## Accessing Course Assignments and Grades

### **Option 1: Grades**

1. Click the Grades tab.

2. The current marking period is selected by default. Click on a different quarter to display grades for that marking period.

**3.** Click a Grade to open more information.

#### **Option 2: News**

1. Click the News tab.

**2.** Click on assignments to open more information.

Graded assignments display along with the grade given, the date and time posted, the name of the assignment, the course, the points earned out of possible points.
