BIOGRAPHY

Welcome to Rising Scholars Academy of South Texas! My name is Khrystal Whitworth, and I am so excited to be your sixth grade English Language Arts teacher! This will be my fourteenth year in the classroom as an English teacher, and my sixth year here at RSA.

Both teaching and reading have been an integral part of my life for many years. I attended Sam Houston State University for both my bachelor's and master's degrees. In 2009, I received a bachelor's degree in Interdisciplinary Studies, and then in 2015, I received a master's degree in Reading. I am currently working on my doctorate's in Curriculum and Instruction with an emphasis in Reading from The University of Texas Rio Grande Valley.

I grew up in The Woodlands, Texas but now reside in Harlingen. My husband, Taylor, and I are the proud parents of three children, Saige (9), Braylon (7) and Remington (6). They all attend school at Treasure Hills Elementary! I also have a Great Dane named, Kevin and a labradoodle named, Teddy. In my free time, I enjoy reading, working out and online shopping.

I love reading and I hope to manifest that onto all my students. I look forward to a great year, Rockets!
