MAKE AN IMPACT!

Madison County Schools
LEADERSHIP · PASSION · KNOWLEDGE
1858

Our MISSION is to:

- Create & Support High Quality Public Schools
- Maximize Student Achievement
- Expand Student Opportunities
- Prepare Graduates for Success in a Globally-Competitive World.

We Are Family!

In the Madison County School System we are all family! A culture of collaboration is woven into the fabric of our school district. Each high school area is a school family, sharing and working together to support student opportunities and achievement. Our Whole Child Approach enables us to meet the needs of all students.

"You will not find a better, stronger, more supportive group of teachers. Madison County School teachers are incredible to work with, and we are changing life trajectories every day. We are an innovative group and there are many opportunities to grow in this district."
- Brooklyn McCarley
Sparkman Middle
Secondary Teacher of the Year
