible (minimum requirement but not more.)
 - (5) Local units may be more restrictive, but not less restrictive.
 - (6) Office assistance, teacher assistance or laboratory assistance may not be used toward academic eligibility
 - (7) Audited courses may not be used toward academic eligibility.
 - (8) No work previously passed by a student may be submitted as part of a minimum load.
 - (9) Summer school work used to make up part of the minimum load must be applied to the most recent semester. Credit for summer work is a determination of the local unit.
- (b) A student, upon first entering grade nine, is academically eligible for competition on high school teams.
- (c) A student not academically eligible at the beginning of the semester is not eligible at any time during the semester.
- (1) Exception: a student who receives an incomplete which causes him or her to fail to meet minimum scholastic requirements or is awaiting a final grade due to any state-mandated testing is ineligible until the course is satisfactorily completed, and eligibility is restored immediately.
- (d) A student academically eligible at the beginning of a semester remains academically eligible throughout the semester.
- (e) Alternative or extended day school students who meet all other eligibility requirements may participate in athletics for the school to which they would normally be assigned if local policy allows it, provided the alternative/extended day school has no athletic program.
- (1) The alternative schools referenced here are those operated by the school system itself.
 - (2) The principal of the school at which the students play shall be responsible for certifying their eligibility and shall have on file all records, including current attendance data, necessary to verify eligibility.
 - (3) Each such student shall be identified on the eligibility list, which shall be accompanied by a letter from the principal stating that these designated students meet all eligibility requirements.
 - (4) The principal and coach shall have the same authority in player selection and application of team rules and regulations with alternative school students as with those enrolled in the regular school program.
- (f) At the end of the first semester, a superintendent or principal has eight days (excluding Saturday and Sunday) to check grades of students, removing such player immediately upon knowledge of ineligibility and no later than the completion of the eight-day period and restore eligibility to any debarred player after he or she has qualified at the end of a semester.
- (1) Any student who has his or her eligibility restored may participate the day following the completion of the semester of the ineligibility.
 - (2) The purpose of the eight-day period is to allow schools ample time to check grades. A player should be removed before the eight-day period is up if the school has knowledge and has verified that the student is ineligible.

1.2.7 **Eight Semester Rule:** No student may be eligible to participate at the high school level for a period lasting

longer than eight consecutive semesters, beginning with the student's first entry into ninth grade or an over-aged seventh or eighth grade student's participation on a high school team, whichever occurs first.

- (a) For students who skip the ninth grade and advance directly to the 10th from the eighth, the year prior to entering the 10th grade is considered the year of first entry into ninth grade for athletics.
- (b) Playing as a member of a private or other non-member school team shall be deemed the same as playing as a member of an NCHSAA member school team. Enforcement of this rule is to begin with entry into the 9th grade.
- (c) The principal shall have evidence of the date of each player's entry into the ninth grade. The North Carolina cumulative record is sufficient.

1.2.8 **Maximum Number of Seasons:** No student may be approved for a high school contest if he or she has taken part in contests during four separate seasons in that sport.

- (a) Students may only participate in one season per year, per sport, whether the sport is played in North Carolina or not.
- (b) Playing as a member of a private or other non-member school team shall be deemed the same as playing as a member of an NCHSAA member school team. Enforcement of this rule is to begin with entry into ninth grade.
- (c) A student shall not participate in school athletic contests after graduation from high school; however, this does not apply to spring sports playoffs.

1.2.9 **Medical Examination:** In order to be eligible for participation in practice or in interscholastic athletic contests, a student must complete both phases of the NCHSAA Sport Preparticipation Evaluation (PPE) Form and submit it to the school. The PPE includes the History Form, the Physical Examination Form, and the Medical Eligibility Form. The current NCHSAA PPE Form can be found on the NCHSAA Website.

- (a) The student-athlete must submit the PPE History Form which is completed and signed by the parent or legal custodian. The completed and signed PPE History Form must then be presented to the examining licensed medical professional (physician licensed to practice medicine (MD/DO), nurse practitioner or physician assistant) for their review prior to a physical examination (See 1.2.9 (b)).
- (b) The student must also receive a physical examination once every 395 days by a physician licensed to practice medicine (MD/DO), nurse practitioner or physician assistant and be cleared to play. Upon review of the PPE History Form and completing the Physical Examination Form, the licensed medical professional will complete and sign the Medical Eligibility Form.
- (c) To participate in out-of-season and/or summer workouts, a student must have an up-to-date physical on file.
- (d) To participate in out of season and /or summer workouts, the NCHSAA strongly recommends that a student has a signed Gfeller-Waller Concussion Statement on file.
- (e) Students absent from athletic practice for five (5) or more consecutive days due to illness shall receive a medical release signed by either a physician licensed to practice medicine or his/her designee (nurse practitioner, physician's assistant) before readmittance to practice or contests.

NOTE: It is recommended that schools use the Illness Return to Play Form: Medical Clearance Releasing the Student-Athlete to Resume Full Participation in Athletics After an Illness which can be found by going to <https://www.nchsaa.org/health-and-safety> and clicking on forms.

- (f) Students absent from athletic practice for five (5) or more consecutive days due to injury shall receive a medical release signed by either a physician licensed to practice medicine or his/her designee (nurse practitioner, physician's assistant, or licensed athletic trainer) before readmittance to practice or contests.

NOTE: It is recommended that schools use the Injury Return to Play Form: Medical Clearance Releasing the Student-Athlete to Resume Full Participation in Athletics After an Illness which can be found by going to <https://www.nchsaa.org/health-and-safety> and clicking on forms.

- (1) A student-athlete diagnosed with a concussion is required to complete the Concussion Return to Play Protocol and is required to have the Concussion Return to Play Form completed by a licensed health care provider before readmittance to practice or contests (see 2.3.7).

- (g) It is recommended that players be covered by adequate medical and accident insurance, and that medical aid be immediately available at all times.

- (h) Schools should have medical release forms on site at athletic events in the event medical treatment is required.

1.2.10 **Residence:** A student is eligible to participate at the school to which he or she is assigned by the local board of education, within the administrative unit of residence. "Residence" as used for athletic eligibility purposes is defined as the equivalent of the term "domicile" as applied by the courts of North Carolina.

- (a) It is the obligation of the school to know the residence status of each athlete and to require compliance with these requirements.
- (b) Except as otherwise provided, the residence of any student shall be deemed to be:
 - (1) That of his or her parents (if he/she lives with both parents).
 - (2) That of the sole parent (if he/she lives with only one parent).
 - (3) That of the parent with whom he/she begins the school year's first semester (if he/she has

- two parents who do not live together).
- (4) That of the legal custodian if his/her custody has been awarded to a non-parent by a court of competent jurisdiction.
- (c) In the event the parents are separated or divorced, the residence of the student shall be that of the parent or other adult to whom primary physical custody has been awarded by a court of competent jurisdiction.
- (d) If no custody order has been entered, the residence shall be deemed to be that of the parent with whom the student begins the school year's first semester.
- (e) Any change in residence must be bona fide, which means made, done, or presented in good faith; without deception or fraud. Determination of what constitutes a bona fide or authentic and true change of residence depends upon the facts of each case. In order for a change of residence to be considered bona fide at least the following facts must exist:
- (1) The original residence must be abandoned as a residence; that is sold, rented or disposed of as a residence, and must not be used as residence by any member of the family.
 - (2) The entire family must make the change and take with them the household goods and furniture appropriate to the circumstances.
 - (3) The change must be made with the intent that it is permanent.
 - (4) The change must not be made for athletics purposes.
- (f) Non-parental guardianship will not be recognized where a student has a living parent unless:
- (1) There has been a determination by a court of competent jurisdiction of abandonment of the student by such parent(s) or a determination that the student is a dependent juvenile as defined in G.S. 7B-101(9).
 - (2) The student has been judicially declared a ward of the court, has been identified as an orphan or placed in a foster home by the Division of Social Services (or a comparable agency if out of state) and custody (not guardianship) has been determined by the court or social service agency.
 - (3) A student whose custody has been established by court order or social services agency decision is eligible for participation at the school to which he or she is assigned by the Board of Education of the local unit where his or her custodian resides.
- (g) The residence of a student who is emancipated shall continue to be his or her residence as of the time of emancipation, unless an exception is granted under the procedures established by the Hardship Rule.
- (1) Emancipation for athletics purposes is when a student-athlete by legal determination or otherwise is freed from control by his or her parent(s) or guardian(s), and the parent(s), guardian(s), or other individual(s) are free from any and all responsibility for the student-athlete.
- (h) A student who resides out of state but attends a member high school could be eligible if:
- (1) The student attends a member non-boarding parochial school or is a member of a parochial church and submits an authorized pastor verification form.
 - (2) The out-of-state student is attending a member school as an employee benefit because a parent is working at the school, the school must request a hardship waiver of the residence rule with appropriate documentation as a result of the employee status.
- (i) The residence of a student who is in an organized and recognized foreign exchange program (CSIET) shall be considered to be the place to which he or she is assigned by that program, and is eligible to participate at the school to which he or she is assigned by the LEA.
- (1) Foreign students who are not part of an organized and recognized foreign exchange program must present extenuating circumstances through the procedure established in the Hardship Rule.
 - (2) Foreign exchange students are eligible to continue participation in the subsequent semester following their first year of enrollment based on the Two-Semester Rule (See 1.2.2 (f) (3)).
 - (3) With the exception of this residence rule, foreign exchange students are subject to all other eligibility requirements, including but not limited to, the prohibition on participation after graduation or eligibility for graduation from high school.
- (j) In no case will any exception be made to the following principles:
- (1) A student may not participate at a second school in the same sport during the same sport season, except in the event of a bona fide change in residence of the parent(s) or legal custodian.
 - (2) Change of schools must be contemporaneous with the change in residence.
 - (3) Documents purporting to establish guardianship or custody issued by a notary public, an attorney, a clerk of court, or any entity other than a court of record with competent jurisdiction will not be accepted. Note: The acceptance of a document from a court of competent jurisdiction does not automatically render a student eligible.

1.2.11 **Transfer Policy:** After initial entry into the ninth grade, and absent a bona fide move as provided in the Residence section of this Handbook (See 1.2.10):

- (a) A student transferring from one member school to another member school within the same LEA must sit out 365 days for athletic participation. The LEA can create criteria for immediate athletic eligibility for transfers (assignments) within the LEA.
- (b) A student transferring from one member school in one LEA to another member school in a different LEA must sit out two consecutive semesters, or 365 days, whichever is less, for athletic participation. NOTE: A student's participation in cheerleading is not subject to the NCHSAA Transfer Policy.
 - (1) Upon authorization of the Transfer Certification Form by the NCHSAA, students are not subject to 1.2.11(b).
 - (i) Transfer from LEA to LEA is the student's first transfer.
 - (ii) By mutual agreement, the transfer is not for athletic purposes.
 - a) If deemed ineligible due to athletic purposes, the student will only be ineligible in that sport(s).
 - (iii) If the student's member school does not have a boundary established by an LEA (e.g., charter school, non-boarding parochial school, etc.), the boundary for the member school shall be considered to be:
 - (i) The entire county in which the member school is located; or
 - (ii) Any addresses within a 25-mile radius of the member school as measured by an NCHSAA designated computer program.
 - (2) The two-consecutive semester application occurs when a student is enrolled for at least 50% of the semester in which the student initially enrolled and all of the following semester.
 - (3) A student may not participate in practices or contests until the student's transfer has been validated by the NCHSAA.
 - (4) Appeal of a NCHSAA decision will be heard by the NCHSAA Transfer Committee.
 - (i) The Transfer Committee will be composed of the NCHSAA Executive Committee and at least one (1) non-district affiliated member school representative.
- (c) Students transferring to the same member school where the student's coach has relocated within a calendar year will be deemed ineligible in any sport in which the coach is involved.
- (d) If a member school is not part of a defined LEA (e.g., charter school, non-boarding parochial school, etc.), then the member school itself will be considered its own LEA for purposes of this policy (i.e., exceptions involving these member schools will fall under subsection (b) above).
- (e) If a student transfers from a NCHSAA member school to a non-member school (including a transfer to a DPI-approved home school) and then attempts to transfer to any NCHSAA member school within a 365-day period, such initial transfer will be disregarded for purposes of this transfer rule and the subsequent transfer will be treated as if it were an NCHSAA member school to NCHSAA member school transfer and evaluated by the NCHSAA as provided in section (b) above.
- (f) Students transferring into the North Carolina School of Science & Math are exempt from the Transfer Policy upon their initial entry into the school.

1.2.12 **Felony Policy:** Any student who is subject to the NCHSAA eight semester rule who (1) is convicted of a crime classified as a felony under North Carolina or federal law; or (2) is adjudicated delinquent for an offense that would be a felony if committed by an adult, is not eligible to participate in the North Carolina High School Athletic Association sports program.

- (a) Such ineligibility shall be immediate and shall prohibit participation in the NCHSAA sports program from the date of conviction or adjudication of delinquency through the end of the student's high school career.
- (b) Appellate or other post-conviction review of the conviction or adjudication of delinquency does not affect the student's immediate ineligibility.
- (c) "Convicted" and "conviction," for the purpose of this policy, includes the entry of:
 - (1) A plea of guilty; or
 - (2) A plea of no contest, nolo contendere, or the equivalent; or
 - (3) A verdict or finding of guilty by a jury, judge, magistrate, or other duly constituted, established, and recognized adjudicating body, tribunal, or official, either civilian or military.
 - (4) A person is "convicted" or "adjudicated delinquent" for the purposes of this policy, in North Carolina state courts, the courts of the United States, another state, the armed services of the United States, or another country.

1.2.13 **Dressing for a Game or Practicing:** A player shall not dress for a game or scrimmage when he or she is not eligible to participate in the game.

- (a) Dressing and being in the designated team area shall be interpreted as participating in the game.

- (1) Exception: Football, Eight Quarter Rule. Athletes who are disqualified or ejected during a contest will remain in the team area for supervision. (Reference 2.5.7.j).
- (b) Ineligible players are not allowed to participate in practice, but this does not apply to summer workouts or skill development. (See also 1.2.9).
- 1.2.14 **Uniforms and Equipment:** School uniforms and/or equipment (including transportation) may not be used for any outside organization competition or by athletes performing "unattached" during the academic school year, inclusive of weekends, holidays, workdays, etc. except:
- (a) During the summer, outside the dead periods, school uniforms may be worn for school-related activities.
- (b) Students may be allowed to wear school uniforms, including protective equipment, in outside organization competition, so long as the student has exhausted athletic eligibility in that sport and received permission from the member school. Approval from the LEA is strongly recommended.
- 1.2.15 **Amateur Rule:** Enforcement of this rule by the NCHSAA begins with a student's entry in the ninth grade.
- (a) Under no circumstance may an individual or team:
- (i) Accept money.
- (ii) Accept items by virtue of being on a "free list" or "loan list."
- (iii) Compete under a false name
- (b) As a result of athletic ability/performance, an individual may accept a gift, merchandise, trophy, etc. provided it meets the following conditions:
- (i) Does not exceed \$250.00 value per sports season.
- (a) The item must be totally consumable and nontransferable (e.g., meals, trips, etc.) or labeled in a permanent manner (i.e., monogrammed, engraved, etc.)
- (ii) Approved by the local principal and superintendent
- (c) A team or camp group may accept a gift, merchandise, trophy, etc. provided it meets the following conditions:
- (i) Available to every member of the team.
- (ii) Totally consumable and nontransferable (e.g., meals, trips, etc.).
- (d) A student is entitled to receive "essential expenses" for any particular game or games, in which he or she participates as a player, which includes meals, lodging and transportation for each particular game. Any remuneration beyond these essential expenses shall debar a student from future contests.
- (e) Accepting a nominal, standard fee or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground, or camp activities shall not jeopardize amateur status. An "organized youth sports program" includes both school and non-school programs.
- (f) A member school which has any connection with the presentation of a forbidden award, including but not limited to assisting in the selection of the person to receive the award, permitting the award to be given at a school function, or holding the award for a student until he or she has graduated, shall be subject to penalty.
- 1.2.16 **National Governing Body Sanctioned Events:** Participation in activities or events sanctioned by a national governing body is permissible at any time. See NCHSAA website for list of national governing bodies.
- 1.2.17 **All-Star, Bowl and Benefit Games:** (See also Uniform Rule 1.2.14)
- (a) A student is not permitted to participate in an all-star or bowl game unless he or she has completed high school eligibility in that sport.
- (b) An all-star/bowl game is defined as any contest where admission is charged, either directly or indirectly, and one or both teams is composed of players selected from two or more regularly constituted teams.
- (c) Other information regarding this topic may be found on the NCHSAA website.
- (d) Teams authorized to participate in benefit/fund-raisers (student/faculty game, alumni game, etc.) must be composed exclusively of players from the same high school. Outside the sports season, an existing team may not play an outside team in a benefit game and may not be coached by their coaching staff. A benefit game played during the sports season must count as an official contest.
- (e) Any student who fails to comply with the preceding requirements loses athletic eligibility for a period of time to be determined by the Board of Directors.
- 1.2.18 **Professionals/Colleges:** No student who has signed a professional contract will be eligible for high school competition in that sport.
- (a) A student who has played on a college team is ineligible to play on a high school team.
- (b) A regularly enrolled high school student who is taking courses for advance credit (e.g. community college course, college courses) will be eligible for high school competition.

1.3 RECRUITING/UNDUE INFLUENCE

- 1.3.1 A student shall not be subjected to undue influence by an individual or group of individuals to induce or cause him/her to transfer from one school to another for athletic purposes.
- 1.3.2 If allegations of recruiting are made against a school, the burden of proof in substantiated form must be borne by the accusing party.
- 1.3.3 Allegations of recruiting that are substantiated will be processed as infractions under the penalty code.
- 1.3.4 For the purposes of this rule, "undue influence" consists of actions taken for the purpose and intent of soliciting or encouraging the enrollment of a student-athlete in a school, including but not limited to the following:
- (a) Initiating or arranging communication or contact of any sort (letters, email, phone, etc.) with a prospective student-athlete or member of his or her family
 - (b) Visiting or entertaining a prospective student-athlete or member of his or her family
 - (c) Providing transportation or arranging for same for a prospective student-athlete or member of his or her family to visit a school or meet with anyone associated with a school
 - (d) Providing verbal or written material, slide, film or tape presentations to a prospective student-athlete or member of his or her family which states or implies that a school's athletic program is superior to that or any other school with the purpose or intent of soliciting or encouraging the enrollment of the student in that school, or that it would be advantageous for any prospective student-athlete to participate in athletics at that member school as opposed to any other school
 - (e) To use non-school athletic teams as a vehicle to solicit or encourage a prospective student-athlete or a member of his or her family to enroll the student-athlete at a different school.
- 1.3.5 The above applies to any individual who coaches at an NCHSAA member school, head or assistant, paid or non-paid, faculty or non-faculty, parent volunteer, etc., as well as any other person formally or informally associated with a school's athletic program.

