

Kindergarten

Application Process and Checklist

ELIGIBILITY

To be considered for admission for the school year 2024-2025:

- Male applicants must be five years old by July 1, 2024.
- Female applicants must be five years old by September 1, 2024.

REQUIRED STEPS:

Create an online [myPueo](#) account.

Complete the Parent/Guardian Summary

The perspective provided by parents/guardians is highly valued. The Parent/Guardian Summary is an opportunity for parents/guardians to provide information about the unique qualities of the student, family, and interest in Mid-Pacific.

Schedule a Kindergarten Assessment

After the application form and fee have been submitted, applicants will be scheduled by the admissions office for a 90-minute assessment. While applicants are completing their assessment, parents/guardians will learn more about Mid-Pacific and the kindergarten program. Please contact the admissions office if residing off-island for a virtual option.

Submit a Teacher Reference Report

Delegate the Teacher Reference Report to the applicant's current teacher through the checklist in myPueo. Mid-Pacific must receive the completed Teacher Reference Report from the teacher.

Upload Current Year Progress Report / Report Card

Upload in myPueo the applicant's most recent progress report or report card.

OPTIONAL RECOMMENDED STEPS:

• Schedule a campus tour

• Upload Kindergarten video

Provide a 2-minute video of the applicant at play or doing an activity of interest.

• Attend a Parent/Guardian Virtual Follow-up Meeting (Parents/Guardians Only)

A 20-minute virtual parent/guardian follow-up meeting may be scheduled after the applicant has completed the assessment. This is an opportunity for parents/guardians to receive feedback from the assessment.

FOR INTERNATIONAL APPLICANTS ONLY:

• Upload Passport

• Upload Visa (if applicable)

• Complete the International Supplement Form

The International Supplement Form allows parents/guardians to provide information about the applicant's anticipated immigration status and living arrangements upon enrollment.
