36 the specific and express terms of this Agreement, by statutory rights of unit members and/or
37 CSEA, and then only to the extent such specific and express terms are in conformance with
38 law. Further, in setting forth the above mentioned rights of the District, it is not the
39 intention of the parties to detract from or diminish in any way the statutory rights of CSEA
40 to represent unit members under the Act.
41
- 42 C. The District retains its right to amend, modify, or rescind policies and practices referred to
43 in this Agreement for the duration of an emergency. An emergency shall be defined as

1 **ARTICLE III**

2
3 **Association Rights**

4
5 A. The CSEA shall not communicate with employees in person or by phone during the
6 employees’ working hours. Any exceptions must be authorized in advance by the Director
7 of Employee Relations Services. During normal hours of operation, upon twenty-four (24)
8 hour advance request and approval of the department head/site administrator, the District
9 agrees to grant to the CSEA access to designated locations for the transaction of
10 Association business with employees on non-duty time. Upon arriving at a work site the
11 CSEA representative will first report to the department head/site administrator to arrange
12 details of the visit. It is agreed that for purposes of this Section, “non-duty times” are
13 before and after the scheduled workday, during the scheduled lunch and break periods of
14 each employee.

15
16 If the District advises the CSEA Executive Board of an alleged violation of the provisions
17 of this Section, the Executive Board agree to investigate and take action they deem to be
18 appropriate.

19
20 B. The District agrees to provide the CSEA the use without charge of not more than one-
21 fourth (1/4) of the total area of at least one (1) designated employee Association bulletin
22 board at each facility. Such bulletin board will be identified by the immediate supervisor
23 of the facility and labeled “CSEA Business”.

24
25 C. The District authorizes the CSEA to use District facilities and buildings only with the
26 approval of the principal/site administrator or designee and, when applicable, submission
27 and approval of the proper Civic Center Act form. The CSEA agrees to leave facilities and
28 buildings in a clean and orderly condition.

29
30 D. The District agrees that upon advance request the immediate manager/supervisor of the
31 building or facility may grant CSEA the occasional use of District office equipment,
32 dependent upon the following conditions:

- 33
- 34 1. Use of equipment occurs outside the duty hours of the employee who must also be
35 qualified to use the equipment;
 - 36 2. Use does not interrupt or interfere with the normal student educational program or
37 work production of the District;
 - 38 3. CSEA shall pay within thirty (30) days after receipt all bills for the costs of
39 materials and supplies incident to the use of the equipment.
 - 40 4. CSEA request shall be made through job representatives or officers;
 - 41
 - 42
 - 43
 - 44

1 5. The District reserves the right to withdraw this provision after five (5) days written
2 notice to CSEA for violations of the above or misuse by CSEA authorized
3 personnel.
4

5 E. The District shall provide CSEA Long Beach Chapter 2 with a complete list of bargaining
6 unit members' names and other information in accordance with the March 20, 2018 AB119
7 Memorandum of Understanding entered into by the District and CSEA.
8

9 F. All requests by CSEA for necessary and relevant information shall be made to Employee
10 Relations Services. CSEA may inspect at a reasonable time any specific non-confidential
11 lawful document in the possession of the District. CSEA agrees to reimburse the District
12 for the reasonable costs of reproducing any such document the Association wishes to
13 purchase. CSEA agrees to provide the District at cost with copies of Association reports
14 necessary for the District to discharge its responsibilities under this Agreement. The parties
15 also agree to place grievances that are dependent on said information in abeyance until the
16 information is provided to the requesting party.
17

18 G. **RELEASE TIME FOR ASSOCIATION REPRESENTATIVES**
19

20 1. **Meet-and-Negotiate.** The District agrees to authorize release time for no more
21 than eight (8) CSEA representatives per unit to participate in meet-and-negotiate
22 sessions with the District, but not more than one (1) representative from any given
23 site, shop, or office, excluding the Chapter President and Vice President from each
24 Unit. Release time for these meetings will not be charged to Association leave. In
25 addition, the District agrees to authorize release time for a reasonable number of
26 designated CSEA representatives to present grievances in the steps outlined in this
27 Agreement.
28

29 2. **Job Stewards.** CSEA agrees to provide the District with an up-to-date list of
30 authorized representatives by job classification and work location and to advise
31 Employee Relations Services in writing of any changes.
32

33 The CSEA representatives shall notify Employee Relations Services at least
34 twenty-four (24) hours prior to the use of authorized released time. Notification
35 must be made to an actual person in Employee Relations Services rather than voice
36 mail to assure that proper lead time may be given to the affected school or office.
37

38 To the extent required by law, job stewards shall be provided release time to attend
39 unit member grievances and/or investigatory meetings, including meetings
40 concerning reasonable accommodations for disabilities under the American with
41 Disabilities Act. As a prerequisite, the unit member must reasonably believe that
42 the meeting will lead to an adverse employment action.
43

44 3. **Personnel Commission.** The District agrees to release a maximum of three (3)
45 CSEA Chapter representatives to meet with the Executive Officer, Personnel
46 Commission and Classified Employment prior to each Personnel Commission
47 meeting as needed. The District agrees to release one (1) CSEA representative per
48 Unit to attend Personnel Commission meetings. A Personnel Commission meeting

1 agenda will be provided to CSEA prior to each meeting. All released time for
2 activities enumerated in this paragraph will be charged to Association Leave.

3
4 4. **Board Meetings / District Management.** The District agrees to release one (1)
5 CSEA Chapter representative per Unit, as needed, to attend Board meetings and
6 three (3) to five (5) representatives to attend meetings with District management as
7 needed but not more than two (2) representatives from any given site, shop, or
8 office. As an exception, more than 2 representatives may attend when the called
9 meeting regards a specific site, shop or office concern. All release time for
10 activities enumerated in this paragraph will be charged to Association leave.

11
12 5. **Association Leave.** Upon proper application and approval, the District will grant
13 to the combined bargaining units (A and B) a total of one hundred thirty (130) days
14 Association Leave per fiscal year for unit members to conduct or to participate in
15 CSEA business. The CSEA president or designee shall submit in writing the names
16 of unit members who are authorized to use the days to Employee Relations
17 Services. Approval for such Association Leave must be secured at least two (2)
18 working days prior to the anticipated absence. Following the District’s payment of
19 the employee for the Association Leave, the District shall be reimbursed by the
20 CSEA Long Beach Chapter 2 for the cost of the substitute (if the services of a
21 substitute were utilized) as well as the District’s contribution to the employee’s
22 retirement fund. CSEA Long Beach Chapter 2 shall be invoiced quarterly. Such
23 reimbursement shall be made within ten (10) days following CSEA’s receipt of the
24 District’s certification of payment of compensation to the employee.

25
26 6. **CSEA Chapter President Leave.** The District agrees to provide the CSEA Chapter
27 President (or his/her designee) up to a total of one thousand forty (1,040) hours of
28 release time per fiscal year to perform the collective business of the District and the
29 Association. CSEA shall reimburse the District for the cost of any substitute used to
30 cover the CSEA Chapter President position during his/her absence.

31
32 7. The District agrees to authorize release time to the officers and unelected classified
33 bargaining unit members of the CSEA as provided for in Education Code, Section
34 45210. The District shall be reimbursed by the Association for such leave.

35
36 The CSEA shall notify Employee Relations Services at least twenty-four (24) hours
37 prior to the use of release time. If less than twenty-four (24) hours, the Association
38 shall notify Employee Relations Services via email, FAX or telephone of the
39 anticipated need. The parties may mutually agree to waive the twenty-four (24)
40 hour timeline.

41
42 8. In January, April, July, and October of each year, Employee Relations Services
43 (ERS) will provide a quarterly summary of usage of Association Leave, Job
44 Stewards, and CSEA State Leave as provided for in Education Code, Section
45 45210, to the Chapter President. The summary will include_name, date, hours, and
46 the type of leave.

1 H. As soon as practical after completion of the final ratified Agreement, the District shall
2 arrange for the printing of copies of this Agreement for distribution to current and future
3 bargaining unit employees upon written request within ten (10) working days. The
4 agreements will be available on the Employee Relations web page and the link shall be
5 emailed to bargaining unit employees following negotiations.
6

7 I. The District agrees to provide CSEA with a copy of bulletins or memoranda specifically
8 designed to interpret implementation of the collective bargaining Agreement prior to
9 general distribution.
10

11 J. **CHAPTER SCHOOL APPLICATIONS.** The District and CSEA agree that, upon
12 receipt of a charter proposal from a group of charter petitioners, the District will forward a
13 copy of the proposal to CSEA.
14

15 K. **STAFF DEVELOPMENT.** The District and the CSEA agree that continuing training and
16 staff development for classified employees are very important. They further agree that
17 continuing study and discussion need to occur relative to continued expansion of staff
18 development activities for classified employees. The District is committed to providing
19 classified staff with continuing training opportunities to assist them in performing their
20 current jobs and to prepare them for promotional opportunities. The CSEA is encouraged
21 to submit to the District in-service topics/ideas which would be of value to classified
22 employees for staff development training. This provision applies to staff development
23 and training provided by the Personnel Commission. A committee shall be created to make
24 recommendations for professional development opportunities in accordance with AB 1808.
25 The committee shall be composed of up to a total of five (5) CSEA representatives of
26 different classification and up to a total of five (5) district personnel.
27

- 28 1. Employees will be encouraged to participate in the programs that are offered by the
29 Personnel Commission.

The CSEA shall have the exclusive right to decide and determine whether any such action or proceedings referenced in the above paragraph shall or shall not be compromised, resisted, defended, tried, or appealed.

ARTICLE V

Compensation

A. PAY AND ALLOWANCES.

1. **Regular Rate of Pay.** The regular rate of pay for each position in the bargaining unit shall be in accordance with the rates established for each classification as provided for in the Salary Schedule and Appendix B, which is by reference incorporated as a part of this Agreement. All compensation due for work accomplished within a given classification shall be at the rate established for that classification. The regular rate of pay shall include any shift differential.

2. **Frequency - Monthly.** All permanent and probationary employees in the bargaining unit performing regular monthly service shall be eligible to be paid twice a month by requesting a salary advance through the Payroll Branch. In the event the District finds it necessary to modify payroll procedures in order to pay employees twice a month or to change the number of pay periods over which employees are compensated, the District shall provide the employee at least ten (10) day notice before implementation of the new payment schedule. If the normal pay date falls on a holiday, the paycheck shall be issued on the preceding workday. In the absence of a request for a salary advance, the employee shall be paid according to the District’s existing payroll system.

The CSEA agrees to work with the District to encourage employees to opt for electronic deposit of pay warrants.

3. **Payroll Errors.** Proper salary classification and step placement is a joint responsibility of the employee and the District. All employees are to review their salary placement at least annually and should they believe that they are improperly placed on the salary schedule, they are to bring this information to the attention of the District immediately. Any payroll error resulting in insufficient payment for an employee in the bargaining unit shall be corrected, and a special payroll revolving fund check issued after the Payroll Branch has received a written notification from the employee and has verified the error and the amount of the underpayment in a reasonable amount of time. Employees shall request in writing a special revolving fund check. For each day in excess of five (5) working days that the payroll error is not corrected, the employer shall pay a penalty of twenty percent (20%) per annum.

If the revolving fund check is not requested, the supplemental amount will be included in the next regular paycheck following verification of the error and shall not include any penalty.

Should the incorrect salary placement result in an overpayment, the employee shall, upon realizing the fact or upon notification from the District, repay the full amount

1 of such overpayment based upon a repayment schedule developed by the Executive
2 Director, Fiscal Services or designee and the employee. The repayment period
3 should not be longer than the period during which the employee was overpaid
4 except that such repayment schedule shall not result in more than twenty percent
5 (20%) in the take-home pay being withheld from any single pay warrant. In the
6 event of any payroll error, such error shall be corrected retroactively for a period of
7 up to three (3) years from the date the error was discovered.
8

- 9 4. **Mileage.** Any employee in the bargaining unit using his/her vehicle on District
10 business shall be reimbursed at the current Internal Revenue business mileage rate
11 for all miles actually driven on behalf of the District. The mileage computation
12 shall include mileage necessary to return to the employee’s normal job site after the
13 completion of District business except that no mileage computation shall include
14 travel to or from the employee’s home on a normal workday. All mileage costs for
15 emergency calls outside of normal working hours shall be reimbursed. This amount
16 shall be payable in a separate warrant drawn against District funds upon timely
17 submission of the claim by the employee in the bargaining unit.
18

19 No employee in the bargaining unit shall be required or allowed to use a personal
20 vehicle in the conduct of District business during working hours except through
21 mutual consent of the employee and the District.
22

- 23 5. **Vehicle Allowance.** Any employee in the Unit authorized to use a personal vehicle
24 on District business shall receive a vehicle allowance of one hundred dollars (\$100)
25 per month in addition to mileage. Insurance must be maintained by the employee
26 as required by law on said vehicle. District liability insurance is in excess of the
27 personal insurance of the employee.
28

- 29 6. **Vandalism.** While on District business, in the event an employee’s vehicle is
30 damaged as a result of vandalism, the District will reimburse the employee for the
31 insurance deductible payment in an amount not to exceed five hundred dollars
32 (\$500) per incident.
33

34 The above is contingent upon all of the following:
35

- 36 a. The employee secures a police report regarding the vehicular vandalism
37 within twenty-four (24) hours of the incident.
38
39 b. The damaged vehicle was parked at an appropriate location while the
40 employee was required to be engaged in District business.
41
42 c. The employee provides the Risk Management Branch with evidence of the
43 amount of insurance deductible payment actually made by the employee.
44
45 7. **Tool Provisions.** All Unit B employees will provide their own hand tools as
46 required for each job classification/position.

- 1
2 a. A Tool Committee shall be established, consisting of one (1) employee from
3 each classification affected and up to an equal number of District personnel.
4 The committee shall meet at least once every year.
5
6 b. It shall be the responsibility of the Tool Committee to:
7
8 (1) Determine by job classification, necessary tools, and quality
9 standards.
10
11 (2) Determine which tools will be provided by the employee and which
12 tools and equipment will be made available by the District for
13 checkout.
14
15 c. The security and good repair of the employee’s hand tools are the
16 responsibility of the employee. An annual tool inventory will be conducted
17 by the District and the employee shall replace any hand tools required for
18 his/her classification/position. In the event of theft and upon filing of the
19 required reports and completion of any necessary investigation,
20 appropriately secured hand tools will be replaced by the District.
21

22 8. **Meal Reimbursement.**

- 23
24 a. Any employee in the bargaining unit who, as a result of a work assignment
25 or conference attendance, is authorized to have a meal(s) away from the
26 District, or at Catalina Island, shall be reimbursed according to currently
27 established District policy upon timely submission of the expense claim.
28 Catalina Island is part of the District; therefore, no reimbursement will be
29 made for meals unless overnight lodging is required.
30
31 b. **Bus Drivers’ and Truck Drivers’ Extended Trips.** Upon prior approval,
32 any driver on an overnight trip assignment shall be reimbursed for all meals
33 in accordance with rates set forth in Paragraph 8a. above. Reimbursement
34 will be provided for a second regular meal that must be taken on the same
35 extended trip of eight (8) hours or more.
36

37 9. **Required Travel and Lodging for Occasional Work on Catalina Island.** Any
38 employee in the bargaining unit who, as a result of his/her work assignment, must
39 travel to and be lodged on Catalina Island shall:
40

- 41 a. Travel on a District approved carrier which will be billed to the District;
42
43 b. Stay in private accommodations at a District-approved commercial facility
44 at District expense.
45

- 1 10. **Compensation for an Employee Working in a Higher Classification.** An
2 employee may be required to perform duties not a part of his/her classification as
3 provided in this Section.

4
5 If a unit member is assigned duties in a higher classification, not a part of his/her
6 classification, the first five (5) days (forty [40] hours or prorated portion thereof for
7 less than full-time personnel) of such assignment are considered
8 training/experience and not subject to additional compensation. If assigned to such
9 duties in excess of a total of five (5) days, the employee shall have his/her salary
10 adjusted upward for each day he/she is required to work in a higher classification
11 beyond the first five (5) days.

12
13 When an employee has his/her salary adjusted as a result of being assigned to work
14 in a higher classification in excess of five (5) days, the employee shall receive the
15 regular rate of pay for that higher classification at the step within the range that will
16 guarantee a minimum equivalent of a two (2) range (five and one-half percent
17 [5.5%]) increase above the employee’s regular rate. In no event, however, shall the
18 higher rate be greater than (the maximum step) of the higher classification.

19
20 Exception: Employees on reemployment lists as a result of layoff, who are
21 temporarily assigned (upgraded) to their former classification, will have their salary
22 adjusted upward from the first day of work in that former classification.

- 23
24 11. **Compensation During Required Training.** An employee who in order to
25 continue his/her employment is required to attend training sessions authorized in
26 advance by his/her department head/site administrator shall be compensated at the
27 appropriate rate for the day and time of the training. Also, all required costs for
28 transportation, registration, and supplies arising from a mandated program shall be
29 paid by the District.

- 30
31 12. **Uniforms.** If uniforms or protective clothing are required for any unit employee,
32 the cost of purchase, lease, rental, or replacement of such clothing, equipment,
33 identification badges, emblems, and cards shall be borne by the District. A
34 Uniform/Protective Clothing Committee consisting of equal numbers of CSEA and
35 management shall make advisory recommendations to the appropriate budget
36 administrator.

- 37
38 13. **Replacing or Repairing Employees’ Property.** The District shall compensate all
39 bargaining unit employees for loss or damage to personal clothing and property
40 arising from an on-the-job accident which is formally reported to Business Services
41 on the appropriate form. (Bodily injury is not necessary to qualify for this benefit.)
42 Upon proper submission of the claim and approval by the Chief Business and
43 Financial Officer, the claim shall be paid according to the commercial warrant cycle
44 for such claims. As per Labor Code, Section 3208, personal property is defined as:

15. **Certificate of Absence.** Upon request, an employee will be provided a copy of the Certificate of Absence on file with the payroll clerk.