1.4 HARDSHIP RULES

- 1.4.1 The following addition to the athletic code has been approved by the State Board of Education: except for the eligibility rule in regard to age, the Board of Directors shall have the authority to set aside the effect of any eligibility rule, when in the opinion of the Board, the rule fails to accomplish the purpose for which it is intended and when the rule works and undue hardship upon the student.
- 1.4.2 The purpose of the hardship rule is to provide due process.
- (a) Requests for exemption must be made prior to any participation by the student under circumstances that would constitute ineligibility.
 - (b) Ignorance of the rule on the part of school personnel, the student and/or their parents shall not be considered sufficient cause for setting aside the effects of a rule.
 - (c) It is to be understood that ordinary cases of ineligibility shall not be considered under the hardship category and that the conditions which cause the student to fail to meet the eligibility requirement must have been beyond the control of the school, the student and/or their parents. Injury, illness, or accident which cause the student to fail to meet one of the basic requirements is a possible cause for hardship consideration. The appropriate time for hardship application is when the hardship situation is discovered, not after the student has completed eight consecutive semesters.
 - (d) Inability to participate due to illness, injury or other medical causes shall not be considered a hardship. Requests for exception may be considered in those cases where the ineligibility exists because the student was unable to attend, or was prohibited from attending, school due to medical treatment.
- 1.4.3 The Board of Directors has established the following procedures for filing requests for exemption.
- a) Requests will go initially to the Commissioner for action by the staff. The appropriate form is on the NCHSAA website and must be filled out in its entirety for consideration. The school, as the NCHSAA member, must apply for any hardship.
 - (1) Each appeal request must be made in writing by the school principal, with the approval of the superintendent, and should contain all the facts pertaining to the case, including sufficient data to make it possible to reach a decision without further investigation. All correspondence and documents pertinent to the case must be submitted for review, including a copy of the students' scholastic and attendance data since initial entry in the ninth grade. In cases involving medical questions, the request for exception must be accompanied by the statement(s) of one or more qualified medical expert(s) explaining the medical aspect of the case.
 - (i.) It is the responsibility of the school submitting the Hardship request to have translated any documents that might be in a language other than English, and to forward both the original document and the translation for hardship consideration.
 - (b) A school wishing to appeal the decision by the Commissioner and the staff may appeal to the Hardship Committee, which may be found in the Committees section of the NCHSAA Handbook. Requests to the Hardship Committee are acted upon twice during each school year. The first meeting for the

consideration of exceptions is during the winter meeting of the Board of Directors and the second meeting is during the Board of Director's spring meeting. If a school wishes to appear in person to appeal the Commissioner's decision at one of the two regular Hardship Committee meetings, it should notify the Commissioner no later than ten (10) days prior to those meetings.

(1) If a school wishes to appeal the decision made by the Commissioner, but it does not wish to wait until a regular meeting of the Hardship Committee, it should notify the Commissioner no later than 48 hours after receipt of the Commissioner's decision. It can request that the appeal information be submitted to the Hardship Committee and the appeal be heard as soon as it can be scheduled via telephone conference call or virtually.

NOTE: The Commissioner and the Staff will neither offer an opinion during the appeal, nor does the Commissioner have a vote. Any questions for the staff will be made during the actual appeal.

(c) The Hardship Committee, after hearing the case, will render its decision to the school by way of correspondence from the Commissioner, stating what plans will be made to the Board of Directors relative to the Hardship request;

1. If a school wishes to appeal to the Board of Directors the decision made by the Hardship Committee, it should notify the Commissioner no later than 48 hours after receipt of the decision by the Hardship Committee. The Board of Directors will be forwarded the appeal information and the appeal heard as soon as it can be scheduled via telephone conference call or virtually.

NOTE: The members of the Hardship Committee and the Commissioner will neither offer an opinion nor have a vote during this appeal.

(d) The school shall have the right to appear in person before the Board to appeal the ruling of the Hardship Committee. The hearing shall be de novo, with members of the Hardship Committee ineligible to vote.

(e) The decision of the Board of Directors is final.

SECTION 2: SCHOOL ADMINISTRATION OF INTERSCHOLASTIC ATHLETIC PROGRAM

2.1 GENERAL REQUIREMENTS

- 2.1.1 **Organization of School:** For athletic purposes in determining eligibility, local boards of education, or the equivalent, may set their own semester dates prior to the opening of school, and a copy of the calendar indicating these dates must be sent to the NCHSAA along with the filing of the school's first eligibility list.
- 2.1.2 **High School Definition:** A high school is composed of grades 9-12 inclusive.
- (a) No student can be approved for practice or an athletic contest unless he or she is a regularly enrolled member of those grades at the school submitting his or her eligibility.
 - (1) Exceptions: An eighth grade student who is over-age or specialty school students under certain conditions, as indicated elsewhere in these regulations.
 - (b) Students on teams below the ninth grade shall not play or practice against interscholastic athletic teams, which have members in or above the ninth grade. This includes skill development during the academic school year calendar, inclusive of all weekends, holidays, work days, etc. (see 2.2.15.d.10).
 - (c) No LEA of this state may use students of two or more of its regularly constituted high schools, which offer an athletic program, to form a "composite team." An LEA, by local policy, may choose to assign its specialty school students, who meet all other eligibility requirements, to participate in athletics at a regularly constituted high school provided the specialty school does not have an athletic program. Specialty schools in an LEA could include schools with special courses of study, early or middle colleges, STEM/STEAM schools, magnet schools, virtual schools, etc. and these schools may or may not be housed on campus. **Note:** The enrollment of that specialty school must be counted for realignment and classification purposes when other students are assigned to regularly constituted high schools.
 - (1) **Example:** Member school A's Average Daily Membership (ADM) is 500. The ADM for the Middle College is 200. Member school A has 5 students participating in athletics who are actually enrolled in the LEA governed Middle College. LEA policy allows any student enrolled in the Middle College to participate in athletics at the base school; therefore, for realignment and football sub-dividing purposes, Member School A, which is the base school for the middle college, must add 200 students to its own ADM count, making the ADM 700. If students at the middle college are assigned to more than one school, the ADM number—200—of the middle college is divided between/among those member schools, based on those assignments.
 - (d) If any school district or unit shall have been officially enlarged (e.g., a city unit), students residing in the newly added territory shall be eligible for approval just as though the new territory had previously been a part of the district or unit.
 - (e) A single gender student body shall have its enrollment doubled for classification purposes;
- 2.1.3 **Non-Boarding Parochial Schools:** Non-boarding parochial schools, in addition to subscribing to the rules of the NCHSAA, must also agree to adhere to the following regulations:
- (a) Athletes shall not be given scholarship aid or other financial consideration with the exception of need-based aid as determined by an independent agency. All non-boarding parochial schools shall provide full disclosure of financial aid data upon request, within guidelines of privacy laws.
- 2.1.4 **Enrollment Date:** Any school that desires to renew membership in the NCHSAA must register and pay the fees before December 1. Late renewals are subject to a \$100 fine and schools are not eligible for playoffs beginning with the winter sports season until all fees are paid.
- (a) To join the NCHSAA, an eligible school must pay a \$1000 application fee and fill out the appropriate application form.
 - (b) The Board of Directors may send a delegation to make a site visit after the application is received.
 - (c) New members may be approved at either the winter or spring Board meetings; deadlines are November 1 to be considered at the winter Board meeting or April 1 to be considered at the spring Board meeting.
 - (d) Membership will take effect July 1. All schools which join the NCHSAA are required to attend a mandatory orientation.
 - (e) All schools shall have enrollment policies and procedures available to the NCHSAA upon request.
- 2.1.5 **Fees:** A check in the amount of \$1.00 per pupil for all students enrolled at the high school should accompany the renewal form.
- (a) Enrollment shall be determined by total enrollment of students at the end of the first school month of the present school year. The NCHSAA will publish these numbers prior to seeding for football. Each school should use this number in calculating its payment.
 - (b) Each member school shall also pay an annual school fee of \$100. This entitles the school to one rule book in all sports which the National Federation of State High School Associations (NFHS) publishes rules and the NCHSAA offers a championship, as well as other materials, for example the handbook.
 - (c) Deadline for payment is December 1.

- 2.1.6 **Coaching:** In most cases, the head coach of an interscholastic athletic team should be a bona fide member of the faculty and as such shall be responsible for the supervision of athletic teams during all practices, games, and trips.
- (a) Local superintendents may employ non-faculty persons as head coaches for varsity or junior varsity teams, with the concurrence of the local board of education.
 - (b) Individuals authorized to coach in this manner are required to know and follow the rules of the NCHSAA and NCDPI, including the sports season regulation.
 - (c) In extenuating circumstances and upon the written request of a school's principal, the NCHSAA may authorize parents to accompany individual participants in lieu of the coach at state-sponsored play-offs.
 - (d) Unsupervised athletes may not participate in state playoff events.
- 2.1.7 **Coaching Requirements:** Any annually required course must be current and completed before the first date of practice.
- (a) All coaches, paid and volunteer, are required to take the "Fundamentals of Coaching" certification course prior to the first play date of the sport he or she coaches in order to coach an NCHSAA team. The course can be accessed online at nfhslearn.com. A \$500.00 fine will be assessed for non-compliance. The NCHSAA has the authority to suspend the coach for the same number of contests they coached while being non-compliant.
 - (b) All coaches, paid and volunteer, must annually take the NFHS "Concussions in Sports" course or an equivalent concussion curriculum prior to the first date of practice in their sport. A \$500.00 fine will be assessed for non-compliance. The NCHSAA has the authority to suspend the coach for the same number of contests they coached while being non-compliant.
 - (c) The pole vault head coach is required to take the NFHS "Coaching Pole Vault" course prior to the first date of practice in their sport.
 - (d) The head cheerleading coach is required to maintain safety certification through the NFHS and USA Cheer's "Cheer and Dance Safety Certification" course once every four years. Fundamentals of Coaching is optional.
 - (e) All head and paid coaches must be CPR/AED certified prior to first practice date. CPR/AED courses that satisfy this requirement should include some hands-on, in-person skill presentation and evaluation, regardless if part of the course is online or entirely in-person. It is recommended that all coaches of each sport/activity staff take and pass the NFHS First Aid for Coaches course, be CPR/AED certified, and be present at all contests and practices. Head coach coaching in a contest without certification of this requirement is a \$500 fine.
 - (f) All non-paid coaches are required to complete the NFHS "Sudden Cardiac Arrest" Course annually prior to the first practice.
 - (g) The head coach must attend one of the NCHSAA state rules clinics in baseball, basketball, cheerleading, cross country, football, golf, indoor track & field, lacrosse, softball, soccer, swimming & diving, tennis, track & field, volleyball and wrestling (attendance at the rules sessions of the NCCA, participation in an NCHSAA web-based rules clinic or attendance at an NCHSAA Regional Officials State Rules Clinic in these sports for coaching credit is acceptable). For failure to comply, see Penalty Codes 3.3.2.d.12 and 3.2.2.f.5.
 - (1) If the requirement for attending clinic is not met prior to the first play date in the sport, the coach will not be allowed to coach in contests until he or she is compliant, absent showing cause as currently occurs. This does not replace the \$400 fine.
 - (2) Head coach coaching in a contest prior to satisfying the rules clinic attendance requirement is a \$500 fine. If coach in question coaches in subsequent games without satisfying requirement, NCHSAA has authority to suspend the coach for the same number of contests they coached while being non-compliant.
 - (h) Any person paid or employed, as a principal shall not coach interscholastic athletic teams.
- 2.1.8 The host school of an event with three or more participating teams is encouraged to have a licensed athletic trainer or certified first responder on site at all times during the event.
- 2.1.9 **Middle School Rules and Regulations:** All questions relative to middle school rules and regulations must be directed to the NCDPI.

2.2 **GAME AND SPORT ADMINISTRATION - SCHOOL REQUIREMENTS**

- 2.2.1 **Game Rules:** All high schools participating in interscholastic athletics shall use the game rules as set forth by the NFHS.
- (a) Golf and tennis shall use USGA and USTA rules respectively, except where local modifications apply.
- 2.2.2 **Athletic Contracts:** A standard contract is recommended for use in all sports for non-conference competition (with two-year terms for football and basketball). The standard contract template may be found on the NCHSAA website.
- (a) All provisions of the contract must be fulfilled by both parties unless canceled by mutual agreement.
 - (b) The NCHSAA has no responsibility for enforcing oral contracts.

2.2.3 Facilities:

- (a) **Court and Field Diagrams:** The NCHSAA has adopted the playing rules of the National Federation of State High School Associations for most sponsored sports.
- (1) Diagrams for the court or field for each sport are contained in the respective rulebooks.
 - (2) The National Federation also publishes a Court and Field Diagram Guide covering all sports.
 - (3) A copy of rule books for individual sports or of the comprehensive guide may be obtained directly from the National Federation.
- (b) **Lighting Standards:** The Board of Directors has adopted standards for the lighting of events sponsored by the NCHSAA or any member school.
- (1) These standards incorporate the most current data available regarding the lighting, electrical and structural issues that apply to the installation and maintenance of safe, effective lighting systems.
 - (2) These standards were developed by a Standards Advisory Committee made up of experienced engineers, architects, electrical contractors, attorneys and insurance underwriters.
 - (3) They are divided into recommended minimums and desirable features. The minimums establish criteria which are important to the safe conduct of sponsored activities. The desirable features are intended to provide guidelines for lighting systems that give added values of durability, energy-efficiency, environmental sensitivity and cost effectiveness.
 - (4) NCHSAA playoff events are intended to be held at sites that meet the minimum standards.
 - (5) A copy of the revised lighting standards may be viewed on the NCHSAA website.
 - (6) Member schools are required to complete a "System Operation and Maintenance Checklist" form on an annual basis to ensure that electrical and structural components of facility lighting systems are up to code with NEC (National Electric Code) and IBC (International Building Code) standards. The deadline to complete will be prior to participation in the playoffs with an initial focus on electrical and structural components. Failure to complete the required checklist form will mean school cannot host a playoff event due to failure to comply with minimum electrical and structural requirements deemed for safe operation.
- (c) **Drones Policy:** The use of drones will be prohibited within the confines of stadiums, fields and arenas during NCHSAA contests. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium, field, arena and/or structure. The regulation includes pre- and post-game activities.
- (d) **NCHSAA Hosting of Playoffs and Championships:** In order to host NCHSAA Playoffs (Recommended for regular season) in any sport, member schools' facilities must:
- (1) Have measures in place that ensure the safety and protection of the well-being of all participants and spectators;
 - (2) Maintain seating for participants and spectators, with one-third (1/3) of the available seating reserved for the visiting team's spectators. These specifications are recommended for regular season games in all sports, with the exception of football, which provides its own minimum seating regulations.;
 - (3) Comply with requirements mandated by the Americans with Disabilities Act (ADA);
 - (4) Have restroom facilities available for both spectators and participants;
 - (5) Provide areas for teams and game officials to dress for competition;
 - (6) Be conducive to the charging of admission; and
 - (7) Be able to show, upon request, that facility lighting meets minimum NCHSAA lighting standards. (see Rule 2.2.3.b) and the NCHSAA website for lighting standards).
 - (8) Complete the lighting "System Operation and Maintenance Checklist."
 - (9) During the playoffs, the NCHSAA has the right to require host teams to find an adequate facility based on expected attendance or quality of venue.

2.2.4 Starting Time:

- (a) Regular Season Contest: The starting time for all regular season games in all sports shall be determined by the home team, within certain limits.
- (1) A contest may not usually begin until after the last regularly scheduled instructional period.
 - (2) Recommended starting time in regular season is no earlier than 5:00 pm for baseball, lacrosse, softball, volleyball and soccer.
 - (3) Unless otherwise noted, if an event is held on campus or on school property, the host team is considered the "home" team.
 - (4) Unless otherwise noted, if an event is held off campus (golf course, etc.), the host team is designated the home team.
 - (i) The contest may begin before the last regularly scheduled period if a "host" team is in-

involved, but schools are still urged to minimize loss of school time.

(ii) This rule is designed to be used only if the operator of the facility dictates an early starting time to the host school.

(b) **Playoff Contest:** Playoff games are under the auspices of the NCHSAA.

(1) **Monday-Friday:** Contest are set for 7:00 p.m. with the exception of football, which is 7:30 p.m.

(i) Teams may play at 6:00 p.m. if mutually agreed upon.

(ii) Game time will be 6:00 p.m. if the visiting team is over 100 miles one-way

(iii) Any deviation from this must be approved by the NCHSAA.

(2) **Saturday:** Teams may play at any time if mutually agreed upon.

(i) If teams cannot mutually agree, the higher seeded team may choose a starting time between 1:00 p.m. and 7:00 p.m.

(a) Between 1:00 p.m. and 6:00 p.m. if the visiting team is over 100 miles one-way.

(3) Schools may play earlier than the playoff date designated on the bracket by mutual agreement.

2.2.5 **Practice Time:** There shall be no athletic practice during the regular school day. This means no individual or team practice may begin until after the last regularly scheduled instructional period.

(a) No authorized practice, contest, or workouts may occur during the work day for teachers during the ten-month teaching calendar, and coaches may not use their vacation or leave time to hold a practice during the teacher work day.

(1) **Exception:** if a superintendent gives permission for schools in his/her unit to practice prior to the end of a work day due to inclement weather only.

(b) On the day following the end of the academic school year calendar, non-mandatory teacher workdays are governed by local policy. This rule also applies to non-faculty coaches.

(c) Team practice in any sport is prohibited after the sports season ends until the first day following the final student day of the school year.

2.2.6 **Sunday Participation:** No participation under the auspices of the NCHSAA may be staged on Sunday, except for certain cases approved by the NCHSAA Board of Directors in playoffs and championships.

(a) There shall be no Sunday practice, conditioning or skill development in any sport. This includes the assembling of athletic squads (full teams or selected individuals) for purposes of viewing films, chalk talks, or other materials pertaining to the coaching of the team.

2.2.7 **Postponed and Suspended Games:** Any single contest postponed because of emergency reasons (bad weather, epidemics, heating system failure, mid-term exams, or unavoidable mishaps) may be rescheduled and played.

(a) No more than three contests may be played in a single week even with postponements and rescheduling (see weekly limits below and exceptions for volleyball, baseball, tennis, basketball and softball).

(b) Postponed games will be made up in the order of postponement on the next possible date; During the regular season, Saturday will not be used as a makeup day unless mutually agreed upon by the two schools involved, with the exception of the 12th playing date in football (see Football section on seeding).

(1) Unless approved by the NCHSAA, a postponed game may not be played after the reporting deadline for playoffs.

(2) When a playoff game is postponed and then rescheduled, the principals of both schools, along with the NCHSAA, should be involved with the decision.

(3) Saturdays must be used as makeup days for playoffs.

(c) NCHSAA uses the suspended game rule in all sports where appropriate.

(1) If a contest is suspended at any point, it is resumed from the point of interruption unless the teams mutually agree to terminate the game with the existing score (see Baseball 4.2.1.n, Lacrosse 4.7.1.m, Soccer 4.8.1.l and Softball 4.9.1.m for specific applications in those sports).

(2) A suspended game may be continued in another week and not count against the weekly limitations.

2.2.8 **Tie Games:** All tie games shall count one-half game won and one-half game lost whenever a conference champion is determined by percentage standings.

