Get basic coverage at no cost

Your employer is providing basic Group Term Life Insurance to you at no cost to you. This means that if you pass away during the “term” (your employer’s benefit year), beneficiaries will receive a benefit payment. Your coverage also includes Accidental Death & Dismemberment Insurance, which provides a benefit payment if you pass away or are severely injured in a covered accident.

The coverage being offered to you is:

Coverage Amount	
 For you	1 times basic annual earnings to the next higher \$1,000; Maximum of \$300,000

Add supplemental coverage based on your needs

In addition to the basic coverage that's being provided at no cost to you, you have the opportunity to elect additional coverage when you enroll. Supplemental Accidental Death & Dismemberment insurance is also included, which provides the insured person or their beneficiary a payment separate from the life insurance benefit if the insured person dies or is severely injured in a covered accident.

When you enroll, you'll have the opportunity to choose up to the following amount(s):

Guaranteed-Issue Limit and Evidence of Insurability

The guaranteed-issue limit is the amount that's available during this enrollment period without providing evidence of insurability (EOI). To get coverage beyond this limit or add/increase coverage after this enrollment period, you'll need to complete the EOI form for all applicable family members. This form includes questions about current and past health conditions. The insurer may request additional information before approving or denying coverage. When evidence of insurability is required, the insurance company will need to approve it before coverage becomes effective.

Age reductions

- Benefit amount reduces to 65% of original coverage when the employee reaches age 65 and 55% at age 70.
- Benefit amount for Spouse Life reduces to 65% of original coverage when spouse reaches age 70 and to 42% at age 75.

Premium amounts are also reduced accordingly, and automatically adjusted for the new benefit amount(s).
