WHATS NEW - 2018-2019

OSCILLATING SKID STEER

New for 2018 are the all new oscillating Skid Steer Big Boxes for the Heavy Duty and SpeedWing blades. They feature universal plates, onboard hydraulics and provide an excellent opportunity to expand sales to contractors and fleets for additional applications.

Key Selling Features

- ◆ 6 Degrees of Side to Side Oscillation – Allows the blade to contour to the plowing surface.
- ◆ Four Attachment Points – Durable and robust design.
- ◆ 10" Sloped Attachment Plate – Provides the ability to lift the blade with tilt function.
- ◆ Leverages onboard hydraulics for easy installation and attachment.
- ◆ Hydraulic crossover relief system with flow control.

LARGER COMMERCIAL VEHICLE MOUNTS

SnowEx has developed a number of mounts for larger class 4-6 vehicles, including the all-new 2019 Silverado work truck and Ford F650. This provides new opportunities for selling, marketing and installing SnowEx Plows on the vehicles listed below. These vehicles are best suited for the 9'6" HDV and 8611 Power Plow

- ◆ Silverado 4500/5500/6500 4x2 and 4x4/ International 2019-Current
- ◆ Ford F650 2008-2015 / Navistar Durastar 4000 Series 2008-Current
- ◆ Ford F650 4x2 and 4x4 2016 – Current
- ◆ Hino 238, 258, 268 2013- Current
- ◆ Universal Mount – (can be used to fabricate to additional chassis)

IMPORTANT ANNOUNCEMENT

NEW FMVSS STANDARDS FOR REAR VISIBILITY

SnowEx would like to make you aware of new requirements to FMVSS111, the rear visibility standard covering rearview mirrors and cameras, which may affect your product installations. Effective May 1st 2018 all 2018 model year trucks with a GVWR of 10,000 lbs or less are required to meet the requirements for rear visibility as specified by FMVSS111. Installing hopper and tailgate spreaders on these vehicles may take the vehicle out of compliance with the standard. **Up-Fitters are required to ensure that the vehicle is brought back into compliance** with the standard after modification and product installation.

ROLLOVER PROTECTION PROGRAM

CADCo will offer a rollover protection program for those dealers that placed a SnowEx Plow Stock order this season and accept shipment of this Stock Order prior to September 1, of this program year. This roll over program is available at any time after the Stock Order free dating period ends, inclusive of dating extensions. The dealer is required to complete the claim form on the next page for those items requesting to be rolled. The dealer may choose what equipment he would like to roll. The dealer also chooses the number of days of the additional time. Original dating terms apply to product that is not rolled. **The maximum amount of TOTAL combined floor plan dating is 15 months by law.** This additional time is available in 30 day increments only. The cost per each 30 day increment is 3/4%. This percentage, per month will be added to the cost of the product at the time of re-invoicing. Once the product is rolled with the new pricing, the full amount for that sold product is due in full when sold regardless of the new due date.

The CADCo Rollover Protection Program is an optional program. It is the responsibility of the dealer to inform CADCO, via the claim form found on the next page if you would like to participate.

Example: *A dealer wishes to roll a 7600HD Plow for a period of 6 months. The original invoiced amount on his stock order was \$1,922.*

$$(6 \text{ Months @ } 3/4 \% \text{ per month} = 4.5\%) (\$1,922/.955) = \$2,012 = \text{New Cost!}$$

Points of Interest:

- Only those dealers that place a Stock Order prior to September 1, 2018 will qualify.
- Rollover only applies to the product purchased on the 2018 SnowEx Stock Order.
- All products must be rolled to GE/Wells Fargo Floor Plan. No open account terms allowed.
- Dealer must allow 7 business days from the date CADCo receives the Roll-Over Claim form before product is actually rolled. Any interest incurred prior to the roll over date is the responsibility of the dealer.
- Dealer may choose what products to roll.
- Dealer may choose when to roll the product. (The dealer may choose to wait for a period of time after the original due date).
- Dealer's account status must be in good standing with both CADCo and GE/Wells Fargo to qualify for the Rollover Protection Program.
- **The maximum amount of TOTAL combined floor plan dating is 15 months by law.**

MUNICIPAL BIDS

>>> NOTE : EXCLUDES NON PROFIT ORGANIZATIONS <<<

SnowEx snowplows (with the exception of the POWER PUSHER), spreaders, liquid and sidewalk solution products are eligible for a municipal rebate if sold to a governmental agency on a competitive basis. A qualifying governmental agency is defined as an entity which is, in whole or in part, state or federally funded. Corporately owned public utilities, private schools, private hospitals, and privately held organizations are not eligible. If you have any questions regarding eligibility please contact Customer Service at SnowEx before you quote your customer. The rebate also extends to snowplow and spreader accessories sold with a qualifying snowplow or spreader order and submitted with the claim for the original equipment. The municipal program applies to complete units only. Truck-side only claims are not eligible.

