

## CLARK COUNTY SCHOOL DISTRICT #161

Strategic Plan: 2019-2023

#### **Mission Statement**

At Clark County School District #161, our mission, through the combined efforts of our staff, parents, students, and community members is to promote "BOBCAT PRIDE" in all that we do today and in the future!

- P...Positive Attitude
- R...Responsible and Respectful Actions
- **I...**Integrity
- D...Determination
- E...Everyone's Safe

#### **Vision Statement**

Our vision at Clark County School District #161: Creating a Community of Educated, Motivated, and Empowered Learners!

### **District Philosophy**

A strong community, state, and nation depends upon public education to prepare students to become productive contributing members of an ever-changing society. Children are our community's most valuable asset. Clark County School District #161 prides itself in its ability to provide a model PBIS (Positive Behavior Interventions and Supports) environment that provides students and school personnel with a positive environment that is safe and

conducive for learning. Not only does Clark County recognize, but more importantly it celebrates each students' uniqueness as an individual with his or her own special abilities. These abilities require the careful formulation of a curriculum, the skillful selection of dedicated educators, and the availability of appropriate opportunities that promote intellectual, physical, social, emotional, and career development of ALL students on a level commensurate with their capabilities, thus preparing responsible, contributing citizens accountable for their own actions, ready to face the world that awaits them beyond high school.

At Clark County, we believe that our school is an integral part of our community, and as such, must complement the child's development as a member of the family and community. Students should have access to educational opportunities regardless of race, color, creed, gender, or socioeconomic status.

The process in which educational development occurs is life-long. As life-long learners it is essential that we as a district not only value, but provide a safe, supportive environment which enables each student to acquire the knowledge, skills, and values necessary to achieve a thorough understanding of the basic skills for all areas of development. At the same time, it is necessary to teach students to be flexible enough to adapt to an ever-changing society. Opportunities of growth in vocational skills, fine arts, and humanities will enable students to develop technical skills, creativity, self-expression, and aesthetic values. Guidance through these processes develops both the desire to continue learning throughout their lives and the skills to do so. Through this, we will foster a feeling of self-worth by providing ALL students with the foundations and opportunities to achieve productive successful lives. Education is an on-going process that requires continuous evaluation and responsible change.

It is our intent that parents/guardians impart to students a basic confidence in our district. Only through the joint efforts of all students, educators, parents, and our community partners can the goals of education be fully realized.

#### **Our Expectations:**

It is our expectation that "ALL" students graduate future-ready from Clark County SD prepared to...

**KNOW:** Master content

**THINK:** Creatively & Critically

**ACT:** Self-direct and collaborate

**GO:** Navigate locally and globally

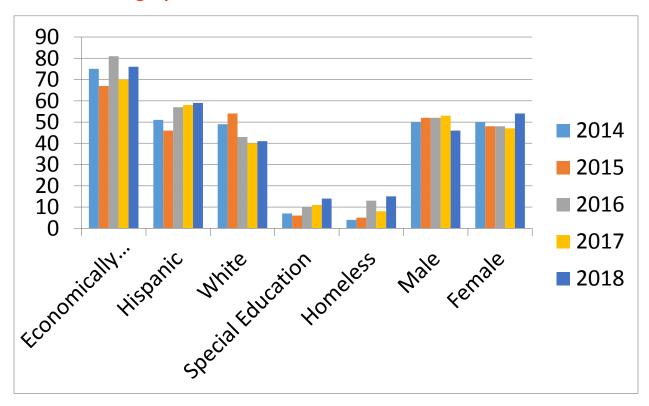

#### **Core Values & Beliefs**

- Accountability
- Diversity
- Excellence
- Social, Emotional, Physical Health & Well-Being
- Honesty
- Individual Growth
- Integrity
- Open Communication
- Respect
- Safety
- Teamwork
- Trust
- Determination
- Positive Attitude
- Empowerment
- High Expectations
- Community Involvement

#### **Guiding Principles**

- Focus on students: Everything that we do will be with the "Best Interest" of our students first and foremost.
- Focus on a culture of collaboration: We will work together as teams to achieve student learning goals for which we are mutually accountable.
- Focus on professional development: We will work relentlessly on providing our staff with the necessary trainings, tools, and professional development to provide our students with the highest quality of education and best practices.
- Focus on learning: We will focus relentlessly on learning to ensure that ALL students will learn at high levels.
- Focus on results: We will use evidence of learning and data to make effective and timely instructional decisions.

SCORES	36%	40%								

#### **Strategies:**

1. Use subject matter to make instructional decisions to ensure each student is learning the essential literacy/math standards in all content areas.

- 2. All teachers will give at least 1 ISAT IAB Interim Assessment in Math and English each quarter.
- 3. Use the STAR Reading/Math assessments to report students' reading and math levels to parents and students annually.
- 4. Identify and teach academic vocabulary in all grades and in all subject areas.
  - Math/ELA specialists, and champions will provide ongoing, job-embedded professional development to all teachers on teaching academic vocabulary in content areas.
- 5. Teach \literacy strategies and essential literacy standards in all grades and subject areas.
- 6. ELA specialists and champions will provide ongoing, embedded professional learning to all teachers on effective literacy strategies in content areas.
- 7. Math instructional specialists and champions will provide ongoing, embedded professional learning on evidence-based instructional strategies for math.
- 8. In middle school, increase the percentage of students completing pre-algebra with a C or better to 80%.

#### **College Readiness**

Percentage of 12<sup>th</sup> grade students meeting college ready indicators identified by www.RedefiningReady.org

# Clark County SD #161 College Ready Indicators

	2019 Goal	2019 Results	2020 Goal	2020 Results	2021 Goal	2021 Results	2022 Goal	2022 Results	2023 Goal
College Ready Indicators	55%								
1) Earn a minimum 2.8 GPA on 4.0 scale	75%								
2) Complete Algebra 2 with a C									
or higher	75%								
3) And <u>at least one of the</u> <u>following benchmarks:</u>	55%								

Meet the College Readiness					
benchmark on the SAT/ACT	35%				
OR					
Complete an Advanced					
Placement course w/a B or					
higher or AP exam with 3 or					
higher	10%				
OR					
Complete Dual Credit College					
English and/or Math (A, B, or C)	10%				
4) FAFSA completion	100%				

#### **College Ready Strategies:**

- 1. Implement COLLEGE AND CAREER ADVISING AND MENTORING PROGRAM.docx
- 2. Conduct weekly "At Risk" grade checks to identify students with a D+ or lower. Provide these students with the one-on-one opportunity to collaboratively create a plan/goal to increase grades. Monitor mandatory after-school tutoring to ensure that students are successful in reaching their goals.
- 3. Develop and publicize a pathway for all high school students to earn an Associate's Degree through dual credit classes.
- 4. Increase the percentage of high school students taking dual credit GEM (general education matriculation) dual credit classes to 75%.
- In middle school, increase the percentage of students completing pre-alegbra with a C or better to 95%.
- 6. In high school, provide every day instruction and increased instructional time in Algebra 1 and geometry to deepen foundational skills for Algebra 2.
- 7. Provide SAT/ACT preparation courses to all students.
- 8. Provide teachers with quality professional development from Regional Math and English specialists to improve student performance.
