Program Profile

The South Texas Independent School District (STISD) Half-Day Programs is a partnership between STISD and other school districts in the Rio Grande Valley region of Texas that began in August 1996.

The programs are open to students with special needs in grades 9* through 12 who elect to pursue a certificate in a career field as well as academic college preparation.

These career and technology courses are designed for students who are serious about gaining new skills and knowledge through applied minds-on/hands-on learning. The classes are designed for career-bound, and college (post-secondary) bound students and are an extension of their high school schedule. These classes count toward graduation as any other high school class. Classroom theory and instruction, extensive labs, shop projects, and community-based activities combine to give students real-life experience in career interests.

Through the program, students can take the majority of their academic classes at their home high schools and take career and technology classes at STISD high schools. All students are challenged to prepare today for tomorrow. The schools are located in the Rio Grande Valley in Brownsville and Mercedes, Texas. Each school offers at least one program:

- **Health Professions: Health Professions**
- **Medical Professions: Culinary Arts and Medical Professions**
- **Science Academy: Automotive Technology and Welding**
- **World Scholars: Culinary Arts and Law Enforcement.**

Purpose

The purpose of the Half-Day Programs is to educate students with special needs in a real work environment, so they gain a marketable edge in the workforce. Further, students gain the confidence they need to continue their education after high school. Graduates of the program have solid technical and social skills.

State-of-the-art technology used in technology and industry is taught in all program areas. Students have received regional, state, and national recognition for skill and leadership performance. Together, students, parents, and teachers set high expectations for students to achieve academically, technically, and socially.

Mission Statement

The mission of our Half-Day Programs, which offers students with special needs in grades 9* through 12, the opportunity to prepare for both the world of work and post-secondary education, is to provide high-quality career education and training programs through holistic teaching and learning.

***9th graders are permitted in some of the programs if it does not jeopardize their graduation plan. Please check on this with the Half-Day Programs supervisor.**

Why STISD Half-Day Program?

For the special needs student, opportunities for CTE programs may or may not be available at their home campus. The student would consider the STISD Half-Day Program when the following occurs:

1. Student chooses a CTE program that is not available at his/her campus.
2. Student does not meet prerequisites for the CTE program at his/her campus. A justification must be provided in writing as part of the application.
3. Student does not get into the CTE program at home high school because of limited space.
4. Student needs a smaller student-teacher ratio for more individual attention and hands-on experience than a large class setting would provide.
5. Student needs extended time to master hands-on skills. With a small student-teacher ratio, the students can practice skills until mastered them. The course is paced to his/her needs.
6. Student seeks certification that is not available at the home campus.

***9th graders are permitted in some of the programs if it does not jeopardize their graduation plan. Please check on this the with Half-Day Programs supervisor.**

Application Process

1. Home high school representatives contact STISD Special Programs Department for campus tours of Half-Day Programs for students and staff or presentations for students at their home high school. School districts, parents, and students are always welcome to visit STISD. Call 956-514-4237 to schedule a visit.
2. Students who are interested in these programs are required to tour the campus of their interest and complete an application. Students and parents can arrange this visit by home high school or individually.
3. Students return the applications to the home high school representative.
4. Home high school representative makes copies of the school records that are listed on the last page of the application to complete the application packets. Incomplete applications will not be accepted.
5. Contact STISD Special Programs Department office to arrange application submission.
6. STISD Special Programs staff reviews applications. After the review, home high school is contacted with the status.
7. STISD Special Programs department contacts home high schools to set up ARD meetings for incoming students.

