III. Financial Review

A. April 2021 Financial Update

John Arndt from ICON reviewed the April 2021 financial update including balance sheet, cash flow, cash analysis, investment analysis, profit and loss summary, budget comparison, and year-to-date spending compared to the prior year. Mr. Silverstein asked if there were any large expenditures planned or of which ECR is aware. Mr. Arndt replied no, and anything for the 2021-2022 school year would go into pre-planned expenses. Mr. Wood noted that ECR had purchased \$400,000 worth of student laptops that were approved by the Board back in February. Mr. Wood also stated that the payroll expenses would be about \$200,000 higher than normal due to stipends for in-person instruction. And there will also be increased expenses for student athletics which had been postponed until recently.

On the budget comparison, Mr. Arndt noted that there was a misclassification, as special education revenues should be classified as local revenue and not as state revenue; he stated this would be corrected for the next meeting.

Mr. Silverstein asked if there would be a budget that was broken down by

department; Mr. Wood stated yes, primarily in the areas of textbooks and supplies. Mr. Archibald asked as to whether there was a plan for getting an interim budget; Mr. Arndt replied that there would be a budget that would be available for the next Committee meeting. Mr. Archibald noted that this was more of an operational question; Mr. Wood stated that ECR had just received data last week that is needed to create the budget, and that there were various options for a timeline to get a budget proposed and adopted.

B. Review of Investment Portfolio

The investment summary was reviewed.

C. Review and Vote on Revised Investment Policy Statements

Mike Breller from Beacon Pointe went over the revisions to the Investment Policy Statements for ECRA's general account and OPEB account. The Committee discussed the appropriate job titles versus ECRA officer titles for use in this document for the Executive Director and CBO; it was noted that whether the CBO is the designated officer to oversee and administer the Trust would be subject to discussion and approval by the Board. It was also decided that the references to Chief Executive Officer would be changed to President.

The Committee reviewed proposed changes to the types of investments authorized under the policies for OPEB and for the general account, and reviewed the allowable ranges for different asset classes. Mr. Breller noted that one change

made in the permitted investments was the inclusion of Interval Funds. The Committee determined that Interval Funds would be removed from the list of authorized investments. Also, the Committee agreed to keep the allowable ranges as listed in the revised documents.

Beatriz Chen left at 4:57 PM.

Scott Silverstein made a motion to recommend approval of the Investment Policy Statements as amended to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.

D. Review of April 2021 Check Registers

The Committee reviewed and discussed the April check registers and requested follow-up at the next meeting regarding questions. Specifically, Mr. Archibald asked for more information regarding the purchase of Surface Books for administrators; Mr. Hussey noted that this was for approximately 8 to 9 individuals, and that the last tech refresh for the group occurred approximately 5 years ago. Mr. Hussey noted that more information on this would be provided. And Mr. Silverstein asked about the charge for helmet replacement, and questioned why this amount was being spent if we had already paid to have them replaced. Mr. Wood noted that this may be to replace the check for the payment previously made; he will get clarification on this.

Mr. Silverstein asked if payment was being made to Cetera or US Bank; Mr. Wood noted that the transition was being made to US Bank, and that the May payment would be made through Cetera but future payments would be made to US Bank assuming linkage is established.

Mr. Archibald asked about the cost associated with the bank office provider, Icon. Mr. Wood replied that Icon has made a proposal for next year which will include a reduction in rate; he and Mr. Hussey has not responded to the proposal as of yet. Due to the need for additional information, the Committee did not make a recommendation regarding Board approval.

E. Review of April 2021 Credit Card Bills

Mr. Archibald asked about the outdoor surface cleaner purchased through Home Depot, and whether other options were considered; Mr. Wood replied yes, and the cleaner from Home Depot seemed to be the best available option.

Scott Silverstein made a motion to recommend approval of the April 2021 credit card bills to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.

Roll Call

Beatriz Chen Absent Brian Archibald Aye Scott Silverstein Aye

F. Review and Vote on 2019-2020 Tax Return

Mr. Archibald asked about the line for salaries and other benefits, and whether there was such a significant increase. Mr. Wood replied that the difference was due to an auditor adjustment that recharacterized certain employee benefits. Scott Silverstein made a motion to recommend approval of the 2019-2020 tax return to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.

Roll Call

Beatriz Chen Absent Scott Silverstein Aye Brian Archibald Aye

IV. Closing Items

A. Adjourn Meeting

Brian Archibald made a motion to adjourn the meeting. Scott Silverstein seconded the motion.

