## Kindergarten Information Night! Class of 2037

Lakewood City Schools will hold a Kindergarten Information Night Wednesday, January 25, 2024 at Grant Elementary School in Lakewood, 6:00-8:00 pm. This is a great time to learn more about our offerings in Lakewood for those children who will be age 5 before or on September 30th. Please be sure to see the flyer below for more information about this event.

## Harrison DEIB/VOLG Turkey Trot

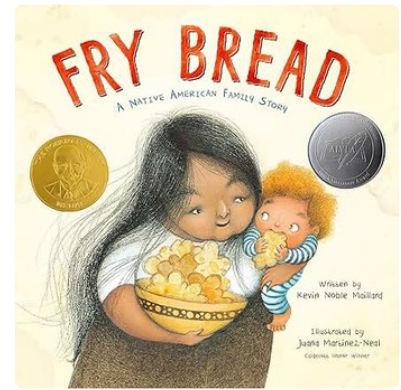

Our Turkey Trot was a blast. Thank you so much for your support. The can goods were donated to an organization in Lakewood that supports families in need within the community. Many came out to cheer on our participants as they ran/trotted/walked 1 mile. We appreciate the participation of our families, staff, and students!

## Community Book of Focus

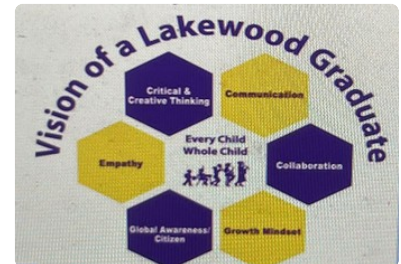

Hopefully you are enjoying our Harrison Community Book of Focus selected for November/December. Please know that in honor of the work we are doing with our students on the Vision of a Lakewood Graduate (VOLG) and the lens by which we view the vision (Diversity, Equity, Inclusion, and Belonging; Social and Emotional Learning) we are selecting books that encompass related themes.

*Fry Bread - A Native American Family Story* by Kevin Noble Maillard, our selected book, should have made it to your home by now, but if not, it will be there soon as it is circulating through each classroom. We ask that you follow the guidelines that will accompany the book. Remember to return the book in a timely manner so that we can get it in the hands of another family. Thank you in advance for joining in this learning experience with us.

## Vision of a Lakewood Graduate

Our focus for December/January is Growth Mindset. Moving away from a fixed mindset and embracing the importance of having a growth mindset. Consider joining in the efforts with us. We want to support our students in understanding the importance of being a continual learner and that basic abilities can be further developed. Being resilient and willing to learn leads to greater opportunities for accomplished goals.