16. **Catalina Island Employees.** In each year, Catalina Island employees shall receive a travel expense allowance. For 2021-2022, the allowance is \$1153.78, plus any negotiated percentage increase. Each year thereafter, the allowance will be adjusted by the same percentage as the salaries of Unit members. Employees who work and reside on Catalina Island shall receive a Branch Assignment Premium as provided in the salary schedule (CCR 571 (a)).

Employees working less than full time and/or those working only a portion of the year shall receive a share of the travel expense allowance proportionate to the time worked.

Upon employee request, the District shall provide costs not to exceed two hundred fifty dollars (\$250) for moving possessions and an automobile to Catalina Island.

The District shall pay employee costs of routine transportation to and from in-service training meetings required by the District.

17. **Promotion.** Any employee receiving a promotion shall be moved to the appropriate range and step of the new classification to ensure not less than a minimum equivalent of a two (2) range (five and one-half percent [5.5%]) increase above the employee’s regular rate, but in no case greater than the maximum in that new classification.

18. **Initial Step Placement.** New employees normally shall be hired at the first step in the salary range for the classification. New employees with exceptional or unusual qualifications may be employed at higher steps in the salary range by recommendation of the District and action of the Board of Education.

19. **Steps In Salary Range.** Except as permitted by Section A.16. above, each employee shall advance to the next higher step in the applicable salary range as follows:

Step A: First day of assignment through completion of probation (typically, six [6] months or one hundred thirty [130] days of actual paid service in a regular assignment, whichever is longer).

1 Step B: The day following completion of probation (which is known as the
2 employee’s increment date) through completion of one (1)
3 additional year of service.

4
5 Step C: The employee’s increment date through completion of one (1)
6 additional year of service.

7
8 Step D: The employee’s increment date through completion of one (1)
9 additional year of service.

10
11 Step E: The employee’s increment date through completion of one (1)
12 additional year of service.

13
14 For purposes of step advancement, a year of service is one in which the employee
15 has been compensated for at least fifty percent (50% of his/her regular work year.

16
17 **B. HEALTH AND WELFARE BENEFITS.**

18
19 1. **Employee Eligibility.** All probationary and permanent employees working fifty
20 percent (50%) or more of a full time assignment are eligible for health, dental,
21 vision, and life insurance benefits. All other employees shall be eligible to purchase
22 benefits by individually paying premium expenses through the Risk Management
23 Branch at rates established by the District carrier. Effective beginning the 2021-
24 2022 insurance year and each insurance year thereafter, the District’s health benefit
25 contribution shall be pro-rated for less than full-time unit members, except that the
26 District shall contribute up to 50% of the pro-rated premium for the lowest cost
27 District HMO medical plan available if such plan is selected by the employee.
28 Effective beginning the 2022-2023 insurance year and each insurance year
29 thereafter, part time employees employed on Catalina and living on Catalina, will
30 be eligible to enroll in the District provided PPO plan to the same proration rate as
31 all other part time employees pay for the lowest District HMO medical plan.

32
33 a. All coverage is effective the first day of paid service or the first paid day
34 upon return from an unpaid leave of absence.

35
36 b. Any employee in unpaid leave status for a period in excess of thirty (30)
37 calendar days may continue health and welfare benefit coverage as provided
38 in this Article by personally paying the premiums. The percentage of the
39 annual premiums to be paid shall be the same as the percentage of the
40 contract year during which the employee is in unpaid leave status. (For
41 example, a two hundred four [204] day employee on unpaid leave for one
42 [1] semester, i.e., one hundred two [102] days, is responsible for fifty
43 percent [50%] of the annual benefit premiums).

44
45 c. Employees may choose coverage for themselves and their eligible
46 dependents or domestic partners for whom a Declaration of Domestic

Partnership is currently on file in the office of the Secretary of State for the State of California. A choice shall be made from any one of the approved plans described below during the enrollment period announced by the Risk Management Branch.

2. **Health Insurance.** The 2013 District annual maximum contribution toward individual unit member insurance premiums for District medical plans for eligible employees to include employee only, employee plus one and family coverage shall be based on the 2013 District PPO rates. The District dental and vision insurance shall not be subject to the District’s annual maximum contribution.

Beginning the 2014 insurance year (January 1, 2014) and each year thereafter, the District shall increase the prior year’s District annual maximum contribution toward individual unit member insurance premiums for District medical plans for eligible employees to include employee, employee plus one and family coverage by 3.5%. In the event the elected coverage in a District insurance program exceeds the above stated District maximum annual contribution, the cost difference shall be paid by the unit member through payroll deduction. The Health Benefits committee shall actively work to limit increases greater than 3.5%, through plan design modifications, vendor selection, wellness programs, and member education. In the event that the combination of the annual PPO rate increase and/or cost containment results in premiums below the District maximum annual contribution described above, that difference will mitigate future rate increases.

Effective January 1, 2016, change the health and welfare plan year from the current calendar year (January 1 to December 31) to match the District’s fiscal year (July 1 to June 30). The change shall be managed in the following manner:

- a. January 1, 2016 through June 30, 2016 will be a “short” plan year (6 months).
- b. Effective July 1, 2016 the new plan year shall be based on the fiscal year (12 months).
 - i. Open enrollment shall take place in May of each year with all plan changes being effective on July 1.
- c. Flexible Spending Accounts will remain on the calendar year and will continue to have their open enrollment in November.
- d. In the initial transition year, the deductibles and out-of-pocket maximums that have accrued during the “short” plan year shall carry over for the first plan year based on the fiscal calendar. The accrued deductible and out-of-pocket maximum then shall reset back to zero on July 1, 2017.
- e. The District Annual Maximum (DAM) shall be converted to the fiscal year by taking the arithmetic average of the DAM for 2016 and 2017 calendar years.

Example:

$$2016-2017 \text{ DAM} = [(2016 \text{ DAM}) + (2017 \text{ DAM})]/2$$

Effective July 1, 2017 the DAM will increase each July 1 by 3.5%.

The lowest cost District HMO medical plan offered unit members in any given insurance year shall not be subject to the District annual maximum contribution described in Section A, 1 above. In the event that the District anticipates that the premiums for the lowest cost District medical HMO plan may exceed the District annual maximum contribution as described in Section A, 1 above in the succeeding year, negotiations will automatically be initiated to address the excess cost during the next round of negotiations.

All eligible unit members retiring from the District after August 31, 2013 shall receive the same District annual maximum contribution for District medical plans provided to active unit members. Eligible unit members who retire on or before August 31, 2013 shall not be subject to the District’s annual maximum contribution as described above.

The District shall apply any health benefit cost containment changes, including plan design changes, implemented for active employees to retirees

Days and Hours of Employment

A. **WORKWEEK.** The workweek shall consist of not more than five (5) consecutive working days.

1. An employee’s standard workweek may be inclusive of Saturday or Sunday, but not both. When it has been determined that a position’s workweek must include a Saturday or Sunday, the positions will be filled as follows:

- a. On a voluntary basis, by seniority; or
- b. If there are no volunteers, by the least senior person in the classification.

2. As an alternative to the standard workweek, offices and/or departments may establish workweeks comprised of either four (4) ten (10) hour workdays or eighty (80) hours over a period of nine (9) workdays provided such alternative workweeks meet the following criteria:

- a. Consistent with the provisions of the Education Code and the Fair Labor Standards Act.
- b. Address the issue of holidays in a manner which maintains equity with standard workweek employees.
- c. May be inclusive of Saturday or Sunday, but not both.
- d. Endorsed by at least two-thirds (2/3) of the affected employees and the office/department manager.
- e. Established as pilot projects for twelve (12) calendar months with continuation contingent upon endorsement by at least two-thirds (2/3) of the affected employees and the manager.

3. An hourly differential will be paid for hours regularly assigned on Saturday and/or Sunday. This differential shall be the same as the shift differential established for persons assigned to work 12:00 midnight to 7:00 a.m. and will be adjusted by the same percentage as salary for the duration of this Agreement. For employees who are assigned a nontraditional workweek, differential pay will be paid only for work assigned during the period 5:00 p.m. to 7:00 a.m. and/or any hours assigned on Saturday and Sunday.

B. **WORKDAY.** Each employee shall be assigned a fixed and regularly scheduled minimum number of hours. The daily distribution of the hours and the starting and ending times may be adjusted by the District to reflect the needs at each work location. It is understood that

1 no adjustment shall be made for the purpose of alleviating overtime or for punitive reasons.
 2 Except in an emergency, at least ten (10) days prior to any adjustment that results in a
 3 schedule change, the appropriate department head/site administrator or designee will meet
 4 with the employee(s) for the purpose of providing notice (Appendix I) and discussing
 5 reasons for the schedule change. Such notice shall be in writing on the appropriate Human
 6 Resource Services form. Completed forms will be kept at the employee’s work location.
 7 The ten (10) day period may be reduced and/or waived with the employee’s consent.
 8

9 **C. HOURS WORKED.** For the purpose of computing the number of hours worked, all time
 10 during which an employee is in a paid status shall be construed as hours worked.
 11

12 **D. REDUCTION IN ASSIGNED TIME/LAYOFF.** Reductions in assigned time shall be
 13 accomplished in accordance with the established layoff provisions in the Rules and
 14 Regulations of the Classified Service and the California Education Code, Article 6, Merit
 15 System, and other applicable education code provisions related to the Merit System.
 16 Layoff decisions shall not be negotiable.
 17

- 18 1. Employees who are laid off shall be entitled to all rights related to reinstatement in
 19 accordance with statute, Agreement, and the Rules and Regulations of the
 20 Classified Service.
 21
- 22 2. Employees being laid off with no offer of continued regular employment, or who
 23 decline to accept such offer, in another classification shall be entitled to use a
 24 maximum of twelve (12) hours of release time to seek new employment.
 25
- 26 3. Employees being laid off with no offer of continued regular benefited employment
 27 in another classification will have all health benefits for which they have been
 28 eligible extended for a period of ninety (90) calendar days following layoff.
 29 Eligibility for benefits is defined in Article V, Section B.1 of the CSEA Agreement.
 30
- 31 4. The District shall not exceed its authority granted or required by the Education
 32 Code in contracting out for services.
 33
- 34 5. The District shall not exceed its authority provided by statute, Agreement, and the
 35 Rules and Regulations of the Classified Service regarding the assignment of work,
 36 overtime, and the use of volunteers.
 37

38 **E. ADJUSTMENT OF ASSIGNED TIME.** Any employee in the bargaining unit who
 39 works at the direction of a supervisor a minimum of thirty (30) minutes or more per day in
 40 excess of his or her regular part-time assignment for a period of twenty (20) consecutive
 41 working days shall have his/her regular assignment adjusted upward to reflect the longer
 42 hours.
 43

44 **F. LUNCH PERIODS.** Except as described below, all employees covered by the terms of
 45 this Agreement who have a workday of five (5) hours or more shall be entitled to a duty-

1 free lunch period of not less than one-half (1/2) hour which shall occur approximately at
2 midpoint of the shift.

3
4 For bus drivers required to work six (6) hours continuously, no lunch period shall be
5 scheduled. Drivers working six and one-half (6-1/2) hour trips normally must have a half-
6 hour lunch period scheduled as part of the workday; any exception must be approved by
7 management.

8
9 **G. REST PERIODS.** Bargaining unit employees shall be granted rest periods which, insofar
10 as practicable, shall be in the middle of each work period at the rate of fifteen (15) minutes
11 per four (4) hours worked or major fraction thereof. The fifteen (15) minute rest period
12 requirement does not apply to an employee scheduled to work three (3) continuous hours
13 or less. Employees scheduled to work more than three hours and up to six (6) hours shall
14 be entitled to one (1) fifteen (15) minute rest period; employees who work more than six
15 (6) hours shall be entitled to two (2) rest periods of fifteen (15) minutes each. Rest periods
16 of a total of up to thirty (30) minutes on evening or special work shifts shall be scheduled
17 by the manager/supervisor in consultation with the affected employees.

18
19 Management and supervisory personnel may designate specified rest periods when the
20 operations of the District require someone to be on duty at the employee's work site.
21 Whenever possible, rest periods will be scheduled to divide work periods into
22 approximately equal parts. Rest periods are a part of the regular workday and shall be
23 compensated at the regular rate of pay for the employee.

24
25 **H. COMPENSATION – SHIFT DIFFERENTIAL.** All persons in the classified service
26 whose regularly assigned time requires them to work between the hours of 5:00 p.m. and
27 12:00 midnight shall be paid shift differential pay at the current rate established in the
28 Classified Salary Schedule, for each hour or portion of an hour worked; and those whose
29 regularly assigned time requires them to work between 12:00 midnight and 7:00 a.m. shall
30 be paid shift differential pay at the current rate established in the Classified Salary Schedule
31 for all hours worked. No shift differential pay shall be paid to an employee whose regular
32 shift ends at or before 6:00 p.m. nor to an employee whose regular shift starts at or after
33 6:00 a.m.

34
35 Employees assigned to such work who are nevertheless ordered to temporary daytime work
36 for periods not to exceed twenty (20) working days each shall suffer no reduction in
37 compensation by reason of the temporary change. Shift differential pay shall terminate
38 effective the first day that the employee is reassigned to daytime hours.

39
40 Shift differentials will be increased by the same percentage as the salary increase each year
41 for the duration of this Agreement. The District agrees to notify the CSEA president each
42 year regarding the amounts of the shift differentials.

43
44 **I. OVERTIME.** Except as otherwise provided herein, all overtime hours as defined in this
45 Section shall be compensated at the rate of pay equal to one and one-half (1 ½) times the
46 regular rate of pay or at one and one-half (1 ½) times the rate for the classification in which

1 the work was done, whichever is higher. If there is a misuse of leave, the employee may
 2 be susceptible to progressive discipline and face the loss of their overtime assignment.
 3 Overtime is defined as follows:
 4

5 **Rotation.** On the day of the employee’s overtime assignment, they may be removed if the
 6 employee leaves, without prior approval, for a portion of the workday utilizing personal
 7 necessity, vacation, and/or for medical appointments that do not comply with the prior
 8 notice requirement provided in Article VIII.
 9

- 10 1. **Standard Workweek.** Any time worked in excess of eight (8) hours in any one
 11 (1) day or on any one (1) shift, or in excess of forty (40) hours in a calendar week
 12 (except as provided for in Education Code, Section 45127). An employee with an
 13 average workday of four (4) hours or more during the standard workweek shall be
 14 compensated for any work required to be performed on the sixth (6th) or seventh
 15 (7th) day following the commencement of the standard workweek at a rate equal to
 16 one and one-half (1½) times the regular rate of pay of the employee designated and
 17 authorized to perform the work. An employee having a standard workweek of
 18 fewer than four (4) hours shall, for any work required to be performed on the
 19 seventh (7th) day following the commencement of the workweek, be compensated
 20 at a rate equal to one and one-half (1½) times the regular rate of pay of the employee
 21 designated and authorized to perform the work.
 22
- 23 2. **Four/Ten (4/10) Workweek.** Any time worked in excess of the ten (10) hours in
 24 any one (1) day or work performed on the fifth (5th), sixth (6th), or seventh (7th)
 25 days. An employee working an average workday of five (5) hours or less shall be
 26 compensated at the rate of one and one-half (1½) times the regular rate for work
 27 required on the sixth (6th) or seventh (7th) day.
 28
- 29 3. **Nine (9) Hours Per Day, Eighty (80) Hours Per Two (2) Weeks.** Any time
 30 worked in excess of nine (9) hours in any one (1) day or in excess of eighty (80)
 31 hours in a two (2) week period shall be compensated at the rate of one and one-half
 32 (1½) times the regular rate of pay of the employee designated and authorized to
 33 perform the work.
 34
- 35 4. **Holiday Work.** Employees who perform authorized work on days declared to be
 36 holidays shall receive compensation at the rate of time and one-half (1½) in addition
 37 to the pay to which the employee is otherwise entitled for the holiday.
 38
- 39 5. **Approval.** Employees must receive advanced approval for any overtime to be
 40 worked. All approved overtime assignments will be placed in writing by the
 41 appropriate department head/site administrator or designee no later than the
 42 workday following the day the overtime was worked. Upon request, employees
 43 will receive a copy of the authorization for overtime.
 44

45 J. **COMPENSATORY TIME OFF.** An employee who works assigned overtime shall have
 46 the option to accumulate compensatory time credit in lieu of cash payment. Compensatory

1 time credit will be calculated by multiplying the number of actual hours worked by one
 2 and one-half (1½). If the service needs of the District will not be impaired, absence for
 3 credited time may be granted by the appropriate shop/office manager. Compensatory time
 4 off requests shall be submitted in writing at least seven (7) working days in advance prior
 5 to the commencement of the compensatory leave period. The department head or designee
 6 shall respond within three (3) full working days of receipt with the approval or denial of
 7 the request. If the written request is made for 8 hours or less, the approval will be at the
 8 discretion of the immediate supervisor/manager. When compensatory time off is
 9 authorized in lieu of cash compensation, such compensatory time off shall be granted
 10 within the twelve (12) calendar months following the month in which the overtime was
 11 worked and without impairing the service rendered by the District. Such compensatory
 12 time off shall be at the rate of time and one and one-half (1½). In the event the
 13 compensatory time off is not utilized within the twelve (12) calendar months following the
 14 month in which the overtime was worked, the unit member shall be notified in advance
 15 and receive compensation for the unused compensatory time. In accordance with the Fair
 16 Labor Standards Amendments of 1985, the employee may accrue no more than two
 17 hundred forty (240) hours compensatory time.
 18

19 **K. ASSIGNMENT AND DISTRIBUTION OF OVERTIME.** Assignment of overtime
 20 shall be made in order to distribute and rotate overtime as equally as is practical among
 21 eligible, qualified members in the bargaining unit within each work location and
 22 classification. Additionally, when practical, overtime shall be distributed utilizing an
 23 overtime rotation list created by the supervisor based on classification seniority. In this
 24 context “qualified” is defined as having the training and experience for the respective
 25 classification(s) specific to the overtime assignment and belong to the respective job
 26 family. Overtime shall be posted at each site or work location for those classifications with
 27 more than two (2) unit members. Overtime for all employees (including provisionals and
 28 substitutes) will be posted in each of the shops in the Maintenance Yard, Transportation
 29 Yard, and Nutrition Services. An up-to-date account of overtime worked and charged to
 30 the unit member will be posted on the first workday of each pay period. The overtime
 31 rotation list will be made available upon employee request. Overtime shall be offered to
 32 provisional and substitute employees only when no qualified regular (permanent or
 33 probationary) employee is available and willing to work. Any employee working out of
 34 classification will not be eligible to work overtime in his/her regular position unless it is
 35 determined by the manager/supervisor that there are no other employees available in the
 36 classification at the respective work location. District managers/supervisors shall have the
 37 right to determine whether a need exists or whether a job must be completed and to assign
 38 employees required to meet the need. Bargaining unit members may refuse overtime work,
 39 except when the District determines that an emergency exists, the manager/supervisor shall
 40 be empowered to direct the bargaining unit member to work the overtime.
 41

42 **L. CANCELLATION OF SCHEDULED, NON-CONTIGUOUS WORK.** If, after the
 43 employee has reported for previously scheduled work which is not contiguous with his/her
 44 regular workday, such work is canceled, the employee shall be compensated for two (2)
 45 hours of work at the appropriate rate. The District reserves the right to assign alternate
 46 tasks during this two (2) hour period.

