

## **DEVELOPMENT OF HANDBOOKS, SCHOOL COURSE CATALOGS, AND DISTRICT PLANS**

The Superintendent is authorized to establish collaborative processes for the development and/or revision of handbooks, school course catalogs, and district plans, including but not limited to:

- Student Handbooks
- Employee Handbooks
- School Course Catalogs
- District Strategic Plan
- District Technology Plan
- District Library Media Plan
- District Counseling Plan

These handbooks, school course catalogs, and district plans shall be subject to review and approval by the Board.