2.2.9 **Unplayed Games and Forfeited Games:** If a conference school plays a part of its schedule, and then withdraws from competition leaving unplayed games, the NCHSAA Board of Directors shall have power, at its discretion, to declare official forfeitures of all unplayed games.

2.2.10 **Weekly/Player Limits:** Student-athletes must always stay within the daily, weekly and seasonal limitations of their prescribed sports. With the exception of volleyball, softball, baseball, tennis and basketball (refer to those sports sections), no team shall play more than three games in one sport per week, under any circumstances.

(a) Both teams and individual players are subject to the daily, weekly and seasonal limitations for each sport.

(b) See Football section for specific regulations and limits on football games and participation.

- 2.2.11 **Season Limitations:** All regular season games and conference tournaments must be completed before the playoff reporting date.
- (a) The season ends for all sports with the last regularly scheduled game, completion of the conference tournament or when defeated in the state playoffs.
 - (1) Exceptions for postponed contests which have a bearing on conference standings (for awards, Wells Fargo points, etc.) or which are important money games for the schools involved may be requested through the NCHSAA.
 - (b) The opening date for practice, the authorized date for the first game, and the number of regular season contests allowed for each sport are specified under individual sports headings.
- 2.2.12 **Split Squads:** A varsity team may not be divided or split for athletic purposes, with the exception of cross country, indoor track and field, track and field, and wrestling.
- (a) There may be JV teams, ninth-grade teams, etc.
 - (b) This regulation does not prevent a junior varsity player from playing with the varsity and vice versa, provided he or she does not exceed specified participation limitations.
- 2.2.13 **Unattached and Unaffiliated Athletes:**
- (a) **Unattached:** An athlete is unattached if the athlete is not representing his/her high school team in that competition. In order to be unattached by the technical definition of the term, the athlete must be a member of a team, such as an outside club team, but for whatever reason is not representing his/her high school team in the specific competition. Unattached athletes must assume all liability and all expenses for themselves, including transportation, and cannot wear school uniforms in the competition. The North Carolina High School Athletic Association (NCHSAA) does not regulate unattached athletes; it is up to the discretion of the meet director to decide whether to admit unattached athletes. Performances while competing unattached cannot be used to qualify for NCHSAA regional or state meets.
 - (b) **Unaffiliated:** An athlete is unaffiliated if the athlete does not have a team or does not belong to a governing body. This means that no one is currently monitoring his/her eligibility. Home-schooled athletes who do not belong to an association of some kind (such as Forsyth Home Educators) are considered unaffiliated, and are not recognized by the NCHSAA.
- 2.2.14 **Sports Seasons:** The sports season for a school is defined as that period of time which begins with the opening date of practice (as called for by each individual school) and goes through the last regular season or playoff game in a particular sport.
- (a) By defining the length of each sport's season, an attempt has been made to provide balance to the athletic calendar so that students have an opportunity to compete in a variety of sports throughout the school year.
 - (b) Any competition with outside teams in an Off-Season Skill Development Session is prohibited during the academic school year calendar, inclusive of all weekends, holidays, work days, etc.
 - (c) On a given day, an athlete is limited to 1.5 hours of skills development or weight training/conditioning during the academic school year calendar, inclusive of all weekends, holidays, work days, etc. Skill development sessions are not to exceed 1.5 hours in duration including flex time (stretching), meetings, video review and breaks.
 - (d) Skill Development Sessions are allowed, but shall not be held during any tryout period of an in-season sport.
 - (1) **Dead Periods:** Sessions are not allowed during the following periods:
 - (i) August 2 - August 22, 2021
 - (ii) November 1 (October 25, Non-Football Schools) - November 21, 2021
 - (iii) Last five (5) student days of the First Semester
 - (iv) February 14 - March 6, 2022
 - (v) Last ten (10) student days of the Second Semester
 - (vi) July 4 - July 17, 2022
 - (2) The weight room must also be closed during the last five student days of the first semester and the last ten student days of second semester.
 - (3) All skill development sessions must be voluntary and open to all students with a current and valid pre-participation physical examination in compliance with regulation 1.2.9.
 - (4) At no time may a coach require of any student off-season skill development sessions as a measure of continued participation on a team. Any coach who promotes the idea that taking part in off-season practice is required is blatantly out of compliance with the intent and purpose of this rule.
 - (5) Student insurance is strongly recommended for all those involved in athletics, in-season and out-of-season.
 - (6) Skill development sessions are not restricted in the number of participants on a daily basis.

- (7) There is no restriction on the number of coaches who may work with the athletes.
- (8) Football Specific Requirements
 - (i.) Licensed athletic trainer or first responder must be present if any protective equipment (helmets and/or shoulder pads) is worn.
 - (ii.) No "body-to-body contact, live action, wrapping, or thudding is allowed (see 4.5.3.b.4).
 - (iii.) A gameday administrator must be present for any 7-on-7 competition.
- (9) Skill development sessions are open only to students enrolled at that school.
- (10) Eighth graders are not permitted to participate in skill development sessions on high school campuses (also reference 2.1.2.b).
- (11) Facilities may be used for out-of-season athletic play on a strictly voluntary basis, open to all students and required of none.
- (12) For safety purposes, school administrators or other school personnel should be present as supervisors during any skill development session.
- (e) Any individual who coaches at an NCHSAA member high school, head or assistant, paid or non-paid, faculty or non-faculty, parent volunteer, etc., must abide by the skill development, out-of-season workout rules.
 - (1) If a high school coach, regardless of the sport (basketball, soccer, etc.) he or she coaches at the high school, also coaches a "non-school" or "club team" outside the sports season but during the school year, whether head or assistant, and has any students from the high school on that outside team, he or she cannot work with any of them during a dead period.
 - (2) Coaches coaching an outside team either during the sports season or outside the sports season, but during the school year (basketball, soccer, etc.), must still abide by the numbers restrictions below (one less than a team).
 - (3) **NUMBER OF ATHLETES FROM ONE SCHOOL, ON ANY OUTSIDE TEAM ON A GIVEN DAY**

Football	no more than 10	Golf	no more than 3
Basketball	no more than 4	Softball	no more than 8
Baseball	no more than 8	Wrestling	no more than 8
Volleyball	no more than 5	Track	no more than 6
Tennis	no more than 4	Cross country	no more than 4
Soccer	no more than 10	Swimming	no more than 6
Lacrosse	no more than 9 (men)	Field hockey	no more than 10
	no more than 11(women)		
 - (4) Students who have exhausted their eligibility in a particular sport will not count toward the numbers restrictions as listed above (one less than a team).
- (f) Note that the sports in season should always take precedence for facility use etc., over those not in season, in keeping with the philosophy of the sports season concept.
- (g) Principals, superintendents and athletic directors are responsible for seeing that this entire concept of the sports season is followed without exception. (See Penalty Code for violations 3.3.2.d.20).

2.2.15 Summer Regulations: During the summer, coaches are free to work with individual or multiple players, from their school or their feeder schools, conduct practices, etc. Once practice for the fall sports season begins, skill development restrictions are in place.

- (a) In order to participate in summer work-outs, students must have a current and valid pre-participation physical examination.
- (b) At no time may a coach require of any student off-season skill development sessions as a measure of continued participation on a team. Any coach who promotes the idea that taking part in off-season practice is required is blatantly out of compliance with the intent and purpose of this rule.
- (c) During the "Summer Dead Periods" no NCHSAA member school-sponsored activities may be organized or conducted by any NCSHAA coach or school staff member (whether full-time, part-time, or volunteer) that involve students at NCHSAA member schools. School-sponsored activities include any of the following (i.e. these activities MAY NOT be done):
 - (i) Activities, other than Third-Party Outings and Bona Fide Competitions (both as defined below), conducted (1) at any NCHSAA member school; or (2) at any location if the activity is organized or controlled by an NCHSAA member school, coach or staff member (whether full-time, part-time or volunteer) (e.g., summer skills development or camps, open facilities, conditioning exercises, laps around the school track, etc.);
 - (ii) Activities at any location where attendance by students is deemed mandatory, whether actual or perceived (e.g., coach organizes an event away from school property and states, suggests or implies in any way that any students not attending will suffer consequences of any kind ... whether this means making a team, enjoying playing time, becoming team captain, etc.);
- (d) Examples of activities that would be considered "non-school-sponsored activities" and MAY be done:

- (i) Third-Party Outings: Coach or staff member takes students to a third-party camp at a non-NCHSAA member school (e.g., college-sponsored summer skills or team camp, etc.) where attendance by students is NOT deemed mandatory, whether actual or perceived (as described above);
- (ii) Bona Fide Competitions: An organized league is conducted through a bona fide third party organization where (1) the organization purchases appropriate liability insurance and pays for all game-related expenses (e.g., facilities, staffing, etc.); (2) students are not required to attend or participate; (3) student transportation is not provided by NCHSAA member school vehicles; and (4) students use their own equipment.

2.2.16 **Weight Training and Conditioning:** During the academic year, a program of weight training is permitted at any time, with the exception of the last five student days of the first semester and the last ten student days of the second semester.

- (a) Personnel knowledgeable in this area should be on hand at all times to observe the proper techniques are followed in the weight training and conditioning workouts.
- (b) All weight training and conditioning should be open to all and required of none.
- (c) Sports specific equipment cannot be used during weight training/conditioning sessions. Note: See 2.2.14 and 2.2.15 for permitted daily off-season work.

2.2.17 **Filming, Videotaping or Video Streaming:** Filming, videotaping or video streaming of a contest or scrimmage by nonparticipating schools, in any sport, is considered unsportsmanlike conduct, subject to a \$400 fine, unless agreed upon by competing teams.

- (a) Filming, videotaping or video streaming for baseball and softball may not be done beyond either first base or third base.

2.2.18 **Radio-TV Fees:** Member schools retain the broadcast rights to their regular season contests, with the exception of the NCHSAA's Game of the Week in football and basketball. Member schools are encouraged to make their own arrangements with media outlets for radio, audio-only internet broadcasts, tape-delayed television broadcasts and live video internet streaming of contests. The NCHSAA must approve all live, over-the-air television broadcasts. The NCHSAA retains all broadcast rights to the NCHSAA Game of the Week. The NCHSAA also holds the broadcast rights to all postseason competition it conducts whether broadcast over the air, TV, cable TV or the internet.

- (a) For a live audio-only broadcast (radio or internet streaming) of any single playoff contest in football and basketball, the fee is set at \$100, AM, FM or internet audio stream. For all other sports the fee is \$50.
 - (1) Since the NCHSAA holds the rights to postseason play, no station can be denied the opportunity to broadcast a playoff contest by a member school without approval of the Association.
- (b) Any broadcast aired on multiple outlets, over the air or cable, is subject to the appropriate fee for each outlet or cable system airing the contest.
- (c) All broadcast fees for regular season and post-season radio, audio-only internet streaming, tape-delayed video or live internet-only video streaming broadcasts are payable to the host institution or, at the state championships, to the NCHSAA prior to the beginning of the contest.
- (d) For football and basketball broadcasts of live over-the-air television, stations must complete the online broadcast request form and remit payment to the NCHSAA by the agreed upon date or be subject to late fees and/or credential revocation, per NCHSAA Media Policy.
- (e) NCHSAA Game of the Week: The NCHSAA Game of the Week will be conducted during all sports seasons in conjunction with various television stations across the state. Any contest that is to be broadcast live by an over-the-air television station or traditional cable/satellite access media will be considered an "NCHSAA Game of the Week". The NCHSAA's approval of such broadcasts is subject to approval by the host school of the contest, a completed online application by the broadcast media outlet and remission of payment of the appropriate rights fee by the broadcast media outlet to the NCHSAA.
 - (1) Stations conducting live television broadcasts of NCHSAA Member School contests absent approval from the NCHSAA will be subject to a fine up to double the amount due for the contest. Non-payment of any such fine will prevent the station from being allowed to broadcast any further NCHSAA contests, including playoffs and revocation of any NCHSAA-issued media credentials in use by station employees. Applications for any NCHSAA media credentials by a non-compliant station will not be approved.
 - (2) Live internet video streaming of an NCHSAA Game of the Week is expressly prohibited absent prior written approval by the NCHSAA.
- (f) Live internet video streaming of regular season contests is permitted, with the exception of any NCHSAA Game of the Week, which requires prior written NCHSAA approval.
 - (1) Minimum fees for internet-only live video stream of a contest: School retains all fees collected for home contests and may not collect less than the minimum listed in the chart below. LEA's may negotiate "package" or "lump" deals for internet streaming video rights to all contests

within the LEA.

- (i) Minimum Rate Structure for internet-only video streaming of regular season contests:

Football	Basketball (single)	Basketball (DH)	All Others
\$150	\$100	\$150	\$100

- (g) A live telecast (over-the-air, cable or satellite) of a playoff game must be approved by the NCHSAA and the holder of television rights, if any, which the Association has granted.
- (h) All telecasts, live or delayed, of any state championship game must be approved by the NCHSAA.
- (i) NCHSAA Broadcast Rights Fee Chart can be found on page 123

2.2.19 **Travel Checks:** Travel checks will be issued to participating schools in all sports with the exception of volleyball, football, soccer, basketball, baseball and softball. These checks are to be issued at the conclusion of the spring sports season, by July 31.

2.3 **HEALTH AND SAFETY**

2.3.1 **Health and Safety Personnel:**

- (a) Licensed Athletic Trainers
- (1) Athletic training encompasses the prevention, examination, diagnosis, treatment and rehabilitation of emergent, acute or chronic injuries and medical conditions. Athletic training is recognized by the American Medical Association (AMA), Health Resources Services Administration (HRSA) and the Department of Health and Human Services (HHS) as an allied health care profession.
 - (2) Athletic trainers are highly qualified, multi-skilled health care professionals who collaborate with physicians to provide preventative services, emergency care, clinical diagnosis, therapeutic intervention and rehabilitation of injuries and medical conditions. Athletic trainers work under the direction of a physician as prescribed by state licensure statutes. In North Carolina, an athletic trainer is a person who, under a written protocol with a physician licensed under Article 1 of Chapter 90 of the General Statutes and filed with the North Carolina Medical Board, carries out the practice of care, prevention, and rehabilitation of injuries incurred by athletes, and who, in carrying out these functions, may use physical modalities, including heat, light, sound, cold, electricity, or mechanical devices related to rehabilitation and treatment.
 - (3) Licensed Athletic Trainer (LAT) – In North Carolina a Licensed Athletic Trainer is an individual who is licensed under Article 34 of Chapter 90 of the General Statutes entitling them to perform the functions and duties of an athletic trainer.
- (b) First Responders
- (1) First Responder (FR) - A first responder must meet the following requirements set forth by the North Carolina State Board of Education Policy ATHL-000.
 - (i.) Must be CPR/AED certified prior to the first practice date of the school year by an organization such as the American Red Cross or the American Heart Association and maintain certification while serving in this role. CPR/AED courses that satisfy this requirement should include some hands-on, in-person skill presentation and evaluation, regardless if part of the course is online or entirely in-person.
Note: CPR/AED certification must not lapse while serving in the role as a FR.
 - (ii.) Must be First Aid certified prior to the first practice date of the school year by an organization such as the American Red Cross or the American Heart Association and maintain certification while serving in this role.
Note: First Aid certification must not lapse while serving in the role as a FR.
 - (iii.) Must annually take the NFHS “Concussion in Sports” course or an equivalent concussion curriculum prior to the first practice date of the school year.
Note: This course or an equivalent is valid for 365 days and must not lapse while serving in the role as a FR.
 - (iv.) Must annually complete 10 hours of staff development/Continuing Education (CE) each school year specific to first aid, injury recognition and prevention. The 10 hours may include hours necessary for recertification/renewals.
Note: Original documentation of annually completed CE, including current and expired CPR/AED and First Aid cards, must be retained as proof of eligibility to serve as a FR.
 - (v.) Must annually complete and continue to maintain CE in injury prevention and management. A first suggested option to satisfy the 10-hour CE requirement is attending the Athletic Injury Management Courses offered in conjunction with the North

Carolina Coaches Association (NCCA) Summer Clinic. If a FR is unable to attend the NCCA Summer Clinic the NCHSAA recommends two additional options to satisfy this requirement.

(a.) A second CE option is taking on-line courses offered by the NFHS: *ACL Injury Prevention *Appearance and Performance Enhancing Drugs and Substance *Heat Illness Prevention *Introduction to Pitch Smart *Sports Nutrition *Student Mental Health and Suicide Prevention *Sudden Cardiac Arrest *The Collapsed Athlete *Understanding Vaping and E-Cigarettes.

(b.) Courses offered by the Gatorade Sport Science Institute is a third CE option that is also on-line based.

Note: CE courses are valid for 365 days from date of completion, unless otherwise indicated, and must not lapse while serving in the role as a FR.

(2) The NCHSAA expectation is that the first responder should provide the same care that any “reasonable and prudent” individual would consistent with their training in the same situation. In all instances, the first responder should provide only the type of emergency care for which they are trained to apply.

(c) Athletic Event Medical Care Requirements

(1) The licensed athletic trainer or first responder may not have concurrent coaching responsibilities during the time in which the person is working as a licensed athletic trainer or first responder.

(2) The member school's licensed athletic trainer or first responder must physically attend all football practices and both home and away games, unless excused by the superintendent in writing due to an emergency.

(3) A licensed athletic trainer or a first responder must be physically present if any protective equipment (helmets and/or shoulder pads) is worn by student-athletes participating in football skill development during the school year.

(4) A licensed athletic trainer or first responder must physically attend all summer football 7-on-7 events and must be physically present at all times in any competition area in which contest are being held.

(i) If a single field is divided for the purposes of holding multiple contests/scrimmages simultaneously, each of the divided sections must have a licensed athletic trainer or first responder responsible for that section of contest area.

(5) A licensed athletic trainer or first responder must be in attendance at all wrestling matches.

(6) A licensed athletic trainer or a first responder must be physically present at all times in any competition area in which wrestling matches are being held.

Ex.: Wrestling in the Auxiliary Gym and Main Gym at the same time would require two licensed athletic trainers or first responders or a combination of one of each.

NOTE: Failure of a member school to meet an athletic event medical care requirement, as listed above, is a finable offense (See Rule 3.3.2 (f) (16)).

2.3.2 **Fundamentals of Heat Illness Prevention and Management for all sports:**

(a) A Licensed Athletic Trainer or First Responder **MUST** be in attendance at all wrestling events, football practices and football games.

(b) The vast majority of serious heat illness occurs during the first week of practice/training. The key to appropriate acclimatization should consist of gradually increasing the amount of time of environmental exposure (heat and humidity) while progressively increasing physical exertion and training activities is the key to appropriate acclimatization.

(1) Begin with shorter, less intense practices and training activities, with longer recovery intervals between bouts of activity.

(2) Minimize protective gear during first several practices, and introduce additional uniform and protective gear progressively over successive days. (e.g. in football, helmets only, no shoulder pads).

(3) Emphasize instruction over conditioning during the first several practices.

(c) Keep each athlete's individual level of conditioning and medical status in mind and adjust activity accordingly. These factors directly affect exertional heat illness risk. For example, there is an increased risk of heat injury if the athlete is obese, unfit, has been recently ill (particularly gastrointestinal illness), has a previous history of exertional heat illness, has Sickle Cell Trait, or is using certain medications. Players at risk should be identified from their pre-participation examination.