- M. **CALL-INS, CALL-BACKS.** The needs of the District and the personal wishes of the employee shall be considered when an employee is requested to work outside of his/her regular job schedule. District managers/supervisors shall have the right to determine whether an emergency exists or whether a job must be completed and to assign employees required to meet the need. An employee may refuse call-in/call-back work, except that when the District determines that a need exists, the manager/supervisor shall be empowered to direct the employee to work the call-in or call-back. The manager/supervisor shall attempt, where practical, to identify a qualified employee who wishes to work the call-in or call-back before directing someone to work the call-in or call-back against his/her wishes. Assignment of call-in or call-back work will be distributed equally as is practical among eligible, qualified employees in the bargaining unit. An up-to-date account of call-ins and call-backs worked and charged to the employee will be posted on the first workday of each pay period.

- N. **MINIMUM CALL-IN TIME.** Any employee called in by a manager/supervisor to perform unscheduled, emergency-type work as part of his/her regular classification on a day when the employee is not scheduled to work shall receive a minimum of three (3) hours pay at the appropriate rate of pay under this Agreement.

- O. **CALL-BACK TIME.** Any employee called back by a manager/supervisor to perform unscheduled, emergency-type work as part of his/her regular classification after completion of his/her regular assignment shall be compensated for at least three (3) hours of work at the overtime rate; irrespective of the actual time worked. Call-back work is work performed at a time outside of and not contiguous with the employee’s regular work schedule.

- P. **SUMMER AND INTERSESSION ASSIGNMENT.** Vacancies due to summer vacation, intersession, or recess and other short-term summer or intersession positions shall be filled by appointments made from appropriate special lists of all eligible bargaining unit employees who make specific application each year by the third Friday in March, unless this date falls during spring recess in which case the deadline will be the second Friday in March. The District will notify the affected employees of their proposed summer assignment at the earliest possible date as assignments are finalized. When possible, all employees who receive an assignment will be notified no later than the last week of May.
 - 1. To be considered an eligible applicant, the employee must (a) be regularly employed by the LBUSD on a less than twelve (12) month basis; (b) be available for assignment during the summer recess and/or intersession recess(es), as specified on the application; and (c) meet the qualifications established for the classification to which the appointment is to be made.

 - 2. In the case of appointment to a classification in which the employee is regularly assigned, the order of appointment shall be on the basis of seniority in that classification. In the case of appointment to a classification in which the employee is not regularly assigned, appointment shall be on the basis of seniority in the District.

1
2 Permanent employees trained in a specific type of summer employment in the past
3 years may be re-employed for identical service, regardless of their place on the
4 summer employment list.
5

- 6 3. Seniority credit accrues to all hours in paid status as a probationary or permanent
7 employee whether during the school year, a holiday, recess, or during any period that
8 school is in session or closed, but does not include any hours compensated solely on
9 an overtime basis.

10
11 4. **Summer/Intersession Employment Eligibility List.**
12

- 13 a. No person whose last fully resolved service rating is less-than-satisfactory
14 shall be placed on the summer/intersession employment eligibility lists,
15 unless the employee meets the criteria as outlined in Article VI.P.4.b.
16
17 b. If additional summer assignments are available, employees who have
18 satisfactorily completed their Improvement Plan and Strategy for
19 Assistance shall be eligible for summer/intersession employment following
20 the assignments of employees whose last fully resolved service rating is
21 satisfactory. The order of appointment shall be in accordance with Article
22 VI.P.2.
23

24 Q. **CIVIC CENTER ACT PERMITS.** Any employee who works under provisions of a
25 Civic Center Act Permit shall receive a minimum of three (3) hours pay at the appropriate
26 rate, except in cases where the work is an extension of the employee's normal workday.
27

28 R. **BUS DRIVER WORKDAY.** The regularly assigned, full-time bus drivers employed by
29 the District on April 28, 2015 shall work an eight (8) hour work day, five (5) days per
30 week. This provision shall not apply to any other current or future employees. The eight
31 (8) hour workday will be assigned within a period of eleven (11) consecutive hours with a
32 maximum three (3) hour split in the assignment effect July 1, 2011.
33

34 S. **TRANSPORTATION YARD PROCEDURES.** The Transportation Yard Procedures
35 shall be included as an appendix to the Collective Bargaining Agreement. The
36 Transportation Yard Procedures are negotiable, and are grievable under Article XIII.
37 District and CSEA agree to assemble a subcommittee of not more than seven (7) people
38 per side, to discuss, by mutual agreement, any changes that might be required. Such
39 recommended changes will be submitted to the District and CSEA for inclusion in the
40 Agreement or MOU and presented to CSEA for ratification and then to the Board for
41 approval. Language pertaining to the annual review such as currently identified in Section
42 VII of the Yard Procedures will be removed.
43

44 T. **WORKYEAR.** Effective July 1, 1993, employees assigned to a twelve (12) month
45 calendar will have a standard work year of two hundred sixty (260) days per fiscal year.
46 This standardized work year will be achieved by implementing, as necessary, no more than

1 two (2) equalization days which will be scheduled by the District during the winter recess
2 period. Such equalization days will have no impact on the employees’ annual salaries. If
3 an employee is required to work on an identified equalization day(s), he/she has the option
4 to accrue compensatory time off at the “straight time” rate. Utilization of accrued
5 compensatory time is subject to provisions specified in Article VI, Section J., of this
6 Agreement.

| | |
|-------------------------------------|---------------------------------|
| *Independence Day | Christmas Day |

C. **DESIGNATED HOLIDAYS FOR EMPLOYEES ASSIGNED TO A FLEX CALENDAR.** The paid legal and designated holidays for ten (10) month employees assigned to a flex calendar shall be the same paid legal and designated holidays afforded employees assigned to a traditional school calendar.

Example:

| <u>Holidays</u> <u>Flex Calendar</u> | <u>Holidays</u> <u>Traditional Calendar</u> |
|---|--|
| Admission Day | Admission Day |
| Labor Day | Labor Day |
| Veterans Day | Veterans Day |
| Thanksgiving Day | Thanksgiving Day |
| **Friday following Thanksgiving Day | **Friday following Thanksgiving Day |

| Dr. M. L. King, Jr. Day | Dr. M. L. King, Jr. Day |
| Lincoln Day | Lincoln Day |
| Washington Day | Washington Day |
| Memorial Day | Memorial Day |
| Juneteenth | Juneteenth |

1 **In an effort to equalize holidays among employees who work non-traditional school year
2 calendars, the Friday following Thanksgiving Day does not apply to flex ten (10) month
3 employees including 206, 209, and 220 day employees whose regular assignment includes
4 Independence Day.
5

6 Except as described in the above paragraph, when a holiday to which an employee is entitled
7 as described occurs while the employee is on a flex-recess, the holiday shall be paid as a
8 holiday.
9

10 D. **DESIGNATED HOLIDAYS FOR EMPLOYEES PARTICIPATING IN FOUR/TEN
11 (4/10) OR NINE/EIGHTY (9/80) PILOT PROJECTS.** The number of hours of a holiday
12 for employees participating in four/ten (4/10) or nine/eighty (9/80) pilot project workweeks
13 shall be the same number of hours afforded employees assigned to a standard workweek.
14 The pilot project will specify the manner in which equity will be maintained.
15

16 E. **HOLIDAY PAY.**
17

18 1. **Eligibility.** All probationary or permanent employees that are part of the classified
19 service shall be entitled to holiday pay as provided herein, provided they are in a paid
20 status during any portion of the working day immediately preceding or succeeding
21 the holiday.
22

23 2. **Rate of Pay.** Holiday pay shall be at the rate the employee would have received had
24 the day not been a holiday.
25

26 a. Employees who fill a less than full-time assignment will be entitled to holiday
27 pay based on the percentage of time they are assigned regardless of the
28 manner in which they are assigned.
29

30 (1) **Example 1:** A fifty percent (50%) assignment = twenty (20) hours
31 per week at four (4) hours per day for each of five (5) days.
32 Employees who are assigned at four (4) hours per day for each of five
33 (5) days per fifty percent (50%) assignment = twenty (20) hours per
34 week at eight (8) hours per day for two (2) days and four (4) hours for
35 one (1) day. Employees who are assigned two and one-half (2½) days
36 per week also earn and receive holiday pay for four (4) hours per
37 holiday.
38

39 (2) **Example 2:** A fifty percent (50%) assignment = twenty (20) hours
40 per week at eight (8) hours per day for two (2) days and four (4) hours
41 for one (1) day. Employees who are assigned two and one-half (2½)
42 days per week also earn and receive holiday pay for four (4) hours per
43 holiday and the work site is entitled to the difference between the
44 twenty (20) assigned hours and the four (4) holiday hours, or a total
45 of sixteen (16) hours for the week.) It is the joint responsibility of the
46 department head/site administrator and the employee to rearrange the
47 assigned work hours in the week in which a holiday falls to implement
48 this concept.

- b. When a holiday immediately follows the completion of a specific assignment by a regular employee in a position other than the one to which he/she is regularly assigned, the employee shall be paid for the holiday at the rate for the regular assignment.
- c. When a holiday immediately precedes the first day of service by a regular employee in a new assignment either on a probationary or permanent basis, the employee shall be compensated for the holiday at the rate of his/her assignment immediately preceding the holiday.

- 3. **Holidays During Winter Recess.** Employees whose regular assignments do not require their attendance at work during the winter recess period, but who have been compensated for any portion of the working day next preceding or immediately following the recess period, shall be entitled to pay for legal holidays. Assigned time shall be the basis for all holiday pay. (See Section E.2.a. of this Article.)
- 4. **Holidays on Weekend.** When a holiday falls on the first day of an employee's weekend, the employee shall observe the immediately preceding day as though it were a holiday. When a holiday falls on the second day of an employee's weekend, the employee shall observe the following day as though it were a holiday. The two (2) days that employees are not regularly required to work when they are assigned on a typical workweek will be considered their "weekend."
- 5. **Holiday on Vacation or Paid Leave.** When a holiday occurs while an employee is on vacation or a paid leave of absence, the holiday shall be paid as a holiday and not charged against any leave benefits.
- 6. **Paid Military Leave.** Paid military leave shall not be deemed to be paid leave of absence for purpose of this rule.

1. Each employee who receives an initial appointment after July 1 shall be credited as of the date of his/her appointment with a number of days proportional to the remainder of his/her assigned work year.
2. An employee serving an initial provisional or probationary period shall not be eligible to be paid for more than half the days of full pay for illness provided until the first day of the pay period after completion of one hundred thirty (130) days of paid service in a regular assignment.
3. Thereafter, as long as he/she remains a regular employee, he/she will be credited annually with the number of full-pay illness days provided for his/her assignment year.
4. The employee who does not complete the year of service after the July 1 yearly grant of sick leave according to his/her assignment shall have the sick leave balance reduced proportionally to the number of days to the date of his/her departure from the District. This adjustment may result in an overpayment which would be handled as described in Article V, Section A.3.
5. Kin Care Leave (Labor Code § 233) – Up to ½ of the employee’s annual sick leave entitlement may be used to attend to an illness of or take to a doctor for preventive care the employee’s child (regardless of age or dependency status), parent, parent-in-law, spouse, registered domestic partner, grandparent, grandchild, designated person (as defined by state and/or federal statute), or sibling. All employees are to report

1 Kin Care Leave absences to their work site in accordance with Section Y of this
2 article. The district may require evidence of facts relevant to any Kin Care leave for
3 which there exists the suspicion of possible abuse of leave. Where suspicion exists,
4 the employee shall be notified of said requirements prior to the utilization of leave.
5

6 B. **UNLIMITED ACCUMULATION OF LEAVE ALLOWANCE.** There shall be no limit
7 to the year-to-year accumulation of unused days of full-pay illness leave.
8

9 C. **CUMULATIVE SICK LEAVE USE SUBJECT TO PROOF.** All employees are to
10 report absences to their work site in accordance with Section Y of this article. The District
11 may require evidence of facts relevant to any illness leave for which there exists the suspicion
12 of possible abuse of such leave. Where suspicion exists, the employee shall be notified of
13 said requirement prior to utilization of leave.
14

15 D. **ABSENCES – DISTRICT-DESIGNATED PHYSICIAN.** When an employee required
16 to report to the District-designated physician as specified in this Agreement is unable to
17 secure an appointment within a reasonable period of time (e.g., the physician is on vacation
18 or catastrophic leave), Section G.4. of this Article shall apply.
19

20 E. **SICK LEAVE RECORDS AND INSPECTION.** Complete records for each classified
21 employee shall be maintained showing the number of days of sick leave accumulated by each
22 employee and the number of days of sick leave annually used by each employee. Each
23 employee's record will be open to his/her inspection.
24

25 F. **NO SICK LEAVE WHILE ON LEAVE OR LAYOFF.** Layoff or leave of absence
26 without pay shall not be considered an interruption of continuous service, but illness leave
27 shall not be allowed while an employee is in a non-paid status, except as otherwise required
28 by law.
29

30 G. **REPORTS REQUIRED UPON RETURN AFTER ILLNESS OR ACCIDENT.** Each
31 employee absent from duty on account of illness or accident shall submit to the District-
32 designated physician a health report as follows:
33

34 1. **Absence Less Than Five (5) Months.**
35

36 a. The employee on sick leave must report his/her intention to return from
37 absence directly to the work site prior to the end of the workday before return
38 to service. The deadline for reporting such intent to return from absence will
39 be included in a written procedure that will be communicated to the employee
40 based upon the policy of the specific work location/department. In incidents
41 in which the employee has not notified the work site in a timely manner and
42 reports to work when a replacement substitute has been assigned to work, the
43 employee shall be charged with appropriate (sick, vacation, personal, etc.)
44 leave for the day and the substitute shall be paid.
45

b. Employees returning to work after illnesses of more than four weeks and those out at any time following hospitalization and accidents shall be cleared by their own physician and shall submit the required form to the District-designated physician for review and clearance.

2. **Absence Exceeding Five (5) Months.** Employees who have been absent from duty because of illness or injury for a period of more than five (5) school months shall be cleared by their own physician and shall submit the required form to the District-designated physician for review and clearance.

3. **Return From Military Service.** Employees returning from a leave of absence for military service exceeding two (2) calendar months shall be cleared by their own physician and shall submit the required form to the District-designated physician for review and clearance.

4. **Health Report Required At Any Time.** The Deputy Superintendent, Human Resource Services, or his/her designee may require and direct an employee to submit to a physical examination should it appear to be necessary for the best interests of the District. These examinations may be made by the District-designated physician at District expense, or by the employee’s physician at the employee’s expense.

5. **Health Reports Made To The District-Designated Physician.** The report of the examining physician shall be made to the District-designated physician on the District required form and shall include a response to all items listed therein.

6. **Special Health Examination Required.** The Deputy Superintendent, Human Resource Services, or his/her designee may require any employee who has been permitted to return to duty under the terms of this Agreement and who is again absent by reason of illness or accident during the same calendar year for a period of one (1) month or more to report to the District-designated physician for a health examination.

H. **REQUIRED HEALTH EXAMINATIONS.** The Deputy Superintendent, Human Resource Services, or his/her designee may require an employee to report for a health examination when in his/her judgment it is apparent that the employee or the District may be harmed if the condition/situation is allowed to continue. It is the District’s right to require a medical examination of any employee by a physician of its choice at its discretion and expense. If the report of the physician shows the employee is in an unfit condition to perform regular duties, with or without reasonable accommodation, the employee may be required to absent himself/herself by being placed on administrative leave not to exceed five (5) days until a determination of leave status is made by Human Resource Services. If the health examination is given other than during the employee's regular working hours, the employee shall be granted time off equal to that required for the examination. Overtime provisions shall apply. The maximum time creditable for an examination shall be two (2) hours.