Model Fixed-Price Contract

I. Introduction

The El Camino Real Charter High School, hereinafter referred to as the school food authority (SFA), enters into this Contract with Compass Group USA, INC, hereinafter referred to as the FSMC to provide food service management assistance for the SFA's food service program, hereinafter referred to as "Services." During the term of this Contract, the FSMC will provide services to the SFA as described in the Scope of Work (Exhibit A) of this Contract.

II. General Terms and Conditions

A. Term

The term of this contract is one year. The FSMC shall commence providing Services under the Contract on July 1, 2021 and continue through June 30, 2022. Execution of all contracts and amendments is contingent on approval by the California Department of Education (CDE). The SFA may cancel this Contract upon notification from the CDE that it or any part of the bidding process has been determined noncompliant with state and federal laws and regulations (Title 7. Code of Federal Regulations (7 *CFR*), Section 210.16[d]).

C. Fees

Fixed-price Contracts

The SFA will pay the FSMC at a fixed rate per meal. The fixed rate per meal includes all fees and charges indicated in the Schedule of Fees (Exhibit B) of this Contract. The SFA must determine, and the FSMC shall credit the SFA for, the full value of U.S. Department of Agriculture (USDA) Foods. The FSMC's fixed-price invoice will be fully compliant with procurement requirements for the National School Lunch, School Breakfast, and Special Milk Programs, set forth in 7 *CFR*, parts 210, 215, and 220, and the USDA Food and Nutrition Service (FNS) Final Rule issued Wednesday, October 31, 2007. The FSMC shall take discounts, rebates, and other credits into account when formulating their prices for this fixed-price contract (Title 2, Code of Federal Regulations (2 *CFR*), Section 200.406[a]).

2. Payment Terms

The FSMC shall submit monthly invoices by the 10th of the following month that reflect all activity for the previous calendar month. The FSMC must submit detailed cost documentation monthly to support all charges to the SFA. Charges and expenses are included in the Schedule of Fees (Exhibit B). All costs, charges, and expenses must be mutually agreeable to the SFA and the FSMC, and must be allowable costs consistent with the cost principles in 2 *CFR*, Part 200, as applicable. The SFA will pay invoices submitted by the FSMC within 30 days of the invoice date. The SFA will pay invoices received by its accounting department within 30 days if the invoices pass the SFA's audit. The SFA will notify the FSMC of invoices that do not pass audit, which the SFA will not pay until the invoices have passed audit, with no penalty accruing to the SFA.

3. Interest, Fines, Penalties, Finance Charges, Income and Expenses

Interest, fines, penalties, finance charges, income and expenses that may accrue under this contract are not allowable expenses to the nonprofit school food service (cafeteria fund) (2 *CFR*, Section 200.441). The SFA is prohibited from paying unallowable expenses from the SFA's cafeteria fund.

4. Spoiled or Unwholesome Food, Food Not Meeting Detailed Food Component Specifications or Contract Requirements.

The SFA shall make no payment to the FSMC for food that, in the SFA's determination, is spoiled or unwholesome at the time of delivery, does not meet detailed food component specifications as developed by the SFA for the meal pattern, or does not otherwise meet the requirements of this Contract (7 *CFR*, Section 210.16[c][3]).

Page 4 SFA Name: El Camino Real Alliance RFP 2021-001 The SFA shall make no payment to the FSMC for meals that, in the SFA's determination, are spoiled or unwholesome at the time of delivery, do not meet detailed food component specifications as developed by the SFA for the meal pattern, or do not otherwise meet the requirements of this Contract (7 *CFR*, Section 210.16[c][3]).

D. Contract Cost Adjustment

The contract price (which can include General and Administrative Expense and Management Fees) may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Food Eaten Away from Home [CPI regional index: Los Angeles (CPI)]. The March CPI value will be used as a representation of the change in CPI. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will be allowed only if approved in advance by the SFA. \ Of note, the CPI fee increases should be applied to individual meal or unit costs.

The renegotiation of price terms under this Contract is permitted only upon the occurrence of unpredictable, unexpected conditions beyond the control of both parties. If those conditions create a significant and material change in the financial assumptions upon which the price terms of this contract were based, then those price terms so affected may be renegotiated by both parties. Renegotiation of price terms under such conditions must be mutual and both parties must agree on any changes in price terms. Any adjustments so negotiated and agreed upon must accurately reflect the change in conditions. The occurrence of contingencies that are foreseeable and predictable, but not certain, should be calculated into the defined price terms, to the extent possible, with the goal of minimizing the need for renegotiation of price terms during the term of the Contract. Substantive changes of the Contract will require the SFA to rebid the Contract.

E. Availability of Funds

Every payment obligation of the SFA under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. The SFA may terminate this Contract at the end of the period for which funds are available if funds are not allocated and available for the continuance of this Contract. In the event the SFA exercises this provision, no liability shall accrue to the SFA and the SFA shall not be obligated or liable for any future payments or for any damages resulting from termination under this provision.

