

MAJORETTE AND FLAG CORPS REGULATIONS

The Athens Board of Education believes the purposes of majorette and flag corps members are to promote school spirit and to provide an opportunity for students to participate in a leadership development activity. The Board approves and supports activities designed to accomplish these purposes.

In an effort to protect students who may participate as majorettes and flag corps members and to protect the interest of Board employees and the Board, the following are adopted as Board policy.

1. Each majorette and flag corps member is to be placed under the direction of a certified Board employee. This employee will serve as the coach or sponsor of each squad.
2. Each majorette and flag corps sponsor or coach must be in attendance and actively direct all squad functions, practices, and performances.
3. Prior to participating in any majorette and flag corps activity, including try-outs, each student must present evidence from a medical doctor that the student is in appropriate physical condition to participate in such activities.
4. All students participating in majorette and flag corps squad activities must be insured by a medical insurance policy.