I. **STATUTORY LEAVE.** All permanent and probationary classified employees absent from duty because of personal illness who have exhausted their full-pay illness allowance leave

1 shall be eligible for one hundred (100) days (eight hundred [800] hours) of one-half (1/2)
 2 salary sick leave per fiscal year. Employees assigned less than full time shall be entitled
 3 to a proportionate allowance according to their percent of assignment. A permanent
 4 classified employee shall be eligible to request statutory leave when all other available
 5 leaves have been exhausted. These allowable leaves are full-pay; illness, vacation balance,
 6 vacation accrual balance, and personal leave at one-half (1/2) pay. A probationary
 7 classified employee shall be eligible to request statutory leave when his/her allowable
 8 illness leave (Article VIII, Section A.2.) and personal leave at one-half (1/2) pay have been
 9 exhausted. The employee shall submit a form to his/her site administrator requesting
 10 statutory leave, which includes a statement from a physician stating that the employee is
 11 unable to work. It is the responsibility of the employee to submit the form to the District-
 12 designated physician for verification of the illness or injury, and the duration of the absence
 13 after which the employee shall be eligible for statutory leave as prescribed in the Education
 14 Code. No written request or physician's statement is necessary for statutory leave for four
 15 (4) consecutive working days or less. Before an employee's statutory leave ends, the
 16 employee shall indicate his/her intentions about returning to work. If unable to return to
 17 his/her regular assignment, the District will notify the employee that he/she will be placed
 18 on the Thirty-Nine (39) Month Reemployment List and the District will also notify him/her
 19 of the following options:

- 20
- 21 1. Apply for a leave of absence without pay to start no later than the end of the
- 22 statutory leave;
- 23
- 24 2. Terminate service by resignation; or
- 25
- 26 3. Request retirement, if eligible.
- 27

28 **J. PREGNANCY DISABILITY LEAVE.** A leave of absence for pregnancy disability shall
 29 be granted for the period of time that the employee is physically unable to perform the duties
 30 required of her position as certified by mutual agreement of her personal physician and the
 31 District-designated physician. Pregnancy disability leave is charged to sick leave balances;
 32 if all paid leaves are exhausted within the period of physical disability, the remaining time
 33 that the employee continues on pregnancy disability leave shall be in a leave without pay
 34 status.

35

36 The employee shall notify the division or office head of her pregnancy and furnish a doctor's
 37 statement which indicates the estimated date of confinement and certifies that the employee's
 38 condition permits continued performance of all duties related to her regular assignment. In
 39 the event that the employee appears to be unable to continue to perform all duties related to
 40 her regular assignment at any time prior to the defined period of disability, the immediate
 41 manager may request a review by the District-designated physician of the period of disability.

42

43 The usual period of confinement following the birth of a child is considered to be six (6)
 44 weeks. If the employee's condition varies from the usual in that she is able to resume
 45 performance of all duties related to her regular assignment at an earlier date or, if it is
 46 necessary to extend the leave beyond six (6) weeks, the employee shall present the District-

1 designated physician or principal/division or office manager with a statement from her
 2 attending physician which describes the estimated length of absence. The employee must
 3 obtain and furnish appropriate forms completed by her physician, and deliver them to the
 4 District-designated physician or principal/division or office manager.
 5

6 At least four (4) weeks prior to the estimated date of return to active employment, the
 7 employee shall notify the appropriate office manager. When the employee is cleared by her
 8 personal physician to return to work, she shall submit the required health form to the District-
 9 designated physician for review.
 10

11 **K. PARENTAL LEAVE.**
 12

13 Effective January 1, 2017 as provided by Education Code section 45196.1, unit members
 14 shall be entitled to parental leave as set forth in this section.
 15

16 1. **Definitions:** For purposes of this section “parental leave” means leave for the
 17 purpose of bonding with the unit member’s newborn child, or with a newly placed
 18 child in the unit member’s household for adoption or foster care. Parental leave
 19 does not include leave taken for the employee’s disability due to pregnancy,
 20 childbirth, or recovery therefrom (see Section J).
 21

22 2. **Eligibility:** All full-time and part time-time unit members who have been
 23 employed with the District for twelve (12) months are entitled to utilize parental
 24 leave. There is no threshold number of hours that part-time unit members, as well
 25 as full-time unit members, must work in order to be eligible for parental leave.
 26

27 3. **Paid Leave:** Unit members are entitled to use available current and accumulated
 28 sick leave for parental leave, for up to 12 work weeks, if the employee chooses to
 29 do so. When the unit member elects to use paid parental leave, he or she must first
 30 use his or her regular accrued paid sick leave, and then, with this accrued leave is
 31 exhausted, the unit member is entitled to one-half (½) pay for the remainder of the
 32 12-week leave.
 33

34 4. **Notice:** The unit member must give the District at least 30 days’ advance written
 35 notice of his or her intention to use parental leave and the anticipated dates of the
 36 leave.
 37

38 5. **Use of Leave:** Parental leave must be used within 12 months following the birth
 39 or placement of the child. Parental leave must be taken in increments of at least 2
 40 weeks’ duration; however, the unit member may take parental leave of less than 2
 41 weeks on up to two occasions.
 42

43 Parental leave under this section runs concurrently with parental (child bonding)
 44 leave under the Family Medical Leave Act (FMLA) and the California Family
 45 Rights Act (CFRA).
 46

1 The total amount of parental leave may not exceed 12 workweeks in any 12-month
2 period.

3
4 When all paid leaves have been exhausted, the unit member may request unpaid
5 leave as outlined in Section P of this article.

6
7 **L. PERSONAL NECESSITY LEAVE.** Except as provided in Section B above,
8 probationary and permanent employees may use up to, but not in excess of, seven (7) days
9 of illness leave in any fiscal year in cases of personal necessity, as follows:

- 10
11 1. **Death of a member of the immediate family** when additional leave is required
12 beyond that provided in this Agreement. (See Section R for definition of immediate
13 family.)
14
15 2. **Accident, involving his/her person or property** or the person or property of a
16 member of his/her immediate family. (See Section R for definition of immediate
17 family.)
18
19 3. **Appearance in court** or before any administrative tribunal as a litigant, party, or
20 witness under subpoena or any order made with jurisdiction.
21
22 4. **Illness in the immediate family of the employee.** (See Section R for definition of
23 immediate family.)
24
25 5. **Protection of the employee's home** in the event of a catastrophe such as flood,
26 fire, civil unrest, or earthquake.
27
28 6. **Compelling Personal Reasons.** Maximum of four (4) days per fiscal year; prior
29 approval of the absence by the appropriate manager/supervisor normally required
30 at least two (2) days prior to such leave, for business or other legal activity of
31 serious and compelling personal importance, that cannot be conducted before or
32 after the workday. The reason for this leave need not be disclosed by the employee.
33 Leave for compelling personal reasons shall not be approved on days immediately
34 before or immediately after a District calendared holiday unless the
35 manager/supervisor determines that exceptional circumstances exist.

36
37 Leave shall be approved except when said leave would seriously interrupt the
38 operation of the District.

39
40 **M. INDUSTRIAL INJURY OR ILLNESS LEAVE.**

- 41
42 1. **Probationary and Permanent Employees Eligible.** The provisions of this Section
43 shall apply to employees who have either probationary or permanent status in the
44 classified service.
45

- 1 2. **Industrial Leave Allowance.** An employee in the classified service absent from
 2 duty because of industrial injury or illness resulting from a regular assignment,
 3 including authorized overtime, and qualifying under the provisions of the workers'
 4 compensation insurance law, shall be allowed for each injury or illness full salary
 5 from the first day of absence not to exceed four hundred eighty (480) working hours.
 6 Employees assigned less than full time shall be entitled to a proportionate allowance
 7 according to their percent of assignment. Allowable leave under this Section shall
 8 not be cumulative from year to year.
 9

- 10 3. **Rate of Payment For Leave.** Payment for industrial injury or illness leave on any
 11 day shall not, when added to award granted an employee under the workers'
 12 compensation laws of this state, exceed the normal wages for the day. The normal
 13 wages for the day shall, in the case of employees paid on an hourly basis, be based
 14 on the assigned time of the employee.
 15

- 16 4. **Workers' Compensation Award.** Industrial injury or illness leave will be reduced
 17 by one (1) day for each day of authorized absence regardless of a compensation award
 18 made under workers' compensation.
 19

- 20 5. **Use of Other Leaves.** If an employee is still receiving workers' compensation
 21 insurance benefits after entitlement to industrial injury or illness leave is exhausted,
 22 he/she shall then be placed on regular sick leave, vacation leave, accumulated
 23 compensating time off, and personal leave prior to being granted statutory leave. If,
 24 when an employee goes on regular sick leave or other type of leave or compensating
 25 time off, he/she is receiving workers' compensation insurance benefits, he/she shall
 26 be entitled to use only so much of such other leave benefits which, when added to
 27 workers' compensation insurance benefits, provide for a normal full day's wage or
 28 salary.
 29
 30 If the employee is no longer receiving workers' compensation insurance benefits but
 31 is still unable to return to work as determined by the district-designated physician,
 32 he/she shall then be placed on regular sick leave or other available leave as provided
 33 in this section.
 34

- 35 6. **Required Reports.** Before salary payments will be made to an employee absent
 36 because of industrial injury or illness, the required report of such an accident or illness
 37 must be on file in the Risk Management Branch.
 38

- 39 7. **Leave Without Pay.** After the expiration of paid leave as provided in this Section,
 40 an employee who is unable to return to work as determined by his/her own physician
 41 and the District-designated physician may be granted a leave without pay for one (1)
 42 year. Such leave may be extended for one (1) additional year for good and sufficient
 43 cause. If there is a difference of opinion between the employee's physician and the
 44 District-designated physician, the employee may submit an additional medical
 45 opinion for consideration.
 46

- 1 8. **Seniority Credits.** Periods of leave under this Section, either paid or unpaid, shall
2 not be considered to be a break in service of the employee. An employee while on
3 such leave shall continue to receive seniority credit.
4
- 5 9. **Return to Work.**
6
- 7 a. It is the intent of the District to return employees to work from a worker’s
8 compensation injury or illness whenever possible.
9
- 10 b. Employees must submit medical clearance for return to work to their work
11 location/site.
12
- 13 c. All return to work requests related to a worker’s compensation injury or
14 illness will be reviewed by the immediate supervisor in conjunction with
15 Risk Management.
16
- 17 d. Employees must be cleared by Risk Management before being allowed to
18 return to work.
19
- 20 e. In cases where the employee is permanent and stationary, an interactive
21 meeting will be convened between the District, (including but not limited
22 to Risk Management, the immediate supervisor, and Human Resource
23 Services), and the employee, and his/her legal representatives or any other
24 representative including but not limited to a CSEA representative to
25 discuss returning to work.
26
- 27 f. All return to work requests which specify modified duty shall be reviewed
28 by the immediate supervisor and Risk Management to determine if work
29 can be provided in the employee’s classification or related classifications.
30 If modified duty is approved, the District will make the final determination
31 of the appropriate duty.
32
- 33 10. **Payments While On Leave.** During all paid leaves of absence as provided in this
34 Section, the employee shall endorse to the District benefit checks received under
35 state workers' compensation laws. The District shall issue to the employee
36 appropriate warrants and payments of wages and shall deduct normal retirement and
37 all authorized contributions. If combined payments under this Section total less
38 than the normal full salary, as in the case of statutory leave, the employee shall not
39 be required to endorse to the District benefit checks received under workers'
40 compensation laws.
41
- 42 11. **Placement on Reemployment List.** When all available leaves of absence, paid or
43 unpaid, have been exhausted and if the employee is not medically able to assume the
44 duties of his/her position, he/she shall, if not placed in another position, be placed on
45 a reemployment list for a period of thirty-nine (39) months. When cleared to return
46 to work, during the thirty-nine (39) month period, he/she shall be employed in a

1 vacant position in the classification of his/her previous assignment over all available
 2 candidates, except for a reemployment list established because of lack of work or
 3 lack of funds, in which case he/she shall be listed in accordance with appropriate
 4 seniority requirements. If an employee's former classification has ceased to exist
 5 during his/her absence, the employee shall be assigned to a vacant position in a
 6 comparable classification for which qualified. An employee who has been placed on
 7 such a reemployment list and who has been released for return to duty and who fails
 8 to accept a position in his/her classification shall be subject to dismissal.
 9

10 N. **ABSENCE FOR JUDICIAL AND OFFICIAL APPEARANCES.**

- 11
- 12 1. **Absence Because of Appearance In Court.** A permanent or probationary classified
 13 employee, other than a litigant in a case, who is necessarily absent because of
 14 appearance before a grand jury, in court as a witness, except as a result of
 15 employment outside the Long Beach Unified School District, or before a state
 16 commission or hearing officer in response to a subpoena duly served, or having
 17 received a letter directing service as a juror, shall be paid full salary during the period
 18 of such absence. In any case in which a witness fee or fee for jury duty is payable,
 19 such fee shall be collected by the employee and remitted to the District. The
 20 employee will furnish a copy of the official summary of jury duty/witness fees to the
 21 payroll clerk. No employee shall be required to remit more than his/her regular rate
 22 of pay for his/her absence.
 23
- 24 2. **Notification of Subpoena.** The employee shall immediately advise his/her
 25 supervisor of receiving such subpoena or letter directing him/her to appear for
 26 qualification for jury service and/or for jury service.
 27
- 28 3. **Employee's Return To Work.** Employees who are released from appearance in
 29 court as a witness or juror during any workday shall report for work for the balance
 30 of the workday as directed, allowing for reasonable travel time. If the employees'
 31 regular shift is other than a day shift, the excused employee shall be assigned to the
 32 day shift for the duration of the period of court service. The District will pay the
 33 employee's regular salary, including shift differential pay, on those days verified by
 34 certification.
 35
- 36 4. **Certification of Service Required.** Each date of necessary attendance in court or
 37 before a grand jury as a witness or a juror shall be verified. The employee shall have
 38 the court clerk or other appropriate official certify as to the dates and time of
 39 attendance as a witness or to the dates paid for jury service, and the dates called for
 40 service but excused without pay. This certification shall be filed by the employee
 41 with the person responsible for his/her time reporting, who will forward it to the
 42 Payroll Branch. In cases in which a time report is due prior to conclusion of
 43 appearance in court, the employee shall certify as to the days served in lieu of official
 44 certification. All such employee certifications must be covered by the official
 45 certification for the entire period of such service, which must be submitted to the
 46 payroll clerk at the conclusion of such service.

1
2 5. **Involuntary Absence For Public Purpose.** If an employee in the regular
3 classified service is necessarily absent in response to an official order of another
4 governmental jurisdiction which has not been brought about through misconduct or
5 connivance on the part of the employee, payment of salary for such necessary
6 absence shall be made upon the submission of such notification and approval by
7 the Board of Education.
8

9 6. **Attendance At Workers’ Compensation Hearings.** When an injured employee of
10 the District appeals from the decision of the State Compensation Insurance Fund in
11 rejecting liability in his/her case and when, in the interest of justice and of protecting
12 all legal rights of the injured employee, it is necessary or desirable for other District
13 employees to attend the hearing of the appeal, they shall attend without loss of salary,
14 provided that arrangements for their attendance shall be made by the person having
15 charge of the District's insurance and with the approval of the Board of Education.
16

17 O. **ABSENCE FOR EXAMINATION.**
18

19 1. Every employee occupying a permanent position in the classified service shall be
20 permitted to be absent from his/her duties during working hours in order to take any
21 examination given by the District for which the employee is qualified and/or for
22 District interviews, without deduction of pay or other penalty upon giving two (2)
23 day notice to his/her immediate supervisor.
24

25 Every employee taking a District promotional examination for which he/she is
26 qualified and/or participating in district interviews, will be granted compensating
27 time off equal to the time required to take the examination and/or participating in the
28 interviews, if the examination is scheduled at a time other than during the employee's
29 regular working hours.
30

31 2. Every employee required by the District to take a physical examination or an
32 examination for special certification and/or commercial licenses as a condition
33 of continued employment shall be given paid release time for such examination. The
34 District shall pay for any such required examination. If the examination is scheduled
35 at any time other than during the employee's regular working hours, he/she shall be
36 granted compensating time off equal to the time it took for the examination.
37

38 P. **LEAVES OF ABSENCE WITHOUT PAY.**
39

40 1. **Purposes for Leaves of Absence Without Pay.** Leaves of absence without pay for
41 the following purposes may be granted by the Board of Education upon the

 19 be in accordance with Article VIII, Section P.4.
 20

 22
 23 a. An employee on leave must give notification in writing to Human Resource
 24 Services not less than thirty (30) days prior to the expiration of the leave that
 25 it is the intention of the employee to return to active service. If the leave is
 26 less than thirty (30) days, the employee must give notification in writing to
 27 Human Resource Services no later than one day prior to his/her intention to
 28 return to service.
 29
 30 b. Unless the permanent employee substituting for the absent employee gains
 31 more seniority, an employee will be assigned to the same position or a
 32 position in the same classification upon return to service following a leave of
 33 absence only if:
 34
 35 (1) Absent six (6) calendar months or less.
 36
 37 (2) Absent one (1) year or less on child care leave, granted in
 38 accordance with this Agreement.
 39

 43
 44 c. An employee returning from leave of absence who does not come within the

 46 which the employee holds status. If no such vacant position is available, the

employee’s name shall be placed on the reemployment list for the classification for a period of thirty-nine (39) months. He/she may return to a vacant position in a classification at the same or a lower salary level for which he/she is qualified.

5. **Benefits While On Leave.** Time elapsed while on leave of absence without pay shall not be counted toward seniority for promotion, compensation, sick leave, or vacation privileges, except an employee absent on leave for study or government service shall include such time toward qualifying for advancement to the next higher step in the salary range in accordance with this Agreement, and an employee absent on military leave shall be accorded all the rights and privileges granted by the Education Code and the Military and Veterans Code.
6. **Liability of District.** The District shall be free of any liability for the payment of any compensation or damages now or hereafter provided by law for the death or injury of any employee of the District when the death or injury occurs while the employee is on leave of absence without pay.
7. **Cancellation of Leave.** An employee may, for cause, request cancellation of any leave of absence. The Board of Education may, for cause, cancel any leave of absence and the employee shall then report for duty not later than the third working day following receipt of notification of such cancellation, provided that available transportation facilities will permit him/her to report within that period.
8. **Employment While On Leave.** An employee, while on leave of absence, may not accept other gainful employment with another employer, except ordered military, other government service, or per Section P.2.d above without express prior approval of the Board of Education.

