

TUTORING FOR PAY

Remuneration

Certified personnel shall not receive pay or its equivalent for out-of-school tutoring of students in their classes when the outside tutoring is in subject areas taught during the regular school day by said employees. Tutoring for any form of remuneration shall not be done during regular school hours.

Use of School System Facilities, Equipment, Materials, or Supplies for Tutoring

Certified personnel shall not under any circumstances use School System facilities, equipment, materials, testing materials, or supplies for private tutoring for personal gain, except that textbooks and non-consumable materials (those no longer on the current adoption list) may be consigned to certified employees by their immediate supervisor for use in tutoring students enrolled in a school in the School System.
