A New Paradigm for Education Campus

Message from Principal

UYA Parents quarter 2 is underway and we need your continued support to ensure that our scholars are taking care of their business in the classroom. Please keep in mind that afterschool tutoring is happening and any scholar that needs more support is highly encouraged to attend afterschool tutoring. In addition, according to the Legacy Manuel students who participate in interscholastic sports or after-school activities must meet the eligibility standards. A student must pass his/her classes with a 2.00 cumulative overall grade point average (in core classes) the marking period before the season begins in order to be eligible to participate. Failure to show improvement will result in the student being removed from any scheduled activities until either improvement and/or passing grade is attained.

Attendance

Students who are chronically absent—meaning they miss at least 15 days of school in a year—are at serious risk of falling behind in school.

For example, if we have been in school for 30 days and if your scholar has 3 or more absences they are considered chronically absent and could potentially be retain.