Q. **MILITARY LEAVE OF ABSENCE.**

1. **Applicability of Provision For Certificated Employees.** In addition to the rights, privileges, and obligations regarding military leaves of absence which by law apply to classified employees, all such rights, privileges, and obligations by law made applicable to certificated employees shall likewise apply to classified employees as though the words "in positions not requiring certification qualifications" appeared in the law in place of the words "in positions requiring certification qualifications."
2. **Definition of Military.** The term "military" as used in this Agreement is defined as including army, navy, marine, air force, coast guard, or other armed service of the United States, or as may otherwise be defined by law.
3. **Return From Military Service.** An employee returning from military service who presents his/her discharge as evidence of such service shall be returned to his/her former classification if such classification exists and shall have the privilege of

6 family. Not more than five (5) days shall be granted.
7

8 Bereavement leave is non-cumulative and should generally be taken sequentially and
9 immediately following the death of a member of the immediate family. If special
10 circumstances exist where the employee cannot take the leave sequentially and
11 immediately, the employee must notify his/her supervisor immediately following the
12 death of a member of his/her immediate family. The leave must be taken within a
13 reasonable period not to exceed six months.
14

15 No deduction shall be made from the salary of such employee nor shall such leave be
16 deducted from leave granted by other Sections of this Agreement or provided by the
17 governing board. Member of the immediate family, as used in this Section, means the
18 mother, father, grandmother, grandfather, child or grandchild of the employee or of the
19 spouse of the employee, and the spouse, son-in-law, daughter-in-law, brother, sister, brother-
20 in-law, or sister-in-law of the employee, or any person having a principal place of residence
21 in the immediate household of the employee, including registered domestic partners and
22 their immediate family.
23

- 24 **S. IMMINENT DEATH LEAVE.** Every probationary and permanent employee shall be
25 entitled to two (2) days imminent death leave per fiscal year at full pay. Such leave shall not
26 be cumulative and shall be authorized when death of a member of the immediate family is
27 imminent. (See Section R. for definition of immediate family.)
28

- 29 **T. QUARANTINE.** Classified employees under personal quarantine by order of the health
30 officer of the city or county, whether because of their own illness or on account of the illness
31 of others, shall be paid for such period of quarantine as is required in the exigencies of the
32 case, provided that pay for such period of absence shall not be for more than two (2) weeks
33 in any period and that no more than two (2) separate periods of personal quarantine shall be
34 paid for in any school year to any one (1) employee. General periods of quarantine shall not
35 be counted as times of personal quarantine.
36

- 37 **U. PERSONAL LEAVE.** All probationary and permanent classified employees may be
38 granted a discretionary leave up to two (2) days per fiscal year (non-cumulative) at half pay
39 for any purpose provided that a qualified substitute, if needed, is available. In each instance,
40 the employee is required to make the request in advance, and the granting of the leave is
41 subject to the approval of the employee's department head.
42

- 43 **V. TRANSFER OF ACCUMULATED SICK LEAVE.** Education Code, Section 45202, as
44 currently adopted is incorporated by reference into this Agreement.
45

1 W. **SICK LEAVE DONATION PROGRAM.** The Sick Leave Donation Program is created
 2 pursuant to Education Code, Section 44043.5. The purpose of the Sick Leave Donation
 3 Program is to provide assistance to bargaining unit members suffering from a catastrophic
 4 physical illness or injury. This Sick Leave Donation Program provides employees with an
 5 opportunity to be restored to health so they may return to work. Additional information,
 6 including the forms, may be found in Appendix C of this Agreement.

7
 8 1. **Definitions:** As used herein the following definitions are agreed to in reference to
 9 the Sick Leave Donation Program.

10
 11 a. **Workday:** A work day, for the purposes of this Article, is a day when
 12 designated parties to the approval process are at work for all or part of the
 13 day.

14
 15 b. **Donation Day:** A donation day is defined as eight (8) hours for all
 16 employees.

17
 18 c. **Pay:** Pay is defined as the employee's regular daily rate excluding
 19 additional hours, overtime, and temporary upgrades.

20
 21 d. **Catastrophic Leave:** These are additional days of sick leave which have
 22 been donated by other District employees, both bargaining unit members
 23 and employees who are not members of the bargaining unit, from their own
 24 accrued monthly sick leave balances. These days of additional leave may
 25 be used to extend the recipient's sick leave and this leave may be taken on
 26 either consecutive or non-consecutive dates. The extended absence of the
 27 recipient must be due to the same illness or injury, conforming to the
 28 requirements for use of statutory sick leave. Illness or injury which qualifies
 29 as Workers' Compensation Leave is excluded from this program.

30
 31 f. **Catastrophic Illness or Injury:** Catastrophic illness or injury is defined as a
 32 serious illness or injury identified by the unit member's treating physician;
 33 requiring hospitalization or recovery therefrom for an extended period of
 34 time which would result in a financial hardship.

35
 36 2. **Eligibility Requirements for Leave Recipients.**

37
 38 a. A bargaining unit member is eligible for catastrophic leave if;

39
 40 (1) He/she has exhausted all of his/her accrued paid leave, which
 41 includes, but is not limited to, sick leave and vacations.

42
 43 (2) He/she is suffering from a catastrophic illness or injury that is
 44 expected to incapacitate him/her for an extended period of time.
 45

- 1 (3) The incapacity suffered by the employee requires him/her to take
2 time off from work beyond the number of days covered by the
3 employee’s accrued paid leave and financial hardship would result
4 for the bargaining unit member.
5
6 b. The maximum number of days which a recipient may receive for the same
7 illness shall be no more than the total number of duty days in the employee’s
8 work year.
9
10 c. Sick leave and vacation days accrued by the recipient during the time he/she
11 is on catastrophic leave shall be credited against the employee’s days of
12 absence. These days are in addition to the maximum number of days of
13 catastrophic leave which the recipient is entitled to receive.
14
15 d. Unit members receiving remuneration under worker’s compensation
16 provisions shall not be eligible to draw catastrophic leave.
17
18 e. Employees who may be eligible for disability payments under the Public
19 Employees Retirement System (PERS) shall apply for benefits at the
20 earliest opportunity. Upon approval for receipt of PERS or STRS disability
21 payments, the unit member’s eligibility to continue to draw catastrophic
22 leave shall cease.
23

24 3. **Guidelines for Donor Participants.**
25

- 26 a. Any member of the bargaining unit who has available monthly sick leave
27 balances may donate to an employee who is in need of catastrophic leave.
28 The required minimum donation shall be one (1) day (eight [8] hours).
29
30 b. Employees who are not members of the bargaining unit may also donate to
31 the employee who is in need of catastrophic leave, but under the provisions
32 of this program, these employees will not be eligible to draw such leave.
33
34 c. If an employee wishes to contribute more than one (1) day, he/she may
35 donate up to a total of five (5) days per year to a specific employee who has
36 been authorized for catastrophic leave. Employees donating more than one
37 (1) day must have a balance of twenty (20) days of accrued monthly sick
38 leave at the time of donation.
39
40 d. Donating employees must acknowledge in writing the donation is
41 voluntary, irrevocable, and confidential and this written acknowledgement
42 must be submitted to the Payroll Department. Leave donated within the
43 provisions of this program shall be deducted from the employee’s accrued
44 monthly sick leave days only.
45

46 4. **Application and Approval Process for Catastrophic Leave.**

1
2 a. In the event a bargaining unit employee suffers a catastrophic illness or
3 injury, he/she shall notify his/her immediate supervisor or the payroll clerk
4 at his/her work site as to the reason for his/her absence and identify said
5 reason as a catastrophic illness or injury. A Request to Participate in Sick
6 Leave Donation Program form shall be submitted by the affected employee
7 to his/her principal/site administrator or his/her designee before paid sick
8 leave is exhausted. Medical verification of the catastrophic illness or injury
9 shall be provided by the requesting employee at the time the Request to
10 Participate in Sick Leave Donation Program form is submitted.

11
12 In the event the unit member is personally unable to request this extension
13 of sick leave, the unit member's designee may make the request on behalf
14 of the applicant.

15
16 b. The principal/site administrator, or his/her designee, shall within three (3)
17 working days of receipt of the Request to Participate in Sick Leave
18 Donation Program form and medical verification, review and fax and/or
19 electronic mail both, to Physician Services in the Human Resources
20 Services Department who shall be responsible for the final decision to
21 approve or deny the employee's request. Final approval or denial will be
22 made and faxed to the principal/site administrator or his/her designee within
23 three (3) working days following receipt in the office of Physician Services
24 in the Human Resources Services Department.

25
26 c. The principal/site administrator or his/her designee shall, within three (3)
27 working days following notification of final approval, circulate by means
28 of fax and/or electronic mail the Donation of Sick Leave Hours form to all
29 schools and offices with a request to employees to donate sick leave days to
30 the employee in need. The name of the employee shall be included in that
31 request, but the request shall not include the employee's Social Security
32 number or medical information beyond confirmation of the needed
33 catastrophic sick leave.

34
35 d. In the event the principal/site administrator or his/her designee receives
36 notification the Request to Participate in Sick Leave Donation Program
37 form has been denied by the Human Resources Services Department, the
38 principal/site administrator or his/her designee shall within three (3)
39 working days notify the requesting employee or his/her designee of this
40 decision. The employee may revise the request to add pertinent medical
41 information and resubmit the application to Physician Services in the
42 Human Resources Services Department which will have it reviewed by a
43 licensed physician.

44

- 1 e. Upon being informed of a need for a sick leave donation and having decided
2 to make a donation, donor employees shall submit the Donation of Sick
3 Leave Hours form directly to the Payroll Department.
4
- 5 f. Upon receipt of the Donation of Sick Leave Hours forms from the donor
6 employee, the Payroll Department shall be responsible for processing these
7 forms. This task shall include:
8
 - 9 (1) Verifying that prospective donors have sufficient sick leave
10 balances to allow for the donation indicated by the employee.
11
 - 12 (2) Crediting the receiving employee with donated sick leave. Donated
13 sick leave will be provided in increments of no more than forty (40)
14 total work days at any one time.
15
 - 16 (3) Maintaining a record of the names of donors, the number of days
17 each employee has donated, and the dates the Donation of Sick
18 Leave Hours have been received.
19
 - 20 (4) Monitoring receiving employees' catastrophic leave balances to
21 ensure that donated leave transferred does not exceed the total
22 number of days in the receiving employees' regular work years.
23
 - 24 (5) Notifying payroll clerks and employees at those work sites/schools
25 to which donors are assigned that donations have occurred and that
26 donor employee sick leave balances need to be adjusted accordingly
27 on records at the work site/school.
28
 - 29 (6) Notifying the payroll clerk at the work site/school to which the
30 receiving employee is assigned that the employee has received an
31 initial catastrophic leave increment of up to forty (40) days. In the
32 event that additional increments are provided, a similar notification
33 shall be communicated to the payroll clerk.
34
- 35 g. Donated sick leave days will be distributed to the recipient by the Payroll
36 Department based on donations for the employee up to one year. If less, the
37 final increment shall reflect the balance of those days donated.
38
- 39 h. If the requesting recipient exhausts all paid sick leave before final approval
40 is secured and is placed on statutory leave before the sick leave donation is
41 approved, statutory leave charged to the employee shall be restored upon
42 determination of approval and days previously charged to statutory leave
43 shall be charged to the catastrophic leave donation program.
44
- 45 i. If the total number of days which are donated to a specific employee is not
46 used by that employee the balance of unused days shall be transferred to a

designated sick leave depository. Depository records will be maintained by the Payroll Department, and these records shall be available for review by CSEA upon request. Days carried over will be available to recipients whose requests are approved at a later date.

j. Receipt of catastrophic leave benefits under this program shall delay the beginning of the period of eligibility for statutory leave. The employee will become eligible for statutory leave after all catastrophic leave has been exhausted.

k. The maximum number of days which may be designated for an employee’s use at one time shall be forty (40). If the recipient needs additional days or if the number of days initially donated is less than forty (40) the principal/site administrator shall renew the appeal for additional days immediately prior to the depletion of the original donation.

5. **Evaluation of the Program.** This program will be reviewed and re-evaluated by the Office of Employee Relations Services and California School Employees Association (CSEA), Chapter 2 once a year. The parties may agree to modifications in the program. Any modifications in the program shall be by mutual agreement.

X. **VACATION ALLOWANCE.**

1. Vacation allowance shall be earned based on the following schedule:

| Years of Service | Rate of Earning* | Total Days Per Year: | | | | | | |
|------------------|------------------|----------------------|----------------|----------------|----------------|----------------|----------------|--|
| | | <u>12-Month</u> | <u>235-Day</u> | <u>225-Day</u> | <u>220-Day</u> | <u>209-Day</u> | <u>207-Day</u> | |
| 0-5 | .055 | 14.30 | 12.93 | 12.38 | 12.10 | 11.50 | 11.39 | |
| 6-10 | .062 | 16.12 | 14.57 | 13.95 | 13.64 | 12.96 | 12.83 | |
| 11-15 | .070 | 18.20 | 16.45 | 15.75 | 15.40 | 14.63 | 14.49 | |
| 16 and over | .081 | 21.06 | 19.04 | 18.23 | 17.82 | 16.93 | 16.77 | |

*Vacation allowance is computed at this rate for each hour for which pay is received, exclusive of overtime.

A service year for purposes of earning vacation credit is one in which the employee has been compensated for at least fifty percent (50%) of his/her regular work year.

2. **Eligibility For Vacation.** Eligibility for vacation shall be determined as follows:

a. Regularly assigned employees with either probationary or permanent status are eligible to earn paid vacation.

b. Eligibility to take vacation will commence on the first day of the pay period following completion of the number of hours that correspond to one hundred thirty (130) days of paid service in regular assignments. The vacation, which

1 is then due the employee, shall be the number of hours of vacation
 2 accumulated in accordance with the Vacation Allowance Schedule. No
 3 payment for accumulated vacation shall be made to an employee who
 4 terminates prior to attaining eligibility to take vacation. No vacation shall be
 5 taken until earned.
 6

- 7 c. One hundred thirty (130) days shall be defined as one hundred thirty (130)
 8 times the average number of regularly assigned hours per day for the
 9 employee.
 10

- 11 3. **When Vacation Is Taken.** The District and the CSEA agree that timely utilization
 12 of all earned vacation benefits both the employee and the school district. Earned
 13 vacation is to be taken at a time when the efficiency of the District will be least
 14 affected. Vacation shall be taken only at times approved by the department head or
 15 his/her designee; however, District managers and supervisors will consider the
 16 wishes of the employee when scheduling vacation. Vacation requests shall be
 17 submitted in writing at least seven (7) working days prior to the commencement of
 18 the vacation period. The department head or designee shall respond within three (3)
 19 full working days of receipt with the approval or denial of the vacation request. If
 20 the written request is made for 8 hours or less, the approval will be at the discretion
 21 of the immediate supervisor/manager. If there is a conflict in vacation dates requested
 22 by employees, the conflict will be resolved on the basis of the greatest seniority in
 23 the District; except that a more senior employee may not "bump" a less senior
 24 employee once the annual vacation schedule has been established.
 25

- 26 a. Vacation earned by 217-day work year employees shall be due them in the
 27 same manner as all other employees. They shall take vacation due them
 28 during winter and/or spring student vacation periods or, with the approval of
 29 the department head or his/her authorized representative, they shall be paid
 30 for vacation due them as of June 30; or they may take vacation at other times
 31 when it will least affect the efficiency of the District as mutually agreed upon
 32 by the employee and the immediate supervisor. During winter and/or spring
 33 student vacation periods, 217-Day employees are entitled to utilize the leave
 34 provisions detailed in this Article.
 35

- 36 b. All employees whose regular assignments begin and terminate with the
 37 opening and closing of the traditional school session shall be paid during
 38 winter, spring, summer, or intersession recess periods for vacation due them;
 39 or with the approval of the department head, requested vacation may be taken
 40 on student-free days or at other times.
 41

- 42 c. Effective the first day of any fiscal year (July 1) employees may have
 43 accumulated vacation credit not to exceed the amount of vacation credit
 44 earned in one and one-half (1½) years of paid service. Upon notification,
 45 employees shall be given the opportunity to schedule and take vacation days
 46 in excess of this amount prior to July 1 subject to the needs of the District.

1 Any excess vacation days not scheduled and taken by the employee shall be
2 taken at the direction of the site administrator.

3
4 d. If an employee has accumulated the maximum allowable vacation credit and
5 a serious personal or work-related situation prevents using earned vacation,
6 or the vacation is denied by the immediate supervisor, or vacation is canceled
7 by the supervisor, the employee shall be permitted to request:

8
9 (1) To receive in-lieu payment for any vacation balance in excess of the
10 vacation credit earned in one and one-half (1 ½) years of paid service;
11 or

12 (2) To accumulate excess vacation.

13
14
15 Such request will include the nature and duration of the situation and will be
16 made in writing to the Chief Business and Financial Officer by May 15.

17
18 If request for in-lieu payment is not received by May 15 or if in-lieu payment
19 is not approved, upon written application, accumulation of excess vacation
20 credit will be authorized by the Chief Business and Financial Officer.

21
22 If the approved vacation of a bargaining unit member is canceled by a
23 supervisor and the employee can provide documentation of a non-
24 refundable expenditure associated with the vacation (i.e., airline tickets,
25 hotel reservations), the employee shall be fully reimbursed for said loss.

26
27 CAUTION: PERS retirement credit is not earned on the above-described
28 vacation payoff.

29
30 e. A vacation once having commenced shall be terminated only by the
31 employee's returning to work, being laid off, being terminated from
32 employment, having verified hospitalization or reportable disease, or
33 having a death of a member of the immediate family as defined in Article
34 VIII, Section R.

35
36 f. If an employee's scheduled vacation period comes due and the employee'
37 is on leave because of verified illness, injury, or bereavement, he/she may
38 contact the appropriate manager/supervisor to arrange a rescheduling of the
39 vacation. Such a request must be made before the original vacation is
40 scheduled to begin. The manager/supervisor will reschedule the vacation
41 after considering requested dates submitted by the employee and the
42 operational needs of the work site.

