

The Single Plan for Student Achievement

School: College Connection Academy
CDS Code: 43-69450-0127225
District: Franklin-McKinley Elementary School District
Principal: Amber N. Andrade
Revision Date: 05/05/16

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

Contact Person: Amber N. Andrade
Position: Principal
Phone Number: (408) 347-4827
Address: 1855 Lucretia Avenue
San Jose CA, 95122
E-mail Address: amber.andrade@fmsd.org

The District Governing Board approved this revision of the SPSA on June 28, 2016.

School Vision and Mission

College Connection Academy 's Vision and Mission Statements

The College Connection Academy (CCA) is highly unique 7-12/13 grade program that provides a direct and accelerated path to college. CCA students are global, critical thinkers who stand ready to excel in college level courses during their final two years of high school, thus securing the skills they need to succeed in college, careers, and life.

Envision Future

Envision Future of Franklin-McKinley Elementary School District

Franklin-McKinley School District promotes high aspirations for all students and staff. We successfully achieve a multiple range of student outcomes, which include learning how to learn, respecting individual and cultural diversity and preparing all students for a knowledge-based world.

Motto/Purpose

"Preparing all children as global learners"

Student Focus | Partnership | Integrity | Respect | Innovation | Teamwork

The Franklin-McKinley School District will ensure that all 8th grade student graduates have the skills and knowledge to be ready for a college preparatory curriculum in high school. They will all have the ability to pursue a program preparing them for university and/or careers and lifelong learning.

Core Values:

Student Focus

We are committed to cultivating the unique potential of every child.

Partnership

We foster strong parent, school and community partnerships.

Integrity

We embrace truth and honesty in every personal interaction throughout the District.

Respect

We embrace and celebrate our diversity and individuality.

Innovation

We provide an environment that encourages new ideas and strategies.

Teamwork

We are focused on results and committed to collegiality and professionalism.

Envision Future of College Connection Academy

Recognizing the need to foster a more educated workforce to meet the demands of our changing economy inspired the creation of an innovative partnership between the Franklin-McKinley School District, the East Side Union High School District and Evergreen Valley College. Our three communities will increase the number of first generation college graduates, equipping them with the education and experience they need to succeed in life and family-supporting careers.

School Profile

College Connection Academy's goal, purpose, and design is to elevate, inspire and support students to become highly successful in college. The middle school (7th and 8th grade) is housed on the Yerba Buena High School campus at 1855 Lucretia Avenue in San Jose, CA. College Connection Academy has the same autonomy and freedom to be dynamic in its curriculum, methodologies and learning that students at a charter school receive. The Partners (the three districts) have combined and integrated their resources to make the Academy successful. A Steering Committee, consisting of one or more partners from all three districts as well a paid consultant, meets quarterly to collaborate on innovation, additions to the program, and focused improvement. There is shared decision making at CCA to the greatest degree possible, and all teacher and other educational staff ideas are elicited and incorporated into the Steering Committee meetings. The first cohort of CCA students graduated this year, and having met A-G

requirements, are headed off to college with some college already completed. Those students can enter San Jose State University and other universities ahead of their freshmen classmates, some as true Sophomores. The middle school is a vital part of setting these future college students up for success.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Feedback from school staff, parents and students indicate a need to focus on:

- Increase of elective offerings and enrichment opportunities for students
- Continue to develop the college readiness focus, with increased collaboration with the Yerba Buena High School CCA teachers
- Refinement of the mission of CCA and a more focused approach to training and follow up on best practices to achieve the mission

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom visits by principal indicate needs in the following areas:

- Intentional focus on signature instructional practices
- Increase use of CFU strategies to ensure students are able to demonstrate learning
- Increased explicit teaching of academic vocabulary
- increased focus on writing and speaking to demonstrate learning

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Staff uses the results of all assessments including SBAC practice tests, Star Renaissance, CELDT, Science CST, District level assessments, common formative assessments, and checking for understanding during a lesson to gauge student progress and what they can do to improve instruction and learning.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Student progress data is gathered from a variety of sources. District STAR Renaissance data is analyzed as a school team after every assessment and classroom instruction and grouping is modified based on the current data. Essential Student Learning Outcomes are set and reviewed with Common Formative Assessments (CFAs) being administered every three to five weeks to gauge learning.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All core academic classes are taught by teachers who are highly qualified in those subject areas. All teachers are EL certified and have received training in effective instruction of English Learners.

