GABRIEL AMBRIZ

ELA

BIOGRAPHY

My name is Gabriel Ambriz and I will be teaching eighth grade English/Language Arts and English I here at Rising Scholars Academy. This will be my thirteenth-year teaching ELA and my eighth year here at RSA. I hope to continue RSA's positive attitude and focus on excellence in the upcoming year.

Education and teaching runs in my family as I have two older brothers who are also educators. I graduated from Texas A&M University of Kingsville in 2008 with a Bachelors in English, minor in Reading, and specialization in Education. I have taught eighth grade Pre-AP, Pre-AP Freshmen, and AP Senior level classes.

I live in Harlingen with my wife Kat and our three pets; Chloe, a Chihuahua/American Eskimo mix, Lucky, a mega-mix, and Jack, our grey Chartreux cat. I practice Brazilian Jiu-Jitsu in order to stay healthy and love spending time with my family, and friends. I also enjoy movies, reading, video games, and comic books.