43
44 4. **Pay for Vacation**

45
46 a. Rate. The rate at which vacation is paid shall be at the employee's current
47 rate. Employees whose vacations are earned and begun under a given status

1 shall suffer no loss of earned vacation salary by reason of subsequent
2 changes in conditions of employment. No vacation or part thereof shall be
3 taken in an amount less than one-half (½) hour at a time.
4

5 b. Pay Upon Termination. On separation from service, the employee shall be
6 entitled to lump sum compensation for all earned and unused vacation, except
7 that employees who have not completed the number of hours of employment
8 which corresponds to six (6) months or one hundred thirty (130) days of paid
9 service, whichever is longer, shall not be entitled to such compensation.
10

11 5. **Vacation Credit While in Non-paid Status.** An Employee absent on leave
12 without pay or an employee laid off for lack of work or lack of funds shall not
13 accumulate vacation credit during the period of absence from active service.
14

15 6. **Vacation Credit While on Military Leave.** Every employee who is a member of
16 the National Guard or Naval Militia, or a member of the Reserve Corps or force in
17 the federal military, naval or marine service, and who is granted a military leave of
18 absence with pay, shall be granted all vacation privileges provided by the Military
19 and Veterans Code.
20

21 7. **Holidays During Vacation.** No deduction shall be made from the vacation credit of
22 any employee for holidays occurring during the assigned vacation period of the
23 employee.
24

25 Y. **REPORTING OF ABSENCES / REPORTS REQUIRED.** For the use of sick (including
26 statutory), personal necessity and bereavement leaves, all employees shall notify their
27 immediate manager or the manager's designee of their intended absence prior to the
28 beginning of the employee's workday. Any classified employee absent for any of the reasons
29 provided in this Agreement shall file with their immediate manager or the manager's
30 designee a completed and signed "Certificate of Absence" form. Upon request, the employee
31 shall receive a copy of the completed and signed "Certificate of Absence" form.
32

33 Z. **CASUAL ABSENCE:** Department heads shall have discretionary power, when the
34 necessity demands, to grant to employees permission to be absent without loss of salary,
35 parts of a day not exceeding one-half (½) day when good reason for such absence exists,
36 provided that this power shall not be construed to confer the right to reduce the established
37 number of working hours per month of the employee, and provided further that in no case
38 shall the work of the department or division be materially retarded by the granting of such
39 absence; and provided further that frequent requests from an employee for such absences,
40 even for short periods, are to be avoided.

ARTICLE IX**Transfers and Promotions****A. TRANSFERS.**

1. An employee may be transferred to meet the needs of the District as determined by the District from one position to another position in the same classification at the discretion of the division head(s) where the positions are located. Transfers shall not be made for punitive reasons; it is agreed, however, that any grievance which alleges that a transfer was made for punitive reasons shall be excluded from binding arbitration.
2. Reasons for any transfer which is not voluntary shall be discussed with the employee by the appropriate division head at least ten (10) working days prior to the transfer, except in the case of extenuating circumstances. The employee will receive a written notice of involuntary transfer which shall specify the needs of the District which require the transfer. Such notice shall be in writing on the appropriate form (Appendix I).
3. When a transfer is necessitated by the elimination of a position at a work site, the transfer will be accomplished as follows:
 - a. If there is only one person assigned to the classification in which the position is eliminated, that person will be transferred.
 - b. If there are two or more people assigned to the classification in which the position is eliminated, the manager will ask for volunteers for transfer.
 - (1) If two or more people volunteer for transfer, the employee with the most District seniority in the classification will be transferred.
 - (2) If there are no volunteers for transfer, the employee with the least District seniority in the classification at the site will be transferred.
4. An employee with permanent status may request a transfer from one position to another within the same classification. Such request shall be in writing and submitted to the Executive Officer, Personnel Commission and Classified Employment. A transfer request shall remain active through June 30 at which time the request must be renewed. No obligation shall exist to fill a position by transfer rather than by any other method of appointment; however, each employee will be notified that his/her transfer request has been received. Each transfer request will be so identified on the appropriate eligibility list(s). When there are no more than three (3) transfer requests on the eligibility list, each employee requesting a transfer will be interviewed for the available position. When there are more than three (3) transfer requests on the eligibility list, the person responsible for filling the position

1 will select at least three (3) employees with the most seniority requesting a transfer
2 to be interviewed.

3
4 When an employee who has been interviewed, but not selected for the position,
5 requests information on why she/he was not the successful candidate, this
6 information will be shared with the employee.
7

- 8 5. A permanent employee, upon transfer to another position in the same classification,
9 shall assume permanent status in the new position and per Education Code, Section
10 45308, an employee transferred to a position in the same classification shall retain
11 seniority credits already earned in that classification plus higher classifications.
12
- 13 6. An employee transferred shall:

For the purposes of pre-employment testing, the term driver includes a person applying to drive a commercial vehicle. “Driver” includes but is not limited to full-time, regularly employed drivers, any casual, intermittent, or occasional drivers such as, parent substitutes, other volunteers (non-parent), and employees whose primary work duties are other than school bus driver.

2. **Commercial Motor Vehicle.** A motor vehicle or combination of motor vehicles used in commerce to transport passengers or property if the motor vehicle is one of the following:

a. Has a gross combination weight of 26,001 or more pounds, inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds.

3. **Safety Sensitive Functions.** For the purposes of this Article, the term “safety-sensitive” function shall mean “on-duty time” as defined in Title 49 of the Code of Federal Regulations, Section 395.2. “On-duty time” means “all of the time from the time a driver begins to work, or is required to be in readiness to work, until the time he/she is relieved from work and all responsibility for performing work”. Therefore, all functions performed by drivers are safety-sensitive functions for the purpose of this Article.

C. **PROHIBITED CONDUCT.**

6. No driver shall refuse to submit to any test required by law or this Article.
7. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when he/she uses any controlled substances, except when the use is pursuant to the instruction of a physician who has advised the driver that the substance does not adversely affect his/her ability to safely operate a commercial vehicle.
8. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if he/she tests positive for controlled substances.

D. CONSEQUENCES OF PROHIBITED CONDUCT.

1. No driver shall perform safety-sensitive functions, including driving a commercial motor vehicle if he/she has engaged in conduct prohibited by this Article, unless the driver successfully completes a return-to-duty test, subject to the exception in Paragraph D.2. below. More specifically, before a driver returns to duty requiring the performance of safety-sensitive functions after engaging in conduct prohibited by this Article, he/she shall undergo a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 if the conduct involved alcohol, or a controlled substances test with a verified negative result if the conduct involved controlled substances.
2. No driver tested under this Article who is found to have an alcohol concentration of greater than 0.02 - but less than 0.04 - shall perform or continue to perform safety-sensitive functions for the employer, including driving a commercial motor vehicle. In this situation, the driver shall not continue to perform safety-sensitive functions until the start of his/her next regularly scheduled work period, but not less than twenty-four (24) hours following administration of the test and until cleared by the District-designated physician or another physician provided by the District.

H. RANDOM TESTING.

- 1 1. The employer shall randomly select from all drivers for alcohol and controlled
2 substances testing during each calendar year in accordance with applicable federal
3 law. The minimum annual percentage rate for random alcohol testing shall be twenty
4 five percent (25%) of the average number of driver positions. The minimum annual
5 percentage rate for controlled substances testing shall be fifty percent (50%) of the
6 average number of driver positions.
7
- 8 2. The selection of drivers for random alcohol and controlled substances testing shall
9 be made by a scientifically valid method which ensures that each driver shall have an
10 equal chance of being tested each time selections are made.
11
- 12 3. The employer shall ensure that the random tests are unannounced and that the dates
13 for administering the random tests are spread reasonably throughout the calendar
14 year. Every driver who is notified of selection for random testing shall proceed to
15 the test site immediately.
16
- 17 4. A driver shall be subject to random alcohol and/or controlled substances testing at
18 the following times: while the driver is performing safety-sensitive functions; just
19 before the driver is performing safety-sensitive functions; or just after the driver has
20 ceased performing such functions.
21
- 22 5. Drivers will not be recalled from an approved leave of absence for purpose of random
23 alcohol/controlled substances testing.
24

25 **I. REASONABLE SUSPICION TESTING.**

- 26
- 27 1. The employer shall require a driver to submit to an alcohol and/or controlled
28 substances test when the employer has reasonable suspicion to believe that the driver
29 has engaged in prohibited conduct, as set forth in this Agreement. The employer's
30 determination that reasonable suspicion exists must be based on specific,
31 contemporaneous, articulable observations concerning the appearance, behavior,
32 speech, or body odors of the driver.
33
- 34 2. The person (Supervisor, Job Code S1, or Manager, Job Code M1 or M2) who makes
35 the determination that reasonable suspicion exists to conduct an alcohol and/or
36 controlled substances test shall not conduct the test of the driver or participate in the
37 chain of custody of any specimen for testing.
38
- 39 3. A driver shall have the right to request to have a union representative accompany
40 him/her to a test site.
41

42 **J. RETURN-TO-DUTY TESTING.** The employer shall ensure that before a driver returns-
43 to-duty requiring the performing of a safety-sensitive function after engaging in prohibited
44 conduct, the driver shall undergo, as applicable, a return-to-duty alcohol test with a result
45 indicating an alcohol concentration of less than 0.02; or a return-to-duty controlled

1 substances test from a medical review officer indicating a verified negative result, except in
2 the situation described in Section D.2.

3
4 **K. TRANSPORTATION.**

- 5
6 1. If a driver produces a test result indicating an alcohol concentration equal to or greater
7 than 0.04, or if the driver produces a verified positive result of a controlled substances
8 test, that driver shall be transported to his/her residence as arranged by the employer.
9
10 2. If a driver is required to take an alcohol and/or controlled substances test because of
11 reasonable suspicion as defined in Section I above, the driver shall be transported to
12 his/her residence as arranged by the employer.
13

14 **L. REFERRAL, EVALUATION, AND TREATMENT.**

19
20 2. Each driver who engages in conduct prohibited by this Article shall be evaluated by a
21 substance abuse professional who shall determine what assistance, if any, the driver
22 needs in resolving problems associated with alcohol misuse and/or controlled
23 substances use. The substance abuse professional shall be a person who has qualified
24 for that position in accordance with applicable federal requirements.
25
26 3. In addition, each driver identified as requiring assistance in resolving problems
27 associated with alcohol misuse or controlled substances use shall be evaluated by a
28 substance abuse professional to determine that the driver has properly followed any
29 rehabilitation program prescribed by that professional. In addition, the driver shall be
30 subject to unannounced follow-up alcohol and/or controlled substances tests
31 administered by the employer following the driver's return to duty. The number and
32 frequency of such follow-up testing shall be as directed by the substance abuse
33 professional, and consist of at least six (6) tests in the first twelve (12) months

41 instances, when a driver engages in conduct prohibited by law and this Article. The
42 employer also reserves the right to impose disciplinary action, in accordance with
43 applicable law, when a driver engages in conduct prohibited by law and this Article.
44

- 1 6. The choice of a substance abuse professional (an impartial, non-District employee),

- 7 1. A positive test for alcohol must be a confirmation test by an evidential breath
8 testing device capable of printout and sequential numbering and must show
9 an alcohol concentration of 0.01 grams of alcohol per two hundred ten (210)
10 liters of breath or greater. Such a test is positive even if the concentration is
11 caused by prescribed medication.
12
- 13 2. A positive test for controlled substances must be a confirmation test by gas
14 chromatography/mass spectrometry techniques and must show one of the
15 following:
16

32 confidence;
33
 - 34 b. The medical review officer has given the driver, within seventy-two

38 Health and Human Services; and
39
 - 40 c. The remainder of the split sample has been tested and found to be
41 positive, or no timely request for such a test is made by the driver.
42
- 43 4. If the medical review officer concludes that there is a legitimate explanation
44 for the positive test, such as prescription or over-the-counter medication or a
45 negative result in the test of the remainder of the split sample, the medical
46 review officer must report the test to the employer as a negative test.

1
2 5. The medical review officer (an impartial, non-District employee) shall be a

20

21 **F. APPEAL OF RATING CONTENT AND PROCEDURE.** It is agreed that a rating
22 consists of both the letter rating (S, N, U) and the evaluator’s comments, if any. An employee
23 may, within fifteen (15) days of receipt of the rating, request a conference with the reviewer
24 of the rating to discuss the content of the rating. The reviewer of the rating will have ten (10)
25 days to determine if the rating content is accurate or inaccurate after the conference. If the
26 reviewer does not respond in the prescribed time period, the grievant may appeal to the next
27 level.
28

29 Upon receipt of a written appeal, it will be the responsibility of the recipient to
30 forward a copy to Employee Relations Services.
31

32 If still dissatisfied with the rating content, the employee may, within fifteen (15) days from
33 receiving the reviewer’s response, file with the next higher supervisor a written appeal of the
34 rating. The employee may request a conference. The next higher supervisor will have ten
35 (10) days from receipt of a written appeal to determine if the rating content is accurate or

38 respond in the prescribed time period, the grievant may appeal to the next level. The
39 employee shall be given a copy of a new rating which shall be placed in the employee's
40 personnel file. If the appeal is denied and the employee fails to proceed to the next level
41 within the timelines outlined herein, the original rating, together with the written appeal, shall
42 be placed in the employee's personnel file.
43

44 If the above appeal is denied and the employee is still dissatisfied with the rating content, the
45 employee within fifteen (15) days from the conference with the reviewer may file with the
46 appropriate Assistant/Deputy Superintendent or Chief Business and Financial Officer a
47 written appeal of the rating. The employee may request a conference. The Assistant/Deputy

1 Superintendent or Chief Business and Financial Officer will have ten (10) days from the

4 rating content is inaccurate, he/she shall direct the immediate supervisor/manager to rewrite
5 the rating. The immediate supervisor/manager shall give a copy of the revised rating to the
6 employee and the revised rating shall be placed in the employee’s personnel file. If the
7 appeal is denied the employee shall be notified in writing, and the original rating, together
8 with the written appeal, shall be placed in the employee’s personnel file as the final rating.

23 shall be submitted to Employee Relations Services for forwarding to the appropriate
24 manager.
25

26 This appeal should include a copy of the original grievance, the disposition of the
27 original grievance by the immediate supervisor, and a clear, concise statement of
28 the reasons for the appeal.
29

30 The respondent at Level II shall investigate the allegations and a written decision
31 shall be communicated within ten (10) days after receiving the appeal. Either the
32 grievant or the respondent may request a personal conference within the ten (10)
33 day time limit. If no response is made in the prescribed time period, the grievant
34 may appeal to the next level.
35

36 Both the grievant and the respondent reserve the right to have representation.
37

- 38 3. **Level III (Mediation).** If the grievant is not satisfied with the decision at Level II,
39 he/she may within ten (10) days after receipt of the decision at Level II, submit to
40 Employee Relations Services a written request for mediation of the grievance.
41 Employee Relations Services shall with five (5) days after receipt of the written
42 request submit to the California State Conciliation Service a request for the
43 immediate services of a mediator.
44

45 The parties agree that Level III of this Grievance Procedure may be waived by
46 mutual agreement of the grievant and the District.

- a. The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.
- b. If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement of resolution to that effect, and thus waive the right of either party to further appeal the grievance.

4. **Level IV (Binding Arbitration).** If a resolution of the grievance is not achieved as a result of mediation (Level III) or if Level III has been waived, and the grievant through the Association desires to contest further, the grievant may request the CSEA to submit the grievance to arbitration. If the CSEA proceeds to arbitration, the statement of grievance shall be filed with Employee Relations Services on the appropriate Level IV form within ten (10) days following the conclusion of mediation. The form shall be complete and include the endorsement of the CSEA.

No grievance shall be considered by the arbitrator which has not first been processed in accordance with the above described grievance procedures, Sections C and D.

a. **Selection of Arbitrator.** Upon the proper submission of a Level IV grievance form, the CSEA staff and Employee Relations Services staff shall, within ten (10) days after receipt of the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either the CSEA or the District may request the State Mediation and Conciliation Service to provide a list of seven (7) arbitrators experienced in hearing grievances in public schools. Such request shall be made within twenty (20) days after receipt of the Level IV grievance form. The CSEA staff and the Employee Relations Services staff shall select an arbitrator by alternately striking names. The order of striking shall be determined by flipping a coin.

b. **Jurisdiction.**

- (1) The arbitrator shall have no authority to hear evidence and/or rule on any sections of this Agreement which were not present in the original grievance, Formal Level I.
- (2) The parties shall attempt to agree upon a statement of the issue(s) to be submitted to arbitration. If the parties cannot agree, the arbitrator shall determine the issue by referring to the written grievance documents.

- (3) After a hearing and after both parties have had an opportunity to present written arguments, the arbitrator shall submit a decision within thirty (30) days.
- (4) The arbitrator’s decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions on the issue(s) submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. Subject to the limitations specified in Article V, Section B., it is agreed that the remedy of the arbitrator may include such financial reimbursement as may be necessary to make the grievant whole for any monetary loss resulting from a violation, misapplication or misinterpretation of the specific provision(s) of this Agreement.
- (5) The decision of the arbitrator shall be submitted to the CSEA Labor Relations Representative and the Director of Employee Relations Services, and shall be binding upon the parties.

c. **Areas of Exclusion.** The arbitrator shall have no power to recommend or resolve:

- (1) Any issue arising out of the exercise by the Board or administration of responsibilities under Article II, Reserved Rights of the District, except as modified by the specific provisions of this Agreement.
- (2) Any provisions of this Agreement which is identified in the Agreement as specifically excluded from binding arbitration.
- (3) Issues involving evaluation other than procedures specifically identified in Article XII, Evaluation Procedure.

d. **Cost of Arbitration.**

- (1) All cost of the services of the arbitrator including but not limited to per diem expenses, travel and travel time, and the cost of any hearing room which is not the property of the school district shall be borne equally by the parties.
- (2) Either party may request that the hearing be recorded. The costs of a certified court reporter shall be paid by the party requesting the reporter and only the party paying for the report shall receive a transcript of the hearing. Alternately, both parties may mutually agree to share equally the costs of the reporter in which case both parties shall receive a copy of the transcript.

