August 3, 2024

Greetings, Parents and Guardians!

Welcome to Mundy's Mill Middle School "Home of the Razorbacks" where our motto is "Building a Better Tomorrow, Today". My name is Patricia Dickerson and I am proud to serve as your Title I Parent Liaison. My role at Mundy's Mill Middle STEM School is to offer and provide parents/families with information, support, and community resources. Some valuable levels of support include but are not limited to, parenting information, volunteer information, monthly calendars, employment resources, academic brochures and educational resources. It is my pleasure to assist all parents in becoming an important link between home, school, and community.

The Mundy's Mill Middle School Parent and Family Resource Center (PRC) is located in Room 112. Our lending library holds many valuable tools and materials on every academic subject to help your child to be successful. The materials include articles, brochures, workbooks, and games that you can use to help your child continue the learning at home. You also will find information that could be useful to address some common issues that your child might encounter during these middle school years. You can use one of the computers in the PRC to access the Infinite Campus Parent Portal to view your child's grades or to create/update your own resumes. The Parent Resource Center is available each school day between 9:30 am and 3:30 pm.

Parents, it is vitally important that your contact information (email address and phone number) is correct in Infinite Campus so that you do not miss any of the information we will be sharing with you. Be on the lookout for upcoming meeting dates for various meetings and workshops. Please do not hesitate to reach out to me when I can be of service. I can be reached by phone at 770-473-2880 x516126 or by email at patricia.dickerson@clayton.k12.ga.us. I am looking forward to working with you to strengthen not only our school but also our community.

Very sincerely,

Patricia Dickerson
