Watch this video for instructions on how to complete your course selection in Infinite Campus. Some things to note:

****Everyone MUST chose 15 courses PLUS 5 alternate courses.**

**If taking released time you will choose 13 and 5 alternates.

**You will not pick Math. It will be assigned by teachers. But leave space for 2-3 Math credits in your 15 choices.

**Courses at ISU or other schools are in addition to the 15/5 and you will fill out the concurrent enrollment form (instructions below)

** You do not need to print your course selection.

** Don't forget to **save!!!!** It doesn't save automatically.

** Read the instructions and documents below if you have any questions.
