## VOTING

Voting shall be as directed by the president or as indicated by the majority of the members present and voting.

All motions, names of members making said motions, and those who vote "yes", "no", or abstains, except on unanimous votes, shall be recorded.

There shall be no representation by proxy of any board member at any time. All members present may speak on any issue, offer and second motions, and vote. The voting method shall be determined by the board. All voting shall be done by open ballot.
