C. Recommendation to Approve Fees for the 2024-2025 School Year

Mr. Hacker recommended the Board of School Trustees approve BECC Tuition and Transportation fees, ECA Transportation Fees and Use of Facilities Fees and Policy Updates effective July 1, 2024. Mr. Hacker shared the following:

BECC Fees – as a result of a financial analysis, it is recommended the following increases be implemented for the 2024-2025 school year:

BECC Fee History and Proposed Increases					
School Year	Supply Fee	Transportation	2 Day Tuition/month Snack/year	3 Day Tuition/month Snack/year	5 Day Tuition/month Snack/year
23-24	\$65/year	\$650/year	\$160/month \$60/year	\$240/month \$100/year	\$350/month \$150/year
24-25	\$65/year	\$680/year	\$165/month \$62/year	\$250/month \$102/year	\$370/month \$153/year

ECA Transportation Fees – The recommended Extra Curricular Activity Transportation Fees are charged to extracurricular groups, including field trips and Athletics, to cover the costs of transportation services that would otherwise need to be absorbed by the Operations Fund. These fees are typically calculated using the actual cost of all Transportation operations (excluding the

cost of drivers and aides) divided by the miles operated. Staffing charges are based upon the “field trip” pay rate for drivers, including all fringes and benefits. These fees are reviewed annually, using the prior calendar year’s data, and recommended for approval well in advance to give the ECA groups adequate notice before the fees become effective in July. These fees will continue to be reviewed annually.

Listed below is the history of ECA rates since they were initially implemented.

Year	Mileage Rate	Driver Rate
2024-25	\$3.35	\$28.00
2023-24	\$3.25	\$27.50
2022-23	\$3.00	\$27.00
2021-22	\$2.90	\$25.75
2020-21	\$2.65	\$25.75

Use of Facilities Rules and Fees – The adjustments to the rules for Use of Facilities are minimal and listed below. The proposed fee schedule reflects a nominal 3% increase of space rental fees, rounded to the nearest 50¢.

The adjustments to the Use of Facilities Rules and Fees are limited to the annual adjustment of fees and three clarifying additions, detailed below.

Additions: Similar to last year, all facility fees have been adjusted by 3%, rounded to the nearest 50¢. The average fee across all categories is 2.97%. Staffing fees have been adjusted to ensure coverage of actual payroll, benefits, and fringes, including any overtime. These adjustments are consistent with past practice and with communications issued to Brownsburg Youth Leagues over the past several years.

Page 1 – adding 501c3, clarifying the type of not-for-profit usage that BCSC allows.

Page 2 – adding Crossroads Elementary as a BCSC facility for usage.

Page 3 – updating verbiage to align with the updated BCSC website and rSchool format.
