

## EXTRA DUTIES

Extra work related duties associated with the school's curriculum may be assigned to and/or requested by certified personnel employed by the school system. When extra duties related to the curriculum are assigned to said personnel, the following provisions will apply:

1. Extra duties will not be assigned during regular school hours that require certified teaching personnel to be removed, on a continuing basis from teaching responsibilities.
2. Duties assigned should be reasonable and in support of accomplishing the overall educational objectives.
3. Extra duties will be assigned on a fair and equitable basis, taking into consideration the nature of the activity, and the expertise of teacher involved.

The curriculum is defined as any activity that occurs in the name of the school (school plays, athletic contests, math team competition, social events, etc.).
