4. There was no public input.
5. Mr. Lee Edminson, Facilities Manager for ACS gave an update on current projects within the system:

**James Cowart - Roof**

PSCA project...have the approval to start, but

Received an email from the contractor “experienced even more problems with Supply Chain issues on roofing material...currently looking at early Sept to receive material...”

**Clinton Street - Gym HVAC**

Delivery Date mid-July

**Rec Center - HVAC**

After the location of the UG utilities unit will be put on the North side - package unit duct up through the window

Received drawings today for review

**Stadium - Bleacher Coating**

All new handrails are installed

Not pleased with half of the lower coating - having them re-do

All but the roof has been painted - need cooler weather to finish

Pressure washing continues

**Stadium - Track**

Track surface removed

We are working with contractor on a schedule to remove the asphalt / placement of new asphalt

**Athens Elementary - New Building**

95% of the trusses onsite - about 90% are placed

Window delivery is still August...temporary windows are in place

Brick is pretty much done...connector to gym and finish up around entrances

Shingles are complete to the trusses being installed

First coat of paint in A & B complete

Ceiling grid being installed in A

Storefront frames & glass has started at all entrances  
We have several HVAC units onsite still missing coils for outside air units  
HVAC refrigerant lines are currently being run in all areas  
The air barrier between the bottom of trusses and roof deck is completed in A and started in B  
Once Athens Utilities begins electrical work, we will install casework, flooring, doors, ceiling tiles, etc.  
We are looking at bringing in a generator and some supplemental AC Units until permanent power is obtained