***9th graders are permitted in some of the programs if it does not jeopardize graduation plan. Please check on this with half-day program supervisor/counselor.**

Available online resources for home high school staff and students can be accessed through our website:

STISD Half-Day Programs Options for HB 5 Graduates

Graduation Plan: ☐ Foundation ☐ Foundation w/Endorsement ☐ Foundation w/Endorsement Distinguished

Endorsement Selected: ☐ Business and Industry ☐ Public Services

Career Pathway(s)/Specialization Area(s): _____

Foundation HS Program (FHSP) – 22 Credits

English Language Arts – 4 Credits

- ☐ ☐ English I
☐ ☐ English II
☐ ☐ English III
☐ ☐ Adv. English _____

Mathematics – 3 Credits

- ☐ ☐ Algebra I
☐ ☐ Geometry
☐ ☐ Adv. Math _____

Social Studies – 3 Credits

- ☐ ☐ World Geography or
World History
☐ ☐ US History
☐ ☐ Government
☐ ☐ Economics

Science – 3 Credits

- ☐ ☐ Biology
☐ ☐ IPC or Adv. Sci. _____
☐ ☐ Additional Adv. Sci. _____

Foreign Language or Substitute – 2 Credits

(*Substitution Information on next page.)

- ☐ ☐ Year 1 _____
☐ ☐ Year 2 _____

Fine Arts – 1 Credit

- ☐ ☐ _____

Physical Education – 1 Credit

- ☐ ☐ Physical Education _____

Electives – 5 Credits

- ☐ ☐ Elective 1 _____
☐ ☐ Elective 2 _____
☐ ☐ Elective 3 _____
☐ ☐ Elective 4 _____
(CTE Elective 1 for Endorsement)
☐ ☐ Elective 5 _____
(CTE Elective 2 for Endorsement)

Endorsements – 26 Credits @ STISD HD Programs

Business and Industry

- ☐ ☐ Additional 4th Math _____
☐ ☐ Additional 4th Science _____
☐ ☐ Elective 1 _____
(Included as elective for FHSP)
☐ ☐ Elective 2 _____
(Included as elective for FHSP)
☐ ☐ Elective 3 _____
☐ ☐ Elective 4 _____
(4 or more credits in a coherent sequence including at least 2 courses from same cluster and one advanced that is 3rd or higher in sequence, and the final course must be from one of the following clusters: Agriculture, Food & Natural Resources; Architecture & Construction; Arts, Audio/Video, Technology & Communications; Business Management & Administration; Finance; Hospitality & Tourism; Information Technology; Manufacturing; Marketing; Transportation, Distribution & Logistics CTE Career Cluster)

Public Services

- ☐ ☐ Additional 4th Math _____
☐ ☐ Additional 4th Science _____
☐ ☐ Elective 1 _____
(Included as elective for FHSP)
☐ ☐ Elective 2 _____
(Included as elective for FHSP)
☐ ☐ Elective 3 _____
☐ ☐ Elective 4 _____
(4 or more credits in a coherent sequence including at least 2 courses from same cluster and one advanced that is 3rd or higher in sequence, and the final course must be from one of the following clusters: Education, Health Science, Human Services, and Law & Public Safety)

Distinguished – Eligible for top 10% Automatic Admission

- ☐ ☐ Algebra II
(Must be one of the student's math credits)

Performance Acknowledgments

- ☐ 12 hrs of Dual Credit Courses w/3.0 or higher or Associate Degree
☐ AP score of 3 or higher
☐ IB score of 4 or higher
☐ Outstanding Performance on PLAN, PSAT, SAT, or ACT
☐ Bilingualism and bi-literacy
☐ National or International License or Certification

State Testing

STAAR EOC Checklist

- ☐ English I
☐ English II
☐ Algebra I
☐ US History
☐ Biology

College Readiness

- ☐ Algebra II
☐ English III
☐ TSI

This form guides the home high school counselor and student on planning the course sequence for HB 5 Endorsements with STISD Half-Day Programs, which has 2 endorsements at this time. The Business & Industry Endorsement Specialties @ STISD HD Programs are Transportation, Distribution, & Logistics (Automotive Technology), Manufacturing (Welding), Culinary Arts, and Information Technology (Technology Applications). The Public Services Endorsement Specialties @ STISD HD Programs are Certified Nursing Assistant and Patient Care.

