

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

December 8, 2023

We've had some great Christmas activities and events this week! A big shout-out to Haley Auzston, Lucas Eaton, and our Fine Arts staff for an outstanding SFHS/SFJH Christmas Cluster Concert last night. We had a great turnout for this event. All of our choir students did a fantastic job.

We've got another busy weekend ahead for our athletes. Our Junior High Boys Basketball Team is at a tournament in San Jacinto, and our Varsity Boys Basketball Team is in Splendora. Our Boys Soccer Team is playing in Dickinson tonight. Our Girls Soccer Team has a scrimmage at home against Clear Lake at 5:30 p.m. Our Girls Basketball Team is also hosting Clear Lake at home. Varsity will begin at 7:00 p.m.

On Saturday, we are hosting the 2023 Santa Fe Cheer Showcase at Santa Fe High School beginning at 3:00 p.m. Our Junior High and High School Cheerleaders will be showcasing UIL and Select performances for the public. Entry to the event will be \$5 dollars for adults, but students are FREE with an ID Badge.

On Monday, December 11, our Boys Basketball Team is hosting "Josh Butler Night" at Santa Fe High School. All Junior High and Youth Basketball players' entry fees will be covered by #strongwhenweak. We hope you can come out on Monday night to honor Josh Butler and support our Santa Fe Indians!

Have a great weekend everyone,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