(d) High temperatures and high humidity are potentially dangerous for athletes. In these conditions, lower the intensity of practices and increase the frequency and duration of rest breaks, and consider reducing uniform and protective equipment. Also, be sure to monitor all players more closely as con-

ditions are increasingly warm/humid, especially if there is a change in weather from the previous few days.

- (e) Athletes should begin practices and training activities adequately hydrated.
- (f) Recognize early signs of distress and developing exertional heat illness (weakness, nausea/vomiting, paleness, headache, lightheadedness). Promptly remove from activity, and treat appropriately. First aid should not be delayed.
- (g) Recognize more serious signs of exertional heat illness (clumsiness, confusion, stumbling, collapse, obvious behavioral changes and/or other central nervous system problems), immediately stop activity, begin rapid cooling, and activate the Emergency Medical System.
- (h) All schools should have a heat illness prevention and management policy for all sanctioned activities and this policy must be followed.
- (i) A venue-specific Emergency Action Plan (EAP) with clearly defined written and practiced procedures should be developed and in place ahead of time.
- (j) Prior to the season all coaches, athletic training personnel and first responders working with the team should review the signs and symptoms of heat illness and the emergency action plan for their school.
- (k) A Wet Bulb Globe Temperature (WBGT) chart should be available at practices and contests.
- (l) Supplies to assess WBGT (or alternatively, heat and humidity on site), to assess core temperature, and to provide for rapid cooling should be on-site for all practices and games as environmental conditions require.

2.3.3 **Acclimatization (Football):**

- (a) Days 1–5 are the first formal practices. No more than 1 practice occurs per day.
- (b) Total practice time should not exceed 3 hours in any 1 day.
- (c) 1-hour maximum walk-through is permitted on days 1–5, however there must be a minimum 3 hour break in a cool environment between practice and walk-through (or vice versa).
- (d) During days 1–2 of first formal practices, a helmet should be the only protective equipment permitted (if applicable). During days 3–5, only helmets and shoulder pads should be worn (if applicable). Beginning on day 6, all protective equipment may be worn and full contact may begin.
 - (1) Football only: on days 3–5, contact with blocking sleds and tackling dummies may be initiated.
 - (2) Full-contact sports: 100% live action drills should begin no earlier than day 6.
- (e) Day 6–14, double-practice days must be followed by a single-practice day. On single-practice days, 1 walk-through is permitted, separated from the practice by at least 3 hours of continuous rest. When a double-practice day is followed by a rest day, another double practice day is permitted after the rest day.
- (f) On a double-practice day, neither practice day should exceed 3 hours in duration, and no more than 5 total hours of practice in the day. During the 2 hour practice, there can be NO live action. Warm-up, stretching, cool-down, walk-through, conditioning and weight-room activities are included as part of the practice time. The 2 practices should be separated by at least 3 continuous hours in a cool environment.
- (g) Because the risk of exertional heat illnesses during the preseason heat-acclimatization period is high, we strongly recommend that an athletic trainer be on site before, during and after all practices. (Adapted from Korey Stringer Institute, 2015)

2.3.4 **Prevention of Heat Illness:**

- (a) Wet Bulb Globe Temperature (WBGT) considers the combined effects of air temperature, humidity, and solar radiation on the human body. WBGT should be measured (using a scientifically approved device) for all sports when student-athletes may be at risk for exertional heat illness (EHI). WBGT should be accessed every hour beginning 30 minutes before the beginning of practice.
- (b) As WBGT increases, minimize clothing and equipment.
- (c) Provide unlimited drinking opportunities during hotter practices. NEVER withhold water from athletes.
- (d) Pre and post-practice weigh-ins SHOULD be conducted. NOTE: an athlete who is not within 3% of the previous pre-practice weight should be withheld from practice. These athletes should be counseled on the importance of re-hydrating. Pre and post-practice weigh-ins are recommended for all sports participating during periods of high heat and humidity.
- (e) If WBGT is at 90 or above suspend practice; contests may continue but must include mandatory breaks as directed by gameday administrator.

2.3.5 **Recognition of Heat Illness:**

- (a) Heat Exhaustion
 - (1) The clinical criteria for heat exhaustion generally include the following:
 - (i) Athlete has obvious difficulty continuing with exercise
 - (ii) Body temperature is usually 101 to 104°F (38.3 to 40.0°C) at the time of collapse or need to drop out of activity.

WBGT Index and Athletic Activity Chart

WBGT Index (F)	Athletic Activity Guidelines
Less than 80	Unlimited activity with primary cautions for new or unconditioned athletes or extreme exertion; schedule mandatory rest/water breaks (5 min water/rest break every 30 min)
80 - 84.9	Normal practice for athletes; closely monitor new or unconditioned athletes and all athletes during extreme exertion. Schedule mandatory rest /water breaks. (5 min water/rest break every 25 min)
85 - 87.9	New or unconditioned athletes should have reduced intensity practice and modifications in clothing. Well-conditioned athletes should have more frequent rest breaks and hydration as well as cautious monitoring for symptoms of heat illness. Schedule frequent mandatory rest/water breaks. (5 min water/rest break every 20 min) Have cold or ice immersion pool on site for practice.
88 - 89.9	All athletes must be under constant observation and supervision. Remove pads and equipment. Schedule frequent mandatory rest/water breaks. (5 min water/rest break every 15 min) Have cold or ice immersion pool on site for practice.
90 or above	Suspend all practices; Competition may continue with mandatory water breaks as designated by gameday administrator.

- (iii) No significant dysfunction of the central nervous system is present (e.g., seizure, altered consciousness, persistent delirium)
- (2) If any central nervous system dysfunction develops, such as mild confusion, it resolves quickly with rest and cooling.
- (3) Patients with heat exhaustion may also manifest:
 - (i) Tachycardia (very fast heart rate) and hypotension (low blood pressure)
 - (ii) Extreme weakness
 - (iii) Dehydration and electrolyte losses
 - (iv) Ataxia (loss of muscle control) and coordination problems, syncope (passing out), light-headedness
 - (v) Profuse sweating, pallor (paleness), “prickly heat” sensations
 - (vi) Headache
 - (vi) Abdominal cramps, nausea, vomiting, diarrhea
 - (vii) Persistent muscle cramps
- (b) Heat Stroke
 - (1) The two main criteria for diagnosing exertional heat stroke:
 - (i) Rectal temperature above 104°F (40°C), measured immediately following collapse during strenuous activity.
 - (ii) Central Nervous System dysfunction with possible symptoms and signs: disorientation, headache, irrational behavior, irritability, emotional instability, confusion, altered consciousness, coma, or seizure.
 - (2) Most patients are tachycardic and hypotensive.
 - (3) Patients with heat stroke may also exhibit:
 - (i) Hyperventilation
 - (ii) Dizziness
 - (iii) Nausea
 - (iv) Vomiting
 - (v) Diarrhea
 - (vi) Weakness
 - (vii) Profuse sweating
 - (viii) Dehydration
 - (ix) Dry mouth
 - (x) Thirst
 - (xi) Muscle cramps
 - (xii) Loss of muscle function
 - (xiii) Ataxia
 - (4) Absence of sweating with heat stroke is not typical and usually indicates additional medical issues.

2.3.6 Management of Heat Illness:

- (a) A primary goal of management of heat illness is to reduce core body temperature as quickly as possible. When exertional heat stroke is suspected, immediately initiate cooling, and then activate emergency medical system. Remember “Cool First, Transport Second”.
- (b) Remove all equipment and excess clothing
- (c) If appropriate medical staff is present, assess athlete’s rectal temperature
- (d) Immerse the athlete in a tub of cold water (the colder the better). Water temperature should be between 35 to 60°F (2 to 15°C); ice water is ideal but even tepid water is helpful. Maintain an appropriately cool water temperature. Stir the water vigorously during cooling.
- (e) Monitor vital signs (rectal temperature, heart rate, respiratory rate, blood pressure) and mental status continually. Maintain patient safety.
- (f) Cease cooling when rectal temperature reaches 101 to 102°F (38.3 to 38.9°C)
- (g) If an immersion pool is unavailable or in cases of heat exhaustion, use these cooling methods:
 - (1) Place icepacks at head, neck, axillae and groin.
 - (2) Bathe face and trunk with iced or tepid water.
 - (3) Fan athlete to help the cooling process.
 - (4) Move athlete to a shaded or air conditioned area if available near the practice site.

2.3.7 **Gfeller-Waller Concussion Awareness Act:** The Gfeller-Waller Concussion Awareness Act was drafted and implemented to protect the safety of student-athletes in North Carolina and was signed into law on July 16, 2011. There are three major areas of focus in the law and these include: concussion education, postconcussion protocol implementation, and venue specific emergency action plan development and implementation. Each school should maintain documentation that it is in compliance with the law. The following is a guide to steps that will help you, the school administrator, comply with the Gfeller-Waller Law.

NOTE: Please also see "Gfeller-Waller/NCHSAA Concussion Management Principles on page 122 for a listing of Health and Safety Personnel and Key Tenets of Concussion Management.

- (a) EDUCATE those involved with interscholastic athletic activities.
 - (1) Student-athletes will be provided with the STUDENT CONCUSSION INFORMATION FORM.
 - (2) Students shall read, initial, sign, and return the STUDENT-ATHLETE CONCUSSION STATEMENT form.
 - (3) Parents, coaches, school nurses, athletic directors, first responders, and volunteers will be provided with the ADULT CONCUSSION INFORMATION FORM.
 - (4) All above adults shall read, initial and return the COACH/SCHOOL NURSE/PARENT/VOLUNTEER CONCUSSION STATEMENT form. (It is at the discretion of each educational institution to identify who will distribute, collect, and maintain the above forms.)
- (b) PLAN for what will happen when an injury occurs:
 - (1) Concussion: If a student-athlete exhibits signs and symptoms consistent with a concussion (even if not formally diagnosed), the student-athlete is to be removed from play and is not allowed to return to play (game, practice, or conditioning) on that day.
 - (2) Student-athletes are encouraged to report their own symptoms, or to report if peers may have concussion symptoms. Coaches, parents, volunteers, first responders, school nurses, licensed athletic trainers (if available), are responsible for removing a student-athlete from play if they suspect a concussion.
 - (3) Following the injury, the student-athlete should be evaluated by a Licensed Health Care Provider. It is strongly recommended that each school seek qualified medical professionals in the surrounding community with training in concussion management to serve as resources in the area of concussion management. All NCHSAA member school student-athletes diagnosed with a concussion are strongly recommended to have a Physician’s signature (MD/DO licensed under Article 1 of Chapter 90 of the General Statutes and has training in concussion management) which allows the student-athlete to resume full participation in athletics.
 - (4) Before a student-athlete resumes full participation in athletics, he/she is REQUIRED have completed the NCHSAA Concussion Return to Play (RTP) Protocol. The student must have remained free of all clinical signs and symptom-free at rest and with both full cognitive and full exertional/physical stress through stage 5. In addition, the student-athlete must have a Return to Play Form signed by both a Licensed Health Care Provider and the parent/legal custodian.

NOTE: It is critical that the medical professional ultimately releasing a student-athlete to return to athletics after a concussion has appropriate training in concussion management. The NCHSAA, therefore, **HIGHLY RECOMMENDS** that in concussion cases, Licensed Athletic Trainers, Licensed Physician Assistants, Licensed Nurse Practitioners, and Licensed Neuropsychologists consult with their supervising physician before signing the **RETURN TO PLAY FORM** as per their respective state statutes.

- (c) Emergency Action Plan: Each school should have a venue specific Emergency Action Plan (EAP) that follows the specifications outlined in the EAP guidelines on the website.
 - (1) This plan should be:
 - (i) in writing
 - (ii) reviewed by an athletic trainer licensed in North Carolina
 - (iii) approved by the principal of the school
 - (iv) distributed to all appropriate personnel
 - (v) posted conspicuously at all venues, and
 - (vi) reviewed and rehearsed annually by all licensed athletic trainers, first responders, coaches, school nurses, athletic directors, and volunteers for interscholastic athletic activities.

NOTE: The NCHSAA website (Health and Safety Section) has additional information on concussion education, post-concussion protocol implementation, and venue specific emergency action plan development and implementation.

2.3.8 **CrashCourse Concussion Video Viewing Requirement:** All coaches, athletes, and parents are required to view the "CrashCourse" Concussion Video prior to participation in each season.

2.3.9 **Cardiac Safety Program:** All NCHSAA member schools must have a Cardiac Safety Program to include the following components:

- (a) An appropriate number of AED's on campus relative to athletic facilities
- (b) An AED maintenance program

2.3.10 **Guidelines on Handling Practices and Contests During Lightning or Thunder Disturbances:** These guidelines provide a default policy to those responsible for sharing duties for making decisions concerning the suspension and restarting of practices and contests based on the presence of lightning or thunder. The preferred sources from which to request such a policy for your facility would include the NCHSAA and the nearest office of the National Weather Service.

- (a) Assign staff to monitor local weather conditions before and during practices and contests.
- (b) Develop an evacuation plan, including identification of appropriate nearby safer areas and determine the amount of time needed to get everyone to a designated safer area:
 - (1) A designated safer place is a substantial building with plumbing and wiring where people live or work, such as a school, gymnasium or library. An alternate safer place from the threat of lightning is a fully enclosed (not convertible or soft top) metal car or school bus.
- (c) Develop criteria for suspension and resumption of play:
 - (1) When thunder is heard or lightning is seen*, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safer location immediately.
 - (2) 30-minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed* prior to resuming play.
 - (3) Any subsequent thunder or lightning* after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
 - (4) When lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices and, thus, hearing thunder or seeing lightning* should always take precedence over information from a mobile app or lightning detection device.

* - At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.

- (d) Review the lightning safety policy annually with all administrators, coaches, and game personnel and train all personnel.
- (e) Inform student-athletes and their parents of the lightning policy at the start of the season.

Note: For more detailed information, refer to the "Lightning Safety" section contained in the NFHS Sports Medicine Handbook.

2.3.11 **Tobacco Products, Alcoholic Beverages and Controlled Substances:** The North Carolina High School Athletic Association emphatically opposes the use of tobacco (including e-cigarettes/vapor cigarettes), alcohol and other drugs by student-athletes, coaches (including volunteer coaches) and officials.

- (a) Participants, coaches and other team representatives and officials, including chain crew, official scorers and timers, should not use any tobacco product, alcoholic beverage or controlled substance at a game site; violation of the policy will result in ejection from the contest.

- (b) Member schools are encouraged to make all school property, vehicles including charter buses used by participants, and particularly game sites, tobacco-free and alcohol-free zones. They are also encouraged to cooperate fully with police agencies in the enforcement of the criminal laws prohibiting the sale or use of tobacco products, alcoholic beverages, and controlled substances to minors.
- (c) In order to minimize health and safety risks to North Carolina's student-athletes, maintain ethical standards as well as reduce liability risks, school personnel and coaches should never knowingly supply, recommend or permit the use of any drug, medication or food supplement solely for performance enhancing purposes.

2.3.12 **Performance Enhancing Substances:** The Board supports and endorses the stance of the NFHS in terms of performance-enhancing substances: "In order to minimize health and safety risks to student-athletes, maintain ethical standards and reduce liability risks, school personnel and coaches should never supply, recommend or permit the use of any drug, medication or food supplement solely for performance-enhancing purposes."

2.3.13 **Infectious Disease Policy:** The North Carolina High School Athletic Association has adopted the National Federation Guidelines in an effort to minimize the possibility of transmission of any infectious disease during a high school athletic practice or contest. Each school is strongly encouraged to develop its own action plan for the prevention of the transmission of infectious diseases.

Communicable Disease and Skin Infection Procedures

While the risk for blood-borne infectious diseases, such as HIV/Hepatitis B, remains low in sports, proper precautions are needed to reduce the risk of spreading diseases. Along with these issues are skin infections that occur due to skin contact with competitors and equipment.

Universal Hygiene Protocol for All Sports

- Shower immediately after all competition and practice
- Wash all workout clothing after practice
- Wash personal gear, such as knee pads, periodically
- Don't share towels or personal hygiene products with others
- Refrain from (full body) cosmetic shaving

Infectious Skin Diseases

Means of reducing the potential exposure to these agents include:

- Notify guardian, athletic trainer and coach of any lesion before competition or practice. Athlete must have a health-care provider evaluate lesion before returning to competition.
- If an outbreak occurs on a team, especially in a contact sport, consider evaluating other team members or potential spread of the infectious agent.
- Follow NFHS or NCHSAA guidelines on "time until return to competition." Allowance of participation with a covered lesion can occur if approved by health-care provider and in accordance with NFHS or NCHSAA guidelines.

Blood-Borne Infectious Diseases

Means of reducing the potential exposure to these agents include;

- Bleeding must be stopped immediately and all wounds covered. All blood-soaked clothing must be removed before continuing competition or practice. Contaminated clothing must be cleaned before using again.
- Athletic trainers or caregivers need to wear gloves and take other precautions to prevent blood-splash from contaminating themselves or others.
- Immediately wash contaminated skin or mucous membranes with soap and water.
- Clean all contaminated surfaces and equipment with disinfectant before returning to competition. Be sure to use gloves with cleaning.
- Any blood exposure or bites to the skin that break the surface must be reported and evaluated by a medical provider immediately.

2.3.14 **Catastrophic Insurance (Mandatory):**

- (a) All schools are required to participate in the catastrophic insurance program.
- (b) The NCHSAA makes a payment on behalf of the schools, and the coverage is in effect beginning August 1 of each school year.
- (c) The master policy will be on file with the NCHSAA.
- (d) The coverage offered under this policy is not meant to replace the basic football or student accident and athletic coverage, but rather is intended to provide benefits for student participants as well as protect member schools against the cost arising out of very serious injuries.
- (e) Details to ensure coverage and additional materials describing the policy are sent to the membership at the beginning of each school year.

2.3.15 **Student Accident Insurance and Athletic Coverage (Voluntary):** The NCHSAA is committed to stimulating and sustaining support for a broadly-based program, with a primary objective to provide access to the best student accident and athletic coverage available. Booklets are mailed to each school annually and broker representatives are available to discuss the student accident and athletic programs. Please call the NCHSAA office for details about

the voluntary insurance options or review them online at nchsaa.org under Health & Safety > For schools.

- 2.3.16 **Hazing:** The NCHSAA encourages coaches and other school personnel to create and vigorously enforce rules against hazing and similar practices.
- (a) Hazing is defined as deliberately subjecting another student to physical injury as part of an initiation, or as a prerequisite for membership, into any organized school group, including any athletic team or other similar group; and is against State law. (G.S. 14-35).
 - (b) Regardless of a student's willingness to participate, hazing and other humiliating activities expected of a student to belong to a team or group have many negative consequences. It obstructs the development of good citizens, escalates the risks of participation, negates positive contributions, and destroys respect for self, others and a "wholesome athletic environment."
- 2.3.17 **Pre-game Emergency Action Plan Review:** The NCHSAA strongly recommends that gameday administrators, officials and other pertinent school personnel meet prior to any contest to review the Emergency Action Plan (EAP). The NCHSAA has provided a Pre-game EAP Review Card that is a template to assist administrators and officials in identifying key personnel and topics of coverage for Pre-game EAP Review Meetings.

