

Matching Gifts

You can double your generosity to Mater Dei High School through a matching gift. Many companies offer their own programs to match dollar-for-dollar employee charitable giving through a contribution directly to the organization of your choice.

Find out if your company offers a matching gift program:

1. Ask your HR department if your company offers a matching gift program. Even if you don't see your employer listed below, it may still may be a benefit they offer their employees (sometimes this information is available on a company employee online portal).
2. Fill out the form provided by your HR department and mail to 1300 Harmony Way, Evansville, IN 47720, Attn: Mallory Hertel

Below are just a few of the organizations that offer matching gifts to their employees.