- (3) The grievant and required employee witnesses will be granted release time as necessary to participate in any hearing required by the arbitration process. The release of employee witnesses will be scheduled to minimize disruption of work schedules.
- (4) Each party shall bear the expense of the preparation and presentation of its own case.

E. **GENERAL PROVISIONS.** When a grievant requests assistance of a bargaining unit employee, the employee shall be released without loss of pay to attend conferences and hearings with District personnel. Other costs shall be paid by the incurring party.

All requests by CSEA for necessary and relevant information shall be made to Employee Relations Services in writing. CSEA may inspect at a reasonable time any specific non-confidential lawful document in the possession of the District. CSEA agrees to reimburse the District for the reasonable costs of reproducing any such document the Association wishes to purchase. CSEA agrees to provide the District at cost with copies of Association reports necessary for the District to discharge its responsibilities under this Agreement. The parties also agree to place grievances that are dependent on said information in abeyance until the information is provided to the requesting party. (Article III, F)

The grievant, CSEA on behalf of the grievant, and/or the District may request extension of time limits set forth herein. Time limits may be extended by mutual agreement of the parties. Failure of the grievant to request an extension or to meet time limits shall render the grievance null and void.

A grievant, where appropriate, may submit to Employee Relations Services a request that a grievance level be by-passed. By-passing a level without prior agreement will render the grievance null and void.

If a grievant chooses to process a grievance without the intervention of CSEA, the District shall not agree to a resolution of the grievance until CSEA has received a copy of the grievance and the proposed resolution and has been given ten (10) days to file a response thereto. Binding arbitration requires the endorsement of CSEA.

If more than one (1) employee shares in the allegation, only one (1) grievance may be processed in their behalf. The grievance may be filed at a level agreed upon by CSEA and the District.

F. **ELECTION OF REMEDIES AND WAIVER.** A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the

1 employee shall waive the right to initiate a grievance pursuant to this Article or, if the
2 grievance is pending in the grievance procedure, the right to pursue it further shall be
3 immediately waived. This Section shall not apply to actions to compel arbitration as
4 provided in the Agreement or to enforce the award of an arbitrator.

ARTICLE XIV

Concerted Activities

- A. It is agreed and understood that there will be no strike, work stoppage, picketing, or other concerted action or refusal to perform job functions and responsibilities, or other interference with the operation of the District by the California School Employees Association and/or its Long Beach Chapter 2 by its officers, agents, or members during the terms of this Agreement, including compliance with the request of other individuals, groups, or labor organizations to engage in such activity.
- B. The California School Employees Association and its Long Beach Chapter 2 recognize the duty and obligation of its representatives to comply with the provisions of this Agreement and to make a reasonable effort toward inducing all bargaining unit employees to do so. In the event of a strike, work stoppage, slow-down, or other interference with operation of the District by employees who are represented by CSEA, CSEA agrees in good faith to take all necessary steps to cause those employees to cease such actions.
- C. It is agreed and understood that any bargaining unit employee violating this Article may be subject to discipline up to and including termination by the District. Furthermore, it is understood that in the event this Article is violated by CSEA, the District shall be entitled to withdraw any rights, privileges, or services provided for in this Agreement, in Government Code, Section 3543.1, or in District policy from any bargaining unit employee and/or CSEA.
- D. The District agrees that there will be no lockout of bargaining unit employees during the term of this Agreement. In the event of a strike or other concerted activities by other District employees, the District will make a reasonable effort to provide work assignments for employees covered by this Agreement.
- E. This Article shall cease to be in effect upon the expiration of this Agreement and in accord with PERB procedures.

ARTICLE XV

Progressive Discipline and Discipline Procedures

A. **DEFINITION OF PROGRESSIVE DISCIPLINE.** Progressive discipline is a series of fair, consistent and timely corrective steps to improve employee performance through direct, honest and constructive communication. Discipline will be consistent with the Rules and Regulations of the Classified Services and the California Education Code.

A “day” is a workday when both the employee and supervisor are on duty.

B. **GOAL OF PROGRESSIVE DISCIPLINE.** Generally, discipline will follow a progressive approach, which attempts to correct, resolve or remove the employee’s less than satisfactory performance at the lowest most effective level. It is the objective of the District to meet face-to-face with a unit member when providing progressive discipline interventions. The District and CSEA recognize that there are some situations where progressive discipline is not appropriate. When permitted by the nature of the offense, the steps delineated below will be followed.

C. **PROGRESSIVE DISCIPLINE INTERVENTIONS.**

1. **Verbal Counseling/Warning**

Verbal counseling shall be done within ten (10) working days of the rater’s knowledge of the occurrence of the alleged infraction. The supervisor may complete a written conference summary outlining the verbal warning, in addition to the steps for improvement. The employee shall be provided with a copy of such documentation. Conference summaries shall not be placed in the employee’s personnel file except as an attachment to a written reprimand as documentation of progressive discipline. The employee may prepare a written response, and if requested, such response shall be attached to the conference summary.

2. **Written Warning**

Written warnings shall be given within ten (10) working days of the rater’s knowledge of the alleged infraction and shall include the steps for improvement. The employee shall be provided a copy of such documentation. Written warnings shall not be placed in the employee’s personnel file except as an attachment to a written reprimand as documentation of progressive discipline. The employee may prepare a written response, and if requested, such response shall be attached to the conference summary.

3. **Written Reprimand**

A letter of reprimand shall be given within ten (10) working days of the rater’s knowledge of the occurrence of the alleged infraction. Letters of reprimand shall include the specific cause for the action and the policies, rules and regulations alleged to have been violated. Letters of reprimand shall include a plan for

1 improvement and consequences for continued infractions. The bargaining unit
2 member shall sign the reprimand to acknowledge receipt only. Letters of reprimand
3 will be placed in the employee’s personnel file ten (10) working days from the date
4 of receipt. The employee may prepare a written response, and if requested, such
5 response shall be attached to the letter of reprimand and placed in the employee’s
6 personnel file.

7
8 D. **DISCIPLINE BEYOND A WRITTEN REPRIMAND.** Infractions that warrant action
9 beyond a written reprimand, including, but not limited to suspensions and termination will
10 be completed in accordance with the Rules and Regulations of Classified Service and the
11 California Education Code.

12
13 E. **DISCIPLINE.** Discipline shall be defined as termination, suspension without pay,
14 reduction in pay, or involuntary demotion. Written reprimands, counseling and/or oral
15 warnings are not considered disciplinary for purposes of this Article; however, they may
16 be referred to for purposes of determining appropriate level of discipline.

17
18 Layoffs, reduction in assigned time in lieu of layoff, voluntary demotions and bumping are
19 not considered "discipline."

20
21 F. **GROUNDS FOR DISCIPLINE.** Examples of performance or behavior that may result
22 in disciplinary action are identified in the Rules and Regulations of the Classified Service.
23 That list is representative and does not exhaust all possible situations where disciplinary
24 action may be required.

25
26 G. **PRE-DISCIPLINE PROCEDURE.** The pre-discipline procedure will normally apply in
27 all cases of termination, demotion, or suspension without pay.

- 28
29 1. The employee will receive written notice of the proposed disciplinary action.
30
31 2. The employee will be given the reason(s) for the proposed disciplinary action.
32
33 3. The employee will be given a copy of, or be provided access to, written materials,
34 reports, and documents, if any, upon which the proposed action is based.
35
36 4. The employee will be accorded the right to respond, either orally or in writing or
37 both, either in person or through a representative, within a reasonable time period
38 (five [5] days in most instances), and to a level of management who can effectively
39 recommend that the proposed disciplinary action be taken or not taken.
40
41 5. The employee will receive a written notice of discipline, giving the original
42 allegation(s), the determination as to the charges, the level of disciplinary action to
43 be received, and final admonition(s) if disciplinary action is to be taken.
44

1 6. The employee may appeal the disciplinary action before the Personnel Commission
2 in accordance with the Rules and Regulations of the Classified Service and shall be
3 notified in writing by the District of such rights.
4

5 H. **ADMINISTRATIVE LEAVE.** An employee may be immediately relieved from duty
6 and placed on paid administrative leave when it has been alleged that he/she has created a
7 situation wherein he/she may not reasonably be expected to perform competently, or where
8 his/her continued presence poses a threat to his/her own health or safety and/or the health
9 and/or safety of others, or during an investigation of such alleged behavior.
10

11 In such emergency conditions, the pre-disciplinary procedure should be initiated as soon
12 as possible, but need not occur prior to relieving the employee from duty. At the discretion
13 of the District, such employee may be allowed to return to work at any time pending the
14 pre-disciplinary procedure.
15

16 I. **APPEAL OF WRITTEN REPRIMAND.** An employee may within fifteen (15) days of
17 receipt of a written reprimand request a conference with the manager/supervisor who is the
18 reviewer of the employee’s evaluation for the purposes of discussing concerns the
19 employee has regarding the content of the written reprimand. The manager/supervisor will
20 have ten (10) working days to determine if the written reprimand content is accurate or
21 inaccurate after the conference. If the manager/supervisor does not respond in the
22 prescribed time period, the grievant may appeal to the next level.
23

24 Upon receipt of a written appeal, it will be the responsibility of the recipient to
25 forward a copy to Employee Relations Services.
26

27 If still dissatisfied with the written reprimand content, the employee may, within fifteen
28 (15) working days from the conference with the reviewer, file with the next higher
29 supervisor a written appeal of the written reprimand. The next higher supervisor will have
30 ten (10) working days from receipt of a written appeal to determine if the content of a
31 written reprimand is accurate or inaccurate. If the next higher supervisor determines that
32 the written reprimand content is inaccurate, he/she shall order that within ten (10) working
33 days a new written reprimand be written or the original written reprimand be withdrawn,
34 as applicable. If the manager/supervisor does not respond in the prescribed time period,
35 the grievant may appeal to the next level. The employee shall be given a copy of any new
36 written reprimand which shall be placed in the employee’s personnel file. If the appeal is
37 denied and the employee fails to proceed to the next level within the timelines outlined
38 herein, together with the written appeal, shall be placed in the employee’s personnel file.
39

40 If the above appeal is denied and the employee is still dissatisfied with the content of the
41 written reprimand, the employee within fifteen (15) working days from the conference with
42 the reviewer may file with the appropriate Assistant/Deputy Superintendent or Chief
43 Business and Financial Officer a written appeal of the written reprimand. The
44 Assistant/Deputy Superintendent or Chief Business and Financial Officer will have ten
45 (10) working days from the receipt of a written appeal to determine if the content of the
46 written reprimand is accurate or inaccurate. If the Assistant/Deputy Superintendent or
47 Chief Business and Financial Officer determines the content of the written reprimand is
48 inaccurate, he/she shall direct the immediate supervisor/manager to either rewrite or

1 withdraw the written reprimand as he/she deems appropriate. The immediate
2 supervisor/manager shall give a copy of the revised written reprimand to the employee and
3 the revised written reprimand shall be placed in the employee’s personnel file. If the appeal
4 is denied, the employee shall be notified in writing, and the written reprimand, together
5 with the written appeal, shall be placed in the employee’s personnel file as the final
6 decision.

7
8 No letter of written reprimand that is being appealed shall be placed in an employee’s
9 personnel file until the appeal process has been completed.

Savings Clause

If any Articles, Sections, or provisions of this Agreement shall be found to be contrary to, or in conflict with, federal or state law, only that Article, Section, or provision shall be rendered void with no effect on any other Article, Section, or provision because of the contradiction or conflict with federal or state law.

Such Article, Section, or provision being rendered void shall be subject to renegotiation within a reasonable period of time by CSEA and the District.

ARTICLE XVIII

Completion of Meet-and-Negotiate Sessions

During the term of this Agreement, the parties waive and relinquish the right to meet and negotiate except as provided elsewhere in the Agreement, and agree that they shall not be obliged to meet and negotiate with respect to any subject or matter whether referred to or covered in this Agreement or not, even though each subject or matter may not have been within the knowledge or contemplations of either or both the District or the Association at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn. Except that if the District contemplates having specified services currently provided exclusively by unit members accomplished by the private sector or another public agency, the District and the CSEA will meet and negotiate regarding both the decision and the effect of the decision. Any grievance regarding implementation of this provision will be initiated at Level II.

ARTICLE XIX

- B. All drivers shall be notified of the presence and use of GPS devices on district owned vehicles. The primary purpose of the GPS locator is to assist in dispatching and routing district vehicles and responding to crisis situations more efficiently. - C. Volunteers shall not be used in vacant positions, in positions that have suffered a layoff or reduction in hours, nor in any manner that will supplant or cause displacement of bargaining unit members.

The Volunteers in Public Schools Program (VIPS) shall not be affected by this Article so long as participants are performing duties consistent with those described in Education Code, Section 35021.
- D. School projects involving volunteer labor from parents, PTA, booster clubs, and/or student groups shall be subject to the Memorandum of Understanding dated July 22, 1997 (Appendix D), and the following provisions:

 - 3. At least one (1) bargaining unit member from the appropriate department shall be assigned by management to observe the project and to participate in the work.

The District and the CSEA recognize the need for providing employees with a detailed complaint process for complaints that fall outside the scope of negotiated employee contract grievance procedures and for complaints that would not be administered under Uniform Complaint Procedures (i.e., sexual harassment or discrimination). It is expected that employees and supervisors will make every effort to resolve employee complaints and disagreements informally before resorting to formal complaint procedures.

Employees may file a formal complaint regarding another employee, including management and supervisory employees, following an informal conference with their immediate supervisor. The purpose of the informal conference is to provide the supervisor an opportunity to remedy the situation at the lowest possible level. If the immediate supervisor is the party against whom the complaint is being made, the complaint may be filed with the supervisor’s immediate manager or his/her designee.

If the employee is dissatisfied with the results of the informal conference, the employee may within fifteen (15) days from the conference file a written complaint with the next higher supervisor. The next higher supervisor shall have ten (10) days from receipt of the complaint to investigate and take appropriate action, if necessary. The next higher supervisor shall notify the complainant in writing of the outcome of his/her investigation.

If still dissatisfied the employee may, within fifteen (15) days, forward his/her original complaint along with a copy of the next higher supervisor’s written documentation to the appropriate Assistant/Deputy Superintendent or Chief Business and Financial Officer. The Assistant/Deputy Superintendent or Chief Business and Financial Officer shall have ten (10) days to investigate and take appropriate action, if necessary. The Assistant/Deputy Superintendent or Chief Business and Financial Officer shall notify the complainant in writing of the outcome of his/her investigation.

APPENDIX G

District Technology Guidelines and Procedures

All access to the Internet is routed through a “technology protection measure” designed to filter out material that is in violation of the District’s Internet policies. This filter will block most objectionable material. Users should be aware that some objectionable material may be missed by the filter and users, upon discovering the presence of such material, shall report offending sites to the Technology and Information Services Branch Help Desk at extension 8411. Review processes are in place to block sites with objectionable material and to request the removal of blocks to sites that users believe contain material that has educational benefit. Finally, an adult filter is available if the user submits a request and receives approval from the appropriate Assistant Superintendent and the Executive Director of Information Services.

Represented classified employees are responsible for following generally accepted social standards for use of a publicly owned and operated communication tool which includes various technology systems such as the Internet. Represented classified staff will maintain high standards of ethical conduct while using all District technology systems. Examples of unethical, unacceptable use of District technology equipment include the following:

- ✓ Sending, displaying, or accessing pornographic, abusive, obscene, or other objectionable language, graphics, or other media
- ✓ Unauthorized disclosure, use, and dissemination of personal information about students or employees
- ✓ “Hacking” or otherwise engaging in unlawful computer or technology oriented activities
- ✓ Using obscene language
- ✓ Harassing, insulting, or attacking others
- ✓ Intentionally damaging computers, computer systems, data, files, information or computer networks
- ✓ Violating copyright laws
- ✓ Using or distributing another’s password
- ✓ Trespassing in another’s digital folders, or files
- ✓ Intentionally wasting limited resources
- ✓ Employing the network for outside business or commercial purposes
- ✓ Sending or requesting of unethical, illegal, immoral, inappropriate, or unacceptable information of any type
- ✓ Engaging in activities that cause disruption to District technology systems
- ✓ Attempting to bypass District technology security measures
- ✓ Reposting or forwarding without the permission of the sender a message sent to you privately which is of a confidential nature or one clearly designed to be read by a limited number of selected recipients
- ✓ Posting chain letters or engaging in “spamming” – i.e., sending an annoying or otherwise unnecessary message to a large number of people

District technology is provided for represented classified staff to conduct research, to communicate with others on academic topics, and to engage in legitimate District business. Individual users of

1 the District technology are responsible for their behavior and communications while using the
2 technology. Users shall comply with District standards and will abide by the policies specified
3 herein. Violations of the District policy described may result in access privileges being suspended
4 or revoked, as well as other disciplinary action as warranted. Any commercial, political, or
5 unauthorized use of District technology systems or services, in any form, is forbidden. All
6 copyright laws must be observed.

7
8 Members of the classified bargaining unit may engage in association business on the District
9 computer networks. Such association business shall be conducted during non-duty hours which
10 are defined in Article III, Sections A and D (1) of this Agreement. Association use of District e-
11 mails shall be limited to the following: authorized Association representatives may use District e-
12 mails to provide notice of meetings, agendas for meetings, minutes of meetings, confirmation of a
13 meeting with a District representative, or a limited distribution communique between an
14 authorized Chapter officer and a District representative; the Association will not use e-mail to
15 denigrate the District or its personnel and will observe the prohibitions of Education Code, Section
16 7054. Email addresses will not be created for classified employees unless it is a requirement for
17 the employees in their classification. If requested, members of the CSEA Executive Board will be
18 given access to District email.

