

Dear Northern Hills Parents,

This City of Onalaska has implemented some traffic regulations around the Northern Hills neighborhood. PLEASE pay attention to ALL posted signs which give information about parking and turning.

Here are the traffic highlights:

- NO PARKING south of the driveway ENTRANCE from 7:30am-4:30pm.
- For vehicles using the car lane in front of NH, enter on the south end and exit on the north end. You can drop-off and pick-up your student(s), but remain in your vehicle.
- NO left turns into the Northern Hills entrance/driveway or car lane. For cars traveling south on East Avenue, please turn left onto Troy Street and drop students off along Troy Street, by the playground. (There's a crossing guard at this corner to help students.)
- NO parking along East Avenue between the 4-way stop (Spruce St & East Ave) and the entrance/driveway. This area is for cars lining up alongside the curb to enter the entrance/driveway.
- The north side of Spruce St can now be used for cars to line up to turn onto East Avenue, then into the entrance/driveway. Signage has been installed. Please read the signs.
- Reminder to NOT park in front of fire hydrants.
- The Onalaska Police Dept. will issue tickets.

BUSES:

- PreK buses will drop off students in the entrance/driveway and pick up students along Spruce Street.
- Elementary buses will drop off students on Troy Street, since they go directly to the playground in the morning.
- Elementary buses will pick up students on Spruce Street at the end of the day. Other student and traffic reminders:
- Parents who want to walk their children up to the building will need to park on the street or in the visitor parking spaces on the west side of the entrance/driveway and enter through Door A.
- Please do not drop students off along Spruce St in the morning as Door C remains locked throughout the day.
- Students can be brought to school at 8:00 am, but NOT before. We will have staff to supervise students beginning at 8:00 am. ALL students are required to go to the playground in the morning. Students having breakfast will enter the school through Door E, the playground door starting at 8:05 am. (If it's raining or the wind chill is zero or below, students will be allowed into the building through Doors E or F from the playground.
 - Parents bringing their children to morning Surround Care will use Door D (east side of building). Please use the door buzzer to alert Surround Care staff to open the door for you.

At the end of the day, students will be dismissed through the playground doors on the NORTH side of the building (Doors E and F). Grades K, 2, and 5 will use Door E. Grades 1, 3, and 4 will use Door F.

Thanks for your attention to this information and be sure to share this with other people who help with transporting your children. Hopefully we have good weather and the kids will be able to walk and ride bikes to school.

Sincerely,

Lish Olson
