What's New – 2020

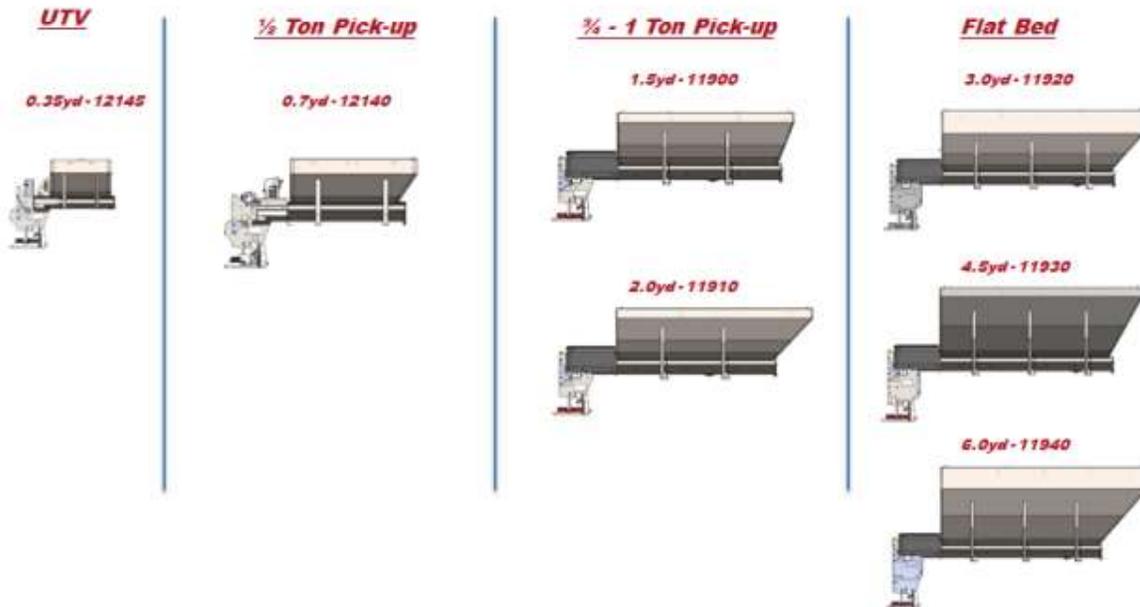

Helixx Stainless Steel Hopper Spreaders

The Helixx stainless steel hopper spreaders are unlike anything else on the market. Not only do they deliver the proven durability and corrosion-resistant benefits of stainless steel, but they also feature the exclusive Helixx material delivery system, a revolutionary design that helps prevent clogs and delivers a material flow superior to traditional augers.

Thinking about getting into pre-wetting or direct liquid applications (DLA), but not ready to make the leap to a sprayer? The Helixx is your answer. It's a triple threat – with the ability to not only spread material, but also be upgraded to add pre-wet and DLA capabilities. Simply add pre-wet tanks, a pump and spray kit and now you're in the brine business. No other spreader on the market is this flexible.

2020 Steel Hopper Model Line-up

Dealer Program Effective: May 15, 2020

What's New – 2020

Helixx Stainless Steel Hopper Spreaders

Helixx 1.5 to 6.0 cu yd

The new Helixx 1.4 and 2.0 cu yd stainless steel hopper spreaders are the right size for $\frac{3}{4}$ and 1 ton pick-up trucks. The larger size 3.0, 4.5 and 6.0 cu yd hopper spreaders are ideal for Class 3 through 6 vehicles, perfect for customers looking for more flexibility in route planning to treat more surfaces before having to refill.

Helixx 0.7 cu yd for Light Trucks

The new Helixx 0.7 cu yd stainless steel hopper spreader is right sized for today's most popular half-ton and light-duty trucks. Like the full-sized Helixx units, the 0.7 cu yd model provides excellent material flow, but in a more compact size that's better suited to handle smaller spaces and jobs.

Helixx 0.35 cu yd for UTVs

Apply consistent, controlled material delivery to smaller areas with the new Helixx 0.35 cu yd stainless steel hopper spreader. The 0.35 cu yd model is built with many of the same features as the larger stainless steel hoppers and is designed to fit UTV's and compact trucks.

What's New – 2020

HELIXX Spinner Cable Update

The spinner cable on the 3.5 and 5.0 cu yd POLY HELIXX and the 3.0 through 6.0 cu yd SS HELIXX models produced after 01/20/20 have been updated to a longer cable, making it easier to plug-in when the accessory chute extensions are used. If you have a model prior to this date with difficulties connecting the cable, please contact SnowEx technical service.

V-Pro Poly Hopper Update

All V-Pro poly hoppers have now been updated with the FLEET FLEX electrical system. This change comes with all new part numbers. The SP-2000 is replaced with PN: 32200. The SP-3000 is replaced with PN: 32300 and the SP-6000 is replaced with PN: 32600. Product is available now.