2.4 **GAMEDAY ADMINISTRATOR RESPONSIBILITIES**

It is the expectation that poor sporting behavior is addressed immediately as it occurs.

2.5 **SPORTSMANSHIP**

THE QUALITY OF RESPONSIBLE BEHAVIOR CHARACTERIZED BY A SPIRIT OF GENEROSITY AND A GENUINE CONCERN FOR OPPONENTS, OFFICIALS AND TEAMMATES

Students and spectators should:

- realize you represent the school as does a member of a team; therefore, you have an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others
- recognize that good sportsmanship is more important than victory by approving and applauding good team play, individual skill and outstanding examples of sportsmanship and fair play exhibited by either team
- remember that the primary purpose of interscholastic athletics is to promote the physical, mental, moral, social and emotional well-being of the players through the medium of contest
- be modest in victory and gracious in defeat
- respect the judgment and integrity of game officials

Student-athletes are expected to sign the sportsmanship pledge, and coaches are expected to sign the code of conduct for coaches.

- 2.5.1 **Social Media Policy:** The NCHSAA recognizes, encourages and supports its student-athletes', coaches' and officials' rights to freedom of speech, expression and association, including the use of social media. Social media applies, without limitation, to any web-based and mobile technologies, in use now or developed in the future, that enables individuals or entities to disseminate or receive information, communicate, or otherwise interact. The Association believes that student-athletes, coaches, and officials are role models, and their use of social media should conform to standards consistent with sportsmanlike conduct. Please remember that everything you post is public information, and derogatory, defamatory and otherwise inappropriate social media commentary may result in the imposition of penalties.
- 2.5.2 **NCHSAA Sports Wagering Position Statement:** The NCHSAA opposes all forms of legal and illegal sports wagering which has the potential to undermine the integrity of sports contests and jeopardizes the welfare of student-athletes and education-based athletics.
- 2.5.3 **Conduct at Games:** The NCHSAA Board of Directors has the power to penalize the school and its officials, the coach, and the individual players in case sportsmanship is not observed. The penalty is to be decided according to the seriousness of the incidents involved.
 - (a) Police protection: A law enforcement officer in uniform shall be present at all high school varsity football and basketball games and is recommended for soccer, lacrosse and baseball games, with member schools using their own best judgment as to when and if police are needed in that sport.
 - (b) School management is required to provide escort for officials off the field when law enforcement is not there; and the NCHSAA has the authority to require schools to provide law enforcement officer in uniform at games where it deems necessary.
 - (c) Code of sportsmanship:
 - (1) It is recognized that public school interscholastic athletic events should be conducted in such manner that good sportsmanship prevails at all times.
 - (2) It is therefore necessary that superintendents, principals and coaches be individually and collectively responsible for taking every possible step to provide the physical arrangements necessary to conduct such events and to promote good sportsmanship at every athletic event.
 - (3) These steps should include the provision of such things as safe and adequate facilities for participants, spectators, and officials; the best possible officials for the events; and adequate control of spectators, players, and pre-game and post-game activities.
 - (4) Every effort should be made to promote a climate of wholesome competition.
 - (d) When a situation develops which indicates negligence on the part of school personnel to provide conditions which meet minimum standards for the conduct of an athletic event, or when there is evidence of poor sportsmanship, the superintendent and principal of each school involved shall be expected to investigate and take necessary corrective action.
 - (e) When the school or schools involved fail to take adequate action, the NCHSAA will investigate the situation and take the action it deems appropriate.

2.5.4 Guidelines for Student-Athletes: Education-based athletics is an extension of the classroom. It is difficult to learn the lessons expected through high school athletics in an environment that is lacking good behavior, sportsmanship, and respect for all. Participation in education-based athletics is a privilege and student-athletes should be aware that their behavior, both positive and/or negative, reflects not only on themselves but also on their school, their community, and their family. Therefore, the following are expectations coaches and administrators should ensure student-athletes abide by:

- (a) Players shall refrain from exhibiting surprise or irritation towards a call of an official. Verbal and/or physical responses are not acceptable behavior.
- (b) Players should not communicate with spectators within the contest venue, before, during or after the contest.
- (c) Unsportsmanlike gesturing or verbal comments should be properly penalized with the player being removed or ejected from the contest.
- (d) Substitutes on the bench should not be unsporting towards the players, opposing team, spectators, or game officials.

2.5.5 Guidelines for Cheerleaders: Cheerleaders play an important role in creating better relations between opposing supporters and make positive contributions to good spectator reaction at an athletic contest. Cheerleaders are to set the example for all spectators for how they should behave in support of their team. The following are expectations pertaining to cheerleaders at NCHSAA contests:

- (a) All cheers shall be positive, not antagonizing.
- (b) Cheerleaders should remain silent when the opponent's cheerleaders are performing and during free throws at basketball contests.
- (c) "Battling" between opposing cheerleading squads is never acceptable.

2.5.6 Sportsmanship/Ejection Policy: This policy applies to all persons involved in an athletic contest, including student-athletes, coaches, managers and game administrators. The NCHSAA may review video, when available, to invoke ejections or sanctions not reported by game officials. Video clips must be presented to the NCHSAA office for committee review within two (2) business days of the contest. The following examples include behavior or conduct which will result in an ejection from a contest:

- (a) Fighting, which includes, but is not limited to, combative acts such as:
 - (1) An altercation between 2 or more parties that includes swinging, hitting, punching and/or kicking;
 - (2) An attempt to strike an opponent with a fist, hands, arms, legs, feet, or equipment;
 - (3) An attempt to punch or kick an opponent, regardless of whether or not contact is made;
 - (4) An attempt to instigate a fight by committing an unsportsmanlike act toward an opponent that causes an opponent to retaliate; and
 - (5) Leaving the bench area and coming onto the playing area during a fight (whether or not they participate in the fight).
- (b) Leaving the bench area -- coming on to the playing area when there is not a fight
- (c) Flagrant contact, which includes, but is not limited to, combative acts such as:
 - (1) Maliciously running over the catcher/fielder without attempt to avoid contact
 - (2) Excessive contact out-of-bounds or away from playing action than is unwarranted and extreme in nature
 - (3) Tackling/taking down a player dangerously in a malicious manner
 - (4) Illegally hitting or cross-checking an opponent in an excessive manner with the stick in lacrosse
- (d) Biting observed or determined by an official

- (f) Profanity of any kind, inappropriate language, racial or ethnic slurs, sexist or homophobic language (Zero-Tolerance).

- (h) Disrespectfully addressing an official (physically contacting an official is subject to automatic expulsion and can result in ineligibility for remainder of career).
- (i) Use of tobacco products, alcoholic beverages, or other controlled substances.

2.5.7 Sportsmanship/Ejection Policy Penalties for an Ejection:

- (a) Ejections during scrimmages:
 - (1) Coach or player is suspended from the remainder of the scrimmage - this is inclusive of multiple scrimmage events on the same day (jamboree).
 - (2) Player must complete the NFHS "Sportsmanship" course before being eligible to compete in next scrimmage or contest.
 - (3) Coach must complete the NFHS "Teaching and Modeling Behavior" course for any player or coach ejection during the scrimmage.

- (e) Teams: Teams in the following situations will not be allowed to participate in the playoffs:
 - (1) A team whose players and coaches accumulate six or more individual ejections.
 - (2) A team whose players and coaches accumulate three or more individual ejections for fighting (note: if a situation occurs where three or more players on one team are ejected during one fighting incident, those three individual ejections will cause the team to lose its playoff privileges).
 - (3) If a team hits either threshold (total ejections or ejections for fighting) during the playoffs, it will be disqualified from further participation in the playoffs.
- (f) Penalties are cumulative from sport to sport and from sport season to sport season, but not academic year to academic year.
- (g) Ejections in the last game of the season carry over to the next sport in which the individual participates that year.
- (h) Ejected players may practice during their suspensions but may not play.

If no member of the school's coaching staff is present to assume the ejected coach's duties, the contest is terminated by a forfeit.
- (j) Athletes who are disqualified or ejected during a contest will remain in the team area for supervision (Reference 1.2.13.a.1).
- (k) Anytime a student or coach is ejected from a game or meet, he or she does not participate or coach the remainder of that day. The student or coach is also suspended from the next two scheduled, rescheduled or contracted dates at that level of competition (one in football) and all games or meets in the interim at other levels of competition.
- (l) The coach is not permitted to be at the game site during his or her suspension, but the student is allowed at the game site.
- (m) Any student-athlete or administrator who is ejected or disqualified from a contest is required to complete the NFHS Sportsmanship course before being eligible to return to competition. There is no fee for this program. Any coach who is ejected from a contest must take the NFHS "Teaching and Modeling Behavior" (\$20 fee) course before being eligible to return to competition.
- (n) If a team has players ejected due to fighting, the head coach must take the NFHS Learning Course "Teaching and Modeling Behavior" (\$20 fee). It must be completed before coaching in the next game (see Penalty Code 3.2.1.b for additional information on non-compliance with this regulation).
- (o) Clarification For Soccer Only:
 - (1) Coaches and athletic directors will be responsible for tracking yellow cards accumulated by their players.
 - (2) Five yellow cards accumulated by the same player will result in a suspension (miss next contest at that level and all contests in the interim)
 - (3) An additional five yellow cards accumulated by the same player (season total of 10) will result in an ejection. The player will be suspended from all sports for the remainder of that season on the 15th yellow card (or second ejection).
 - (4) A red card disqualification that is not an ejection is the equivalent of two yellow cards.
 - (5) Penalties are enforced at the conclusion of the game, and an ejection report must also be filed at the appropriate time for accumulation of yellow cards.
 - (6) Yellow cards are reset to zero once playoffs begin (all previous penalties must be served).
 - (7) With three yellow cards in playoffs, player is suspended for next game. A total of five yellow cards and any player is out for remainder of playoffs and may carry over to other sports.
- (p) For Wrestling, Track, Tennis, Golf, Cross Country and Swimming:

Additionally, the individual may not participate in the next scheduled two events or any other events, in any sport, at any level, in the interim.

2.5.8 **Guidelines for Coaches:** Coaches influence not only the conduct of players under their supervision, but also the behavior of many spectators. They also are a reflection on the school, community and administration. Therefore, the following are expectations for coaches during NCHSAA contests:

- (a) Coaches must be businesslike and professional at all times.

- (b) Coaches must ensure the post-game handshake is a positive end to any contest.
- (c) Coaches shall control all of their student-athletes - removing a player who is creating trouble - both verbally and/or physically.
- (d) Head coaches are ultimately responsible for all personnel in the bench area.
- (e) At no time is it acceptable for a player or substitute to leave the bench area. Coaches are responsible for enforcing this policy.

2.5.9 Code of Conduct for Coaches:

- The coach is required to review the NCHSAA power point presentation on eligibility rules prior to the season in which they coach.
- The coach has tremendous influence upon student-athletes and shall never place winning above the value of instilling the highest desirable ideals of character.
- The coach shall strive to set an example of the highest ethical and moral conduct with the student-athlete, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public.
- The coach shall discipline athletes who display unacceptable behavior.
- The coach shall know the game rules and be responsible for their interpretation to team members. Additionally, the coach shall not try to seek an advantage by circumvention of the spirit or letter of the rules.

- The coach shall meet and exchange greetings with the opposing coach before and after contests to set and maintain a positive tone for the event.
- The coach shall take an active role in the prevention of alcohol, tobacco and other drug abuse, while stressing the importance of a healthy lifestyle.

Inappropriate Behavior/Misconduct

- One of the goals of the NCHSAA is to provide a positive experience and safe environment for student-athletes. Therefore, adults, coaches, officials, staffs, and volunteers should maintain professionalism and avoid any appearance of impropriety in their relationships with students. Coaches, in particular, should recognize the influence, power, and position of trust they have with students and should use this only in a student-athlete's best interest.
- Any incident regarding misconduct should be reported promptly to the appropriate authorities. The NCHSAA encourages personnel to create and enforce guidelines against inappropriate behavior and misconduct. Please refer to local LEA policies for more specifics.

SECTION 3: STATE NCHSAA ADMINISTRATIVE RESPONSIBILITIES TO MEMBER SCHOOLS

3.1 STATE GAME AND SPORT ADMINISTRATION

3.1.1 **Executive Committee:** The Executive Committee shall be composed of the President, Vice-President, Commissioner, and four Board of Directors members (one from each of the four classes).

(a) Powers of the Executive Committee: The Executive Committee shall act for the Board of Directors on eligibility of players, the arranging of championship games, and other matters delegated to it by the Board of Directors, and the decisions of the Executive Committee shall be in full effect for the remainder of the school year in which they are made.

(1) The Executive Committee shall have the authority to rule on all situations which are not specifically covered in the regulations or are not deemed in the best interest of an individual school or the Association.

(2) The Executive Committee shall have the power to consider all complaints and protests arising in connection with contests and to make such disposal of each as the conditions may appear to warrant.

(3) The Executive Committee may not, however, entertain a complaint relating to an alleged error of judgment on the part of any official employed to officiate in any game.

(4) No conference shall administer disciplinary action in excess of that provided by the regulations of the NCHSAA. All disciplinary action by conferences shall be subject to review by the Board of Directors.

(5) Should the Commissioner become permanently disabled or die in office, the Executive Committee shall be empowered to conduct the affairs of the Association while naming a Search and Screening Committee to fill the vacancy.

3.1.2 **Conferences:** The Executive Committee shall have the authority to require a conference to accept a school into its membership where it is impractical for that school to belong to any other conference. (See Bylaws, Article VI, Classifications.)

(a) Conference changes will be considered during the winter meeting of the Board of Directors following the completion of the normal two-year football contract period.

(1) Non-conference football contracts shall not be made until the winter meeting of the Board of Directors the year contracts expire.

(2) When a conference change is desired or indicated, a school must submit a letter of intent to the Commissioner prior to that winter meeting of the Board of Directors. Copies of the letter must be sent to the president of the conference in which the school holds membership and to the president of the conference in which membership is desired.

(3) The requested change must receive the approval of the Board of Directors.

(4) A school requesting a change in conferences must meet the terms of any existing athletic contracts, unless the contract is terminated by mutual agreement.

(b) A conference must have at least five members fielding a team in a sport in order to be guaranteed a position in the playoffs for that sport.

(c) The Board of Directors is responsible for setting up the playoff program and for designating the number of participating teams from each conference.

(d) Conference Membership for New NCHSAA Member Schools: Before any member school applying for initial membership into the NCHSAA may be placed into an existing conference, it must satisfy both of the following criteria (1 and 2 below).

(1) The member school must field an established minimum number of sports each year as follows: Six per school: three boys and three girls - including at least two in the fall; at least two in the winter; and at least two in the spring, with at least one male and female sport for each season. Junior varsity sports will count towards these minimums if a member school is unable to field varsity teams. AND

(2) Unless otherwise accepted for membership by an existing conference, the member school must play as an independent member of the NCHSAA until placement by the NCHSAA into an existing conference at the earlier of

(i) the beginning of the first year in a normal four-year alignment cycle; or

(ii) the beginning of the third year in a normal four-year alignment cycle.

NOTE: Independent NCHSAA member schools are eligible for individual sports post-season only, based on the sport.

(3) Any member school currently belonging to an existing conference prior to the beginning of the 2013-14 academic year will be grandfathered under this policy and will not need to satisfy the above criteria in order to remain in its existing conference or be placed into a new conference during future alignment cycles.

- (4) The intent of this policy is to allow new member schools and existing conferences mutually to agree on membership at any time during the four-year normal alignment cycle. In order to minimize disruptions of existing conferences and their member schools during the normal two-year contract period, the Board will only place new member schools satisfying both of the above criteria into existing or new conferences every two years during each four-year alignment cycle.

3.1.3 **Athletic Passes:** Each member school will be issued four passes and each central office two, per NCHSAA Board policy. An additional pass is provided for the chairperson of the local Board of Education. These passes may be signed for and picked up at regional meetings.

The Board may also fine a school or a coach for unsportsmanlike behavior. The Board also may penalize a school for unsportsmanlike conduct on the part of its spectators. Some specific penalties will be found below; however, the Board may take any action it deems justified as it relates to the infraction involved. Fines may be reduced for self-reporting, on a case-by-case basis.

- (i) reprimanded,
 - (ii) placed on probation for a period not to exceed one year, with or without playoff privileges,

Furthermore, that school so affected will not be allowed to take part in the contests sponsored by the Association for a period of one year and shall be readmitted only by three-fourths vote at the annual meeting. The membership, in readmitting the school, shall require a payment of \$1000 for a Class 4A school, \$800 for a Class 3A school, \$600 for a Class 2A school and \$400 for a Class 1A school. All such payments belong to the NCHSAA.

If charges are not filed, the school is still responsible for handling the misconduct.
 - (iv) Spectators may not approach or contact game officials in any way to question the judgment or decision of an official.
 - (v) Schools are responsible and may be disciplined for the conduct of their spectators.
 - (vi) Any assault upon, or intimidation of, a game official by a spectator is per se unsportsmanlike conduct by the school and may be dealt with as such.

3.3.1 **Penalty Code:** The Board of Directors has the power to penalize the school, officials, the coach and the individual players if Association rules and regulations are not followed. The Board may also fine a school or a coach for violations and infractions. Fines may be reduced for self-reporting, on a case-by-case basis.

3.3.2 **Penalties and Fines:**

(a) Schools may be assessed a maximum of \$2500.00 in fines per incident for non-compliance with the rules and regulations contained in this Handbook. However, this amount does not include the return of gate receipts and playoff revenue attributable to forfeiture of contests. If a member-school or its personnel has been non-compliant at any time during the academic year, subsequent fines and penalties will not be reduced.

(1) Fine monies collected (from non-compliance with coaches' certification requirements) will be used to offset costs for coaches to take NFHS Learn courses.