The municipal rebate program is available and applicable to municipal sales that occur within a reasonable proximity to the dealers marketing area of responsibility. SnowEx reserves the right to deny municipal rebates to units that are sold substantially outside of the area. The municipal rebate will be applied as a credit to the dealers open account after the sale and once the claim form and required documentation have been submitted and authorized.

Municipal rebates will be paid at a rate of 5% of current list pricing.

Documentation required to receive your municipal rebate:

1. A completed Municipal Rebate Claim Form
2. Online product registration. To register online, go to www.snowexproducts.com/support/warranty-registration/. To verify the product was registered, please submit a printed copy of the complete product registration form.
3. A copy of your invoice to the buyer
4. One of the following:
 - A copy of the municipalities purchase order
 - A copy of the bid award
 - Written confirmation of purchase from the municipality
 - Name and phone number of the contact person at the municipality

Municipal requests cannot be processed without the four pieces of information specified and must be submitted within 60 DAYS of the date of product delivery to your customer. The rebate will be issued in the form of a credit to your SnowEx account.

Submit all information to James Vasko at Fax: 908-878-4072 or jamesv@cadcodist.com

ADVERTISING CO-op

SnowEx and CADCo will contribute 50% towards the cost of advertising which meets the following requirements:

1. Co-op only applies to the portion of the ad that's dedicated to SnowEx. Advertising must mention SnowEx to qualify for CO-op. Advertising that contains competitive product is ineligible.
2. Approved media includes: Direct Mail, Newspaper, TV, Radio, Trade Show Space, Open houses, Digital Advertising, Merchandise, Yellow pages, Truck wraps and Billboards. Other reasonable requests will be considered but a pre-approval is required.
3. SnowEx will not deal directly with your local media. It is your responsibility to deal with your selected local media and to submit claims for CO-op reimbursement.
4. SnowEx advertising placed by a SnowEx dealer in another's hometown does not qualify for CO-op reimbursement.
5. The following do not qualify for CO-op:
 - Any agency production, administration and commissions fees.
 - Maintenance, management, setup and enrollment fees.
 - Website development, maintenance or hosting fees.
 - Any other production costs for television or radio broadcast, talent or announcer fees.
 - Costs of printing, distribution or design of sales literature or supplies to print sales literature.

Co-op dollars are accrued at 1% of your purchases from CADCo, at dealer cost. The accrual period is July 1, 2018 through April 1, 2019.

CONTENT AND DOCUMENTATION REQUIRED FOR CO-OP CREDIT

Submit the following documentation along with a **completed Advertising Claim Form**. If all documents are not submitted, your co-op reimbursement will be delayed. Only invoices that have been paid and are substantiated by the required documentation will be processed.

MINIMUM ADVERTISED PRICE (MAP) & INTERNET SALES POLICY

Minimum Advertised Price (M.A.P.) & Internet Sales Policy

Background

The sale and service of SnowEx® Snow and Ice Control products are backed by a network of carefully chosen Factory Dealers. **Note: "Factory Dealers" refers to both Factory Direct Dealers and Factory Authorized Dealers.** As a result, these Factory Dealers are expected, at all times, to maintain an adequate inventory of whole goods along with service parts and accessories. Additionally, SnowEx Factory Dealers are required to have adequate service facilities on site, and to also maintain an appropriate staff of factory-trained service technicians in order to provide local aftermarket service for SnowEx products (whether they sold them or not) and should benefit from those investments. SnowEx does not drop ship their products to anyone other than their distribution affiliates and approved Factory Direct Dealers. Furthermore, SnowEx expects their distribution affiliates and Factory Dealers to respect their trademarks, trade names and copyrighted materials.

As a result, continuing with the 2018-19 season, we have maintained the following Advertising Policy. Additionally, all SnowEx distribution affiliates and Factory Dealers are responsible for making sure that any and all of their dealer partners maintain compliance with this policy at all times:

M.A.P./Internet Sales Policy Guidelines

- Factory Dealers may **NOT** publish and/or advertise pricing that is below/less than 10% off current Suggested List Price in conjunction with any trademark or copyrighted material connected with a SnowEx product.
- This policy covers all forms of media including, but not limited to:
 - Internet/Web Sites
 - E-Mail Blasts
 - Print
 - TV
 - Radio
 - Direct Mail
 - Billboard
 - Etc.
- Factory Dealers may **NOT** post current, new/unused SnowEx equipment (exception is made for non-current items no longer in current published price book) for sale on "auction" sites such as, but not limited to:
 - eBay
 - Craigslist
 - Etc.

