Agreed upon Norms

- *Trust collective wisdom and give some time and thought to ideas before passing judgment.*
- *Be conscious of your own and others' assumptions, and always go to the source to seek accurate information.*
- *Assume good intentions, especially during the busiest and most stressful times. Intentions do not negate impact.*
- *Maintain confidentiality concerning students, educators, and families with whom we work.*
- *Express a Growth Mindset. We have to support our learning by accepting and encouraging each other to learn from mistakes as well as from success. Do not try and avoid the discomfort around difficult conversations.*
- *Seek out and center the participation or experiences of those most impacted by the topic at hand.*