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All CCA teachers are fully credentialed and have been trained in the core SBE-adopted curriculum for their subject areas.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

All teachers are currently receiving training in the new Common Core State Standards. Professional development is aligned with their professional needs in implementing the new standards.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Education Services Department at Franklin McKinley ensures that all teachers are adequately supported and coaching is provided by content experts, as well as ongoing training in standards-based instruction.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

CCA teachers collaborate across disciplines. Teachers this year are also collaborating with other middle school colleagues within FMSD and through a partnership with Downtown College Prep.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

History/Social Science, Science, and PE curriculum is aligned with the California State Standards. New ELA and math curriculum is aligned with the CCSS. The ELA curriculum is in its second year of implementation and the Math curriculum is in its first year of implementation.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Minimum instructional minutes are exceeded in both reading/LA and mathematics.

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

CCA offers intervention in ELA and ELD. Students that are not performing at grade level in any of the CORE subjects are given extra tutoring during Homeroom. A plan has been developed to address the need for more Instructional Reading Intervention through after school intervention.

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Standards-based, grade-level instructional materials are available to all students.

12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All teachers at CCA are using standards-aligned instructional and intervention materials in all core subject areas.

Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

In-class intervention via reteaching, small group instruction, and lesson looping are utilized to enable underperforming students to make gains and meet standards. ELA intervention classes are built into the day for students that are not performing at grade-level based on the STAR Renaissance data.

14. Research-based educational practices to raise student achievement

Instructional practices include Explicit Direct Instruction, blended learning, project-based learning, and practices related to implementation of the new Common Core State Standards.

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Yerba Buena High School student tutors assist CCA students with academic subjects. The YBHS library is available for students to work on their homework and tutors are available throughout the week until 7pm. Teachers also provide extra support during Homeroom.

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

The School Site Council, comprised of parents, students, and school staff meet regularly to review and update the School Plan and expenditures related to school improvement.
The School Plan, expenditures, program planning and data is shared with parents monthly during our evening parent meetings.

Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Services provided by categorical funds include substitute release time, instructional materials for math and ELA intervention, after school tutoring and equipment maintenance agreement.

18. Fiscal support (EPC)

LCFF and Title I funding provided.

Description of Barriers and Related School Goals

Seventh grade students enter CCA's college preparation program with a wide range of skills, abilities, and attitudes toward higher education. Students and families do not always understand what it will take to graduate high school ready to successfully enter and perform in college. Despite communications from the school, many families are not able to support the students through these rigorous academic expectations.

Due to its small size with a limited number of staff, CCA experiences some difficulty in organizing to meet the individual needs of all students. CCA administration and staff is very excited about the heightened level of collaboration with our colleagues (FMSD and DCP) and opportunities to enrich our program. Our current bell schedule is aligned with that of the high school, which allows us to maximize our resources and use of school facilities.

School and Student Performance Data

CAASPP Results (All Students)

Conclusions based on this data:

1. When CELDT and AMAO reports are made available for CCA, staff will analyze our status and make any adjustments needed, particularly for ELs 5 or more years in the program.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Pupil Outcomes
LEA GOAL:
Ensure that all students meet grade level standards in literacy and mathematics
SCHOOL GOAL #1:
We will decrease the achievement gap between Latino and Asian students by 5%. All students on grade level will increase in their Instructional Reading Level and Math level by at least 1.5 years in one school year. Students that are behind in their IRL will increase by at least 2 levels in one year. All EL students will increase by at least two CELDT levels at a minimum, our goal is for all EL's to be reclassified at the end of the CCA Middle School Program.
Data Used to Form this Goal:
District STAR Renaissance data, California English Language Development Test (CELDT), Classroom observations CAASPP results in ELA and Math; CLOSE reading assessments; Student Writing Scores
Findings from the Analysis of this Data:
CCA students enter middle school with a wide range of skills and educational levels. Instructional reading levels ranged from 3.8 to 12. Although we do not currently have any "newcomers" we did start with students performing in the early intermediate level on their CELDT. This year we were able to see growth in all students on their CELDT and all students are in the Early Advanced or Advanced levels.
How the School will Evaluate the Progress of this Goal:
All staff will ensure that lesson plans are written that are targeted to work towards the Essential Student Learning Outcome that is set for that period of time. Those ESLO's will be mapped out for the year by staff and will be tied to Common Formative Assessments. Staff will use common formative assessments, STAR Renaissance and rigorous classroom checks for understanding to ensure all students are working towards that goal. Staff will meet weekly to discuss student growth in order to evaluate student progress towards goals. Staff will review student STAR Renaissance scores, CAASPP cluster data, and CELDT data to determine and place students in school intervention programs during and after school.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
All staff will participate as the Instructional Leadership Team (ILT)	August to June	Principal, teachers	Teachers and Principal meet to discuss data and how to make improvements to instruction			
Provide PD for all Math and ELA teachers that is aligned to CCCSS.	August to June	Principal, Teachers	Substitute cost to cover Math teachers for PD	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	668.00
			Substitute cost to cover ELA teachers PD	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	668.00
Teacher to provide after school literacy intervention	August to June	Principal and teacher	1 section of intervention for 1 hour a day	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	3910.00
Purchase instructional materials and supplies to support the implementation of the CCSS	August to June	Principal and teachers	Instructional materials	4000-4999: Books And Supplies		
Reproduction of materials for classroom use	August to June	Teachers and principal	Copier agreement	5000-5999: Services And Other Operating Expenditures	General Fund	3090.00
			Reprographics	5000-5999: Services And Other Operating Expenditures	General Fund	500.00
Provide release time for teacher data PLC's	August to June	Principal, Teachers	Principal and 1/2 time counselor will cover classrooms during 60 min block for staff to get together to do data chats once a month.			
Classroom monitoring for student learning	August to June	Principal	Monitoring for signature practices and implementation of CCSS and ToA			

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
CELDT testing	August to June	CELDT tester	CELDT testing	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	500.00
Provide EL training - includes 3D training	August to June	Principal	Training for staff	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	334.00
Provide in school intervention	August to June	Principal	Teachers will provide intervention during a 60 min block M-Th			
Provide Student Study Team (SST) days to discuss specific students that are not advancing	August to June	Principal, RSP, Psych, Speech	Substitute to release teachers for SST- 4 times	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	668.00
Provide individualized reading intervention	August to June	Principal	Purchase Reading Plus licenses for the entire school	5800: Professional/Consulting Services And Operating Expenditures	LCFF Supplemental	7,200
Teacher to provide after school intervention for EL's	August to June	Principal	1 teacher for 1 hr after school	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	3910.00

Planned Improvements in Student Performance

School Goal #2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Conditions For Learning
LEA GOAL:
Ensure all students have access to highly qualified teachers and a standards-aligned curriculum. All facilities will be well-maintained and in good repair.
SCHOOL GOAL #2:
All teachers will be highly qualified teachers and will model life-long learning. Teachers will receive trainings and keep up-to-date on the latest technology, content and curriculum used in high performing middle schools across the state. Teachers will plan lessons and use materials that are Common Core aligned.
Data Used to Form this Goal:
School Climate Survey Results Classroom observations Assignments using technology Lack of access to CCCSS aligned curriculum and materials
Findings from the Analysis of this Data:
Staff is missing the training and curriculum that aligned their practice to the latest CCCSS. In order to combat old curriculum, CCA teachers have been taking parts out of the old curriculum and paying for Discovery Ed licenses to create a program that is closer aligned to the CCCSS. Technology used in one classroom is starting to die out and we need more technology for the growing number of students.
How the School will Evaluate the Progress of this Goal:
Classroom observations Usage of CCCSS aligned materials Technology usage in student classwork and assignments

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Instructional Leadership Team Meetings	August to June	Principal, ILT	Cost included in Goal #1			0

