Madeira District Greeting Card Winners Named

Six Madeira City School students have been named winners in the district's annual Holiday Greeting Card contest. One student from Madeira Preschool, Madeira Elementary School, Madeira Middle School – and three who finished in a tie from Madeira High School.

Students were invited to enter one piece of original color artwork in the contest. An assortment of cards was printed using each of the winning entries, then sent out by the Board of Education office.

This year's theme was "These Are a Few of My Favorite Things." The entries selected as winners best reflected the theme as well as the community of Madeira. Jacob Triantos was the winner from Madeira Preschool, Luke Crawford's entry was chosen from Madeira Elementary School, and Avery Gavigan was the winner from Madeira Middle School. Katie Dickness, Kate Manzi, and Ally Camper tied as winners from Madeira High School.

The students will be recognized at the Madeira City School District's December school board meeting where they will receive a set of cards featuring their artwork.

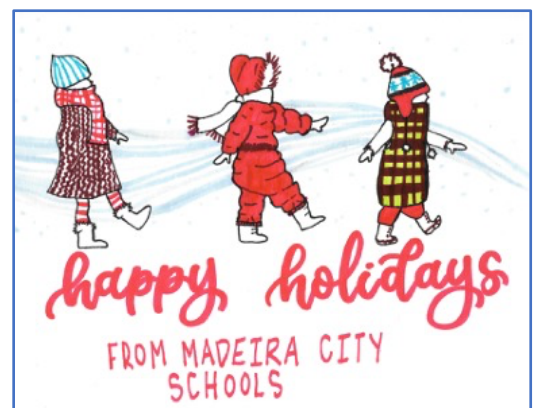

The contest began in 2006.