F. Timeliness

Time is of the essence in this Contract.

G. Approval

Page 5 SFA Name: El Camino Real Alliance RFP 2021-001 This Contract has no force or effect until it is signed by both parties and is approved by the CDE (7 *CFR*, Section 210.19[a][5]).

H. Amendment

No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by both parties, and approved by the CDE. Any oral understanding or agreement not incorporated into the Contract in writing and approved by the CDE is not binding on either party (7 *CFR*, Section 210.19[a][5]).

I. Substantive Changes to Contract

Any change to this Contract that results in a material change, at the determination of the CDE, either void this Contract or require the SFA to rebid the Contract. Following are examples of substantive changes that could require the SFA to rebid the Contract:

- The addition of a program
- A major shift in responsibilities for FSMC or SFA staff

J. Subcontract/Assignment

No provision of this Contract shall be assigned or subcontracted without prior written approval of the SFA. If subcontracts are let, the FSMC should have taken steps to contract with small and minority businesses, women's business enterprises, and labor surpus area firms when possible.

K. Written Commitments

Any written commitment by the FSMC relative to the services herein shall be binding upon the FSMC. Failure of the FSMC to fulfill any such commitment shall render the FSMC liable for damages due to the SFA. Such written commitments include, but are not limited to:

- Any warranty or representation made by the FSMC in any publication, drawing, or specifications accompanying or referred to in the proposal pertaining to the responsiveness of the proposal
- Any written notifications, affirmations, or representations made by the FSMC in, or during the course of, negotiations that are incorporated into a formal amendment to the proposal

L. Trade Secrets/Copyrights

The FSMC and SFA shall designate any information they consider confidential or proprietary—including recipes, surveys and studies, management guidelines, operational manuals, and similar documents—that the SFA and FSMC regularly use in the operation of their business or that they develop independently during the

Page 6 SFA Name: El Camino Real Alliance RFP 2021-001 course of this Contract. Information so designated and identified shall be treated as confidential by the FSMC and the SFA, and the FSMC and the SFA shall exercise the same level of care in maintaining the confidences of the other party as they would employ in maintaining their own confidences, unless disclosure is otherwise required under the law. All such materials shall remain the exclusive property of the party that developed them and shall be returned to that party immediately upon termination of this Contract. Notwithstanding, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use the work for federal purposes (7 *CFR*, Section 200.315[b]).

M. Severability

Should any provision(s) of this Contract be declared or found to be illegal, unenforceable, ineffective, and/or void, then each party shall be relieved of any obligations arising from such provision(s). The balance of this Contract, if capable of performance, shall remain and continue in full force and effect.

N. Counterparts

This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.

O. Silence/Absence/Omission

Any silence, absence, or omission from the Contract specifications concerning any point shall mean that only the best commercial practices are to prevail. Only those materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the SFA are to be used.

P. Indemnification

The FSMC shall indemnify and hold harmless the SFA, or any employee, director, agent, or Board Member of the SFA, from and against all claims, damages, losses, and expenses (including attorney's fees and court costs incurred to defend litigation), and decrees or judgments whatsoever arising from any and all injuries, including death or damages to or destruction of property resulting from the FSMC's acts or omissions, willful misconduct, negligence, or breach of the FSMC's obligations under this Contract by the FSMC, its agents, employees, or other persons under its supervision and direction.

The FSMC shall not be required to indemnify or hold harmless the SFA from any liability or damages arising from the SFA's sole acts or omissions.

Page 7 SFA Name: El Camino Real Alliance RFP 2021-001

Q. Sanctions

If the FSMC fails to perform the contract terms, the following penalties may be imposed:

- FSMC will be required to provide in writing to the SFA how they will ensure future contract compliance
- Continued nonperformance will result in termination of this contract
- FSMC may be prohibited from bidding on future contracts with the SFA
- SFA non-payment of contract amounts to directly offset damages actually incurred by FSA.

List other sanctions that the SFA and their legal counsel deem appropriate.

R. Breach of Contract

For the breach of the Contract and associated benefits:

If the FSMC causes the breach, the FSMC assumes liability for any and all damages, including excess cost to the SFA in procuring similar services, and is liable for administrative, contractual, and legal remedies, as applicable.

S. Penalties

Cost resulting from the SFA's violations, alleged violations of, or failure to comply with federal, state, tribal, local, or foreign laws and regulations are unallowable, except when incurred as a result of compliance with specific provisions of the federal award, or with prior written approval of the federal awarding agency (2 *CFR*, Section 200.441).