MINIMUM ADVERTISED PRICE & INTERNET SALES POLICY continued

- Distributors/Dealers may **NOT** partner with and/or post for sale, current, new/unused SnowEx equipment on 3rd party websites associated with retail operations. These sites can include, but are not limited to:
 - WalMart.com
 - Costco.com
 - Amazon.com
 - Etc.

- Factory Dealers who fail to adhere to this policy will be subject to the following:
 - 1st Offense – Verbal Warning (Documented by RSM and placed in Dealer file)
 - 2nd Offense – Written Warning
 - 3rd Offense – 30 Day Account Hold
 - 4th Offense – 90 Day Account Hold
 - 5th Offense – Termination

M.A.P. Summary

Advertising practices that have the effect of reducing the advertised price below the level in the above Advertising Policy, such as, combining a product containing a SnowEx trademark or trade name with a "free" product or in a "package" with other products or with a discount coupon or promotional code or discounts with membership also violate the Advertising Policy. Advertisements containing phrases such as "click for price," "email for price," "email for best offer", or other similar phrases implies that the price will be below the suggested retail price is a violation of the Advertising Policy. Advertisements containing the specific phrase "call for price" will not be considered violations of the Advertising Policy. Advertisements that offer discounts greater than those complying with the policy must specifically exclude SnowEx products. An advertisement that offers or implies any price lower than the current suggested list price, less 10%, on trademarked products, will be a violation of the Advertising Policy. This Advertising Policy is not applicable to any in store advertising such as in-store displays or signs. It is a violation of the Advertising Policy for any of our distribution affiliates or Factory Dealers to support, supply, or in any way facilitate other dealers or affiliates whose advertising practices are in violation of the Advertising Policy. Any violation of this policy by a dealer or affiliate to whom the distribution affiliate or Factory Dealer provided SnowEx product will be considered a violation of the policy by the distribution affiliate or Factory Dealer.

WARRANTY

Limited Warranty

Snowex products are warranted for a period of two years from the date of purchase against defects in material or workmanship under normal use and service, subject to limitations detailed below. Warranty period of two years begins on the date of purchase by the original retail user.

The WARRANTY REGISTRATION CARD must be returned to the manufacturer for this warranty to become effective. This warranty applies to the original retail purchaser only. This warranty does not cover damages caused by improper installation, misuse, lack of proper maintenance, alterations or repairs made by anyone other than authorized Snowex dealers or Snowex personnel. Due to the corrosive properties of the materials dispensed by spreaders, Trynex does not warrant against damage caused by corrosion. Warranty claims by the user must be made to the dealer from where the product was purchased, unless otherwise authorized by Snowex. Snowex reserves the right to determine if any part is defective and to repair or replace such parts as it elects. This warranty does not cover shipping costs of defective parts to or from the dealer.

LIMITATION OF LIABILITY

Neither Snowex, nor any company affiliated with it, makes any warranties, representations or promise as to the performance or quality other than what is herein contained. The liability of Snowex to the purchaser for damages arising out of the manufacture, sale, delivery, use or resale of this spreader shall be limited to and shall not exceed the costs of repair or replacement of defective parts. Snowex shall not be liable for loss of use, inconvenience or any other incidental, indirect or consequential damages, so the above limitations on incidental or consequential damages may not apply to you.

NO DEALER HAS AUTHORITY TO MAKE ANY REPRESENTATION OR PROMISE ON BEHALF OF SNOWEX, OR TO ALTER OR MODIFY THE TERMS OR LIMITATIONS OF THIS WARRANTY IN ANY WAY.

2018-2019 PLOW PARTS PROGRAM

Parts Pricing: Dealers who participate in the SnowEx Plow Goods Early Order Program will receive 25% off retail price on service parts through the season and will be eligible for all the benefits off the Stocking Dealer Parts Freight Program. Dealers who also participate in the part stocking plans A or B will receive additional discounts and benefits described below. Parts price lists are available at www.cadcodist.com.

