Reason/Recommendations _____

I have evaluated the above named student and completed the pre-participation physical evaluation. The athlete does not present apparent contraindications to practice, tryout and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parent. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians)