Substitutions for FHSP Graduation Requirements

Student Name: _____ Student ID: _____
Campus: _____ District: _____

Language Other Than English (LOTE) Substitution

Student has completed one credit (1.0) of LOTE and is unlikely to be able to complete the second credit of the same LOTE and will substitute another appropriate credit as follows:

- o World History Studies or World Geography Studies (circle) SEP
- o Level I of Another LOTE: _____
- o Special Topics in Language and Culture SEP
- o Computer Programming Languages

Service ID: _____
Service ID: _____
Service ID: _____
Service ID: _____

Signature of LOTE I Teacher & Date

Student is identified as Special Education or 504, and the student will substitute the second credit in LOTE with one of the options listed above.

Signature of Educational Diag./504 Coordinator & Date

Date of Committee Meeting

Student is identified as Special Education or 504 and, who due to a disability, is unable to complete two credits (2.0) in the same language in LOTE, will substitute a combination of two credits (2.0) as follows:

- o English/Language Arts, Mathematics, Science, or Social Studies: 1) _____ 2) _____
- o CTE or Technical Applications: 1) _____ 2) _____

Signature of Educational Diag./504 Coordinator & Date

Date of Committee Meeting

TAC Ch. 19 §74.12 (B) (C) (D)

Physical Education (PE) Substitution

Student is unable to participate in physical activity due to disability or illness and will substitute an academic elective credit for the physical education credit (1.0) as follows:

- o English/Language Arts: _____
- o Mathematics: _____
- o Science: _____
- o Social Studies: _____

Service ID: _____
Service ID: _____
Service ID: _____
Service ID: _____

Signature of Educational Diag./504/RTI Coordinator & Date

Date of Committee Meeting

TAC Ch. 19 §74.12 (6) (G)

4th Science for Arts and Humanities Endorsement Substitution

Student is pursuing an Arts and Humanities Endorsement and is making the request to substitute a course for the 4th science as follows:

- o English/Language Arts: _____ SEP
- o Social Studies: _____ SEP
- o LOTE: _____
- o Fine Arts: _____

Service ID: _____
Service ID: _____
Service ID: _____
Service ID: _____

TAC Ch. 19 §74.13 (e) (5) (FF) pursuant to the TEC, §28.025(c-3)

Career Interest Essay

What are your career goals? Why are you interested in this STISD Half-Day Program?

Important Note: The application will not be processed without this essay. Please make sure that this is included with your application. The essay is evaluated on content, not on spelling or grammar.

Please focus your essay on one vocational program because if you write about two or more careers, your application will not be processed *until* a clear indication from you has been given as to which program interests you the most.

Please print your essay below or attach a typed page to this form.

Memorandum of Understanding
Between
South Texas Independent School District
and

School Year 2023-2024

This Memorandum of Understanding (MOU) sets for the terms and understanding between South Texas Independent School District (ISD) and _____ (known as Home District) for the provision of half-day instruction for students as recommended by the ARD meeting.

This letter serves as an assurance of an organized, coordinated effort in half-day instruction for students from the home district. To prevent dual student records in the TSDS PEIMS submission the following is understood:

- It shall be the responsibility of the home school district to report the half-day student in the TSDS PEIMS submission(s).
- The home district shall order and administer all state testing required for the student.
- It shall be the responsibility of the home district to apply for and receive sums paid by the State of Texas for Average Daily Attendance (ADA) and by the federal government under any and all applicable statutes.

Duties of Parties

The home district will:

- Provide a copy of all ARD meeting paperwork to South Texas ISD in a timely manner.
- Will communicate student home campus activity absence dates in a timely manner to the Half-Day Programs Supervisor so absences can be excused at STISD.
- Will notify Half-Day Programs Supervisor of the upcoming home district local and/or state assessment dates so arrangements can be made to avoid conflict with STISD instructional time and/or assessments.