3.3.3 Procedure:

- (a) Any high school which allows an ineligible student to participate by dressing for and/or participating in an athletic contest shall forfeit all contests in which the student dressed or participated.
 - (1) In addition, the student will be dropped from the team until his/her eligibility has been restored.
 - (2) The team may participate in playoffs if, despite the inclusion of the forfeited contests as a loss in its season record, it would otherwise qualify.
 - (3) The team shall not participate in playoffs if, after the brackets have been finalized, forfeited contests cause an adjustment in its record and/or seed.
- (b) If documented proof of a student's eligibility is found to have been falsified by the student and/or his or her parents or legal custodian, and this could not be determined by reasonable scrutiny of the school, then the student shall be dropped from the team for the remainder of the season but the team's record and playoff privileges will not be affected.
 - (1) Note: In cases of conflicting, blemished, altered or illegible records, the onus rests with school officials to determine the correct information. Documents which should be checked by school officials would include, but not be limited to, all permanent records on file in the school office such as cumulative records, transcripts, and teacher's grading records, but do not include report cards or other non-controlled records. If there are conflicts or discrepancies found, they must be examined and resolved by school officials. Negligence, or failure to make a good faith effort to determine the accuracy of a student's records on the part of school officials would require all contests in which the ineligible student participated to be forfeited.
 - (2) The student will be ineligible for 365 days from the date of notification to the NCHSAA. This would also include summer workouts or team camps in the summer.
- (c) A school which intentionally uses an ineligible player shall drop the player from the team, forfeit all games in which he/she participated, and will be ineligible for the playoffs in that sport.
 - (1) The school may also be debarred from taking part in the contests of the NCHSAA for one year.
 - (2) A team which participates in the playoffs while using an ineligible player must return its awards and the revenue from said playoff games to the NCHSAA. Its finish in the playoffs shall be vacated, even if the playoffs have concluded. A team which lost to the team with an ineligible player is not advanced in the tournament after the fact, inclusive of the State Championship contest.
- (d) The team shall not participate in playoffs if, after the brackets have been finalized the submission of an incorrect record causes an adjustment in its record and seed.
- (e) Once the seeding process is completed and the brackets have been finalized, if a team or individual is disqualified, no other team or individual will be substituted in or added to the playoff brackets, even if there is an incorrect or an adjusted record.
- (f) If a winning team is disqualified at the conclusion of the first round, the losing team will advance. Otherwise, if a disqualification occurs during the playoffs or after the playoffs have concluded, that place or position remains vacant.
- (g) A student found to be on a free list or loan list loses his/her remaining athletic eligibility and will forfeit his/her individual matches. If the school is unaware of the violation, there is no penalty on the school.

3.3.4 **Restitution Rule:** A member school shall be assessed the full cost including, but not limited to, court costs, counsel fees and actual expenses, of any litigation instituted by, or on behalf of, the school, its staff, coach(es),

team(s), or participant(s), that unsuccessfully challenges a rule, by-law or article of incorporation of the Association or any decision of the Commissioner or Board of Directors.

- (a) A member school shall likewise be assessed such costs resulting from any unsuccessful litigation brought against the Association when the school is made a necessary co-defendant or a third-party defendant in the litigation.
- (b) Any member school that does not make full payment of such costs within sixty days of the assessment shall be prohibited from playoff participation in all sports. The restriction shall continue until the full amount plus interest at the statutory rate is paid.

3.3.5 **Penalties that may be imposed by the State Department of Public Instruction:**

- (a) **Participation Ban** — Violations of the state regulations, negligence or poor sportsmanship may forfeit the right of the school to participate in interscholastic athletics for a given period of time to be determined by the State Superintendent of Public Instruction.
- (b) **Suspension of Accreditation** — If any school engages in athletic activities in violation of the rules and regulations and in such manner as to interfere with the required instructional services adopted by the State Board of Education for use in the public schools, the State Superintendent of Public Instruction shall notify such school to desist from further violation of these rules and regulations; and upon failure of such school to desist therefrom within such time as the State Superintendent may require, he may suspend the accreditation of said school until such time as the same may have been corrected.

3.3.6 **Statute of Limitations:** September 1 of the following year is the deadline for all incidents, violations, etc., to be reported to the NCHSAA.

3.5 SPECIAL PROGRAMS

3.5.1 **Cheerleading:** Cheerleading is an activity that comes under the jurisdiction of the North Carolina High School Athletic Association in two areas – eligibility and health and safety guidelines (including Return to Play form, etc.). Head Cheerleading coaches are required to attend the annual rules meeting.

- (a) All information pertaining to cheerleading should be found in this section of the Handbook and/or online.
- (b) All NCHSAA member schools that sponsor cheerleading are required to follow NFHS Spirit Rules.
- (c) NFHS Spirit rulebooks are sent to athletic directors.
- (d) The head cheerleading coach is required to maintain safety certification through the NFHS and USA Cheer's "Cheer and Dance Safety Certification" course once every four years. Fundamentals of Coaching is not required.
- (e) Cheerleaders, both junior varsity and varsity, must have their eligibility certified in the same manner as other interscholastic athletes.
- (f) The Head Coach must attend one of the NCHSAA clinics (See 2.1.7, See 3.3.2.f.9 for non-compliance penalties).
- (g) It is strongly recommended that, before a cheerleading squad uses NFHS spirit rules, that the coach or advisor for the cheerleaders consider their application with the training, experience and athletic ability of the students under supervision.
- (h) Please be aware that the local LEA may have more restrictive guidelines and regulations.
- (i) Students who want to participate in cheerleading are not subject to the Transfer Policy, however, all current eligibility requirements remain applicable. If a student desires to participate in another sport, NCHSAA Transfer Rules may apply.

**NCHSAA Cheerleading Invitational: Saturday, December 4, 2021
Raleigh Convention Center, Raleigh**

3.5.2 **Philosophy of Cheerleading:** Cheerleaders serve as a support group for the different interscholastic athletic teams within their schools.

- (a) Cheerleaders should always strive to improve student morale, boost team spirit, and help a school achieve the most worthwhile objectives in its interscholastic program.
- (b) Positive crowd and student body involvement, directed by the cheerleading squad in support of the school team, should be a major goal.

3.5.3 **Scholar-Athlete (Team):** Definition - A group of persons sanctioned by and participating in an NCHSAA sponsored athletic activity that is composed of at least five (5) or more individual student athletes. A team is composed of the student-athletes in grades 9, 10, 11, and 12 noted on the NCHSAA Master Eligibility List and certified for game/meet/match participation. The student-athletes must participate on the team at the high school Varsity level. The student-athlete must remain a member of the athletic team for the full/total designated sport season.

- (a) Any varsity team with an unweighted 3.100 or higher composite grade average for the designated semester would be eligible to receive a team academic award.
- (b) A team certificate will be awarded to each eligible school (for each of its eligible teams) and a team recognition certificate will be awarded to each member of an eligible team.
- (c) In each sport approved by the NCHSAA, a team plaque will be awarded to the team (from those applications that are turned into the NCHSAA) in the state which has the highest team grade point average for the designated semester.
- (d) Cheerleading, although not officially recognized as a "sport," is eligible for this program since eligibility must be certified and other requirements met. Cheerleaders will be part of the FALL semester and submitted for grades earned during that semester.
- (e) For each team (men's and women's are considered separate teams) nomination, a separate team application form must be filled out. If four different teams from a school are nominated, then four different forms must be filled out. (The team GPA must be listed on the application.)
- (f) All members of the team must be listed and their grade point average indicated, carried to three places, to be considered. Numerical grades (95.177, for example may not be used.)
- (g) Please note the deadline. Applications for team awards which come in after the deadline will not be considered.
- (h) Fall and winter sports awards will be based on grades earned for the first semester of the school year. Spring sports awards will be based on grades earned for the second semester of the school year. *Examples:* fall and winter include football, volleyball, and women's tennis, women's golf, cross country, men's soccer, basketball, indoor track, swimming, wrestling, and cheerleading. Spring includes baseball, softball, women's soccer, men's golf, men's and women's track, and men's tennis.

3.5.4 **Scholar-Athlete (Individual):** Definition - A student-athlete, participating as an individual representing their school.

- (a) Individuals who are members of athletic teams and who obtain a 3.500 or higher grade point average for the designated semester may receive an individual scholar athlete certificate regardless of the grade point average of his/her team. Managers and trainers are considered eligible for this Scholar-Athlete designation. Weighted grades may be used for calculating individual GPA only.
- (b) Awards will be based on grades earned for the designated semester using the same format as for team awards (fall and winter sports—first semester grades; spring sports—second semester grades).
- (c) Students may be eligible to receive an individual award for each sport in which they participate on a varsity level.

3.5.5 **Scholar-Athlete Team and Individual Grade Point Average:** The combined average of the grades based on the Four Point Scale (Do not use Weighted Values for Calculating Averages For Team GPA's; Weighted Scale Grades May Be Used For Individual Award Purposes)

GRADE POINT	VALUE
A	4
B	3
C	2
D	1

- (a) Compute or calculate the grade point average to three (3) decimal places (i.e. 3.326). Again, do not submit an average of more than 4.000 since that would reflect weighted courses on your team nominations.
- (b) Certification Dates – Nominations for fall and winter sports awards must be submitted by March 1. Nominations for spring awards must be submitted by July 15.

3.5.6 **Scholar-Athlete Procedures:**

- (a) Copies may be made, if necessary, to list additional athletes. This becomes your official list as a copy will not be mailed back with the certificates.
- (b) All GPA's should be listed to three decimal places (i.e. 3.678). Do not list a GPA higher than 4.000, since that would reflect weighted courses, on averages used to complete an overall team average; an average higher than 4.000 could be used in the individual.
- (c) This is a varsity award. Junior varsity athletes and teams are not eligible.
- (d) The principal should sign the form and then any coach who has a scholar-athlete included on the list should also check the form and sign it.
- (e) Please send ALL applications from one school under the same cover to facilitate awarding of certificates. Scholar-Athlete applications should be submitted by the official online form for consideration.

3.5.7 **Hall of Fame:** The North Carolina High School Athletic Association Hall of Fame is dedicated to preserving the colorful tradition of high school athletics in North Carolina. The Hall of Fame seeks to highlight the past in order to insure a promising future for the North Carolina High School Athletic Association. The recognition of past personalities and their significant contributions to our statewide organization will serve to provide models for future generations to emulate.

- (a) Candidates are judged on their long-term contributions to high school interscholastic athletics governed in the State of North Carolina by the North Carolina High School Athletic Association or the parent organizations, which gave rise to the North Carolina High School Athletic Association.
- (b) Hall of Fame nomination forms outlining the nomination procedure may be obtained from the NCHSAA office. Those selected to enter the Hall are honored at NCHSAA Day in the fall and are inducted at the spring Hall of Fame ceremonies.
- (c) Completed nomination forms must be in by February 1. The Selection Committee customarily meets in June each year.

All members of the NCHSAA Hall of Fame are listed by class on page 123.

(a) It certifies that all pre-season meetings have been conducted.

(b) It certifies that student-athletes and their parents have signed the sportsmanship pledge, and also certifies that their student-athletes are eligible in all respects.

(c) Dates for submission to NCHSAA are September 1 (fall), December 1 (winter), and March 15 (spring).

(d) In addition, each coach must certify signing the code of conduct for coaches, viewing the Eligibility Video, and that each school has an updated Emergency Action Plan.

(e) All coaches, athletes, and parents are required to view the "CrashCourse" Concussion Video prior to participation.

4.1.5 **Preseason Scrimmages:** All sports at the high school are permitted two preseason varsity scrimmages, with the exception of football, and this competition can be between two schools or with multiple schools.

(a) Cross country, golf, swimming and tennis. No officials are required.

(b) Football – Five (5) hours of preseason scrimmage time is allowed. Live kicking situations are allowable only when officials are present. These scrimmages cannot occur until at least 8 separate days of practice have been completed (reference 4.5.3.b.5). NCHSAA-registered officials must be used for at least two hours of the allotted total of five and is recommended for use for all five hours. Scrimmages may be conducted between two (2) or multiple schools.

(i) Student athletes must be given a minimum of 48 hours between scrimmages and 72 hours are recommended.

(f) For the sports of football, volleyball, soccer, basketball, wrestling, lacrosse, baseball and softball, officials must be used in at least one of the school's scrimmages so that there will be common exposure to rules situations.

(g) Officials are to be assigned to work a maximum of two hours per scrimmage.

(h) Admission may be charged.

(i) Only eligible athletes may participate

(j) Non-school participants may assist the coaching staff in an instructional or demonstrational manner. But any scrimmage-type competition or activity between non-school participants and high school team members is regarded as a game, which is then subject to games-per-week, season limitations, and use of NCHSAA-registered officials.

(k) Any kind of practice game or scrimmage with outside competition during the regular season must be counted as a regular contest and must not exceed daily, weekly or seasonal limits.

(l) Schools that have individuals qualifying to the regional and/or state individual playoffs, after the regular season is over for the team (for the sport of wrestling, once individual regional seeding is completed) may work out or scrimmage one-on-one against students from another school where competition is not available at their own school. The number is limited to one partner for each qualifier advancing, whether from their own school or another school.

4.1.6 **Payment of Officials:** Officials are to be paid based on local fiscal policy as soon as possible. Officials are not required for the sports of cross country, golf, tennis, and track and field. For more information, reference 3.4.2.a.1.

- 4.1.7 **Eligibility Sheets:** Eligibility sheets should be kept on file at the local school; must be made available to the NCHSAA upon request and are required to be shared among conference members.
- 4.1.8 **Ejection/Disqualification Reports:** Officials must electronically file the required ejection/disqualification reports to the NCHSAA within 24 hours of the contest's completion. The NCHSAA will electronically send copies of the ejection/disqualification report to the principal, athletic director and regional supervisor. Athletic directors are required to submit a confirmation email upon receipt of the ejection/disqualification report. The confirmation must be submitted within 24 hours of receiving the ejection/disqualification report and is subject to a \$100 fine. If the wrong player is identified, a correction can be made through the regional supervisors and the NCHSAA. For more on the Sportsmanship/Ejection Policy and Penalties, reference 2.5.6 and 2.5.7.
- (a) For soccer, go to Yellow Card Tracking and Ejections in the Soccer section 4.8.1.j.
- (b) For wrestling, in addition to the above, during a two day tournament, if a wrestler is ejected on Friday, this wrestler must miss Saturday of that tournament AND the next contest. If a wrestler is ejected on Saturday, this wrestler must miss the next TWO CONTESTS.
- 4.1.9 **Team Championships:** In sports where applicable, a team must have multiple entries in the event to achieve a team championship.
- (a) An individual may not earn a team title.
- (b) For reclassification purposes, a school must have a bona fide team to be counted toward the total of schools fielding teams in a classification.
- (c) A "team" is defined as "two or more students practicing and competing in a regularly scheduled school season.
- 4.1.10 **Interstate Competition:** (see Sanctioning Chart Page 116)
- (a) **One-On-One Out of State Opponents:** All contests between two (2) teams during the sports season, whether home or away including scrimmage and regular season involving a non-North Carolina school (not applying to foreign country teams), are approved, provided there is no loss of school time (unless the LEA approves such a contest). No sanction required.
- (b) **Interstate Competition Requiring National Federation Sanction:** Interstate competition that meets at least one of the following requirements:
- (1) Any interstate (including bordering states) or international event involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the school community (e.g., a college/university, a theme park, an athletic shoe/apparel company, etc.).
- (2) Event that involves non-bordering state(s) if more than five (5) states are involved.
- (3) Event that involves non-bordering state(s) if more than eight (8) schools are involved.
- (4) Any event involving two (2) or more schools that involves a team from a foreign country. The host school should complete the NFHS Sanction Application. Those would include any event(s) that involves international traveling teams that play multiple games in multiple states. (The exception to this rule are Canada and Mexico, which are considered "bordering states").
- (5) For online registration, go to www.NFHS.org and click on Sanctioning.
- (c) **Border/Interstate Competition Requiring State Sanction Only:** Interstate competition when an event does not meet any of the National Federation Sanctioning requirements but involves at least one of the following:
- (1) Event only involves state(s) that border North Carolina (Georgia, South Carolina, Tennessee and Virginia)
- (2) Five (5) or fewer states participating when there is a non-bordering state involved.
- (3) Eight (8) or fewer schools participating when there is a non-bordering state involved.
- (4) See Border/Interstate Sanctioning Form on the NCHSAA website. State for the above competitions must be made through the NCHSAA office a minimum of 30 days in advance of the proposed contest.
- 4.1.11 **Games with Non-Conference Opponents:** No game which has been scheduled with a non-conference opponent shall be allowed to interfere with the breaking of a tie between, or among, conference teams or with a conference tournament or playoff game.
- (a) If such non-conference game shall conflict with the game, or games, necessary to break a conference deadlock, the school concerned shall at once:
- (1) Cancel its nonconference game;
- (2) Submit to the drawing, notwithstanding its non-conference scheduled game; or
- (3) Accept the ruling of the Executive Committee that its former percentage has been canceled.
- 4.1.12 **Tiebreaking Procedure:** All parts of this procedure are mandatory. The steps should be followed in the order as they appear in the procedure.
- (a) **Determining Conference Standings:** These rules apply for determining the final regular season standings in any sport in which a conference awards its conference championship on the basis of regular season competition.
- (1) The conference standings shall be determined on the basis of the percentage of conference

games won by each team at the end of the regular season, based on conference regulations and subject to the tiebreaking procedure which follows. The team finishing in first place shall be recognized as the conference champion; if a tie exists for first place, then conference co-champions, tri-champions, etc., shall be declared.

- (2) If two or more teams have equal conference percentages at the end of the season, the team that has the edge in head-to-head competition will get the higher place in the standings. All conference games played against each other would count in the head-to-head competition. The intent is to break the tie by using the tied teams.

Ex. 1: If there is a four-way tie for first and Team A and Team B are 2-1 while Team C and Team D are 1-2, in games among the four of them, A and B would be tied for first by virtue of their 2-1, with C and D tied for third. Then look at head-to-head between the two (A and B) to break that tie, and then between the other two (C and D) to break that remaining tie.

Ex. 2: Teams A, B and C are tied for fourth in the conference standings with identical records. In games among the three, A was 3-1, B was 2-2 and C was 1-3. The tie is broken; A is fourth, B is fifth and C sixth.

- (3) Any time throughout the whole procedure that a multiple tie is reduced to two teams, no matter what criteria is being used, use head-to-head conference competition between those remaining if possible.

- (b) **Determining Conference Tournament Seeding:** The following rules are used to seed conference tournaments on the basis of regular season standings. Use this section only to seed for conference tournaments and only after 4.1.12 (a) is completed; if no conference tournament, proceed to 4.1.12.c.

- (1) Seed the tournament on the basis of final regular season standings; see 4.1.12.a.

- (2) If two or more teams are tied, and the teams played any non-conference games against each other, the team with the better record in all head-to-head games get the higher conference seed. (If there is a multiple tie of three or more teams, one team must have beaten all the other teams for these non-conference games to be used). Note that use of these non-conference or tournament meetings prior to the conference tournament is ONLY for seeding in the conference tournament (exception see 4.1.12.c.5).

Ex: Team A and B split in regular season, but played one another in a non-conference game and A won. A would get the higher seed in the conference tournament. Say A and B were tied for fourth in an eight-team league and this occurred; A would get the higher seed in the tournament. However, the meeting in the conference tournament between A and B would be the tiebreaker between the two for determining NCHSAA playoff representatives (see 4.1.12.c.2).

- (3) If there is still a tie for a tournament seed, it will be resolved by comparing how the tied teams fared against the rest of the conference until the tie is broken.

Ex 1: A and B finished with equal conference records and split during the regular season, thereby tying for third place in the standings. They did not play each other in a non-conference game. Go to the number one position in the conference and compare how A and B did against that team. Say the tie cannot be resolved there (both teams split with the number-one team), so go to the number two team. Team A lost twice to the number two but B split with the number-two team. Therefore B would be seeded third and A fourth (even though they finished tied for third in the final standings).

Ex 2: There is a four-way tie for first among A, B, C and D. Team A and B are each 2-1 while C and D are each 1-2 in games among the four. A and B are tied for the first seed, while C and D are tied for third seed. Now look at head to head competition between A and B to break that tie, and head to head between C and D to break the other remaining tie.