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Professional Development for all teachers in CCCSS	August to June	Principal, Teachers	SS, Sci, CCCSS PD- 1 day release	1000-1999: Certificated Personnel Salaries	LCFF Supplemental	251.00
			Math and ELA cost included in Goal #1			
			PE conference registration	5000-5999: Services And Other Operating Expenditures	LCFF Supplemental	250.00
			PE substitute to cover during the conference	1000-1999: Certificated Personnel Salaries	LCFF Concentration	334.00
			SS, Sci, CCCSS PD- 1 day release	1000-1999: Certificated Personnel Salaries	Title I	250.00
Monitor and support ELs	August to June	Principal and Staff	Reclassification paperwork and monitoring ELD 3D monitoring Intervention see goal #1			
High quality field trips and off-campus learning experiences	August to June	Principal and Staff	Field trip cost included in goal #3			
Provide all students will an Elective	August to June	Principal, Teachers	All students will receive an elective			
Provide materials to increase relevance, achievement, and participation	August to June	Principal, Secretary	Purchase supplies and Materials	4000-4999: Books And Supplies	Title I	3166.00
			Purchase supplies and materials	4000-4999: Books And Supplies	General Fund	1840.00
After School Music Program	September- May	Principal and staff	Teacher hours 4 days per week	1000-1999: Certificated Personnel Salaries	LCFF Concentration	3160.00
				1000-1999: Certificated Personnel Salaries	LCFF Supplemental	4660.26

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Purchase student agenda's for each student	August	Principal, Secretary	Purchase agendas	4000-4999: Books And Supplies	LCFF Supplemental	780.00
Provide CCCSS aligned Sci and SS teaching by using aligned materials and curriculum	August-June	Principal, staff	Pay for Discovery Education Licenses	5000-5999: Services And Other Operating Expenditures	LCFF Concentration	2076.00
Provide a way for teachers to monitor student usage of computers	August	Principal	Purchase Goguarian software for 2 rooms of students	5800: Professional/Consulting Services And Operating Expenditures	Title I	448.00
Purchase replacement light bulbs for LCD projectors	August	Principal,Secretary	Replacement light bulbs	4000-4999: Books And Supplies	LCFF Supplemental	400.00

Planned Improvements in Student Performance

School Goal #3

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet academic performance index (API) and adequate yearly progress growth (AYP) targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Engagement
LEA GOAL:
Increase number of stakeholders who feel connected and safe at school. Increase the variety of strategies for parents to better support their child to be successful in school.
SCHOOL GOAL #3:
Increase the variety of ways we engage with parents and the community. This will include parent nights, night meetings, trainings, classes, field trips, and making them part of CCA decision making. Student- Increase positive student culture by increasing award assemblies and spirit assemblies. We will also increase their community involvement in order to solve community issues. Community- Increase partnerships to include guest speakers, science mentors, and community organizations
Data Used to Form this Goal:
Teacher feedback Student data Parent surveys
Findings from the Analysis of this Data:
2015/2016 Every parent meeting was attended by at least 45 parents. Parents feel part of the school community and part of the decision making team. Parent participation increased in family trips but only stayed the same for meetings. Very few parents participated in the PC classes that they asked for last year. Parents have asked for a parent of a teen support group or activities for parents to get together to bond. Parents stated that they do not feel that their input is taken into consideration with larger district decisions (LCAP, services, staffing). All students complete 15 hours of community service every year.
How the School will Evaluate the Progress of this Goal:
Number of families attending school events. Student and Parent surveys. List of new and continuing community partnerships and speakers. Continue holding parent meetings at night and schedule student assemblies once a month and invite parents.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
All staff will be trained in Restorative Justice practices and Trauma Care	August	Principal, Teachers	PD for teachers given during Admin days			0

Goal 2	17,615.26
Goal 3	19,610.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Amber Andrade	X				
Denise Fernandez			X		
Joel Robison		X			
Luke Holm		X			
Patricia Ramirez				X	
Yahaira Perez				X	
Minhuynh Tran				X	
Cindy Do					X
Numbers of members of each category:					

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

State Compensatory Education Advisory Committee

Signature

English Learner Advisory Committee

Signature

Special Education Advisory Committee

Signature

Gifted and Talented Education Program Advisory Committee

Signature

District/School Liaison Team for schools in Program Improvement

Signature

Compensatory Education Advisory Committee

Signature

Departmental Advisory Committee (secondary)

Signature

Other committees established by the school or district (list):

Signature

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on 05/09/16.