South Texas ISD shall:

- Attend the applicable ARD meeting(s) for the student, participate in the development of the IEP, and implement the instruction outlined in the IEP for the career and technology course(s)/programs and academic course(s) agreed to in the ARD meeting.
- South Texas ISD shall report in a timely manner the student's attendance and grades to the home district for inclusion in the TSDS PEIMS data.
- Provide all transportation services for students to attend South Texas ISD's half-day program.

There shall be no fee to the home district for this half-day service. South Texas ISD provides this half-day service as their commitment to special education students who do not have access to Career and Technology Education (CTE) Programs like those offered by South Texas ISD due to the programs not being offered at the home district. Admission into this half-day program is limited by instructional personnel and space available in the instructional programs as determined by South Texas ISD. Students admitted into South Texas ISD half-day program will follow the course sequence as outlined by South Texas ISD.

Duration

The agreement is for a period of one school year.

Procedures for Modification and Termination

- The MOU may be modified, revised, extended, or renewed by mutual written consent of all parties, by the issuance of a written amendment, signed and dated by all parties.
- Any party of the MOU may terminate their participation in this MOU by giving written notice of intent to terminate to each of the partners.
- Participation in the half-day program may be terminated for noncompliance with the MOU provided the other parties provide written notice clearly outlining the reasons for the termination.
- If partners cannot come to a mutual agreement, the LEA School Partner will have final decision-making authority.

Signatures

All partners in this agreement sign to confirm their acceptance of its terms by their signature.

Superintendent/Administrator for Home District Date

South Texas ISD Superintendent Date

Frequently Asked Questions

1. How does the home high school report the half-day student in the PEIMS submission(s)?

The student's home high school schedule should include the courses taken at the STISD half-day program on their computer system so all funds (state and federal) will be sent to the home district, including the weighted Career & Technology courses. STISD does not claim the Half-Day student on PEIMS.

2. How do the home high schools receive attendance and grade information?

Progress reports and attendance are emailed to home campus and home district office every three weeks. If district office needs more frequent reports, contact Half-Day Program Supervisor for options on this. The half-day programs supervisor contacts the home campus to confirm that the correct staff members receive this information and that prior emails are being received.

The home campus PEIMS officer and STISD Half-Day Program Office work very closely on this. If a student is having excessive absences on either campus or both, direct contact is done to monitor the situation and share information on the student's situation in order to remedy the problem. An ARD meeting may be requested by either campus to help this concern.

The home high school's attendance committee determines loss of credit for excessive absences and/or make up hours to regain the credit for all courses, including STISD courses.

3. Where does the student take their state exams?

The student takes the state exams at their home high schools.

4. How does the student get to STISD?

Transportation to STISD campuses is provided by the student's home district.

5. How do the IEP's for the STISD courses get to the Special Services department and/or diagnostician?

The STISD Half-Day Program Supervisor or campus case manager attends the ARD meetings at the home high school for the half-day student. STISD staff develops the IEP's for the courses taken at STISD. The Program Supervisor provide copies in at the student's ARD meeting along with current progress reports, grades, and attendance.

6. Does the home high school include certification and competition information on their reports?

Yes, all student accomplishments are reported and credited by the home high school.

7. What happens when a half-day student has a discipline referral?

The campus in which the referral was done handles the referral. The campus administrator contacts the student's parents/guardians. The Half-Day Programs Supervisor contacts the home high school. Communication is needed when the discipline concern may affect the safety of the student or others. A manifestation ARD meeting may be called if needed. The Supervisor of the Career & Technology Half-Day Program will attend and bring information concerning the student's current status.

8. Who are the contact persons at STISD for the half-day programs?

The Supervisor of the Half-Day Programs is the contact person. Along with the administrative assistant, they respond to phone calls and emails from all parties from the home districts.