- (4) If the tie still exists, a draw will be held by the tied teams for the seeds available. All tied teams for a position will draw with the numbers of the spots for which they are tied in a hat.

Ex: A and B are tied for third and the tie is not resolved after going through the procedure in 4.1.12.b.3 above. The numbers three and four are put in a hat, and the schools will draw and assume the seed of the number drawn. The drawing will be done in alphabetical order as the schools are listed in the NCHSAA Directory.

- (c) **Determining NCHSAA Playoff Representatives:** The following rules are used to determine which teams earn available berths into the NCHSAA playoffs, awarded on the basis of regular season standings. These are used AFTER completion of the conference tournament, or BEFORE NCHSAA PLAYOFFS if there is no tournament.

- (1) Award berths based on final regular season standings (see 4.1.12.a). Note that if a tie is bro-

ken using head to head competition, the tie is broken from that point on and there is no need to use other criteria.

- (2) If two are tied in the final standings after being eliminated from the conference tournament (or before NCHSAA Playoffs if there is no tournament), a special playoff game will be played unless the tied teams mutually agree to break the tie by other means. The playoff game may not violate the weekly limitations, and it could be preliminary game to the state playoffs or a game in the conference tournament. No playoff game shall be played prior to a conference tournament. A meeting between the tied teams which occurs in any round in the conference tournament would count as the playoff game.
- (3) If both teams are eliminated from the conference tournament but can still play the playoff game and not violate the weekly limitations, it shall be played. **Exception:** If a team advances to the conference tournament finals, even if a playoff game would not violate the weekly limitations, the game will not be played, and the team that advances to the finals gets the higher seed.
- (4) If three or more teams are tied, the team which advanced the furthest in the conference tournament will get the higher berth in the playoffs.
 - (i) Split Conference Application Only: If two or more teams are still tied, and the teams represent different classifications, berths will be awarded by separating teams into their respective classifications. Then head-to-head competition among the teams in the respective classifications must be considered if necessary.
- (5) If the tie is not broken after (4), all previous head-to-head competition is used to break the tie (cannot be used with multiple ties).
- (6) If there is still a tie, it will be resolved by comparing how the tied team fared against the rest of the conference, starting with the number one team and moving down, if necessary, throughout the conference until the tie is broken.

Ex: A and B finished with equal conference records and split during the regular season, thereby tying for third place in the standings. A playoff game could not be played and they did not play each other in a non-conference game. Go to the number one position in the conference and compare how A and B did against that team in conference games. Say the tie cannot be resolved there (both teams split with the number-one team), so go to the number two team. Team A lost twice to the number two but B split with the number-two team. Therefore, B would be seeded third and A fourth (even though they finished tied for third in the final standings).
- (7) If the tie is still not broken after step 6, it will be broken using the NCHSAA RPI Rating.
- (8) If the tie still exists, a draw will be held by the tied teams for the seeds available. All tied teams for a position will draw with the numbers of the spots for which they are tied in a hat.

Ex: A and B are tied for third and the tie is not resolved after going through the procedure through 4.1.12.b.3 above. The numbers three and four are put in a hat, and the schools will draw and assume the seed of the number drawn. The drawing will be done in alphabetical order as the schools are listed in the NCHSAA Directory.

4.1.13 **Playoff Declaration:** A school has the option to “opt out” of the playoffs, provided it fills out the Playoff Declaration Form on the website, and submits it and it is in the NCHSAA offices prior to the reporting deadline for that specific sport. Proper submission means the school will not be considered for either an automatic berth or a wild card position. If the form is not submitted, then the school will be considered and may qualify for a playoff berth.

(a) The above does not apply to the sports of cross country, golf, swimming, and track and field.

4.1.14 **Reporting Playoff Qualifiers:** Schools must submit their completed and accurate schedule and results into MaxPreps to be considered for playoff qualification for the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball, Dual Team Tennis, Volleyball. Conference administrators must use this information to submit the final order of finish to the NCHSAA.

(a) For reporting potential qualifiers to state playoffs, conference administrators are required to submit the appropriate information online immediately upon conclusion of the regular season.

(b) Failure to comply with the reporting procedure will result in a \$400 fine to the school or conference in question.

(c) All sports, with the exception of dual team wrestling, will use seeded brackets (see also, Seeding 4.1.19)

(d) Upon conclusion of the conference tournament, the conference administrator will immediately submit the final conference standings of all teams. The records that are listed on the brackets when playoff qualifiers are posted by the NCHSAA will represent the overall record of each team.

NOTE: If a team qualifies for a playoff berth but is ineligible for further competition due to violation of the ejection policy, its position is vacated.

(e) Check the NCHSAA website for additional information.

4.1.15 **Submission of Incorrect Record:** Once the seeding process is completed and the brackets have been finalized, if a team has submitted an incorrect record, and the seed is affected, that team will be removed from the bracket and no other team will be substituted in or added to the playoffs. **Note:** Incorrect records can be changed during the NCHSAA designated "window of opportunity." Reference 3.3.3 (d)(e) & (f).

4.1.16 **Playoff Ranking Formula:** A Ratings Percentage Index (RPI) formula will be used for qualification and seeding determinations in all team bracketed playoffs with the exception of dual team wrestling.

(a) $RPI = (0.3 \times WP) + (0.4 \times OWP) + (0.3 \times OOWP)$

(1) **Winning Percentage (WP):** Divide the number of wins in qualifying games by the number of total qualifying games played. A tie equals half of a win. If a win in an individual contests gives that contest a winning percentage of 1.00, a tie would give that individual contest a winning percentage of .500 for both teams.

(2) **Opponents' Winning Percentage (OWP):** Average the winning percentages of a team's qualifying opponents. All games involving the team whose RPI is being calculated are ignored in this process.

NOTE: This is not calculated via the combined record of the opponents, but rather by averaging each winning percentage of the qualifying opponents.

(3) **Opponents' Opponents' Winning Percentage (OOWP):** The same process as described in 4.1.17 (a) (2) is used to calculate this percentage for the opponents of a team's opponents.

NOTE: There is an exception for out-of-state teams and non-NCHSAA members in North Carolina addressed in 4.1.16 (b).

(b) **Out-of-State & In-State Non-NCHSAA Member Opponents:** Out-of-State opponents from states that border North Carolina will be counted the same as in-state opponents provided they have a verified MaxPreps account and schedule.

NOTE: It is the responsibility of the NCHSAA member school to ensure that the data from their out-of-state opponent or non-NCHSAA member opponent is correctly listed on MaxPreps.

(1) Any out-of-state opponent from a state that does not directly border North Carolina will be calculated in the following manner:

(i) Opponent's direct winning percentage (i.e., .750) will count toward the formula, but each of their opponents will have a .500 winning percentage assigned.

(ii) The .500 figure was selected because it is the average value of opponents' opponents' winning percentages across all sports in data gathered from the states using RPI, such as Colorado, Utah and Washington.

4.1.17 **Bracket Sizes:**

(a) Baseball, Basketball, Football, Soccer, Softball, & Volleyball

(1) 64-team brackets

(b) Lacrosse

(1) 40-team brackets

(c) Tennis, Wrestling

(1) 32-team brackets

4.1.18 **Playoff Berths/Qualification:**

(a) Each conference will be allotted automatic playoff berths based on the number of schools fielding a team in a particular sport in a given classification.

(1) 1-5 teams = 1 Berth (Conference Champion)

(2) 6+ teams = 2 Berths (Conference Champion and Second Place or Conference Tournament Champion)

(b) The highest finishing team from a given classification in a split conference will automatically qualify, regardless of overall conference finish, provided there are at least two schools from each classification in that split conference.

(c) Any remaining, non-automatic qualifying teams in each region (East/West) will fill the remaining berths based solely upon their RPI rating.

4.1.19 **Seeding:**

(a) The pre-determined East and West Regions will be seeded independently of one another.

(b) The teams in each region will be seeded as follows:

(1) Seed all 1st place automatic berths by RPI rating (or other NCHSAA selected ranking system).
NOTE: The highest finishing team in its half of a split conference must finish in 1st, 2nd, or 3rd place overall and/or have an overall winning percentage of .500 or higher in order to be seeded as a #1. Otherwise, the team will be seeded with all other at-large teams.

(2) Seed all 2nd place automatic berths or conference tournament champions and at-large berths by RPI rating (or other NCHSAA selected ranking system).

(c) Once seeding is complete:

- (1) Existing byes will be awarded to the highest seeds possible.
- (2) The higher seed is the home team unless otherwise determined by the NCHSAA.

4.1.20 Reporting Playoff Advancement:

- (a) After schools have qualified for the playoffs, it is their responsibility to report advancement by the appropriate method and deadline as designated by the NCHSAA.
- (b) Failure to report a playoff advancement will result in a \$400 fine to the school. Teams must report advancement no later than 6 a.m. the day following each win.
- (c) Postponements should also be reported.

4.1.21 Unpaid Fines: Schools that have unpaid fines to the NCHSAA are not eligible to compete in the playoffs for that sport (i.e. baseball fine would be specific to baseball playoffs) unless the fine is paid two (2) days prior to the reporting date for that sport. Any fine not paid at the end of the fiscal year (June 30) will carry over to the following school year making all teams at said school ineligible for the playoffs until the fine is paid in full.

4.1.22 Health and Safety Guidelines: Follow all applicable Health and Safety Guidelines (2.3), which includes:

- (a) Heat Illness Prevention and Management (2.3.2)
- (b) Heat Acclimatization (2.3.3)
- (c) Prevention of Heat Illness (2.3.4)

- (l) Catastrophic Insurance (2.3.14)
- (m) Student Accident Insurance and Athletic Coverage (2.3.15)
- (n) Hazing (2.3.16)

4.1.23 Body Paint: No face/body paint is allowed during regular season or playoffs.

4.1.24 Noisemakers: Any noise-making objects are prohibited at indoor contests (cheerleaders may use non-electronic hand megaphones).

4.1.25 Filming, Videotaping or Video Streaming: Filming, videotaping or video streaming of a contest or scrimmage by nonparticipating schools, in any sport, is considered unsportsmanlike conduct, subject to a \$400 fine, unless agreed upon by competing teams.

- (a) Filming, videotaping or video streaming for baseball and softball may not be done beyond either first base or third base.

4.1.26 Clinic Dates: For 2021-2022 NCHSAA Rules Clinic information, see NCHSAA website.

- (c) Preseason Scrimmages: Reference 4.1.5
- (d) Date of First Contest: Week of August 20.
- (e) Health and Safety Guidelines: Reference General Requirements for Interscholastic Athletic Activities for a listing of Guidelines (4.1.22) and Health and Safety Guidelines (2.3) for all the information.
- (f) Number or Regular Season Contests: No more than one may be scheduled per week. Total, 10 games. An individual is limited to only one game per day, per week (exception: “eight-quarter” rule).
- (g) Schedules: Schools are required to submit varsity and junior varsity schedules to their appropriate regional supervisor by May 15.
- (h) Suspended Game Rule: The NCHSAA plays by the suspended game rule (see 2.2.7 (c) (1)).
- (i) Mercy Rule: Once the score reaches a 42 point differential, or more, at halftime or any point thereafter, the game will resort to a running clock or will be terminated by mutual agreement.
- (j) Junior Varsity Tiebreaker: Junior varsity football teams may break ties in games if both coaches mutually agree prior to the game.
- (k) Filming, Videotaping or Video Streaming: Reference 4.1.25.
- (l) Required Equipment: Schools must provide yardage clip for down and distance chains. Balls must have the authenticating NFHS ball mark. NOTE: NCHSAA approved balls are required for all playoff events beginning with the 2020-2021 athletic season. The NCHSAA strongly recommends their adoption for regular season play.
- (m) Uniformed Police Officer: Reference 2.5.3 (a).
- (n) Restraining Barriers: At all varsity football games there shall be restraining barriers on both sides of the field.
- (1) These barriers shall run the entire length of the field and shall be at least five yards (preferably more) from the sidelines.
 - (2) The restraining barrier may be a fence, cable or strong rope.
 - (3) No one is permitted within these barriers except coaches, players and persons officially connected with a team.
 - (4) It is highly recommended that all schools completely surround their football field with a substantial four-foot restraining fence, constructed a minimum of five yards from any sidelines or end line.
- (o) Eight Quarter Participation: In emergency or “lack of depth” situations, freshman and/or sophomore (9th and 10th graders only in 3A & 4A; 1A & 2A schools may use 9th, 10th or 11th graders) junior varsity football players will be allowed a maximum of 8 quarters per season of “on the field” play as a varsity football player. Note: Anytime a player participates in 8 quarters of Varsity competition, that player is no longer eligible to be an 8-quarter player. If the 8 quarter limit is reached during a contest, that player is immediately ineligible for further participation in that contest.
- (1) This is an allowable exemption from the rule counting dressing for a game as participation in a varsity contest and will enable a junior varsity player (9th/10th graders only) to be available for emergency or lack of depth participation in the varsity contest.
 - (2) The intent of the rule is to give coaches some alternatives for junior varsity players (9th/10th graders only) to continue to gain value game experience at the junior varsity level and still be available as a backup player in the varsity game. The following conditions must be met:
 - (i) A maximum of ten (10) players may be 8-quartered during the regular season
 - (ii) Such players must be pre-determined prior to dressing for participation — completion of the 8 Quarter Pre-Approval Form containing signatures of a licensed athletic trainer or medical doctor, principal, athletic director, and parent/legal custodian. (If a designated player or players participated in the junior varsity contest, medical information shall include evidence that player(s) is adequately hydrated and void of injury that would render player(s) unfit to play.) The form must be filed at the school and with the conference president on the day of the scheduled game.
 - (iii) Following the game, a status report on the designated players must be completed

which shall include the names of all freshman and sophomore junior varsity football player(s) designated and dressed as emergency players and report the number of quarter(s) in which each athlete actually played. Any portion of a quarter equals a quarter played. If a player dresses out but does not play, record as "0" quarters played. Form must be signed by coach, athletic director and principal and submitted on line to the NCHSAA by the first school day after the varsity contest.

- (iv) Anytime a JV player (9th/10th graders only) must be used as a starter on the varsity team, that player is not eligible to be used as an eight-quarter player in the following week.
- (v) \$500 fine for failure to submit follow-up form to NCHSAA.
- (vi) If your school's JV Football game is:
 - (1) Cancelled - you may not use the 8-quarter rule for Friday's varsity football game. If a JV player (9th and 10th graders only) participates in the varsity game, it will count towards the maximum allowed 11 games per for an individual; therefore no 8-quarter paperwork would need to be filed.
 - (2) Postponed - you may use the 8-quarter rule for the Friday varsity football game. Submit 8-quarter paperwork as usual.
- (vii) No player may dress to participate in more than two football contests in a calendar week (Monday - Saturday)
- (3) Upon submission of sufficient documentation, teams may regain an Eight-Quarter position due to season-ending injury, catastrophic event, or transfer. Requires NCHSAA approval.

4.13 VOLLEYBALL

4.13.1 General:

- (a) Information on Mailings, Classifications, Payment of Officials, Eligibility Sheets, Ejections, Playoff Declaration, Unpaid Fines, NCHSAA Clinic Dates, Body Paint and Noisemakers are found under General Requirements for Interscholastic Activities (4.1).
- (b) Date of First Practice: August 2.
- (c) Preseason Scrimmages: Reference 4.1.5
- (d) Date of First Match: August 16.
- (e) Health and Safety Guidelines: Reference General Requirements for Interscholastic Athletic Activities for a listing of Guidelines (4.1.22) and Health and Safety Guidelines (2.3) for all the information.
- (f) Number of Regular Season Contests: Total 22 matches - No more than 4 matches per week, on 4 separate days, if the fourth is on a non-school day; may play 4 in 3 or fewer days. Volleyball is limited to 4 matches a day. Teams are limited to a maximum of two (2) tournaments per year. Each tournament will count as one (1) contest on the schedule and is subject to the weekly limit allowance (see below). Teams cannot exceed three (3) "best of five" matches in a tournament and each "best of five" match will count towards the seeding record/RPI.

NOTE: At no time can a team participate in more than 24 total "best of five" matches.

- (1) In regular season play, only matches decided by the best three out of five sets will count toward record.
- (2) Rally scoring will be used in all volleyball dual matches, regular season and playoffs (NFHS rules). The rally scoring format is 25-point sets (no cap) and 15-point deciding (no cap). This format also includes the let serve.
- (3) It is permissible for an athlete to participate in a junior varsity and a varsity match in the same day; however, those players are still subject to the weekly and seasonal limitations.
- (4) The following indicates the weekly limit allowance for tournament play during the regular season:
 - (i) 0 – 2 Regular three (3) out of five (5) Matches: One (1) Tournament allowed that week.
 - (ii) 3 – 4 Regular three (3) out of five (5) Matches: No Tournaments allowed that week

Ex. 1: Monday - One (1) regular season best-of-five match
Wednesday - One (1) regular season best-of-five match
Saturday - Multi-team tournament with pool play and a best-of-three format = One (1) match
Total: Three (3) matches for the week and toward the season limit

Ex 2: If Team A plays in a tri-match during a week, versus Team B and C, with a best three out of five format, each contest counts as one (1) match towards your allowed limitations (i.e. Team A vs. Team B = One (1) match; Team A vs. Team C = One (1) match; therefore, a total of two (2) matches on your schedule).
- (6) Junior varsity matches will be two out of three sets, rally scoring (25-point games with no cap for all sets). A conference can choose to cap the third game of a JV Volleyball match at 15 points.
- (7) Junior varsity conference tournament games must count toward the 22-game limit.

- (b) Reporting Playoff Qualifiers: For reporting potential qualifiers to state playoffs, conference presidents are required to submit the appropriate information on the NCHSAA website immediately upon conclusion of the regular season.
 - (1) The information includes overall won-loss record (only 3 out of 5 matches count) and winning percentage for all conference schools. This must be submitted prior to the appropriate deadlines. The overall winning percentage and finish in conference standings will be considered when determining which schools qualify for wild-card berths in playoffs.
 - (2) Upon conclusion of the conference tournament, the conference president will immediately

submit the adjusted overall records of all teams. These are the records that will be listed on the brackets themselves when playoff qualifiers are posted.

- (3) Failure to comply with the initial reporting procedure will result in a \$400 fine to the conference.
- (c) Qualifiers: See 4.1.18 (Playoff Berths/Qualification).

 - (1) All mats must be disinfected with a 10 percent bleach solution or isopropyl alcohol solution prior to the first match and each time blood gets on the mat.

- (2) A bucket or squeeze bottle with a 10 percent bleach or isopropyl alcohol solution and rubber gloves should be placed at each mat for cleaning purposes. This same solution should be used to wipe any blood off an opponent's skin.
- (3) It is important that any time there is blood present, even on uniforms, that it is treated with care regarding its ability to transmit infectious diseases.
- (4) If the bleeding problem is severe enough, the competitor should not be permitted to continue, not only from the standpoint of possible disease transmission but also for the health and safety of the injured athlete.
- (5) During the match each coach will be responsible for cleaning his own wrestler, and the home team is responsible for cleaning the mat. (Refer to NFHS Rule Book).
- (6) A form related to communicable skin disease is also available on the NCHSAA website.
- (o) Filming, Videotaping or Video Streaming: Reference 4.1.25.