Terms and Conditions

DEALER ELIGIBILITY:

1. Dealer must place a qualifying Early Order of Spreaders and Parts / Accessories by Friday July 31, 2020 and accept shipment when equipment is available to ship.
2. Dealer must have an established line of credit with CADCO, as well as Wells Fargo Commercial Distribution Finance. Equipment on Wells Fargo Floor Plan will receive extending dating terms versus Equipment on CADCO Open Account.
3. Dealer must have adequate parts supply and offer service back up to handle the demands of the commercial plowing contractor.
4. Dealer must sign an Authorized SnowEx Dealer Agreement.
5. Dealer must place a qualifying parts stock order to be considered a dealer.

BUYING BRACKETS:

- **Pricing:** All whole good pricing can be found in this 2020 SnowEx Sales Program. This program is effective May 15, 2020. Pricing will change as per the new pricing schedule set forth from the SnowEx Factory on September 1, 2020. Program and Pricing are subject to change without notice. Possession of this program does not constitute an offer for sale.
- **Early Order Discount:** An Early Stock Order placed by July 31, 2020 will qualify for an Early Order Discount of 2%. The total number of Hopper / Tailgate Salt Spreaders ordered on the Early Order Program establishes the pricing bracket for reorders.
- **In-Season / Reorder Pricing:** This pricing is established at the time of Early Order placement. The total dollar amount of Spreaders ordered on the "Early Order" establishes the Season-Long reorder pricing bracket.

Early order period ends July 31, 2020. Orders received after July 31st will be tallied and placed within the corresponding pricing bracket. The Early Order Pricing Bracket will no longer be in effect after July 31, 2020.

Rollover Protection Program

CADCo will offer a rollover protection program for those dealers that placed a SnowEx Stock order this season and accept shipment of this Stock Order prior to September 1. This roll over program is available at any time after the Stock Order free dating period ends, inclusive of dating extensions. The dealer is required to complete the claim form on the next page for those items requesting to be rolled. The dealer may choose what equipment he would like to roll. The dealer also chooses the number of days of the additional time. Original dating terms apply to product that is not rolled. **The maximum amount of TOTAL combined floor plan dating is 15 months by law.** This additional time is available in 30 day increments only. The cost per each 30 day increment is .75%. This percentage, per month will be added to the cost of the product at the time of re-invoicing. Once the product is rolled with the new pricing, the full amount for that sold product is due in full when sold regardless of the new due date.

The CADCo Rollover Protection Program is an optional program. It is the responsibility of the dealer to inform CADCo, via the claim form found on the next page if you would like to participate.

Example: *A dealer wishes to roll an SP575X Tailgate Spreader for a period of 6 months. The originally invoiced amount on his stock order was \$1,181.*

(6 Months @ .75 % per month = 4.5%) (\$1,181/.955) = \$1237 = New Cost

Points of Interest:

- Only those dealers that place a Stock Order prior to July 31st, 2020 will qualify.
- Rollover only applies to the product purchased on the 2020 SnowEx Stock Order.
- All products must be rolled to Wells Fargo Floor Plan. No open account terms allowed.
- Dealer must allow 7 business days from the date CADCo receives the Roll-Over Claim form before product is actually rolled. Any interest incurred prior to the roll over date is the responsibility of the dealer.
- Dealer may choose what products to roll.
- Dealer may choose when to roll the product. (The dealer may choose to wait for a period of time after the original due date).
- Dealer's account status must be in good standing with both CADCo and Wells Fargo to qualify for the Rollover Protection Program.
- **The maximum amount of TOTAL combined floor plan dating is 15 months by law.**

Tailgate Mounting
Cross Reference

In an effort to clarify the dealer's ability to properly quote tailgate units, the following matrix has been developed to use as a cross reference for your ease in selecting the correcting mount. Please keep in mind some units come standard with receiver mount hitches. This information is also available on the last page of the Full Line Catalog.

Units with 2" Receiver Hitch INCLUDED in the standard product offering:

Unit	2" Receiver	Drop Utility	3-Point	Pivot	Trailer	Utility
SR-210	Included Standard	DRM-175	TPM-175	N/A	TLR-175	UTM-175

Advertising Co-op

SnowEx and CADCo will contribute 50% towards the cost of advertising which meets the following requirements:

1. Co-op only applies to the portion of the ad that's dedicated to SnowEx. Advertising must mention SnowEx to qualify for CO-op. Advertising that contains competitive product is ineligible.
2. Approved media includes: Direct Mail, Newspaper, TV, Radio, Trade Show Space, Open houses, Digital Advertising, Merchandise, Yellow pages, Truck wraps and Billboards. Other reasonable requests will be considered but a pre-approval is required.
3. SnowEx will not deal directly with your local media. It is your responsibility to deal with your selected local media and to submit claims for CO-op reimbursement.
4. SnowEx advertising placed by a SnowEx dealer in another's hometown does not qualify for CO-op reimbursement.
5. The following do not qualify for CO-op:
 - Any agency production, administration and commissions fees.
 - Maintenance, management, setup and enrollment fees.
 - Website development, maintenance or hosting fees.
 - Any other production costs for television or radio broadcast, talent or announcer fees.
 - Costs of printing, distribution or design of sales literature or supplies to print sales literature.