T. Force Majeure

- Neither party shall be liable to the other for delay in, or failure of, performance nor shall any such delay in, or failure of, performance constitute default if such delay or failure is caused by force majeure. Force majeure means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force majeure may include, but is not restricted to, acts of God, the public enemy, acts of the state in its sovereign capacity, fires, floods, power failure, disabling strikes, epidemics, pandemics, quarantine restrictions, and freight embargoes.
- 2. Force majeure does not include any of the following occurrences:

Page 8 SFA Name: El Camino Real Alliance RFP 2021-001

- Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market
- Late performance by a subcontractor, unless the delay arises out of a force majeure occurrence
- Inability of either the FSMC or any of its subcontractors to acquire or maintain any required insurance, bonds, licenses, or permits
- 3. If either party is delayed at any time in the progress of work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as practicable and no later than the following work day or the commencement thereof, and shall specify the causes of such delay. Such notice shall be delivered by hand or sent by postal mail with a certified return receipt requested and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time for completion shall be extended by contract amendment, as long as the amended period does not violate 7 CFR, Section 210.16(d).
- Any delay or failure in performance by either party caused by force majeure shall not constitute default, nor give rise to any claim for damages or loss of anticipated profits.

U. Nondiscrimination

Both the SFA and FSMC agree that no child who participates in the National School Lunch Program (NSLP), School Breakfast Program (SBP) will be discriminated against on the basis of race, color, national origin, age, sex, or disability. State agencies and SFAs shall comply with the requirements of Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Department of Agriculture regulations on nondiscrimination (7 *CFR*, parts 15, 15a, and 15b); and FNS Instruction 113-1 (7 *CFR*, Section 210.23[b]).

V. Compliance with the Law

The FSMC shall comply with all laws, ordinances, rules, and regulations of all applicable federal, state, county, and city governments, bureaus, and agencies regarding purchasing, sanitation, health, and safety for the food service operations and shall procure and maintain all necessary licenses and permits. The SFA shall cooperate, as necessary, in the FSMC's compliance efforts.

The FSMC shall comply with all applicable federal regulations in 2 *CFR*, parts 200 and 400 and 7 *CFR*, parts 210 (NSLP), 220 (SBP), 245 (Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools) as applicable, 250 (Donation of Foods for Use in the United States, its Territories and Possessions and Areas Under its Jurisdiction), USDA FNS Instructions and policy, federal laws and regulations, California *Education Code* (*EC*), and California laws and regulations, where applicable.

W. Choice of Law

This Contract shall be construed under the laws of the state of California, where applicable, without giving effect to the principles of conflict of laws. Any action or proceeding arising out of this Contract shall be heard in the appropriate courts in California.

X. Advice of Counsel

Each party acknowledges that, in executing this Contract, such party has had the opportunity to seek the advice of independent legal counsel and has read and understood all of the terms and provisions of this Contract.

Y. Relationship of the Parties

- A. The FSMC's relationship with the SFA will be that of an independent contractor and not that of an employee of or supervisor for the SFA. The FSMC will not be eligible for any employee benefits, nor will the SFA make deductions from payments made to the FSMC for taxes, all of which will be the FSMC's responsibility. The FSMC agrees to indemnify and hold the SFA harmless from any liability for, or assessment of, any such taxes imposed on the SFA by relevant taxing authorities. The FSMC will have no authority to enter into contracts that bind the SFA or create obligations on the part of the SFA.
- **B.** When the SFA is a public school district or program operated by the county Office of Education, the FSMC, as an independent contractor, shall have no authority to supervise food service classified personnel operating the NSLP, SBP, or Afterschool Meal Supplements (AMS) under the NSLP (*EC* Section 45103.5).

Page 10 SFA Name: El Camino Real Alliance RFP 2021-001

- **C.** All services to be performed by the FSMC will be as agreed between the FSMC and the SFA. The FSMC will be required to report to the SFA concerning the services performed under this Contract. The SFA shall determine the nature and frequency of these reports.
- **D.** The SFA is the responsible authority, without recourse to USDA or CDE, for the settlement and satisfaction of all contractual and administrative issues arising in any way from this Contract. Such authority includes, but is not limited to, source evaluation, protests, disputes, claims, or other matters of a contractual nature.

IV. Food Service Program

A. Food Service Management Company Responsibilities

- The SFA will provide the FSMC with an electronic Point of Service (POS) meal/milk counting system. Such meal/milk counting system must eliminate any potential for the overt identification of free and reducedprice eligible students under 7 CFR Section 245.8. This POS system will be used for the duration of this Contract.
- The FSMC will not directly or indirectly restrict the sale or marketing of fluid milk at any time or in any place on school premises or at any school-sponsored event (7 CFR, Section 210.21[e]).