4.14.2 **Establishing Mandatory Certified Minimum Weight:**

- (a) Part I – Register with the NWCA/TrackWrestling
 - (1) Schools are required to register with the NWCA/TrackWrestling by October 1, 2021; the cost is \$30.00 per year. Registration information can be found on the NCHSAA webpage under the wrestling section.
 - (2) All schools are required to enter hydration test results, skinfold measurements, official weigh-ins, season schedule, and match results into this system.
 - (i) Failure to do any of the listed may result in a penalty.
 - (3) Weigh-ins and match results must be entered within 24 hours.
- (b) Part II – Hydration Testing
 - (1) Hydration testing may begin no earlier than October 18.
 - (2) Practice cannot be held until the wrestlers attending that practice have passed a hydration test and had their certified minimum weights established.

Example: If a school is not able to conduct testing until November 2, that school could not hold “mat” practice until that process has been completed.
 - (3) Students who are not eligible 1st semester when measuring is done, should not be measured until they gain their eligibility.
 - (4) A NCHSAA Certified Measurer must perform the official measurement of Urine Specific Gravity (USG) using chemical dipsticks or refractometer. Coaches are encouraged to monitor the athlete's hydration status throughout the season (refractometer or urine color chart).
 - (5) Test of USG must be passed prior to Skinfold measurement:
 - (i) Trial 1
USG of ≤ 1.025 ; skinfold measurement may be done.
USG > 1.025 ; re-test no earlier than 24 hours, but no later than 72 hours
 - (ii) Trial 2
USG of ≤ 1.025 ; skinfold measurement may be done.
USG > 1.025 ; re-test no earlier than 24 hours, but no later than 72 hours
 - (iii) Trial 3
USG of ≤ 1.025 ; skinfold measurement may be done.
USG between 1.025 – 1.030; skinfold measurement to be done and athlete MUST move up one weight class from minimum weight
USG > 1.030 athlete is ineligible for the season
- (c) Part III - Skinfold Measurements to Determine Body Fat
 - (1) No wrestler may practice until a certified minimum weight has been determined and no wrestler may ever wrestle below his certified minimum weight.
 - (2) Certified minimum weight information must be entered into the NWCA website at the completion of measuring.
 - (i) Skinfold measurement must be done by the NCHSAA approved measurer. Lange or Baseline Calipers or BodPod must be used. The measurer cannot be a wrestling coach. Medical personnel, even if trained in skinfold measuring, do not automatically qualify. They should contact the NCHSAA to obtain information on becoming an approved measurer. Once a person is trained or approved by the NCHSAA, he or she does not have to attend a clinic on a yearly basis. NOTE: A clinic is offered each summer during the NCCA clinic in Greensboro.
 - (ii) Areas of measurements for males will be triceps, subscapular and abdominal. For females, triceps and subscapular. (See Appeals section for information on requesting a 2nd skinfold measurement.)
 - (iii) The Lohman/Brozek Equations, which were developed specifically for high school

wrestlers, will be used to determine body fat, as well as the certified minimum weight class in which a wrestler will be allowed to participate.

- (iv) Certified minimum weight with three percent error allowance will be used. This is the athlete's lowest wrestling weight without filing an appeal. The NWCA system automatically applies this 3%.
- (v) To be eligible to participate, a wrestler's body fat cannot be below 7% for men, 12% for females. If initial testing indicates a wrestler's body fat is below the minimum percent allowed, he/she will not be able to participate without written clearance from a licensed physician, physician's assistant or nurse practitioner, indicating that the athlete is naturally at this Sub-7%/12% level).
- (3) These written clearances must be approved by the NCHSAA prior to the wrestler competing. Form is available on the NCHSAA website.
- (d) Growth Allowance: On December 25, the two-pound growth allowance will be in effect for all wrestlers.
- (e) Weight Class Certification: Wrestlers have until Friday, February 11, 2022, to certify the lowest weight class at which they would like to participate during the individual regional and state tournaments.
 - (1) Certification occurs when the wrestler has a certified weigh in at a competition. The weigh in does not have to meet scratch weight, but must be below the weight class including the two-pound allowance, if applicable at the time of weigh in.
 - (2) Wrestlers must be eligible to compete before their coach allows them to weigh-in for any weigh-in. Wrestlers weighing in and not eligible to compete will not be allowed to count the weigh-in, and the coach could be subject to further sanctions by the school and the NCHSAA.
 - (3) Even though a wrestler has certified their weight class for post-season competition, they must still abide by the weight loss guidelines and remain cognizant that their weight plan will allow them to descend back down to their certified weight class.
 - (4) After the weight class certification, the weight loss descent plan will remain in effect until the individual regionals.
 - (5) A wrestler cannot use the allowance to descend to a weight class lower than the established MWC on his weight loss plan.

NOTE: If a wrestler's minimum wrestling weight is 107.5 for the year and his MWC for the year is 113, he/she cannot use the two pound allowance to descend down to 106/108 because that wrestler was never eligible for that weight class based upon their initial assessment.
- (f) Monitoring Weight Loss and Certified Minimum Weight
 - (1) Daily and Match weigh-ins are mandatory.
 - (i) Daily weigh-ins: Should be conducted by the coach. This information should be kept on scratch sheets and be available if requested by the NCHSAA.
 - (ii) Match weigh-ins: Must be conducted and observed by all participating coaches in the match and/or tournament. Weigh-in data MUST be entered within 24 hours of match/tournament completion.
 - (iii) All daily and match weigh-in sheets must be available for NCHSAA review.

4.14.3 Weight Loss Guidelines:

- (a) All wrestlers losing weight are limited to an average weight loss of 1.5% per week throughout the season, beginning the Monday of the week their body composition is assessed.
 - (1) Weight loss as a result of fluid loss is normal for strenuous exercise, BUT a 97% rehydration should take place within a 24-hour period.
- (b) Failure to Meet Weight Guidelines
 - (1) If a wrestler's weight falls below allowed daily weight plan:
 - (i) He/she must compete at the weight class the daily weight plan certifies him/her, or the next highest weight class, even if the weight is substantially below the daily minimum wrestling weight.
 - (2) If a wrestler's weight falls below his/her established certified minimum weight.
 - (i) He/she is not eligible to practice or compete until he/she reaches his/her certified minimum weight.
 - (3) The penalty for wrestling below the established certified minimum weight is a \$500.00 fine and the wrestler is ruled ineligible for the remainder of the season.
- (c) Appeals: Forms can be found on the NCHSAA website and must be completed by the school and submitted for approval to the NCHSAA within 14 days of wrestler's original measurements and prior to competing. After 14 days have passed or the wrestler competes, he/she is no longer eligible to appeal. There are two areas of appeals:
 - (1) Request to wrestle with body fat % below minimum established - If a wrestler's body fat is below the minimum established, 7% for males and 12% percent for females, permission can

- (2) be granted for the wrestler to participate if approved by a physician and parents/custodians. Appeal of minimum weight – must be approved by NCHSAA but does not require written approval of physician or parents/custodians. In accordance with NCHSAA weight loss guidelines a wrestler may appeal his/her initial skinfold measurements. This appeal process is not in place to give the wrestler an opportunity to lose additional weight and be re-measured in order to achieve a lower certified minimum weight. It is available if there is any question on the accuracy of the initial measurements. Some appeals may require an appeals committee approval.
- (3) The following is a list of options available:
 - (i) Option 1 – Request school personnel re-compute initial calculations. If 2nd calculation is not accepted, the wrestler can request to be re-measured by the same skinfold measurer. NOTE: The original weight will be used in the re-calculation. Only the skinfold measurement will be retaken. Wrestler then chooses which measurement to accept.
 - (ii) Option 2– Wrestler does not ask for calculations to be re-computed, or for skinfold measurements to be retaken, but opts to be measured by means approved by the NCHSAA Sports Medicine Advisory Committee (List found on NCHSAA website).

4.14.4 Regionals (Individual)

- (a) Dates: Double elimination regional meets in all classifications will be held February 11-12, 2022.
- (b) Regional Entry Form: Information will be submitted through the NCHSAA approved system.
- (c) Regional Entries and Seeding: Entries are due to the regional director by 3:00 pm, Thursday, January 27, 2022.
 - (1) A school may enter only one wrestler in each weight class.
 - (2) Any wrestler listed on the regional entry form can compete at any weight class for which his certified minimum weight qualifies him.
 - (3) Late entries may be submitted to the NCHSAA and must be in by 9 a.m. Wednesday the week of the dual team tournament. Use the form on the NCHSAA website. A \$50 fee will be assessed for each individual entry. No entries after this will be accepted.
 - (4) The director will determine the percentage standing of each entry, based on the wrestler's won-lost record for all varsity matches in which he participated.
 - (5) All regular-season varsity matches, including tournaments, wrestled prior to January 27, shall be used in determining the won-loss record.
 - (6) In cases where the wrestler has participated in less than 15 matches, the number short of 15 shall count as losses for seeding percentages.
 - (7) Reporting a wrestler's record incorrectly may disqualify that participant.
 - (8) Forfeits are counted toward the won-loss record, while byes are not.
 - (9) Regional seeding requirements and guidelines will be posted on the NCHSAA Wrestling page of the website.
 - (10) A tie for last place will be broken by:
 - (i) Previous head-to-head competition between those participants, or if they did not meet during the season,
 - (ii) Whichever participant wrestled more matches, or if there is no difference,
 - (iii) A preliminary match between the tied wrestlers.
 - (11) Once the tournament is seeded, no changes will be made.
- (d) Team Points: All bouts prior to filling the 16-line bracket shall be considered preliminary competition and will not receive advancement points.
- (e) Regional Assignments: Assignments, along with the most current information about regional sites and dates, are posted on the NCHSAA website.
- (f) Regional Site Determination: At the regional tournament, a meeting of coaches must be held to select a site and a director for the upcoming season.
 - (1) This is a mandatory meeting that will be conducted by the current regional director.
 - (2) The current director will then notify the NCHSAA office within 10 days after the completion of the tournament.
- (g) Qualifiers to State Tournament: The top four wrestlers in each weight class will qualify from each regional to the state.

All information must be reported to the NCHSAA office by 11:59 p.m. on January 26, 2022.
 - (1) The information includes overall won-loss record and winning percentage for all conference schools.
 - (2) If no conference tournament is played, this information should be submitted upon conclusion of the conference's regular season.
 - (3) Failure to comply with the initial reporting procedure will result in a \$400 fine to the conference.
 - (4) The overall winning percentage and finish in conference standings will be used when determining which schools qualify for wild-card berths in playoffs.
 - (5) Check website for additional information.
 - (b) Qualifiers: Pre-determined brackets with the 32 qualifiers in each classification.
 - (c) Once qualifiers have been determined or the seeding process is completed, and teams have been placed in the brackets, at no time will another team be substituted in or added to the playoff brackets for a disqualified team. If a disqualification occurs after the playoffs have concluded, that place or position remains vacant.

 - (a) Head to Head Record
 - (b) Best Overall Winning Percentage
 - (c) Draw amongst the tied teams.
 - (2) The third round and regional finals will be conducted on Wednesday, February 2, 2022.
 - (i) Default Match Time(s):
 - (a) 6:00 p.m. & 7:30 p.m.
 - (b) Participating schools may mutually agree to submit a request to the NCHSAA for an earlier start time due to extenuating circumstances.
 - (ii) Rounds will be hosted by the team that creates the least amount of travel (total mileage) amongst the three (3) other schools participating in that region.
 - (a) In the event a team cannot host, the team with the second least amount of travel (total mileage) will host, and so on.
 - (3) The State Championship round will be conducted on Saturday, February 5, 2022 and hosted by the NCHSAA at a neutral facility (T.B.D.).
 - (e) Admission: First round through the regionals, \$8.00; state championships \$10.00 (includes one dollar surcharge for Endowment).
 - (f) Expenses: Schools will bear their own travel expenses to the dual team tournament through the regional round. The host school will deduct allowable expenses (see financial form for allowable expense).
 - (g) Gate Receipts: The NCHSAA will receive 0% of the gross gate for the first and second round matches. The NCHSAA will receive 25% of the gross gate for third round through regionals. The remaining net (after host expenses) will be divided among the participating schools on a per match basis. For the State Championships, tickets will be sold by classification and participating schools will share 40% of the net gate revenue based upon tickets sold per classification with the NCHSAA receiving the remaining 60%.
 - (h) Match Weigh-ins: Must be conducted by official, unless mutually agreed to do otherwise.

Gfeller-Waller/NCHSAA Concussion Management Principles Health and Safety Personnel

The NCHSAA **STRONGLY RECOMMENDS** that each individual listed below has both expertise and training in concussion management and that LATs, PAs, and NPs consult with their supervising physician before signing the Return to Play Form, as per their respective state statues.

Licensed Physician**- An individual who has training in concussion management licensed to practice medicine (MD or DO) under Article 1 of Chapter 90 of the General Statutes.

Licensed Athletic Trainer (LAT)** - An individual who is licensed under Article 34 of Chapter 90 of the General Statutes entitling them to perform the functions and duties of an athletic trainer.

Licensed Physician Assistant (PA)** - An individual who is licensed under the provisions of G.S. 90-9.3 to perform medical acts, tasks, and functions as an assistant to a physician.

Licensed Nurse Practitioner (NP)** - Any nurse who and is licensed under the provisions of G.S. 90-18(14) to perform medical acts, tasks or functions.

Licensed Neuropsychologist**- An individual who has training in concussion management licensed under Article 18A of Chapter 90 of the General Statutes and working in consultation with a physician licensed under Article 1 of Chapter 90 of the General Statutes.

First Responder (FR) - An individual who meets the requirements set forth by the North Carolina State Board of Education Policy ATHL-000.

**** Licensed Health Care Provider as defined by the Gfeller-Waller Concussion Awareness Act.**

Key Tenets of Concussion Management

1. No athlete with a suspected concussion is allowed return to practice or play the same day that his or her head injury occurred.
2. It is not feasible for a Licensed Health Care Provider to both diagnose an acute concussion and provide clearance on the same day.
3. Athletes should never return to play or practice if they still have ANY symptoms.
4. More than one evaluation is typically necessary for medical clearance for concussion. Due to the need to monitor concussions for recurrence of signs and symptoms with cognitive or physical stress, Emergency Room and Urgent Care physicians typically should not make clearance decisions at the time of first visit.
5. A concussion is a traumatic brain injury that can present in several ways and with a variety of signs, symptoms, and neurologic deficits that can present immediately or evolve over time.
6. Both academic and cognitive considerations should be addressed when managing a student-athlete with a concussion. The NC Dept. of Public Instruction now requires a "Return to Learn" plan for students with suspected head injury. Also, consider guidance on proper sleep hygiene, nutrition, and hydration.
7. The NCHSAA STRONGLY RECOMMENDS that all member school student-athletes have a Licensed Physician's (MD/DO) signature on the Return to Play Form and/or the Licensed Health Care Provider Concussion Evaluation Recommendations Form. Remember that the Licensed Physician (MD/DO) signing the RETURN TO PLAY FORM and/or the Licensed Health Care Provider Concussion Evaluation Medical Recommendation Form is required to be licensed under Article 1 of Chapter 90 of the General Statutes and have had training in concussion management.
8. In order to be cleared to resume full participation in athletics, a student-athlete must be completely symptom-free both at rest AND with cognitive stress, then with full physical exertion. (The NCHSAA Concussion Return to Play Protocol has been designed with this in mind).
9. A step-by-step progression of physical and cognitive exertion is widely accepted as the appropriate approach to ensure a concussion has resolved, and that a student-athlete can return to athletics safely. The NCHSAA Concussion Return to Play Protocol, therefore, has been designed using a step-by-step progression and is REQUIRED to be completed in its entirety for any concussed student-athlete before they are released to full participation in athletics.

NCHSAA Playoff Broadcast Rights Fee Chart

Based on the Association's partnership with the NFHS Network and Sinclair Broadcasting, the NCHSAA is pleased to offer broadcasters the opportunity to broadcast NCHSAA Playoff Contests. The Association requires all broadcasters to complete the NCHSAA's Post-Season Broadcast Request form to gain approval to broadcast playoff contests. Once the online form has been submitted, stations will receive notification of approval or denial. The station or outlet should pay the appropriate fee for the broadcast, as shown below.

AUDIO-ONLY/RADIO (PLAYOFF RIGHTS FEES)

Football & Basketball	\$100 per game
All Other Sports	\$50 per game

Any NCHSAA Playoff event declined by the NFHS Network or the NCHSAA's Television Partner, is eligible for third-party video production and distribution at the rates listed below. Schools may elect to produce declined events for streaming on the NFHS Network and fees for those productions will be waived provided the event is EXCLUSIVELY distributed either live or on-demand through the NFHS Network's streaming and technology infrastructure.

Network streaming software and access to the Network will be made available to Schools at no cost provided that the School utilizes both the consumer subscription and video player provided by NFHS Network.

The North Carolina High School Athletic Association, Inc., was founded early in the 20th century. And even though the NCHSAA has witnessed dramatic growth in the scope of its programs and has had to deal with the changing face of education, one thing has remained constant: the Association's commitment to providing a wholesome athletic environment.

The Association is a voluntary, non-profit corporation which administers the state's interscholastic athletic program. Any North Carolina public or non-boarding parochial high school is eligible for membership, provided it is accredited by the State Department of Public Instruction and that the school adopts and maintains a prescribed code to guarantee fair competition.

University of North Carolina professor Dr. Louis Round Wilson spearheaded the founding of the NCHSAA. In 1912, he approached University president Dr. Francis P. Venable about starting a University Extension Division. After a year of heated debate, a total of \$600 was approved for this project, with one-third of that amount earmarked for the beginning of a high school athletic association which would help standardize regulations and ensure fairness. A university committee was to control the association's operation, which was part of the Extension Division.

State Championships were held in football and track in 1913 and several other sports were added to the program soon thereafter. As school administrators of the state desired more direct control of their organization, there was a move to change the way the Association operated. In 1947, a new constitution was adopted, by which the University was relieved from most financial obligations with the NCHSAA but continued to house the Association offices. The new constitution also provided for a Board of Directors as it is presently operating. In June of 2010, the NCHSAA became an independent organization no longer affiliated with the University.

The Association now has 427 member schools and certifies the eligibility of well over 200,000 athletes annually. Other organizations which have contributed greatly to high school athletics in the state have merged with the NCHSAA. Member schools of the North Carolina High School Athletic Conference, the organization for black high schools, joined the Association in 1967. The Western North Carolina High School Activities Association (WNCHSAA) joined the Association in 1977, leaving one primary body working with high school athletics in North Carolina.

Seven leaders have served the Association since its inception. Those officers, including their years as executive director include: E.R. Rankin (1924-42); C.E. McIntosh (1943-47); L.J. "Hap" Perry (1948-66); Simon F. Terrell (1967-84); Charles H. Adams (1984-2010), commissioner Davis Whitfield (2010-15) and now Commissioner Marilyn "Que" Tucker (present).