Co-op dollars are accrued at 2% of your purchases from CADCo, at dealer cost. The accrual period is July 1, 2020 through Feb 1, 2021.

*Minimum Advertised Price (MAP) &
Internet Sales Policy*

M.A.P. PRICING:

The sale and service of SnowEx® Snow and Ice Control products are backed by a network of carefully chosen Factory Dealers. Note: “Factory Dealers” refers to both Factory Direct Dealers and Factory Authorized Dealers. As a result, these Factory Dealers are expected, at all times, to maintain an adequate inventory of whole goods along with service parts and accessories. Additionally, SnowEx Factory Dealers are required to have adequate service facilities on site, and to also maintain an appropriate staff of factory trained service technicians in order to provide local aftermarket service for SnowEx products (whether they sold them or not) and should benefit from those investments. SnowEx does not drop ship their products to anyone other than their distribution affiliates and approved Factory Direct Dealers. Furthermore, SnowEx expects their Factory Dealers to respect their trademarks, trade names and copyrighted materials.

As a result, continuing with the 2020-21 season, we have maintained the following Advertising Policy. Additionally, all SnowEx Factory Dealers are responsible for making sure that any and all of their dealer partners maintain compliance with this policy at all times:

M.A.P. / Internet Sales Policy Guidelines:

- Factory Dealers may **NOT** publish and/or advertise pricing for plows that is below/less than **20%** off current Suggested List Price for PLOWS and **10%** for all other products in conjunction with any trademark or copyrighted material connected with a SnowEx product.
- This policy covers all forms of media including, but not limited to:
 - ❖ Internet/Web Sites
 - ❖ E-Mail Blasts
 - ❖ Print
 - ❖ TV
 - ❖ Radio
 - ❖ Direct Mail
 - ❖ Billboard
- Factory Dealers may NOT post current, new/unused SnowEx equipment (exception is made for non-current items no longer in current published price book) for sale on “auction” sites such as, but not limited to:
 - ❖ eBay
 - ❖ Craigslist

2020

Dealer Program
Effective: May 15, 2020

*Minimum Advertised Price (MAP) &
Internet Sales Policy- continued*

M.A.P. PRICING: (Continued)

- Dealers may NOT partner with and/or post for sale, current, new/unused SnowEx equipment on 3rd party websites associated with retail operations. These sites can include, but are not limited to:
 - ❖ WalMart.com
 - ❖ Costco.com
 - ❖ Amazon.com

- Factory Dealers who fail to adhere to this policy will be subject to the following:
 - ❖ 1st Offense – Verbal Warning (Documented by RSM and placed in Dealer file)
 - ❖ 2nd Offense – Written Warning
 - ❖ 3rd Offense – 30 Day Account Hold
 - ❖ 4th Offense – 90 Day Account Hold
 - ❖ 5th Offense – Termination

M.A.P. Summary:

Advertising practices that have the effect of reducing the advertised price below the level in the above Advertising Policy, such as, combining a product containing a SnowEx trademark or trade name with a “free” product or in a “package” with other products or with a discount coupon or promotional code or discounts with membership also violate the Advertising Policy. Advertisements containing phrases such as “click for price,” “email for price,” “email for best offer”, or other similar phrases implies that the price will be below the suggested retail price is a violation of the Advertising Policy. Advertisements containing the specific phrase "call for price" will not be considered violations of the Advertising Policy. Advertisements that offer discounts greater than those complying with the policy must specifically exclude SnowEx products. An advertisement that offers or implies any price lower than the current suggested list price, less 10%, on trademarked products, will be a violation of the Advertising Policy. This Advertising Policy is not applicable to any in store advertising such as in-store displays or signs. It is a violation of the Advertising Policy for any of our Factory Dealers to support, supply, or in any way facilitate other dealers or affiliates whose advertising practices are in violation of the Advertising Policy. Any violation of this policy by a dealer or affiliate to whom the Factory Dealer provided SnowEx product will be considered a violation of the policy by the affiliate or Factory Dealer.

Warranty

Limited Warranty

Snowex products are warranted for a period of two years from the date of purchase against defects in material or workmanship under normal use and service, subject to limitations detailed below. Warranty period of two years begins on the date of purchase by the original retail user.

The WARRANTY REGISTRATION CARD must be returned to the manufacturer for this warranty to become effective. This warranty applies to the original retail purchaser only. This warranty does not cover damages caused by improper installation, misuse, lack of proper maintenance, alterations or repairs made by anyone other than authorized Snowex dealers or Snowex personnel. Due to the corrosive properties of the materials dispensed by spreaders, Trynex does not warrant against damage caused by corrosion. Warranty claims by the user must be made to the dealer from where the product was purchased, unless otherwise authorized by Snowex. Snowex reserves the right to determine if any part is defective and to repair or replace such parts as it elects. This warranty does not cover shipping costs of defective parts to or from the dealer.

LIMITATION OF LIABILITY

Neither Snowex, nor any company affiliated with it, makes any warranties, representations for promise as to the performance or quality other than what is herein contained.
