

PUBLIC PARTICIPATION IN BOARD MEETINGS

All delegations or individuals who wish to appear before the board shall submit their written requests to the superintendent at least four days prior to the meeting date, stating what matters they wish to take up with the board and the approximate time such matter should consume at the meeting. Such items will normally be included on the agenda of the meeting at which the delegation or individual wishes to appear before the board. Each delegation appearing before the board shall select one person in advance as its spokesperson.

The president of the board may recognize persons at the board meetings for the purpose of introducing such persons, and allowing such persons to speak on an agenda item. However, a person is not entitled to speak on issues that are not on the agenda for that meeting. A time limit may be imposed at the discretion of the board president.
