

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

December 1, 2023

We hope you all enjoyed the holiday break last week. Since December has arrived...we can finally say "Merry Christmas" everyone! We want to offer a special thanks to Constable Paul Edinburgh and Greg Gardner of State Farm for sponsoring Shipley's donut holes for our entire staff this week. We are sincerely appreciative. We are very blessed to have such supportive community members in Santa Fe :)

Our Boys' and Girls' Basketball teams are both participating in tournaments out-of-town today. Varsity Boys' Basketball is in South San Antonio. Varsity Girls' Basketball is playing at Memorial. Our Freshman boys are at Texas City, and our JV boys are in Alief. It looks like our Indian athletes are spread out across Texas this week! We wish all of them our best :)

Also this weekend, we have our Varsity Bowling team headed to a bowling tournament in New Braunfels. We have several students participating in the Special Olympics Bowling Tournament in Texas City on Saturday. We also have some SFHS Choir students attending the TMEA Region auditions at Clear Creek High School.

Last but not least, the Santa Fe Chamber Christmas Parade is this Saturday Night at 5:30 p.m. The parade will begin at Santa Fe High School, and it will end at Santa Fe Junior High parking lot. Several of our SFISD student groups will be participating in the parade. We hope you can come out and show your support!

Have a blessed weekend everyone,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