Plan A - \$1500-2499 at Dealer Net

- Receives Free Freight
- 28% discount for the entire season.
- ½ Nov. 1, ½ DEC. 1 2018 or 2% 10 days Cash Discount (orders received by 8/15/18)

Plan B - \$2500-UP at Dealer Net

- Receives Free Freight
- 30% discount for the entire season.
- 1/3 Nov. 1, 1/3 Dec. 1 2018, Jan. 1, 2019 or 3% 10 days Cash Discount (orders received by 8/15/18)

Parts Return

Dealers who participate in Plan A or B parts stocking program are eligible to return parts at the same time. Returns cannot exceed 25% of original stock order. All parts must be new, unused, and in the current price list. Electrical parts do not qualify. Parts not purchased from CADCo do not qualify. Request for returns must be placed with your 2017-18 parts stocking order. Dealers will be credited actual dealer coast, not current dealer net.

To receive full benefits, orders must be faxed or emailed and received by 8/15/18. Orders received after 8/15/18 will not receive dating or cash discount. Order will ship at CADCo's discretion between 9/1/18 and 11/01/18. Program ends 8/15/18. Only dealers who participate in the current SnowEx Whole Goods Early Order Program are eligible for the parts stocking program.

Parts Manuals

You can find owners and parts manuals online at www.snowexproducts.com Click on "Support" then "Parts and Service" then select "Service Publications Library".

2018-2019 PLOW PARTS PROGRAM

Stocking dealer parts freight policy

Service parts are those items that are light enough and small enough to be shipped easily and inexpensively via UPS. Service parts do not include "freight sensitive parts," which includes those parts with a low value compared to the cost to ship. **The charged freight for such "freight sensitive parts" will be our actual freight cost, regardless of ordering method or stocking status. Examples of freight sensitive parts are listed in item 9.**

1, Shipping and handling charge

A \$9.95 charge to cover freight, packaging, and material will be assessed for each service parts order over \$10.00, regardless of size, **excluding orders qualifying for free freight.** Backorders will be shipped free freight to dealers with open account status. COD charge will be added to all orders shipped COD, UPS currently charges \$12.50 which is subject to change by UPS. Orders under \$10.00 at dealer cost will be assessed a \$3.00 handling charge plus actual freight charge.

2, Qualifying free freight order for stocking dealers

Dealerships whose account is current and have fulfilled all Early Order Stocking Requirements will receive free freight on service parts shipments in excess of \$150 at dealer cost, **if the order is submitted via fax (855-442-2326 or emailed to parts@cadcodist.com.** No call-in add-ons are accepted. COD shipments are not included. Stocking dealers are dealers who have met the stocking requirements of one or more product lines distributed by CADCo.

3, Same day shipping

Orders placed by 3:00pm, Eastern Time. This relates to in-stock items only.

4, Drop shipments to retail customers for dealers

A dealer may request that we ship to their customer. This type of order requires special handling and can lead to increased errors as well as additional freight charges from our carriers for residential addresses. All orders for shipment directly to the end user will have a \$3 add-on handling plus the actual shipping charge by the carrier. The shipping and handling on drop shipped service parts orders is regardless of amount or line items.

2018-2019 PLOW PARTS PROGRAM

Stocking dealer parts freight policy...cont.

5, Discounts

Discounts are determined by individual product lines and subject to the stocking requirements described in dealer program for each product line.

6, Direct shipment from manufacturer to dealer

Different manufacturers have varying policies regarding direct shipments from their service parts stock to the dealership, rather than to CADCo and then on to the dealer. When permitted, we will arrange direct ships to the dealer, **but extra charges are usually assessed, and will be the responsibility of the dealer. Please be sure that you are aware of these charges before requesting this order method.**

7, Parts returns

Unless the error was caused by CADCo, pre-qualified parts returns will be assessed a restocking fee of 15% for stocking dealers of that product line, or 20% for all other parts returns. Only parts that are identified, in original packaging, and in re-saleable condition will be accepted. Notify CADCo within 10 days of receipt. The only exceptions to this return policy are noted with the pre-season service parts stocking programs on various product lines.

8, Service parts invoice due dates

Normal service parts orders are invoiced with net 30 terms and are due within 30 days of the invoice date. Preseason stock orders may carry longer terms.

9, Limited service area

Distribution territory varies by product line. Our contracts with manufacturers may limit our coverage to specific geographic areas.

10, Freight sensitive parts

Freight sensitive parts include all fluids (oil, paint) for all product lines; deck shells; frame components or weldments; augers; spreader drive assemblies; cutting edges; plow blades; all seats; large grass catchers; accessories; hitch mounts; all hazardous materials; all display materials; literature; fragile items like light bulbs or glass; LTL shipment items. Additional items might be added in the future.