19
20 The Long Beach Unified School District respects the privacy of all classified users. System
21 administrators and their staff may not log on to a user's account or view a user's files without
22 explicit permission from the user. Exceptions arise when the user's account is suspected either of
23 disrupting or endangering the security or integrity of any District technology systems or services
24 or of violations of applicable school district policies, federal or state law. Even then, the system
25 administrator must normally obtain prior approval of the Executive Director of Information
26 Services or the Deputy Superintendent of Education Services unless grave danger to the continued
27 operation of the District's technology systems requires emergency action. Passwords for email
28 are not required to be given to site management. Information Technology can access an
29 individual's account if necessary. An employee may give proxy rights to their account rather than
30 share their password.

31
32 This does not preclude Technology and Information Services staff from maintaining and
33 monitoring system logs of user activity which access District technology systems. Moreover,
34 automated searches for activities that endanger system security or integrity are performed regularly
35 to protect all users. Technology and Information Services administrators may take appropriate
36 action in response to detection of such activity (typically removal of infected files and possibly
37 suspension of the user's accounts until the matter can be resolved).

38
39 Use of District technology systems may be revoked at any time for inappropriate use. The
40 Technology and Information Services Branch, in collaboration with administration, will be the
41 sole determiners of what constitutes inappropriate behavior according to local, state, and federal
42 law. The violation of any item contained in this policy may result in the loss of access to District
43 technology systems and/or other disciplinary action, as well as possible punitive action as provided
44 for by local, state, and federal law.

45

1 The security of any information system is a high priority, especially any system that has many
2 users and/or Internet access. Represented classified staff members shall not let others use his or
3 her account or password as he or she has a reasonable responsibility for all actions related to his
4 or her account. Classified staff must notify school administrators immediately if their password is
5 lost or stolen or if they think someone has access to their account. Represented classified
6 employees are to use only the network directories and resources that have been assigned for their
7 use. Unauthorized access to any other level of the system, or other system resource, is strictly
8 prohibited. Users will make no attempt to bypass the District anti-virus software, firewall, filtering
9 and safeguards. When finished with a computer, represented classified employees are expected to
10 logout where appropriate.

11
12 Represented classified employees are not allowed to install software or applications onto
13 computers, the computer network, or any District technology system without a valid purchase
14 order or other proof of District or personal ownership. Legal software and/or data stored on
15 District technology devices are subject to removal with prior notification and consent of the
16 represented classified staff member. Long Beach Unified School District shall take reasonable
17 precautions to ensure the security, integrity, or longevity of data and/or programs stored on District
18 technology systems.

19
20 Represented classified staff acknowledge that they share responsibility for any and all use of the
21 District’s technology system and that misuse could lead to liability and/or consequences that
22 extend beyond the District’s authority. The Long Beach Unified School District and its
23 represented classified staff members shall be held harmless from any use or misuse of District
24 technology systems by students. Long Beach Unified School District makes no warranty of any
25 kind, whether expressed or implied, for the service that it is providing. Long Beach Unified School
26 District will not be responsible for any damage users may suffer including, but not limited to, loss
27 of data or interruptions of service as a consequence of equipment failure, either on or off District
28 property. Long Beach Unified School District and its represented classified employees are not
29 responsible for the accuracy or quality of the information obtained through or stored on the system.

36 **3. Out of District Pick Up**

37 A reasonable sign-on time must be given for pick ups outside the District
 38 boundary to insure not only punctuality, but also a thorough pre-trip inspection
 39 of the vehicle.
 40

41 **H. Weekly Overtime Plan Guidelines**

42
 43 **INTENT:** To provide safe and efficient transportation service to LBUSD while
 44 remaining in compliance with State law. * As a method to comply with State law
 45 drivers will be assigned a maximum of twenty-two hours of overtime per week. Daily
 46 trips will be assigned with the following objective: Shorter trips distributed over the

1 full course of the week is preferred to assigning maximum-hours trips within a few
 2 days.

3
 4 *California Code of Regulations Title 13 Division 2 Chapter 6.5 Article 3 Section 1212.5
 5 (3) (b)

6
 7 **ASSIGNMENTS**

- 8
 9 1. The Thursday overtime list will be used to assign overtime for Monday through
 10 Sunday of the following week. Paperwork for Monday through Wednesday will be
 11 put out Friday. Paperwork for Thursday through Sunday will be put out Monday.
 12 This procedure will be adjusted if necessary.
 13
 14 2. The paperwork will first be placed in a folder in the dispatch office and may be viewed
 15 by the drivers. The paperwork will be placed in the mailboxes a day prior to the trip,
 16 as early as possible.
 17
 18 3. Drivers will be eligible for work on only one weekend day, whichever is the longest.
 19
 20 4. When the weekly assignments are made each Thursday, drivers will be considered
 21 eligible unless they are off work through a specified date or indefinitely.
 22
 23 5. Once the assignments are scheduled in the book they will not be reassigned simply to
 24 redistribute overtime, but may be reassigned for compliance with the weekly plan,
 25 State and Federal law.
 26

27 **Exception:** Trips shall be reassigned if they were assigned in error outside the
 28 appropriate classification. The reassignment(s) shall be given the first available driver
 29 within the appropriate classification according to the most current overtime list.
 30

- 31 6. All reassignments, TBA's and trips called in after assignments have been made will
 32 be assigned from the most current overtime list and in accordance with a driver's
 33 remaining available hours as originally calculated.
 34
 35 7. **Cancellations:** Prior to scheduling new trips or making reassignments the necessary
 36 adjustments will be made to the assignment log. The assignment log will be adjusted
 37 to remove hours in the following trip cancellation circumstances: 1) A workday trip
 38 that is scheduled to start at 16:30 or after is cancelled prior to start. 2) A trip that is
 39 scheduled to go past 16:30 is cancelled prior to any overtime charges being assessed.
 40 3) A midday trip that is cancelled prior to any overtime hours being assessed. 4) Any
 41 non-workday trip cancelled prior to charges being assessed. Drivers may be
 42 reassigned if new assignments are available and in accordance with the current
 43 overtime list.
 44
 45 8. In the event that a trip goes past the assigned number of hours by a half hour or more
 46 the driver must attach an over-hours memo to the trip sheet. The supervisor on duty

1 must be notified immediately when an overhours memo is received in dispatch. In
 2 the event that a trip is actually less than the assigned number of hours by one hour or
 3 more, the log will be adjusted accordingly.
 4

5 9. The 22 hours of weekly overtime assignments for bid field trip drivers will include
 6 1.5 hours per day for midday trips when applicable.
 7

8 10. Drivers will not be assigned two consecutive days of maximum hours.
 9

10 a. Drivers will be charged for trips they would have been assigned had they not
 11 been absent or signed off up to the point that they have actually been assigned
 12 22 hours of overtime on the assignment log.
 13

14 b. Drivers will not be charged more than once for the same time period.
 15

16 c. On weekdays time periods are day trips and night trips (any portion after the
 17 driver's regular workday).
 18

19 d. Weekends include both Saturday and Sunday and are considered one time
 20 period and drivers will be charged for the longest trip they would have
 21 received.
 22

23 **Exception:** If a driver is not assigned Saturday or Sunday due to sign-off or
 24 trip turn-in and subsequently receives a trip on the opposite day and then does
 25 not complete the trip due to absence or trip turn-in, then charges for that trip
 26 will apply in addition to the original charge for the other day.
 27

28 e. Holidays are one time period all day.
 29

30 11. Time off (pink slip) or permanent sign off (white slip) scheduled at least a day prior
 31 to assignments being made may be chargeable, but those hours will not accrue on the
 32 assignment log.
 33

34 12. Drivers will be charged for any assignment that they would have received in the event
 35 that they limit their availability by last minute sign off, absence or trip turn-in, and the
 36 assignment log will not be adjusted.
 37

38 a. Drivers who turn in an assignment will not be given another assignment for
 39 the same time period as that which was turned in. This same provision
 40 applies to Saturday and Sunday. Example: If a Sunday trip is turned in and a
 41 last minute Saturday trip becomes available, the driver who turned in the
 42 Sunday trip may be assigned after all other drivers have been considered. This
 43 also applies to a Saturday turn in and a Sunday assignment.
 44

45 13. Any driver absent without prior approval will not be assigned a last minute trip until
 46 they return to work.

14. On any called in or other last minute absence, the driver’s work will be reassigned, charges will apply and the assignment log will not be adjusted. If a driver has not checked back in by 1500 the same will apply to the next day’s assignments.
15. Weekend work will be reassigned under the same provision for any called in or other last minute Friday absence.

TRUCKING

Truck trips will be assigned under the same provisions, regardless of individual vehicle bid.

III. OVERTIME PROCEDURES FOR TRANSPORTATION

A. Intent

The intent of this overtime provision is to offer overtime work equally in an attempt to fairly distribute overtime work to eligible employees without favoritism and not to establish any pattern of distribution of the more desirable special trips. Any overtime available in a classification in the Transportation Branch shall be offered as equally as is possible among qualified employees in that classification in order to distribute and rotate overtime as equally as practical among eligible employees who make themselves available for overtime work.

B. Limited Availability

Employees limiting their availability will be subject to the provisions of this agreement related to overtime credited to employees who decline overtime work that would have been offered them in the normal course of this agreement.

C. Overtime Lists

1. Classification

Overtime lists shall be made for all classifications in transportation that are in the bargaining unit, listing all employees choosing to work overtime in those respective classifications. Overtime lists for all classifications will run continuously. Vacation time lists shall be kept separately, by classifications, for those who choose to work as outlined in Section VI. School year overtime lists will be held dormant during vacation periods.

2. Substitute Overtime List

A substitute overtime list shall be maintained for the purpose of offering overtime work out of classification within the Transportation Branch, listing all qualified Transportation Branch employees from other bargaining unit classifications. Initial placement on the list will be by classification. If an employee’s classification changes, their placement will be adjusted accordingly. Placement will be adjusted when required qualifications change (i.e. a heavy truck driver receiving a school bus certificate.)

3. List Maintenance

- All hours worked within an employee's normal classification on an overtime basis must be recorded on the overtime list for that classification.
- Except for tournaments or short notice special trips, any overtime work assigned from the Dispatch Office on the same day will not be credited to the employee if said employee declines this overtime work.
- The lists shall keep a running total of overtime hours for each employee and shall be updated on a daily basis.
- Further, any overtime hours scheduled by the District for an employee, and then turned down by that employee, shall be recorded separately on the overtime list and included on the running total of overtime hours for that employee, even though said employee did not actually work nor was paid for those hours.
- The amount credited the employee who declined the overtime work shall be by the amount of hours he/she would have received had he/she completed the work.
- Also, employees who restrict the number of overtime hours they will work will be credited the amount he/she would have been assigned.

4. Employee Request for Removal from Overtime List

An employee who does not wish to work any overtime and therefore does not wish to be included in the overtime list for his/her classification may submit such a request in writing at any time during the year, for a period of not less than 4 weeks. The employee’s name will then be stricken from the overtime list for his/her classification, and come back at the bottom of the list and be given the same number of overtime hours as the highest employee within that classification upon written request to be placed back on the overtime list.

5. List Inspection

Employees may inspect their respective classification overtime list during normal business hours, 7:30 a.m. to 4:00 p.m. A copy of the overtime list for school bus drivers shall be displayed continuously on the counter of the dispatch office.

D. Assignment Procedures - General

1. Intent

Whenever possible the longest available overtime assignment for a classification shall be assigned to the employee with the least amount of hours

1 on the overtime list.

2
3 **2. Assignment Turndown**

4 If an employee turns down an assignment of overtime, the hours refused shall
5 be recorded separately on the overtime list. The turned down assignment shall
6 be assigned to the next available employee in that classification on the
7 overtime list. After work has been assigned, should an employee turn down
8 an assignment or elect not to be available for overtime work whether or not
9 the work would result in overtime, the other overtime assignments will not be
10 pulled in for reassignment. The assignment will then be offered to the next
11 available employee in that classification according to the overtime list even
12 though the next available employee may not have the fewest hours on the
13 overtime list.

14
15 **3. Charges**

16 Employees who are absent or unable to complete their assignments will be
17 credited for all work that would have been assigned to said employee.

18
19 **4. Weekend/Holiday Overtime**

20 Employees who are offered overtime for the weekend or a holiday must
21 complete the regular work day immediately preceding the weekend or holiday
22 or will lose the overtime assignments for that weekend or holiday. Such
23 employees will be credited for the number of hours he/she would have
24 received had he/she completed the work.

25
26 **5. Absent With Prior Approval**

27 Employees absent with 2 days prior approval will be exempt from this
28 provision. It shall be the responsibility of exempt employees to call between
29 3:00 p.m. and 4:00 p.m. on the day of absence to confirm overtime
30 assignments for the weekend or holiday following the absence.

31
32 **6. 12 Month Employees**

33 Twelve month employees absent due to prior approved vacations are exempt
34 from the provision including the weekends or holidays adjacent to the vacation
35 period.

36
37 **E. Non-chargeable Absences**

38 Any employee choosing to attend certain activities shall not be credited hours for
39 overtime if the employee were to otherwise be scheduled an assignment. Verification
40 of attendance may be required. Approved activities are as follows:

- 41
42 1. Authorized inservice training session, which results in credit hours toward
43 school bus certificate renewal.
44
45 2. Participation in a school bus rodeo event.
46

- 1 3. Service as a committee member in a called Yard Procedure
2 committee meeting.
3
- 4 4. CSEA executive board members attending regularly scheduled
5 executive board and general chapter meetings.
6
- 7 5. Any employee assigned authorized CSEA release time.
8

9 **F.** Optional straight time assignments, outside of the regular workday, shall be subject to
10 all regular overtime procedures as described in Section IV; except that straight time
11 shall be recorded on the overtime list at a rate of 2/3 the actual hours worked or
12 declined. Calculated hours shall be rounded down to the nearest half hour.
13

14 **G. Over-hours Procedure**

15
16 **1. Intent**

17 All assignments given to drivers shall be in accordance with federal and state
18 laws governing hours that drivers are permitted to work.
19

20 **2. Over-hours Form**

21 If on a regular workday a driver unexpectedly works past the maximum
22 "driver duty hours" and the following day is also a regular workday, it is
23 understood that the driver will complete the over - hours notice and turn it
24 into dispatch immediately following the trip. Dispatch will accordingly adjust
25 assignments the following day. Driver should contact their supervisor for the
26 available options to handle the absence (i.e. pink slip, make-up time,
27 conversion of overtime).
28

29 **3. Time Cushions**

30 In order to handle this type of situation on weekends and other times when
31 dispatch staff and backup drivers are not readily available, night trips will be
32 cushioned with an extra gap to cover unexpected delay as follows:
33

34 a) **In Town Night Trips**

35 Drivers assigned in town night trips will be scheduled off 8 required
36 hours, plus 1 added hour, from the time they are expected to return to
37 the yard, before being allowed to sign on the next day. In town trips
38 are defined as within 5 miles of the District boundary. All trips past 5
39 miles will be considered out of town.
40

41 b) **Out of Town Night Trips**

42 Drivers assigned out of town night trips will be scheduled off 8
43 required hours, plus 2 added hours, from the time they are expected to
44 return to the yard, before being allowed to sign on the next day.
45

46 c) **Night Wrestling Tournaments**

Night wrestling tournaments on regular workdays may require added time and will be handled on a case by case basis.

H. Trash Route Overtime

Heavy Truck Drivers and Laborers who are permanently assigned to the trash truck will have first choice for the overtime on trash hauling on a normal work day regardless of the hours on the overtime list, provided the overtime is to be performed immediately in conjunction with the normal work day and would require the driver and laborer to stop work and travel to the transportation yard in order to exchange a lower in hours driver or laborer. If the trash truck is already in the transportation yard and a lower Heavy Truck Driver or Laborer is immediately available to assume the shift which may result in overtime, then the work will be offered to the low Heavy Truck Driver or low Laborer.

I. Substitute Overtime Assignments

If there are any overtime assignments still available after all the available employees within that class have been offered the work, then employees from other classes shall be offered the work according to the substitute overtime list. The total of all overtime worked in any classification at any time for such qualified employees will be listed on all substitute overtime lists upon which his/her name appears. Only work within an employee's regular classification will be included on the overtime list for an employee's regular classification.

IV. MINIMUM HOURS FOR SPLIT SHIFT OVERTIME

A. Split Assignment

Any employee in the bargaining unit who is required to split during an overtime assignment outside of the regular workday shall be paid a minimum of three hours for each half of the assignment. This minimum does not apply to athletic trips on regular workdays. An overtime assignment can only be split once on any one special trip assignment.

B. Minimum Split Time

No employee shall be required to take a split for less than 1/2 hour.

V. VACATION PERIODS

Vacation periods shall begin on Sunday following the regular work week and end with the next regular work day.

A. Summer School and Other Continuous Assignments

Summer school, summer day camp and other continuous assignments during vacation periods will be assigned on the basis of the bus driver bid list. The bus driver with the most seniority on the bus driver bid list shall have first choice of route. The next senior driver shall then have his/her choice and so on down the line until all continuous assignments have been offered.

B. Trip Assignments

Special trip assignments will be assigned by placement on the vacation time list as described in Section IV.A.

C. Days Assigned

Distribution and rotation of overtime shall be done off the overtime list on specified workdays. These days are:

| Day List Established | Day Assigned | Day of Work |
|---------------------------------|---------------------|--------------------|
| Thursday | Thursday | Saturday |
| Thursday | Thursday | Sunday |
| Thursday | Friday | Monday |
| Friday | Monday | Tuesday |
| Monday | Tuesday | Wednesday |
| Tuesday | Wednesday | Thursday |
| Wednesday | Thursday | Friday |

D. Vacation Time Lists

All hours worked by employees during these vacation periods must be recorded on the vacation time list. Vacation time lists shall be kept separately, by classification, for school term employees. Initial placement on the vacation time list shall be determined from the school year overtime list prior to the first vacation period subsequent to the adoption of this agreement. The principles outlined in Section IV, Overtime Procedures for Transportation, shall pertain to the vacation time list.

E. Overtime Hours

Overtime hours will be converted to straight time by multiplying the hours worked by a factor of 1.5 prior to being added to the vacation time list.
